That *final* home-coming day! That's what we're all hoping for . . . *praying* for . . . earnestly! But there's a tough road ahead, that road to Tokyo. Don't think it won't be tough. It will take a lot more ships, more B-29's. More tanks, half-tracks, jeeps, and trucks! More rockets, mortars, air-borne radar! More of everything will be needed. And more bonds . . . we'll have to buy more bonds than ever before. Our mighty armed forces have taken us a long way. To buy more bonds is the least we can do in return.

Past Adahs Honored By O. E. S. of Tecumseh

Tecumseh chapter, Order of the Eastern Star, met Thursday evening with 65 in attendance. This was Past Adahs' night and Past Adahs were honored, with Mrs. Dwight Hodges giving the history of the station. Miss Clara Gillespie, present Adah, presented 12 past Adahs, among them Mrs. Amey K. Scutt who is a life member and the first person to receive the degree in this chapter.

A short service was held for all mothers by the officers after which Pfc. Henry F. Kempf, the only service man belonging to the chapter, and who recently returned from overseas after receiving shrapnel wounds in the eyes, spoke briefly.

Announcement was made of the Lenawee-Monroe Association meeting to be held May 24 in Adrian. Dinner reservations must be made at once with Mrs. George Wilson. The local chapter has been invited by the Jackson chapter to attend a reception for the Grand Esther, Mrs. Olive Baker of Adrian, on May 22. Mrs. Hoyt Raymond gave a report of the recent benefit dance and that a substantial sum had been added to the Ida Hibbard Fund and another bond had been purchased by the chapter. In conclusion refreshments were served by Mrs. Leon Rosacrans and committee and honored April and May birthdays.

Past Ruths will be honored at the June 7 meeting.

The proficiency class will meet Tuesday evening, May 15, at the home of Mr. and Mrs. Dwight Hodges.

WIT AND WISDOM CLUB SEATS NEW OFFICERS

The Wit and Wisdom Club closed its year Monday evening with a coooperative supper in the Methodist church dining room. Rev. Alvin Brazee, retiring president, presided, and introduced Fay VanValkenburg, the new president, who after brief remarks appointed the following committees: Summer picnic, Mr. and Mrs. Wilfred Waldron and Miss Jennie Gillespie; programs, Mr. and Mrs. E. A. Collins, Miss Gertrude Spaulding and Mr. and Mrs. Leon VanValkenburg.

Mrs. Fred Sheldon then announced the program which included a French horn and clarinet duet by Ruth and Janet Goodacre and a clarinet solo by Janet, accompanied by their mother Mrs. Clark Goodacre. Miss Ella McNeil of the U. of M. Health Service gave an interesting talk on the work of the public health nurse, which was illustrated with movies. One film showed several local high school students at work in Tecumseh hospital. The pictures were explained by Dr. Mabel Rugene of Ann Arbor.

COMPULSORY MILITARY TRAINING IS FAVORED

Larry Knox of Wayne, former Michigan Commander of the American Legion, was the speaker at the regular dinner meeting of the Rotary Club here Tuesday evening at Brees House. He was the guest of Louis Schneider.

Mr. Knox discussed the need for compulsory military training in the U. S., declaring that steps should be taken if the nation is to safeguard itself in the future. He urged public support a proposed military training program, now before Congress, and pointed out that, should a third World War occur, in all probability this country would not have time to train and equip its soldiers, as was the case in the present conflict.

There's a Heavy Demand for our PRE-TESTED SEEDS

One thing that we have noticed in selling seeds this Spring is the number of "repeat orders" we have received—folk who bought seeds from us last year and two years ago are coming back for more.

That, we think, speaks well for the quality of the seeds we sell. Repeat business always indicates satisfaction.

We do not hesitate, therefore, to ask you to join our list of satisfied seed customers. When you plant our pre-tested seeds in your Victory Garden you will be certain of a good crop if you give your garden proper care.

They are the unsung heroines of this War. True it takes all kinds of people to win a war, soldiers and sailors and businessmen, farmers, laborers, wives and sweethearts . . . and MOTHERS. Mothers because they are part of the force behind the fighting force . . . because they wait for the peace that will send their sons home to them . . . and because while they wait, they work. Theirs is the important job of morale . . . of keeping intact the American home. For today, as in other wars, the home remains the port of happiness and safety to which men turn first when the War is won.

SAVE YOUR FUEL

1. Clean and overhaul furnace—a clean, tight furnace is more economical of fuel.
2. Install a barometric draft control—they're available, and they're fuel-savers on any hand-fired heating plant.
3. Install an electrically operated thermostat control—there's a supply being made, and they accomplish a surprising economy of fuel and save a lot of labor, too.
4. Weather-strip and storm-window the house.

You can really render a fine service to your customers by urging them to take these four steps now. And they'll thank you for good advice!

Tires are More Precious Than When the War Started!

It is not an overstatement to say that tires are more difficult to obtain today than they were when the war started. If you don't believe it, ask your Ration Board.

That is why we are warning motorists to have their cars checked NOW for "tow in" and "alignment," and, at the same time, to find out whether or not the tires are "balanced." Such care is mighty important because a car that is "out of line" or "out of balance" wears out tires very, very rapidly.

Drive in today, let us check your car. It only takes a short time.

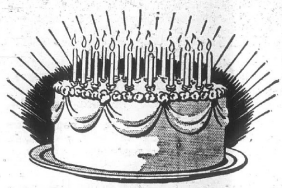
Miss Alberta Williams Weds Warren Finkbeiner

Miss Alberta Williams, daughter of Mr. and Mrs. Carl Williams of Tecumseh, and Warren Finkbeiner, son of Mr. and Mrs. C. D. Finkbeiner of Clinton, were married Thursday afternoon at a ceremony held in the home of her parents, Rev. O. E. Priest of Clinton read the marriage service and the couple was attended by Mrs. Rodah Luckhardt of Adrian nad Orville Weidmeyer of Ann Arbor. Mrs. Harold Ruesink played the wedding music. A reception was held following the ceremony and Misses Dorothy VanGieson and Lois Francis served refreshments to a group of relatives and friends from Alma, Ann Arbor, Adrian, Clinton and Tecumseh.

Mr. and Mrs. Finkbeiner left on a short trip and on their return will live on a farm east of Clinton. The bride is a graduate of Tecumseh high school and for two years has been employed by the Michigan Producers Dairy in Adrian. Mr. Finkbeiner is a graduate of Clinton high school and of Michigan State College in East Lansing.

—o—

Mrs. Wallace Rutherford was hostess to the B.P.C.P.F.C. Wednesday evening. A business session was followed by card and prizes were won by Mrs. Luther Wood, Mrs. Alfred Beckman and Mrs. Clark Vincent. Mrs. Frank Beal assisted in serving refreshments. The next meeting will be held June 6 at the home of Mrs. Wood with Mrs. Vincent assisting.



15 YEARS A FORD DEALER

(Each week, in this space, we review one year of Tecumseh's history in the 15 years that we have been in business here, taking the years in order since 1929. Watch this space, you'll find the stories very interesting).

Whether you remember it or not, Tecumseh and Lenawee county were still in the depression in 1939 and when Ray W. Herrick, president of the Tecumseh Products Company, announced early in January that his firm planned to double its business, that its payroll would hit $80,000 monthly, that 450 persons would be employed, that he was optimistic as to the future, industrially, business leaders and labor, alike, breathed a sigh of relief. The Quaker Oats Co., the Cyclone Fence Co., H. Brewer & Co., the Carson Foundry and Hayden Mills also issued statements to the effect that "business is picking up."

In the Spring election, Karl M. Schneider was elected village president, and Albert O. Howard was elected township supervisor.

Ground was broken for the new subdivision (now known as Indian Acres) and an announcement was made by R. S. Moore & Son Co., that six new homes would be constructed. A parade marked the opening of the new homesite. R. W. Herrick, Products president, said he hoped that within three years 50 new homes could be built here. Already, he said, his company has been instrumental in building a dozen new homes in Tecumseh. He also announced that his company would do $1,500,000 more business in 1939 than it did in 1938, nearly doubling its payroll.

Fifty graduates received their diplomas at Tecumseh high school and W. L. Berkhof, superintendent, won praise from the University of Michigan in an announcement that the school would continue on the accredited list.

Mrs. Elliott T. McLain, Rt. 1, Tecumseh, was awarded a lot in the new subdivision of the R. S. Moore & Son Co., for suggesting the name, Indian Acres.

Western Lenawee was visited by a terrific windstorm doing half a million dollars in damage in the Rollin and Devils Lake areas.

Perry C. Satterthwaite was named as president of the board of education. Louis Schneider was named as president of the Rotary Club.

Tecumseh Hospital announced that it was "crowded for room" soon after its first anniversary.

Tecumseh's new airport on the Murphy farm was opened. A site for a new postoffice here was announced on S. Pearl street.

Tecumseh Products Company announced the opening of a new $38,000 addition and Mr. Herrick, its president, said that the payroll during the coming year would exceed $750,000.

A few people, because of the war in Europe, were reported to be "laying in" a stock of staples and sugar was becoming scarce.

Purchase of the new Recreation Center was approved by voters.

The Products Company announced free hospital aid for employees and wives.

E. M. Campbell was badly burned in an explosion at his dry cleaning plant.

With industry booming and the Hayden Mills announcing wheat at $1.01 per bushel, this community prepared to celebrate a Merry Christmas.

THE TECUMSEH HERALD

NINETY-FIFTH YEAR—NUMBER THIRTY-THREE — TECUMSEH, MICHIGAN, THURSDAY, MAY 17, 1945 — FIVE CENTS PER COPY

School Fund Vote Today

TO DECIDE ON ESTABLISHMENT OF SINKING FUND THIS AFTERNOON, TONIGHT

The post-war future of the public schools in Tecumseh, at least insofar as a building expansion program is concerned, will be determined this afternoon and tonight when voters of the district go to the polls to decide whether or not this community should establish a $68,000 sinking fund, over a 5-year period, the money to be used as a "nest egg" for the building of a new high school here after the war.

The polls will be open at the high school from 3 to 8 p.m., today.

Two Issues Submitted

Two issues will be submitted, the first to determine whether or not the tax limitation clause, restricting the amount of tax that may be levied in a single year, shall be increased in the years 1945 to 49, inclusive, (and, second) to permit the levy of a five mill tax during those years to establish the sinking fund, the money thus raised to be used "for the purchase of real estate for sites for, and the construction of repair of school buildings." Money raised under such a plan, it was explained, cannot be used for any purpose other than that specified.

A voter to be qualified on the sinking fund issue (the second proposal) must be a citizen of 21 years of age, a resident of the district for three months and the owner of property assessed for school purposes. In the event property is held jointly, both husband and wife may vote. To vote on the tax limitation clause (the first proposal) you must be a citizen of 21 years, a resident of the state for six months and of the district 20 days prior to the election. You do not need to own property in order to vote on this proposal.

The state law provided that the tax limitation proposal must carry by a two-thirds majority. A simple majority is sufficient for the sinking fund proposal.

Cost Is Very Small

The cost of establishing the sinking fund, insofar as individual taxpayers are concerned, is very small, it was pointed out by interested persons. The proposal calls for a five mill tax for five years or, in layman's terms, a tax of $5 per year for five years per $1,000 assessed valuation. The average assessment in Tecumseh is less than $3,000, making the cost to the average taxpayer less than $15 annually or about four cents per day. For persons whose property assessment is only $1,000 the cost would be only $5 a year and on $2,000 only $10 a year.

The purpose of the sinking fund, it was explained, is to make money available to the district when the war is over and a new school building becomes necessary to care for increased population. With funds available, it was pointed out, it will not be necessary for the district to bond heavily for a new building, and likewise it will eliminate the need for paying interest on bonds that would have to be issued had no cash reserve been available. Including interest earnings and interest saved, it is said, the district would be in a position to turn the $68,000 fund into one with a value not far from $100,000.

Schools Are Inadequate

Present school buildings, officials say, are not adequate to care for the needs of the present day, to say nothing of the needs after the war when Tecumseh population is expected to nearly double. The present high school building would serve as a grade building if the building plans can be carried out.

The sinking fund proposal carries the endorsement of the board of education and or industrial and civic leaders.

Although the issue has twice before been submitted to the voters here and each time defeated by a very small vote, it is believed by those interested that today's vote will reverse the other two and that the proposals will receive heavy favorable majorities. Residents here, it was said, far better understand the questions and the crowded conditions of the schools and the need for expansion than they did a year ago, and many who opposed the proposals last year are favoring the program today.

Meeting at School

Last Thursday evening, at the high school, at a meeting called by an interested group of parents, R. W. Herick addressed the crowd, numbering a little more than 100. The sinking fund program was discussed and there were informal remarks from the audience. Mr. Herrick regretted the small size of the crowd, declaring that school problems should not be left to the teachers alone when, in reality, they are parents' problems. He stressed the need for a new school and urged a large vote at today's election.

Mrs. Robert H. Moore presided and there was an expression from the floor for the reorganization of the Parent-Teacher Association. Mrs. Moore named a committee of three to report at a future date on plans looking toward that end. The committee is made up of Rev. Edw. Escolme, Mrs. Walter Pfaus and Mrs. Paul Keyser.

Hospital Day Is Observed

NEW $2,000 LABORATORY AT TECUMSEH HOSPITAL FORMALLY OPENED, SATURDAY

National Hospital Day was observed at Tecumseh hospital Saturday with open house during the afternoon when the new laboratory equipped by Tecumseh Hospital Auxiliary, was opened to the public. The equipment which includes an autoclave sterilizer, a delicate balance and other scales, microscope with various adjustments, haeometer pressure lamp, bacteria incubator, water and steam baths, chemical re-agents, bottles, test-tubes and other necessary glassware, was purchased with funds raised by auxiliary activities and cost approximately $2,000. Miss Gertrude Spaulding and members of the hospital auxiliary received the guests and after inspection of the laboratory, tea was served in the sewing room.

The hospital is now prepared to do all general laboratory work and to test blood for transfusions and the work will begin as soon as a full time technician can be engaged. Dr. Bernard Steinberg, director of research laboratories at Toledo hospital, is the director of the new laboratory and pathological specimens will continue to be sent to him for examination.

Products Gets 5th Navy Star

AWARD FOR MERITORIOUS SERVICE HAS BEEN HELD BY COMPANY SINCE 1942

Ray W. Herrick, president of the Tecumseh Products Co., has been advised that the United States Navy, for the sixth time since 1942, has honored the men and women of the company by awarding a fifth star for the Navy 'E' flag. The original flag was presented at a ceremony and banquet here April 27, 1942. The company was the first in the United States to receive the Navy 'E' flag and the Treasury's Minute Man Flag simultaneously.

The Navy flag is awarded for excellency in the production of materials of war and employees, through their efforts, have made it possible for Products to hold the award without interruption. The second award was made in November of 1942, the third in April of 1943, the fourth in January of 1944, the fifth in June of 1944 and the sixth, or the fifth star, in April of this year.

In a letter to Mr. Herrick, C. C. Block, admiral, USN (Ret.) chairman of the Navy board of production awards, says from Washington:

"It is with heartiest congratulations that the Navy informs the men and women of the Tecumseh Products Company that a fifth renewal of the Navy "E" was granted your plant at the last meeting of the Navy Board for Production Awards. A new flag with five stars should reach your plant within a few days.

"This award, signified by the five stars to be displayed on your "E" flag, is an indication that all of you have maintained the excellent record of production which merited your previous awards. Each and every one of you may well be proud of this high honor and inspiring record.

"The courageous men on the fighting fronts must have the necessary weapons with which ot wage total war. These men appreciate the vital support of the men and women of the Tecumseh Products Company who have worked with such untiring effort on the production front to supply these needed war materials."

TB X-RAY PROGRAM EXPLAINED TO ROTARY

The plan for bringing the state's mobil TB X-ray unti to Tecumseh, early in July, making the service available not only to industry but to the community at large, was explained to the Rotary Club here Tuesday evening, when Mrs. Mabelle Markee, of the State Health Department, addressed the group, following dinner at Brees House. She was accompanied by Mrs. Richard Preston, chairman of the Tecumseh Health Education Committee, which group is interested in the program.

Mrs. Markee explained that the work is done entirely by the state, without expense locally, and that reports of findings are made to family physician. She urged public cooperation to make the program a success.

Mrs. Preston said that a large percentage of industry, handlers of foods and many others already had signed for the service.

His shoulder and elbow were injured and all his hair was burned off in the accident. Seaman House was to graduate from Naval Air School at Memphis on May 19.

Mr. and Mrs. House also were notified that a nephew Corporal George Laventure, was one of the first six men to receive their army discharge at Ft. Sheridan, Ill. Corp. Laventure, who was home on furlough after a long period of service in East Africa, had visited in the House home two weeks ago.

3 Students Win College Awards

2 JUNIORS, 1 SENIOR PASS ARMY EXAMS PERMITTING TRAINING AT COLLEGE

Richard Avis, of the senior class and Richard Watkisn and John Price, of the Tecumseh high school junior class, have just received word from the Sixth Service Command of the Army Service Forces Headquarters in Chicago that they achieved a satisfactory score on the ASTR Qualifying Test administered on April 12, 1945, and that they have earned the opportunity to start college training under the Army Specialized Training Reserve Program.

This program is a form of military scholarship offered by the War Department to qualified young men. The scholarship includes tuitions, messing, necessary instructional material, medical care, the regulation army uniform, and transportation to an accredited college or university designated by the War Department. Depending upon the age at the time of enrollment the scholarship will be for a minimum of two terms and a maximum of four terms of training and the academic training which is received will provide a fundamental background for almost any college course which may be selected later.

YOUR SUBSCRIPTION, IS IT DUE?

Many subscriptions to The Herald are coming due at this season of the year, especially in the Tecumseh area. Please note the expiration date, printed beside your name and address. It will tell you when your subscription expires.

The expiration date is your signal to renew so that your name will not be removed from the list in these critical war days because of the scarcity of paper.

Would Organize VFW Post Here

POST OF "GOLD CHEVRON" ORDER TO BE DISCUSSED AT MEETING ON MAY 28

Followig conferences with local overseas veterans and civic leaders, it was announced by George H. Gee, deputy chief of staff at large for the Veterans of Foreign Wars of the U.S. that a new post of the "gold chevron" order is planned for Tecumseh.

An organization meeting has been arranged for Monday, May 28, 7:30 p.m. E.W.T., in Legion hall. Applications for charter membership will be accepted and processed, and plans will be developed for the formation of the new unit. If the necessary minimum number of applications are received, according to Mr. Gee, who represents the state headquarters of the V.F.W., the local group may at once convene for the election of officers, selection of a name for the post, and the setting of a date for the formal mustering-in ceremony.

The V.F.W., founded in 189, is composed of the overseas veterans of all wars, campaigns and expeditions under the American flag. More than 500,000 veterans of the present war have already joined the organization, and additional applications are being received at an average rate of 1000 a day.

The plan for a local post, says Mr. Gee, was inspired by several men from the Tecumseh area now in foreign service who are already members of the V.F.W., some in other posts, and some as members-at-large who will have until the end of the year fi which they are discharged to transfer into their home town posts.

"The organization of a new V.F.W. post in Tecumseh will make available to the veterans of this community the services of both state and national rehabilitation agencies of the organization—agencies that have been developed on the background and experience of 46 years in this type of work."

It was emphasized by Mr. Gee that the new post will start with an understanding that full cooperation is to be maintained with all other civic fraternal and patriotic organizations, in the interest of the community and its veterans.

An invitation has been extended to all overseas veterans to attend this meeting and bring their discharges. Wives and parents of men still in service are also invited to be present, to learn how they may obtain charter membership in the new post for their sons and husbands. A letter showing the APO address will serve as proof of overseas service.

Interested veterans may obtain additional information from Loren K. Will at 107 S. Union, telephone 256.

Baptists Honor Local Mothers

GIFTS PRESENTED AT SUNDAY SERVICE; TEA AND PROGRAM HELD IN EVENING

Mothers were honor guests at the Baptist church Sunday morning. Four young girls acted as ushers and each mother was presented with a poem "My Cradle Day Mother" written by Theron Puffer of Milan, formerly of Tecumseh. Mrs. Harley McConnell sang "Songs My Mother Taught Me" and Rev. Blair O. Bashore gave an inspiring sermon entitled "My Mother's Faith."

Corsages were presented to Mrs. Harry Beland, the youngest mother; Mrs. B. J. Roberts, the eldest mother; and to Mrs. George Schumm and Mrs. Garland Gove who each have three sons serving their country. In closing Fay Van-Valkenburg sang "Little Mother of Mine." The Senior choir under the direction of Mrs. R. S. Moore, also participated in the service.

A Mother and Daughter tea was held in the church Sunday evening at six o'cock, with 70 in attendance. As each guest arrived she was greeted at the door by one of the hostesses, Mrs. Arleen Hoag, Mrs. Bertha Hoag or Miss Elizabeth Chase, and presented with a corsage. Tea was served by members of the Baptist Junior League and the lace covered table was centered with flowers and lighted candles.

The following program was presented: song, "Faith of Our Fathers" by the group; prayer, Miss E. Chase; vocal solo "The Lord's Prayer," Clara Gillespie; song "Thank God for America" by the True Blue class; "Welcome to Our Mothers," Janet Bashore; "To Our Daughters," Mrs. Florence VanValkenburg; solo, "Little Old Lady," Mrs. Helen Carter; reading, Mrs. Phoebe Bryan; solo, "Pal of My Cradle Days," Clara Gillespie; a playlet, "The Average American Mother and Daughter," written by Mrs. Robert Gillespie and presented by Mrs. E. H. VanVleet as mother and Mrs. Gillespie as the daughter, and a cast composed of Mrs. Jack McConnell and son Jack Jr., Mrs. B. O. Bashore and daughter Marsha, Mrs. Herbert McClure and daughter, Mrs. Mina Sisson and the Primary department, Jacolyn Gillespie, Shirlie Moore, Jennie Mae Bird, Priscilla Sisson, Dorothy Schumm, Colleen Davidson, Erma Swain, Jane Hoekstra, Mrs. Elizabeth Wing, Mrs. Helen Carter and Mrs. B. Claus; closing song "God Be With You Till We Meet Again" and prayer by Mrs. B. Roberts.

During the program gifts were presented to Mrs. Hattie Knight, the oldest mother, and to Mrs. Jack McConnell, the youngest mother present. Mrs. Robert Gillespie was general chairman.

9,851 LBS. OF CLOTHING

A total of 9,851 pounds of clothing were collected here by the American Legion and Auxiliary in the recent campaign, Jack Smith, chairman, said today. The clothing is to be shipped to the needy in the war torn areas of the globe. It was sent to Adrian this week where, with collections from other parts of the county, it will be dispatched to New York.

7th War Loan Sale Is Brisk

ABOUT 20 PER CENT OF TECUMSEH'S QUOTA SUBSCRIBED IN FOUR DAYS

Tecumseh is heading toward another War Bond victory.

As of last night, this community has purchased more than $61,000 worth of Seventh Loan bonds, or approximately one-fifth of its quota in the Seventh Loan, John R. Thompson, co-chairman of the drive, declared.

"We are making an excellent start toward success," Mr. Thompson said. "All of the bonds sold up to Monday night were "E" bonds with the exception of $3,000. This means that we have subscribed nearly $53,000 in "E" bonds, against our quota of $94,400, or more than half. What we would like to do here is to exceed our "E" bond quota by several thousands of dollars. This loan, the Seventh, is known as the people's loan and the government is vitally interested in the sale of "E" bonds—the small bonds. I believe that this community will make an enviable record in these sales," Mr. Thompson concluded.

W. L. Berkhof, chairman of the drive, also expressed gratitude for the excellent showing Tecumseh is making in the first week of the drive. "Of course," he said, "our quota here is $336,900, and that is a lot of money. It is one of the largest quotas we have had and it means that we must work if we are to succeed. We still have four-fifths of the way to go before we reach our goal and this means that we still must sell $275,000 worth of bonds. However, Tecumseh has never failed to meet a bond quota since the war started, and I know that the Seventh Loan will not be an exception."

Mr. Berkhof pointed out that the government needs unlimited funds at this time to carry the war to the Japanese Empire. "We must now transfer our troops from the Atlantic to the Pacific," he said, "and that costs money. Our job, insofar as this war is concerned, is only half done. Let's over-subscribe the Seventh Loan in a hurry and speed Victory and the return of our boys from the battle fronts."

KROGER TO BUY BONDS

Toledo, May 17—Kroger Grocery and Baking Company will subscribe in the Seventh War Loan $3,000,000 in war bonds for county allocation on the basis of $1,000 a store, C. S. Fuller, branch manager here, announced today.

"Kroger's policy in buying war bonds is being continued in the Seventh War Loan on the basis of local community participation as it was in 1944. In 18 midwest and southern states the company has approximately 2,000 stores for each of which the company will subscribe $1,000, a total of $3,000,000. In the Toledo Branch, there are 106 stores, and the total subscription will be $106,000. In addition Kroger employees will buy bonds individually," Fuller said.

WHAT ABOUT THE FUTURE

Can we have prosperity when peace comes? Are we planning for the imposible? What will be the outcome? Will peoples and nations revert to selfish ambitions when the guns finally cease?

A warning note was sounded from the State Department recently in these lines: "Political isolationism has eben discredited, but we must be careful now that we are not dragged down by its twin, economic isolationism."

If we remember that the recovery and the welfare of our neighbors is a necessary factor in rebuilding our own prosperity, then we may get our sights on one of the targets of the Atlantic Charter. We may see freedom from want gradually spreading over widening social and national groups. To achieve that is both the duty and the interest of all of us, but none of us can achieve it alone.

As President Truman said in his first speech in office: "We have learned to fight with other nations in common defense of our freedom. We must now learn to live with other nations for our mutual good. *** With divine guidance and help we will fgind the new passage to a far better world, a kindly and friendly world, with just and lasting peace."

No task is too great nor too impossible if the facts are clearly faced from the start. Only when we stubstitute fears or hopes for facts does it becom- impossible. It is the unknown that frightens us. Hopes may be dupes but fears also may be liars.

If it were possible for men from all over the world to carve a nation out of the wilderness, to establish the greatest producing force the world has ever known to build upon a firm foundation a practical democracy where all men are free and equal in the eyes of the law—why is it not possible for men of different nationalities, faith and speech, to build a world of peace and prosperity?

That is the aim of the San Francisco Conference. That was the theme of Dumbarton Oaks.

Just as the individual states had to give up some of their rights of isolationism to form a united whole, so will the nations have to concede—to concede, mind you, not appease,—to work together.

We can have prosperity but we will have to want it and work for it—as wholeheartedly and with the selfless devotion to its cause that we have demonstrated in time of war.

What are you Saving for the Future?

* * *

It is highly important in these days that one save regularly for the future.

Are you saving? Are you preparing for unexpected emergencies—sickness, accident, etc?

You can prepare for these emergencies if you will save a part of what you earn regularly.

We suggest that you open a savings account in this bank this week or next payday. Then add to it regularly. You'll be surprised how rapidly it will increase, how much security there really is in a savings account of your own.

Come in and talk over our savings plan.

Bonds You Buy and Hold
Will Build This Home

WAR BONDS! Magic Words! Something that mean security, peace, happiness, comfort, at home and abroad, and, after the war, contentment, even old age.

Yes, it's true. The war bonds you buy today and hold until maturity mean all of those things. They mean the realization of your dreams.

We know many folk who are buying bonds regularly, holding these bonds until maturity, and, after the war they will build their own home and pay for it with the bonds and the interest they earn.

Can you think of a more patriotic, more thrifty thing to do? Of course you can't, and you can do it, too, if you will.

Build that home of your dreams with War Bonds. There isn't a safer, sounder investment in the World.

HOLLOWAY

Mother and Daughter Breakfast

A Mother-Daughter breakfast was given by the teen-age girls of the Raisin Center Friends church Sunday morning at the home of Miss Edith Haviland. Sixty-two guests were seated at the tables which were centered with spring flowers. Beautiful corsages made by the girls marked each place. The oldest mother present, Mrs. Clara Chase of Clinton gave the invocation, which was preceded by a poem read by Miss Janet Galloway.

Guests were present from Adrian, Ridgeway, Clinton, Palmyra and the local community. Following the breakfast the group went to the church where pews were reserved for the mothers and daughters being marked with spring flowers and tulle in pastel shades. The music for the processional was furnished by the Mitchell orchestra.

The altar flowers were in memory of Cecil Morton whose mother is the Gold Star Mother of the community.

Miss Doris Whelan of Adrian gave a dramatic reading; a prayer by Steven Vincent Benet was read by Mrs. Mina Illenden in observance of the day of prayer requested by President Truman, and Mrs. Merritt Chase of Clinton sang "Mothers."

During the Sunday school hour potted geraniums were presented to the oldest mother, Mrs. Clara Chase and the youngest mother, Mrs. Carl Lehman, Jr.

The regular monthly meeting of the Ladies Aid Society which is usually held the third Thursday of each month has been postponed until May 24. This meeting will be held in the church parlors at 2:30 in the afternoon. The losing side of an attendance contest will be the hostesses to the winners. The captain of the winners is Mrs. Roy Cadmus and the captain of the losers is Mrs. Edna Wilmoth.

SAVE YOUR FUEL

1. Clean and overhaul furnace—a clean, tight furnace is more economical of fuel.

2. Install a barometric draft control—they're available, and they're fuel-savers on any hand-fired heating plant.

3. Install an electrically operated thermostat control—there's a supply being made, and they accomplish a surprising economy of fuel and save a lot of labor, too.

4. Weather-strip and storm-window the house.

You can really render a fine service to your customers by urging them to take these four steps now. And they'll thank you for good advice!

A Victory Garden is Doubly Important this Year!

In no year since the war started has a Victory Garden been more important than it will be this year.

What is the reason? It's simple. This year, after four years of war, ration points on most all processed foods are necessarily high because of the shortage of labor and materials. And, besides, the demand for processed foods is bound to be great because of the increased, demand for feeding the starving in Europe.

Grow your own foods this year in your own garden. Plant our pre-tested seeds. Our stock is still complete and there is still plenty of time to do the planting.

THE OLD JUDGE SAYS...

GEORGE: "Yes, I certainly would like to hear why you call that an old fashioned idea, Judge."

OLD JUDGE: "Glad to tell you, George. Until recently, a person known as an alcoholic was generally treated as a social outcast. Little if anything was done to understand him or help him. But, during the past few years, medical research and study has developed that alcoholics are really sick people . . . that there is usually a deep-rooted physical, social or emotional reason behind their behavior. That's why today so much is being done to help them by finding out and correcting the condition that leads them to excess."

GEORGE: "How many folks are there like that, Judge?"

OLD JUDGE: "Well, according to scientific research, 95% of the people who drink, drink sensibly. 5% do so unwisely, at times. Included in that 5% is the small percentage of the sick people I'm talking about."

GEORGE: "That certainly gives me a clearer picture. It's the most sensible approach I've ever heard on the subject."

LEGAL NOTICE

MINUTES OF THE BOARD OF EDUCATION MEETING

May 8, 1945

The meeting was called to order by the president, Mr. Touborg. Members present were Mr. Touborg, Mr. Larsen, Mr. Satterthwaite, Mr. Lindsley and Dr. Brown. Also present as a visitor was Mr. Earl Wickwire.

The minutes of the last meeting were read and approved.

Upon motion made by Mr. Larsen and seconded by Mr. Lindsley the bills as incorporated into the minutes amounting to $1590.99 were approved and ordered paid.

It was moved by Mr. Larsen and seconded by Mr. Satterthwaite that the list of seniors presented by the superintendent be approved for graduation and the diplomas be awarded upon the successful completion of their work during the current semester. The motion was carried.

It was moved by Mr. Larsen and seconded by Dr. Brown that the inspectors for the school election on May 17 be paid at the same rate as inspectors who served at the last village election and that the cost of one meal be allowed. The motion was carried. The names of Mr. H. H. Hanna, Mr. Roy Titley and Mr. Sam Sisson were then suggested as qualified persons who might serve as inspectors.

It was moved by Mr. Satterthwaite and seconded by Mr. Larsen that an application be filed by the District with the State Planning Commission for reimbursement for expenses incurred in the preparation of preliminary sketches of the proposed new school building. The motion was carried.

It was moved by Mr. Larsen and seconded by Mr. Satterthwaite that a grant of $50.00 be allowed by the Board of Education for the May Party. The motion was carried.

A motion was made by Mr. Larsen and seconded by Mr. Satterthwaite that $75.00 be allowed for expenses incurred in taking the school census and that the superintendent be authorized to appoint an enumerator. The motion was carried.

It was moved by Mr. Larsen and seconded by Dr. Brown that the complete budget as it appears in the minutes be published in the Tecumseh Herald. The motion failed to carry with Mr. Larsen and Dr. Brown voting for the motion and Mr. Satterthwaite, Mr. Lindsley and Mr. Touborg voting against the motion.

It was moved by Mr. Larsen and seconded by Dr. Brown that the budget form in outline be published. The motion was carried.

Upon motion made by Mr. Satterthwaite and seconded by Mr. Lindsley the meeting was adjourned.

P. C. Satterthwaite, Secretary.

4 Cents a Day for a NEW SCHOOL in TECUMSEH

That's What it Would Cost the Average Taxpayer!

Don't be misled by propadanga. Don't be fooled by the uninformed. Get the facts. Think for yourself. Look to the future.

Here are some facts:

The sinking fund issue to be voted on here Thursday, May 17, looking toward the building of a new school in Tecumseh in postwar proposes two things:

1. An increase in the tax limitation clause during the years of 1945 to 1949 inclusive to permit (2) the levying of a five mill tax during those years to create a sinking fund to pay a part of the cost of building a new school when the war is over.

How much money will be raised?

The five mill tax or, in plain English a one-half cent tax, would raise, during the five year period, somewhere between $68,000 and $75,000, based upon the assessment of the Tecumseh School District.

How would it affect you?

It would affect taxpayers as follows: For every $1,000 worth of assessed property you own in the district you would pay $5 annually. No more! If your home is assessed at $2,000 you would pay $10 a year in sinking fund taxes. If your assessment is $3,000 you would pay $15 a year. No more!

What is the average assessment?

The average assessment in the district is $3,000 or less. This means that the AVERAGE TAXPAYER WOULD PAY ABOUT 4 CENTS A DAY to create the sinking fund.

DON'T BE MISLED BY PROPOGANDA! Think for Yourself!

Tecumseh's schools are crowded now. What will they be in post-war when Tecumseh grows?

Isn't it good business to create a nest-egg for post-war building, to pay into a "savings account" the same as prudent residents who desire to build at some future time?

Don't Let Tecumseh's Children Down! They Are The Future Citizens!

If you have lived in Michigan 6 months, in the district 20 days, you are eligible to vote May 17.

DON'T LET TECUMSEH'S RETURNING SERVICE MEN DOWN!

500 of Them will be Returning Soon To Make New Homes—To Rear a Family

Does Your Car "Pull" to Right or Left?

Test your car for "pull," see if it seems to drag to the right or to the left. If it does it's a good indication that your wheels are out of ailgnment, that you are wearing out your tires unnecessarily.

Another indication of improper alignment or that your wheels are out of balance is "shimmy." We see many cars each day with this ailment.

Don't neglect these troubles. If you do you will wear out your tires long before you should.

Bring your car to us for correctional service. We have all of the tools and can do the job in a jiffy.

A FEW TIPS ON SUCCESSFUL BROILER PRODUCTION

Success or failure can be yours in raising broilers. Your success in raising broilers depends on several factors:

1—The kind of chicks you buy.

2—Proper brooding:
- (a) Correct temperature
- (b) Proper ventilation
- (c) Adequate floor space to prevent overcrowding
- (d) Proper sanitation to prevent disease and promote cleanliness

3—Proper amount of water founts.

4—Sufficient number of feeders.

For large, tasty, juicy meated broilers, keep the feeders filled with

HAYDEN'S BROILER MASH
(It is made to produce the most meat in the shortest time with the least feed cost to you).

15 YEARS
A FORD DEALER

(Each week, in this space, we review one year of Tecumseh's history in the 15 years that we have been in business here, taking the years in order since 1929. Watch this space, you'll find the stories very interesting).

Industrially and economically, things seemed to be turning for the better as the year of 1940 rolled 'round and business leaders seemed to have hopes of shaking off the depression.

The American Gas Service Co., had just moved its plant to Tecumseh from Ohio and the Meyers Aircraft Co., had completed its first ship, to be delivered to Atlanta, Ga.

Tecumseh Hospital faced an acute shortage of room and there was considerable agitation for the building of an addition. The hospital showed a $1,400 profit during the past year's operation.

R. S. Moore & Son Co., formally opened its remodeled offices on Logan St.

Ray W. Herrick awarded a $200 prize to the first set of twins born in Tecumseh Hospital. They were the sons of Mr. and Mrs. James Elliott.

The McCoy and Braun buildings on E. Chicago boulevard were badly damaged by fire. E. M. Campbell was elected president of the Rotary Club and Priscilla Muhn of Tipton won the county spelling contest.

The Chieftain Hotel and adjoining buildings were damaged by fire with loss estimated at more than $35,000.

Perry M. Hayden was elected president of the American Milling Association.

Plans for the building of a frosted foods locker at a cost of $14,000 were announced by Marion Whelan.

Rev. Edward Escolme of the Prospect church was honored upon his acceptance of a request to remain here for his 23rd consecutive year.

Voters, by 10 to 1 majority, approved a bond issue for the building of a $25,000 addition to Tecumseh Hospital. Ray W. Herrick said that addition would be completed and opened in October.

Tecumseh's assessed valuation increased nearly $69,000.

Rosacrans store badly damaged in $10,000 blaze. Firebug hunted by the police.

Meyers Aircraft Co., announced plans to double the size of its factory.

Ground was broken for the building of a new church by the Grace Evangelical Lutherans.

Wendall Willkie greeted a large crowd at Adrian on his tour seeking election as Republican president.

Military draft registration was started, some 450 registering in Tecumseh.

Franklin Delano Roosevelt was re-elected president of the United States in a Democratic landslide.

Ray Sluyter opened his new electric shop here.

New church of Grace Evangelical Lutherans dedicated.

14 men were called for draft examinations.

The new Palman Department Store was opened.

Late in December, R. W. Herrick, president of the Tecumseh Products Company, announced that the plant's payroll in 1941 would hit $1,250,000, that 1,100 would be employed, that the company's volume would reach $5,000,000. At the same time he announced that 4½ tons of dressed turkeys would be given to employees as Christmas gifts.

Holiday trade hit a new high and business generally was optimistic about the coming year.

IN MEMORIAM

In loving memory of our dear son and brother Harvey Proctor who passed away May 16, 1943.

To your grave we often wander
and picture your face so dear
In silence we stand in sorrow
of the one we loved so dear.
What we would give to clasp
your hands, your happy face to see
To hear your voice, to see your
smile, that meant so much to us.
Sadly missed by his mother,
father, sisters and brothers.

Home From Army

Capt. Ferris G. Hodge

Dr. Hodge Will Reopen Offices

LOCAL DENTIST, RELEASED FROM ARMY, PLANS TO RETURN TO PRACTICE HERE

Fort Sheridan, Illinois, May 24—Captain Ferris G. Hodge of Tecumseh, Michigan, who for the past 4 years and 7 months, has served in the Army Ground Forces and the last 30 months having served in the Paratroops, reverted to inactive status on May 16, 1945, Colonel George H. Bushman, commanding officer of Fort Sheridan, announced today. Capt. F. G. Hodge will return to Tecumseh, Michigan before resuming his profession, that of practicing Denistry.

"This officer, like many of his fellow officers, responded to the patriotic call for men at a time when our country faced its darkest days," said Colonel Cushman. "The valuable experience which he brought with him into the service contributed to the rapid organization and training of our present day fighting forces."

"It is the policy of the Army to relinquish specialized personnel as soon as possible to strengthen the support the Army must have on the home front."

"He will be subject to recall to active duty when and if it should become necessary in the country's interest."

Capt. Hodge graduated from the University of Michigan Dental School in 1932 and opened his offices here on East Chicago boulevard in the Hodge building, in July of that year. He practiced continuously until he enered the Army.

Capt. Hodge, prior to the war, held a reserve commission in the Army and was the first officer to be called to service in Lenawee county.

Discussing his release from the Army today, he said that he planned to reopen his dental offices here, probably about the first of July. Capt. and Mrs. Hodge reside on W. Chicago boulevard.

RED CROSS SECRETARY

Miss Clara Waldron has taken the position of executive secretary of the Lenawee County Red Cross to succeed Mrs. Victor Wahl who has resigned to return to her home in Eau Claire, Wis. Miss Waldron will begin her new duties early in June.

YOUR SUBSCRIPTION, IS IT DUE?

Many subscriptions to The Herald are coming due at this season of the year, especially in the Tecumseh area. Please note the expiration date, printed beside your name and address. It will tell you when your subscription expires.

The expiration date is your signal to renew so that your name will not be removed from the list in these critical war days because of the scarcity of paper.

Sinking Fund Gets Approval

PLAN FOR ESTABLISHING "NEST EGG" FOR BUILDING IN POST-WAR O. K.'d

Electors of the Tecumseh school district, by about a three to one majority, have approved a proposal to increase the tax rate here during the years 1945-46 to permit a five mill sinking fund levy, looking toward the building of a new high school in post-war.

The election was held at the high school last Thursday afternoon and evening and the vote was as follows:

To permit the increase in the tax limitation clause, 536 yes, 174 no. To establish the five mill sinking fund over the five year period, (only property owners voting) 401 yes, 150 no.

Similar proposals were submitted to electors here last year on two occasions and each time the issues were defeated by slight majorities. In both instances, however, property owners approved the plan but the right to increase the tax limitation failed because it lacked a two-thirds majority, as is provided by law. This year, the vote on this issue was about three to one in favor of the increase.

The sinking fund that will be established under the proposal will, in the five year period, permit the raising of about $68,000, the money to be held as a "nest egg" until such time as a new school can be constructed. Proponents of the plan pointed out to electors that "an idea in advance" for the building would materially reduce the interest loan on bonded indebtedness when actual construction became necessary, and also would put the district in shape to accept any federal or state grants for public works construction, if such a procedure develops in post-war.

The need for a new building here to care for Tecumseh's after-the-war growth also was pointed out. With the village's industrial expansion accepted by civic leaders as certain, many folk are of the opinion that Tecumseh will double its population during the five years immediately following the war. If such an increase comes, it was pointed out, the public schools, already crowded, would be unable to accommodate the student load.

The proposal to increase the tax limitation and levy the mill tax carried the approval of the board of education and practically all industrial and civic groups. The board has for more than a year been studying Tecumseh's school building needs and about 14 months ago recommended a building program in post-war.

Pythian Sisters Hold District Convention

The annual district convention of Pythian Sisters was held Thursday in Adrian with 200 delegates attending from Tipton, Milan, Dundee, Detroit, Waldron, River Rouge, Morenci, Ypsilanti, Adrian and Tecumseh. Adrian Man Is Held In Murder

KENNETH H. JENKINS, 28 CHARGED WITH SLAYING OF 24-YEAR-OLD WAITRESS

"I've just killed a woman and I want to give myself up."

With those words, Kenneth H. Jenkins, 28-year old Adrian factory worker, surrendered to Lenawee county sheriff's officers Saturday evening for the murder of Mrs. Nellie D. Fritz, 24-year-old waitress, and the mother of three children.

The murder occurred in the Fritz apartment in Adrian about 7 o'clock Saturday evening, a few minutes before the slayer, accompanied by his sister, walked into the county jail to make a confession. He was calm, officers said, declaring that "if he couldn't have her (Mrs. Fritz) no one else would."

A warrant charging Jenkins with murder was authorized by Assistant Prosecutor John R. Zeigler of Tecumseh. To Mr. Zeigler and sheriff's deputies, Jenkins told a story of having kept company with Mrs. Fritz for many months, of how he paid a Detroit doctor $100 to perform an abortion when in January, Mrs. Fritz told Jenkins that she was going to have a baby, and how they visited in Pennsylvania and Ohio, registering in hotels as husband and wife.

Jenkins, who is married, said that although Mrs. Fritz had told him that she loved him and wanted him to get a divorce and marry her he also had discovered that she was seeing more and more of another man. He said that when he talked with her Saturday she told him that she didn't love him any more, and, that she had been intimate with his rival.

After begging her to come back, Jenkins said that he picked up a whiskey bottle and hit her over the head with it. It broke. Then he hit her with a milk bottle and that also broke. As she started to fall he grabbed her by the throat and squeezed it gently. That was all.

An autopsy performed by a Toledo pathologist showed that death was due to strangulation and not from the blows on the head.

Mrs. Fritz' children are aged 5, 4 and 3 years. Her husband was killed in an auto accident two years ago.

Local Sergeant Carries Allied War To The Japs

LIBERATOR DUMPS 20MB LOAD JUST BEFORE ITS WING IS BLASTED

A 7TH AAF HEAVY BOMBER BASE IN THE PALAUS—Jap anti-aircraft gunners blasted a 15-inch hole through the right wing of a Liberator bomber, on which Sergeant Oren R. Feight, 30, of Tecumseh, Michigan, was engineer—but it was the Japs' last shot.

The bombarier, Lieutenant Lester E. Dutka of Berwyn, Illinois, had dropped four 1000-pound bombs toward the gun battery, just as the bomber was hit. There was a series of flashes 10,000 feet below and the guns were strewn over the landscape.

"It was a perfect job. The thousand pounders demolished the installation and everything around it," said Sergeant Feight.

Despite difficulty in operating the wing flaps and aileron controls, which had been damaged by the ack ack shell, the pilot brought the plane back to base safely. The shell had passed through the wing, and missed a gasoline tank by inches.

The Liberator was one of a strong 7th AAF formation attacking enemy positions in the northern Palaus. Fuel and supply dumps, gun positions and bivouac areas were blasted.

It was the 18th combat mission for Sergeant Feight and his crew. Their previous strikes had been against Jap shipping, air power and ground installations in the Philippines. From Luzon to Mindanao, they had struck regularly to assist our ground forces to reconquer the island group.

Sergeant Feight's parents, Mr. and Mrs. O. L. Feight, reside at Tecumseh. His wife, Zorr, resides at 221-1st Street, Southwest, Chisholm, Minnesota. He was graduated from Tecumseh high school in 1933 and prior to entering the Army was an internal revenue agent at Detroit. A brother, William, is in the Army.

Guy Beevers is Honored by Navy

GOVERNMENT ISSUES AIR MEDAL TO VETERAN REPORTED MISSING IN ACTION

Mrs. Ardith Beevers, has been notified by the Navy Department that her husband, Guy Beevers, amm 3/c, missing in action, has been awarded the Air Medal. The award was made for meritorious achievement in aeriel flight as navigator in a torpedo squadron attached to an aircraft carrier, during operations in the enemy Japanese-held territory of northern Formosa on January 22, 1945.

The message further states that "after more than a 300 mile flight over enemy territory on a moonless night, Beevers was instrumental in locating the harbor and shipping installations, which despite enemy search lights and strong anti-aircraft fire during the ensuing battle, were seriously damaged or destroyed. By outstanding technical skill and heroic conduct Beevers contributed materially to the success of a vital mission, pointing toward further offensive operations against the Japs in this area. His devotion to duty and aggressive determination were in keeping with the highest traditions of the U.S. Naval Reserve.

"It is regretted that since permanent citation contains information which at present is confidential, it must be held until such need for secrecy is past and will be forwarded at a later date. The medal however is being forwarded under separate cover."

Machinistmate Beevers was reported missing January 22 and the message received by Mrs. Beevers February 8. Hope is still held that he may be a prisoner of war or somewhere in China.

AT GREAT LAKES

PLAN FOR BANQUET

The May meeting of St. Elizabeth Altar Society was held at the home of Mrs. John Gruber with 14 members present. Final plans were made for the Mother and Daughter banquet, May 27.

The next meeting will be held June 13 at the home of Mrs. Paul Breitenwischer.

PAST CHIEF'S CLUB

Mrs. B. E. Brees and Mrs. Alfred Beckman were hostesses Friday evening to the Pythian Past Chiefs Club at Brees House. Dinner was followed by the regular business meeting and social hour.

Bond Sale Here Reaches $85,000

TECUMSEH, HOWEVER, MUST STILL BUY $251,000 IF IT REACHES QUOTA

Tecumseh already has subscribed 25 per cent of its Seventh War Loan quota but it still must buy over a quarter of a million dollars worth of bonds if it is to meet its allotment, W. L. Berkhof, War Finance chairman here, pointed out today when he announced that the sale of bonds as of last night totaled about $85,000.

"Tecumseh purchased about $24,000 worth of bonds during the past week," Mr. Berkhof said, "but that amount is not sufficient to put us over the top in the Seventh Loan. We must buy them faster. The Seventh Loan ends with June and that is only five weeks away. We still are better than a quarter of a million dollars behind our allotment."

Tecumseh's quota in the Seventh Loan is $336,900, of which amount $94,400 is in "E" bonds—bonds of small denomination. As of Wednesday, it was announced that Tecumseh's purchases totaled only a few dollars under $85,000, with $69,332 of that amount in "E" bonds.

"It is the "E" bonds in which the government is particularly interested this time, because this is known as 'the people's loan,'" Mr. Berkhof said. "Our government is asking the small buyers of bonds, the men and women, boys and girls, who can well afford to buy one or two or more $18.75 bonds in the Seventh Loan, to come to the front. We, in Tecumseh, thus far have made an excellent showing in the sale of 'E's' but we must do better if we are to succeed.

"Of course," the chairman continued, "Tecumseh has never failed to meet a loan quota since the war started and I don't think that the boys on the battle front will find us lagging in this loan. We must, however, realize that we still are a long way from our goal and that all of us must put our shoulders to the wheel if we are to go over the top."

Lenawee county's quota in the Seventh Loan amounts to $3,197,000. Of that amount about $1,200,000 has been subscribed.

Poppy Day To Be Observed

Poppy Day will be observed in Tecumseh on Saturday, May 26, when members of the American Legion Auxiliary will sell the poppies throughout the business section during the day. The organization this year has purchased 4000 poppies and it is hoped that every local citizen will wear a poppy as a memorial to those who fell in defense 27 years ago and also in tribute to those who have died during the present war.

Every penny raised from sale of the poppies will be used for rehabilitation work for which the need this year is greater than ever before. The money raised brings aid to disabled men and their families and to children left fatherless by two World Wars.

Mrs. Ned Baldwin is chairman of the local sale and headquarters will be at the Baldwin Hardware.

P.T.A. IS ORGANIZED AND OFFICERS NAMED

A Parent-Teacher Association was organized on Tuesday evening when a group of parents met at the high school. Mrs. R. H. Moore was named as president, Mrs. Neil Pearson, vice-president, Mrs. Dwight Hodges, secretary, and Mrs. Harold Sisson, treasurer. Other members of the board are Jens Touborg, E. M. Campbell, the Rev. Edward Escolme, Earl L. Wickwire, Carl Fosbender, Aden Mead, Mrs. Walter Pfaus, Mrs. Paul Keyser and Mrs. Van Valkenburg. It was decided to hold five meetings annually, the first within 10 days after the opening of school in the fall, the second in November, the third, a potluck, in February, the fourth in March and the fifth in May.

About 100 persons attended the organization meeting.

WHOSE FAULT?

Going by remarks of the Federal price regulators, the meat packers are profit-crazed pirates. But behind these remarks there is another side to the story. Time magazine reports that "hog production in the Midwest is 30 to 40% less than a year ago—The reason: the price of corn is fixed too high in relation to the fixed price of hogs." A similar situation exists in beef.

Time concluded that "too rigid restrictions and price controls on a sensitive market had knocked the whole meat system galley-west."

Dairy farmers can appreciate the predicament of meat prdoucers. Impractical regulations have plagued them for years.

The First J-M Asbestos Shingle Is Yet To Burn!

Yes, the first Johns-Mansville Shingle is yet to burn—yet to wear out! Isn't that something to consider when you are thinking about putting a new roof on your home?

Johns-Mansville, you know, have spent years upon end in research—developing a type of shingle that is certain to give you "more than your money's worth" in genuine satisfaction.

Why Not Buy the Best Quality?

We like to sell J-M products because we know that the quality is genuine, that customers who apply J-M shingles to their roofs will be thoroughly satisfied. There is no need for you to accept quality other than the best—despite war-time conditions. We can supply you with Johns-Mansville Asbestos Shingles at any time.

Berth on War Loan Team Looks Good to Sgt. Baughey

The United States and a place on one of the "Here's Your Infantry" demonstration teams in the 7th War Loan look mighty good to Sergeant George J. Baughey of Tecumseh, Michigan, after 34 months of service overseas with the famed 32d Infantry Division.

The sergeant serves as assistant squad leader of a light machinegun crew, having taken additional training for his work at The Infantry School, Fort Benning, Ga.

The presentation of Infantry weapons and tactics is under auspices of Army Ground Forces and the War Finance Division of the Treasury Department.

Sergeant Baughey, 23, served in Australia, New Guinea and the Philippines as section leader in a rifle company. Campaigns for which he was given battle stars for his Asiatic-Pacific Ribbon include the Papuan, Dutch New Guinea and the Philippine actions.

He wears the Combat Infantryman Badge, plus a Distinguished Unit Badge for actions on Buna, the Good Conduct Medal, and the American Defense Ribbon.

His most thrilling experience occurred when his unit attacked a Pacific Island in small boats while under bombing and strafing by seven Japanese Zero airplanes. His craft was riddled and he was forced to swim ashore under direct machinegun fire.

He has been in the Army since August of 1940, and was a painter in civilian life. His mother, Mrs. Marie Booker, resides at R.F.D. 1, Tecumseh.

GETS BRONZE STAR

Pfc. Ray Marsh, son of Mrs. Nina Marsh, who was injured in action in Burma several weeks ago, has been awarded the Bronze Star and the Meritorious Service Unit Plaque. He has been in Burma 17 months. Says he is getting his Herald as regularly as possible. It takes about two weeks to reach him. Another son Harry, who is in Germany, has been advanced to sergeant.

Hague; songs by the chorus; piano duet by Misses Pickford and Dermyer; awards presented by Principal T. W. VanOrden; diplomas by Supt. E. A. Stutesman; recessional, Miss Morris.

Other members of the class are Lucretta Beal, Milo Bishop, Donald Butler, Rosalyn Cummings, Doris Dowling, Mae Hawkins, Frank Howard, Ruth Limendoll, Royal McRobert, Morden Mapes, Helen Miller, Charles Mohr, Wendell Myers, Charles Peters, Peggy Robinson, Charles Schultz, Donald Shultis, Jean Southard, Donald Steuwe, Leroy Stoddard, Herbert Summers, Bette Tausend, Gene Williams and Walton Jett, who is serivng in the army.

Capt. James L. Boydston is home from Honolulu on a 30 days furlough.

Mrs. L. B. Ross and Miss Ruth Daniels have returned from spending four months in California.

Mr. and Mrs. Wm. Schulze of Pequot Lake, Minn., are visiting their daughter Mrs. Norman Glancy.

Mrs. Phillip Almaden of Little Rock, Ark., is visiting her parents Mr. and Mrs. Francis Richardson.

MACON

MACON COMMUNITY CLUB

Mr. and Mrs. M. B. Hotrum entertained the Macon Community Club Thursday evening in their home on East Shawnee street where a cooperative supper was served to 56 persons.

Floyd Totten conducted the business session and announced the program which consisted of a piano solo by Mrs. Ralph Halladay; a reading by Mrs. Perry Hayden; movies by Rev. Edward Escolme; piano duets by Mrs. Halladay and Mrs. Kennard Wise; talk by Miss Marjorie Boyce of Maryland who told of a trip to Washington, D. C., and movies by Perry Hayden.

The June meeting will be held in the Gilmore home.

COUNCIL CUBS AND SCOUTS COLLECTED 157 TONS OF PAPER DURING MARCH, APRIL

During the months of March and April the Cubs and Scouts of the Wolverine Council of which Tecumseh is a part, in cooperation with a National program participated in a Waste Paper Collection Program known as the Boy Scout-General Eisenhower Campaign.

With the cooperation of General Eisenhower, special awards of recognition to Cubs and Scouts was approved and a medal bearing a likeness of General Eisenhower and an inscription about the program was authorized for presentation to every boy who collected 1000 lbs. or more and a Battle-Scarred shell carton with a citation from General Eisenhower is to be given as a unit trophy where every boy in the unit collected 1000 lbs. or more. This carton is to be from either a 72 or 75mm shell.

Tecumseh Scouts collected 42,500 lbs. with 27 Scouts qualifying for the General Eisenhower medal. Burton C. Dannells is local Scoutmaster.

217 Cubs and Scouts of the Council have qualified for the General Eisenhower award and six Units for the Unit Trophy. The local troop is one of the six units that will receive the Unit Trophy. The other units are in Dundee, Maybee, Riga and Hudson.

20 units in 14 communities collected 315,080 lbs. of waste paper with Tecumseh having the highest per capita average of 1417 lbs. per boy.

Collections by communities are as follows and are in the order that the reports were received.

Dundee, 57,050 lbs.; Blissfield, 24,800 lbs.; Shelton Park, 7,335 lbs.; Maybee, 12,990 lbs.; Adrian, 30,506 lbs.; Monroe, 25,994 lbs.; Brest (Beaches) 12,010 lbs.; Morenci, 22,345 lbs.; Flat Rock, 29,244 lbs.; Riga, 14,200 lbs.; Tecumseh, 42,500 lbs.; Hudson, 30,000 lbs.; Onsted, 6,115 lbs.

Applications for awards have been presented to the War Production Board through the National Council, Boy Scouts of America and formal presentations are to be made in June.

AUXILIARY TO MEET

Tecumseh Hospital Auxiliary will meet Tuesday evening, June 12, at the home of Mrs. Paul Keyser.

Tecumseh Man Busily at Work at Pearl Harbor

PEARL HARBOR, T. H.—Working day and night to get the damaged ships back in the fighting line are the men of the Navy's Ship Repair Unit. W. H. Wiemer, machinist's mate third class, USNR, of Tecumseh, Michigan, is one of the members of this unit serving at Pearl Harbor.

Wiemer entered the Navy during November, 1943, and has been at Pearl Harbor for more than a year. His wife, Mrs. Margaret Wiemer, makes her home at RFD 1, Tecumseh. Prior to joining the Navy Wiemer was employed at a tool grinder by the Tecumseh Products Company.

Like thousands of other SRU men Wiemer was rewarded last fall when a U. S. Naval Force met and practically annihilated a strong Japanese surface force in the Battle of Surigao Strait, the second Battle of the Philippines. The ships which fought the battle had returned for their revenge, largely because of a group of 1,600 ship repair unit men who three years before had gone out to Pearl Harbor and raised the USS Mississippi, USS Pennsylvania, USS West Virginia, USS California, and the USS Tennessee when the Japanese had recorded them as "sunk."

Tecumseh Man Serves With Hospital Train

HOSPITAL TRAIN 41, FRANCE —Staff Sergeant Elwin L. Murphy, Tecumseh, Michigan, is serving with the Medical Department aboard a Hospital Ambulance Train somewhere in France.

Sgt. Murphy was inducted into the Army and sent to Camp Barkley, Texas, for his basic training. From this post he was placed on detached service as a student at a general hospital. He graduated from the hospital as a medical technician and was later sent to Camp Beale, California, for overseas duty. Because of the need at that time for trained Medical Technicians in this Theater of War, he was moved to Camp Ellis, Illinois, for further assignment. At Camp Ellis a hospital train was activated and because of his particular skill and even temperament he was assigned to it. The unit was sent overseas to the ETO and actual operation of the train began with Murphy as a Wardmaster of a complete car. For his neat appearance and work and his ability to comfort and cheer the wounded men he was promoted to his present grade and assumed the position of the Chief Surgical Non-commissioned Officer in charge of all Medical Technicians. Sgt. Murphy's excellent Medical Training was put to use and he was assigned to work directly with the Train Surgeon and the Chief Nurse. In this capacity his duty is the administration of the valuable miracle drug, Penicillin.

Sgt. Murphy is married to Genevieve Murphy and he has one son, Ronnie. His family resides at 213 West Shawnee St., Tecumseh, Michigan.

KEEP UP THE PRESSURE!

Another word for depression is deflation.

Here's the best insurance against deflation we know of. Buy WAR BONDS as regularly as you pump up your tires, and you can build up a reserve for smooth riding in the future.

This reserve is needed for a definite purpose. There has been a steady depreciation of your soil fertility, livestock, buildings, equipment and fences . . . FASTER during wartime because of stepped-up production and fewer replacements. It has been like the gradual leak of air from a tire, easily overlooked.

You need a fund of WAR BONDS to replace these depreciated items FIRST, to restore the EARNING POWER of your farm. It's the surest way to guard against deflation.

Don't Let This Green Grass Fool You!
(It's 90% water)

At this time of year when pasture is green and the grass contains about 90% water, it is not only good policy, BUT ABSOLUTELY NECESSARY to feed a good balanced ration. Do this even if you have more than enough pasture to go around. Quick economical gains in pork production are not made on pasture! But when you supplement your pasture with a good balanced ration, containing HAYDEN'S PIG AND HOG BALANCER, your pigs and hogs will grow and develop into profitable pork makers. Keep a balanced ration containing Hayden's Pig and Hog Balancer before your hogs at all times.

Don't Confuse Price With "Cost"

The price you pay for a ton of feed is not the determining factor. The price is merely the amount of money you pay for the feed. The "COST" of a ton of feed is the difference between what the consumer pays you and your own net profit.

It's the pounds of meat produced or the number of dozen eggs produced that determines the "COST" OF THAT TON OF FEED. The poultryman who is in the business to make money, looks at the "COST" of his product, rather than the "PRICE" of the bag of feed.

IN MOST CASES THE HIGHER PRICED FEEDS MEAN THAT THE ACTUAL COST OF PRODUCTION WILL BE LOWER.

HAYDEN'S POULTRY FEEDS ARE MADE TO GIVE YOU LOW COST PRODUCTION. And the price you pay your dealer is not much higher than the cheapest feeds on the market.

HASTEN TO HAYDENS.

THE OLD JUDGE SAYS...

MARY: "Jim, didn't you say you wanted to ask the Judge something about grain, the next time you saw him?"

JIM: "That's right, I did, Mary. Is it true, Judge, that distillers recover part of the grain they use in making war-alcohol?"

OLD JUDGE: "That's absolutely true, Jim. Wherever the government has permitted distillers to purchase the equipment necessary to reprocess the used grain, at least 50% of the feed value (25% by weight) of the whole grain is recovered. It comes back to farms like yours in the form of premium-quality livestock feed . . . rich in vitamins B_1 and B_2."

JIM: "Is the same thing true when distillers are permitted to make whiskey, Judge?"

OLD JUDGE: "Yes, every bit as true, Jim."

15 YEARS
A FORD DEALER

(Each week, in this space, we review one year of Tecumseh's history in the 15 years that we have been in business here, taking the years in order since 1929. Watch this space, you'll find the stories very interesting).

With business generally hitting a much faster pace, business and industry looked upon a brighter new year as 1941 arrived.

The $25,000 addition to Tecumseh Hospital was completed in early Jaunary, and the 40-bed hospital was opened to the public.

Meyers Aircraft Co., was stepping up its payroll with 125 employees and an output of from 13 to 14 planes monthly.

The stockholders of the United Savings Bank voted to increase the capital stock to $100,000.

Tecumseh's water supply was doubled by the building of two new wells costing about $10,000.

Census figures released by the government showed Tecumseh's population had increased about 500 in the past decade, the 1940 census showing 2,921 against a figure of 2,456 in the year 1930.

An English boar's head dinner was sponsored by the Daughters of the American Revolution, 250 attending the function at the high school.

Leon F. Rosacrans opened his new ready-to-wear store on East Chicago boulevard.

United States Defense bonds were placed on sale here, and there were rumors of price control legislation from Washington.

The Springville M. E. church was destroyed by fire.

A survey of building operations in the village showed that 25 new homse had been built in 1941 and that there was a trend toward homeownership.

The Ford Touring Solon visited Tecumseh under the auspices of the Butler Motor Sales. Rambling Bill Hurley, formerly of Station WJR, was master of ceremonies.

The Rev. Edward Green, rector of St. Peters Episcopal church, resigned to accept a call to Sault Ste. Marie.

Thirty-one seniors received diplomas at Tecumseh high school.

Rotarians joined with other civic groups in preparing the new Recreation Center opposite St. Peter's church.

Some 60 inductees from Lenawee were drafted into the Army.

The Carson Foundry was sold to W. J. Bruce.

The first Dynamic Kernels wheat was harvested from the nation's smallest wheat field.

The first under-the-lights footbal game was played at Recreation Center between Hudson and Tecumseh, and the new $25,000 field was dedicated.

Taxes on payrolls were discussed at Lansing and Washington.

P. A. Bowen was named postmaster of Tecumseh.

Rev. E. T. Rodda was installed as Rector of St. Peter's church.

Guy E. Belding announced the sale of the Belding Funeral Home and undertaking business to Geo. E. Green and his son, Geo. E. Jr.

The Japanese bombed Pearl Harbor and the first civilian defense meetings were held here.

R. W. Herrick, president of the Products Co., told the council that he would present the village with a new fire truck if suitable housing space was provided. The Products company also announced the gift of 6 1-2 tons of turkeys to its employees as Christmas presents.

As the year came to a close, despite war clouds, the Products company announced that its payroll in 1942 would hit $2,250,000, and that 1,300 would be employed.

THE TECUMSEH HERALD

NINETY-FIFTH YEAR—NUMBER THIRTY-FIVE | TECUMSEH, MICHIGAN, THURSDAY, MAY 31, 1945 | FIVE CENTS PER COPY

$113,000 Bonds Are Sold Here

COUNTY HAS REACHED THE HALF-WAY MARK IN THE "MIGHTY SEVENTH LOAN"

With about $113,000 of Tecumseh's $336,900 Seventh War Loan quota already sold, it was announced officially at the county headquarters in Adrian yesterday that Lenawee was beyond the half-way mark in the loan drive, with sales exceeding $1,700,000. Lenawee's quota is $3,367,000.

"We are moving slowly but surely toward our Seventh War Loan goal," W. L. Berkhof, general chairman of the War Finance Committee here, said today. "We didn't do quite as well in the sale of bonds during the past week as we did the week before, but we have subscribed about 30 per cent of our quota. Only four more weeks remain in the bond drive and we must step our bond-buying pace. We still must buy, in Tecumseh, about $214,000 worth of bonds if we are to meet our quota."

In a breakdown of the sales locally, it was announced by John R. Thompsno, co-chairman of the drive, that $84,467.50 of all sales here represented "E, F and G" bonds. The quota locally in small bonds amounts to $94,400.

The City of Adrian with a quota of $2,206,000 has sold more than half of that amount. Britton, with a quota of $10,800 also has passed the half-way mark, but Clinton is lagging behind its quota of $91,000. Sales reported as of Tuesday amounted to $15,177.50. Macon has subscribed about a third of its $4,700 quota and Onsted is nearing its goal of $24,600. Ridgeway has subscribed about half of its $800 quota.

"I regret that we cannot say that Tecumseh, too, has reached the half-way mark in its sale of bonds in the Seventh," Mr. Berkhof said, "but I feel confident that before the drive ends we will have reached our goal. Tecumseh has never failed in a war loan drive and I do not think that she will fail in this one."

Scouts Honored at Local Court

AWARDS ARE PRESENTED AT PROGRAM IN ST. PETER'S PARISH HOUSE

At the recent Boy Scout Court of Honor held at St. Peter's parish house first class awards were presented to Richard Beasley, John Caremon and Duaine Murphy; second class awards to John, Dick and Jim Collins; Gordon Keyser, Barry Freckelton, Bobby Schuch and Tommy Hamilton were given the tenderfoot induction and tenderfoot merit badges were presented to all of the above named scouts.

Stars were awarded to Tate and Martin and awards to Duaine Murphy for farm and home, reading and conservation; D. Vanderpool, swimming; Lee Clark, dog care; J. Murphy, handicraft leather work, physical development and personal health; B. Martin, first aid, health and woodwork; Kenneth Maves, first aid and firemanship; Donald Maves, firemanship; Rentschler, farm, home, planning; Beasley, dog care and safety. Beasley was also awarded the Boy Scout statuette for scouting proficiency.

PYTHIAN MEMBERS ARE HONORED AT PARTY

The Knights of Pythias and Pythian Sisters entertained at a potluck supper and social evening last Tuesday honoring Mr. and Mrs. Frank Beal who are leaving soon to make their home in California, and for Pfc. Henry Kempf, who recently returned from overseas and was home on furlough from Crile Hospital in Cleveland. The honored guests were presented with gifts.

Following dinner a program was given and consisted of a reading by Mr. and Mrs. Luther Wood, tap dance by Rita Kay Richardson and talks by Forest Abner and Pfc. Kempf. Cards and dancing completed the evening's entertainment.

Mr. and Mrs. Luther Wood, Mr. and Mrs. Alfred Beckman, Mr. and Mrs. Forest Abner and Mr. and Mrs. Clark Vincent were the committee in charge.

Brownie Scouts End Activities For Year

The Brownie Scouts ended their year Saturday with a hike and a picnic. Forty-nine girls were registered for the year and made various articles in handicraft. Several hours were spent in learning different knots and the following girls were awarded gold stars for each knot learned: Janet Bashore, Nanita Cleveland, Ruth Ann Coates, Georgianna Cooper, Garnet and Geraldine Drouillard, Grace Moore, Barbara Ousterhoud, Joan Pfaus, Sally Jo Rentschler, Jane Ellen Smith, Sylvia Heizerman, Sylvia Jean Golat and Mary Pat McCann. Thirty-five girls received attendance awards and Mary Lou Alderdyce, Phyllis Butler, Barbara Cornell, Dolores Deshler, Helen Furgason, Joan Pfaus and Margaret Touborg received their wings and are now Girl Scouts.

The Brownies will resume meetings in September.

Mrs. W. D. Hite, Mrs. Mervyn Boltz and Mrs. Nell Pearson have been nominated as acting committee of the Brownie Scouts for the coming year.

Refrigeration Shop Announced

WOLF BROTHERS WILL OPEN NEW MODERN APPLIANCE STORE ON E. CHICAGO

The opening, about July 1, of a new modern refrigeration and electrical appliance shop on East Chicago boulevard in the Service building, next to Kroger's, was announced today by Paul and Clifford Wolf, brothers, who for several years have been employed at the Tecumseh Products Company.

The new enterprise will be known as Wolf's Refrigeration and Appliance Shop, and not only will refrigeration and electrical appliances be sold, they will be serviced in what is termed by the brothers as the most modern repair plant in the county. Considerable repair equipment already has been purchased and will be moved here soon, and the building will be remodeled to suit the needs of the business.

"We plan not only to service all equipment that we sell," Paul Wolf said today, "but we also plan to give factory-method service on any other makes of refrigeration or electrical appliances."

Paul Wolf has been connected with the Products company in the capacity of supervisor of refrigeration assembly. Prior to his coming to Tecumseh he was with the Sparton company at Jackson. His brother, Clifford, has had 10 years training in refrigeration work, three years less than Paul. Both men will leave their jobs at Products next month.

Mr. Wolf announced that the local shop has been awarded the dealership for the complete line of Philco products in post war, including refrigerators, deep freeze, radios, stoves, etc. The firm also will specialize in washing machines and household air conditioning, it was said.

Boy and Girl Scouts Attend Baptist Service

Fifty members of the Boy and Girl Scouts, Cubs and Brownies and their counsellors attended services Sunday morning at the Baptist church on the invitation of Rev. B. O. Bashore who delivered the sermon "Memorial Meditation." The church was appropriately decorated with scout flags and flags of the United Nations and seats were reserved for the groups and their leaders.

The Girl Scouts sang "Grant Us Thy Peace" in Latin and each group gave their scout oath, all joining in the pledge of allegiance to the flag. The choir sang "The Anvil Chorus" as a special number under the direction of Mrs. R. S. Moore.

CHAS. HAUGHN BUYS STORE IN BLISSFIELD

Charles Haughn, manager of the local Kroger store, has purchased the Lennox Market in Blissfield and will take possession June 4. Mr. Haughn has been employed by the Kroger company for a number of years and has had charge of stores in Dundee and Adrian as well as Tecumseh. The store in Blissfield will be operated as an independent grocery.

MARRIAGE ANNOUNCED

Announcement is being made of the marriage of Miss Dorothy Sayler, daughter fo Mr. and Mrs. Edward Sayler of Tecumseh, to Pvt. Richard Sager, son of Mr. and Mrs. Emmett Sager of Adrian, which took place April 12 in Mineral Wells, Texas. Pvt. Sager has returned to Camp Howze after spending a 16 days furlough here and Mrs. Sager will join him there later.

THREE BRITTON RESIDENTS AMONG THOSE INJURED IN HIGHWAY ACCIDENT

Mrs. Reuben Tucker, Mrs. Clara Mobley and Ralph McCarbery, all of Britton, and John R. Knorr of Morley, Michigan, were injured Friday afternoon in an automobile accident which occurred east of Adrian at the intersection of the Palmyra and Deerfield roads. The cars driven by Mr. Knorr, and Reuben Tucker collided at the intersection and landed in the ditch. Both were badly damaged. The Britton folks were on their way home from work in Adrian.

Mrs. Mobley suffered a broken left leg and left wrist and head injuries; Mrs. Tucker was cut on the left leg and head and Mr. McCarbery suffered chest injuries. Mrs. Mobley is a patient at Bixby hospital. The others were treated there and returned home. Mr. Knorr was treated by a Blissfield physician for cuts and bruises on his head, right leg and arm. He was given a summons for failing to stop at a stop sign and later paid a $1 fine and costs of $1.

B. & P. W. DINNER

The Business and Professional Woman's Club closed the season with a dinner meeting Monday evening at Brees House. Fifty-two attended and Miss Lellah Wuerthner, Mrs. Mertie Jones and Mrs. Frank Creger were hostesses. The program was in charge of Mrs. Mills Swick and Miss Jennie Gillespie.

The program included a review of the book "Green Years" by Mrs. F. C. Dickinson; and selections by a trio composed of Mrs. R. S. Moore, Mrs. Nina Heath and Mrs. Dorothy McConnell, with Mrs. Dickinson as accompanist.

During the business session annual reports were given and committees appointed for the coming year. Plans were also made for the summer picnic to be held at the home of Mrs. Howard Teesdale.

Flowers were made by members during the social hour, which were thrown from a plane over Brookside cemetery on Memorial Day.

New officers of the club are: Mrs. Cecile Smith, president; Miss Marie Koernig and Miss Ruby Preston, vice presidents; Mrs. Helen Oliver, recording secretary; Mrs. Jane Green, corresponding secretary; Miss Elizabeth Seger, treasurer.

CAR STOLEN

A 1935 Ford car, owned by Dale Tingley, was stolen sometime Saturday night from in front of his home on N. Pearl Street. The car contained about $200 worth of lightning rod equipment. Police say that the car was not locked.

RELIABLE CLASS

The Reliable class of the Methodist church will meet Tuesday evening, June 5 at 8 o'clock at the home of Mrs. H. W. Whaley at 215 East Logan street.

Pfc. Richard D. Close Gets Bronze Star Medal

Pfc. Richard D. Close of Tecumseh, field artillery, by direction of the President, has been awarded the Bronze Star Medal.

The citation reads as follows:

"For distinguishing himself by heroic service in connection with military operations against the enemy of the United States on 29 March 1945, in the area of Kirchain, Germany. As our troops pressed their attack on Kirchain, Pfc. Close advanced with forward assault elements as a member of the artillery forward observation party. Many times he assisted his comrades in moving and setting up radios while under almost constant small arms and artillery fire. When his companion was wounded, Pfc. Close carried the communication equipment normally handled by two men, although this made it impossible for him to make effective use of cover or concealment. The courageous manner in which Pfc. Close carried out his duties helped assure maximum artillery support for our combat teams."

New VFW Post Organized

LOREN K. WILL IS NAMED AS COMMANDER AT ORGANIZATION MEETING

Loren K. Will, veteran of 18 months in France with the 800th Aero Squadron in World War I, was elected the first commander of the newly organized Tecumseh Post of Veterans of Foreign Wars of the U. S., at a meeting held in the Legion Hall, Monday evening. Geo. H. Gee, deputy chief of staff at large, representing the state organization was present.

Other officers include Robert L. Purkey, senior vice commander; Ben E. Hammack, junior vice commander; William A. Muckenstrum, quartermaster; Leon R. Mix, chaplain; Forrest J. Louden, George W. Wittrup, and Arthur S. Weeks, trustees. The following appointive officers were then designated by the commander-elect: Albert B. Hammond, adjutant; Daniel E. Ryan, officer of the day; Harold H. Oustethout, guard.

The new unit will be known as the Hall-Slater Post, in honor of outstanding men in two of America's wars. Applications for membership numbered 23.

The official mustering-in ceremony is planned for June 27 and will be open to the public. One of the crack ritual teams of the state will come here for the occasion, as well as several state officers. Local civic leaders and organizations heads will be invited guests.

The commander-elect has announced another meeting to be held at Legion hall, Friday evening, June 8, at 8 o'clock, to complete plans for the official institution of the post. The charter is still open and veterans of foreign service in all wars under the American flag are eligible. Next of kin of men still in service may obtain charter membership for sons or husbands if they so desire.

Alvin A. Harlin, 72, Former Resident, Dies

Alvin A. Harlan, aged 72 years, a former resident of this vicinity, died suddenly Friday at his home in Ann Arbor. Mr. Harlan was born in Archbold in 1872. He had lived in Milan for a number of years and was employed in the grocery department at the Michigan State Hospital. He was a member of the Masonic Lodge and Order of the Eastern Star and the Maccabees.

He leaves the widow, formerly Clara Nase of Clinton.

The funeral and burial were held Monday in Milan with Masonic services.

RECOVERS FROM WOUNDS

Mrs. Jean French received a letter from her husband, Pvt. Allan French, Thursday, the first in several weeks, stating that he was returning to duty after being in the hospital for wounds received in action. Pvt. French, who is in Italy, has been awarded the Bronze Battle Star and the Purple Heart which he is sending home to Mrs. French.

FREED FROM PRISON

Friends here have received word that Lt. Preston Grandon, jr., AAF, grandson of a former publisher of the Adrian Daily Telegram, late of La Salle, Ill., has been liberated from a prison camp in Germany. Lt. Grandon's father is the publisher of the La Salle newspaper. The Grandons will be remembered by many local residents.

GETS DISCHARGE

Dale Creger, who was wounded in action in France and recently returned to the states, has received his honorable discharge.

Tribute Paid to War Heroes

PARADE AND PROGRAM AT BROOKSIDE YESTERDAY; MARKING MEMORIAL DAY

Tecumseh paid a fitting tribute to its war dead yesterday, Memorial Day, with a parade through the business and residential districts and a program at Brookside cemetery.

The Rev. Blair O. Bashore, pastor of the Baptist church, was the memorial day speaker, and in a brief address following ceremonies at the veterans' lots in Brookside, he made a plea for universal peace, good will and understanding.

The parade formed on Ottawa street, moved through the business district on Chicago boulevard to Union street, paused briefly at the Union street bridge over Evans creek where a wreath was placed on the water, in memory of departed sailors, and then continued to the cemetery. In line of march were veterans of the Spanish American and World War I, Boy and Girl Scouts, color guards, a firing squad from the American Legion, and many civilians and school children. Louis S. Schneider was marshal of the day.

Memorial Day was observed quietly here. Most business places and some industrial plants closed for the day.

In years before the war, Memorial Day has marked the official opening of nearby lake resorts but reports from those areas said that while "crowds were good" considering gasoline rationing, yesterday's traffic at all lakes was far below pre-Pearl Harbor years.

2-County Meeting of O.E.S. Held In Adrian

The Lenawee-Monroe County Association meeting of the Order of the Eastern Star, held Thursday in Adrian, was attended by more than 450 persons representing more than 50 chapters. Adrian chapter 113 was the hostess and grand officers of the Grand Chapter of Michigan were the guests of honor. Thirty-five attended from Tecumseh chapter.

Those from this vicinity who participated in the program were Mrs. Belva Welchner of Britton, soloist; Mrs. George E. Wilson, worthy matron of Tecumseh chapter who took part in the memorial service for sons and husbands of members who died in service; Mrs. Myrtle Taylor of Britton, association organist; Mrs. Alice Hamilton who acted as marshal at the opening of the evening meeting when initiatory work was exemplified by Grand Officers with Mrs. George McCombs as one of the candidates and Mrs. Hoyt Raymond as protem; Mrs. Wilson and Mrs. Dwight Hodges, who acted as escorts with Mrs. Etha Jeffery Cain; Mrs. W. P. Van Tuyle and Mrs. Martin Hoelzer of Clinton who also acted as escorts, Mrs. Van Tuyle also taking part in the Memorial service.

The fall meeting of the association is to be held in Blissfield.

POPPY SALE PROCEEDS NEARLY $500 HERE

Proceeds of $497.35 were received from the Poppy Day sale conducted Saturday by the American Legion Auxiliary. Four thousand poppies were purchased and after that expense is deducted the profits from the sale amounts to $377.85. This sum will be used in rehabilitation work by the organization.

Mrs. Ned Baldwin was chairman of the sale and was assisted by Auxiliary members, Girl Scouts and mothers of World War II.

COTTAGES RANSACKED

Five cottages at Sand Lake were ransacked sometime last week but an investigation shows that little or nothing of value was stolen. The cottages are owned by J. G. Wetzel of Detroit, Charles Malone, Metamora, O., E. C. Heitman and Capt. James Beardsley, Tecumseh, and another by a party living in Jackson. Three cottages at Wamplers Lake also were ransacked a few days earlier. State police are investigating.

ROTARY MEETS

The regular meeting of the Rotary Club was held Tuesday evening at Brees House with Clyde A. Barber, local accountant, as the speaker. Mr. Barber discussed the American foreign policy and his talk was both interesting and informative. Next week, the meeting will be in charge of Harold Anderson.

CLUB PICNIC

The Athletic Club Mothers will hold a picnic Sunday, June 3, at the high school athletic park, for boys out for baseball and their and their parents. Those attending are to bring sandwiches and a dish of food to pass for the dinner at one o'clock.

Tecumseh Wins Top Honor In Clothing Collection Campaign

THIS COMMUNITY SET RECORD FOR ALL-LENAWEE COUNTY, CHAIRMAN SAYS

Tecumseh made the highest contribution per capita of any community in Lenawee county in the recent United Clothing Collection, sponsored by the American Legion and Auxiliary, cooperating with the National United Clothing Campaign, A. B. Mays, general chairman, has advised John W. Smith, local chairman.

Tecumseh, during the campaign, contributed 9,851 pounds of clothing during the drive, and all of this was sorted, graded and packed before it was shipped to Adrian. From that point it was forwarded to New York City for an overseas destination. The clothing will go to the needy in the war torn areas of the globe.

Mr. May's letter to Mr. Smith follows:

"Too many times efforts of a civic nature go unnoticed.

"However, in the case of the United Clothing Collection in Tecumseh, your efforts were outstanding.

"Tecumseh made the highest contribution per capita of any community in the county. Your sorting and packing were excellent and your cooperation was grand.

"My very best wishes for your continued success."

"I am very happy to get this letter from Mr. Mays," Mr. Smith said. "I have said thank you to the workers and to the residents here for doing such a grand job. I did that when the campaign ended. Now we get a thank you letter from the "boss,' and I'm happy to pass it on to the public for, in my opinion, Tecumseh really did an outstanding job."

Guy Beldings Wed 50 Years

OPEN HOUSE TO BE HELD ON JUNE 5, AFTERNOON AND EVENING AT THEIR HOME

Mr. and Mrs. Guy E. Belding, 211 W. Kilbuck Street, will celebrate their golden wedding anniversary on Tuesday, June 5, with "open house" from 2 to 5 p. m., in the afternoon and from 8 to 10 p. m., in the evening.

Mr. and Mrs. Belding were married June 5, 1895, by the Rev. W. T. Williams, in the parsonage of the Congregational church at Tipton, of which he was the pastor. Mr. Belding was the son of the late Mr. and Mrs. George R. Belding of Clinton, and Mrs. Belding the daughter of the late Mr. and Mrs. Walter Furgason of Cambridge township. Their attendants were Mr. and Mrs. Don H. C. Bowen who now reside in Washington Court House, Ohio.

Immediately following their marriage the Beldings came to Tecumseh and for about a year resided on East Chicago boulevard. In 1896 they purchased the home where they now reside.

Mr. Belding entered the undertaking business in 1899 and operated for about four years from the W. F. Sisson furniture store, where Oliver's Nation-wide store is now located. In 1903, Mr. Belding purchased the furniture business of Mr. Sisson and operated that business in connection with his funeral work until 1922, when he discontinued the furniture business.

In 1920, Mr. Belding purchased the present Belding Funeral Home on W. Pottawatamie street, and after selling the furniture business, he moved all of his business to that location. In November of 1941 he sold the funeral business to George E. Green and his son, George E., jr., of Jackson, and announced his retirement.

Both Mr. and Mrs. Belding have been active in Tecumseh's business and social life. Since 1938, Mr. Belding has been president of the United Savings Bank.

At the open house next Tuesday, Mr. and Mrs. Belding have requested that friends omit gifts.

VESPER SERVICE AT MARTHA-MARY CHAPEL

On Sunday, June 3, at 4:00 p. m. the beautiful Martha-Mary Chapel at Macon will be the scene of the annual vesper service presented by the members of the graduating class of Macon high school. The students extend a sincere welcome to all who will be able to attend.

WAR MOTHERS MEET

The newly organized Mothers of World War II held their first regular meeting Monday evening at the parish house of St. Peter's church. During the business session plans were made for a potluck supper to be held June 11, also for future activities.

Mrs. Carlton Henry, secretary of the Adrian organization and Miss Bailey, also of Adrian, were guests.

Airship Repair School Opened

OLD GREEN ACRES FARM IS SITE FOR BUSY NEW ENTERPRISE IN TECUMSEH

A flying school with licensed instructors, a complete aviation repair workshop, plus a school for training government-paid tuition veterans in airplane mechanics is the proposal of Basil Kittell, formerly of Detroit, who has taken over the old Green Acres Farm on the Adrian road, southwest of Tecumseh, and already has started work on converting some 22 wrecked government trainer planes, preparing them for civilian use.

"It is a big job, some of the ships are badly damaged, but they can be rebuilt and converted and made to fly as well as a brand new ship," Mr. Kittle said. "Right now we have two students and two licensed mechanics. We expect that the number will be increased as we go along."

The Kittell Aircraft Repair already has completed rebuilding two of the wrecked planes and they are ready for inspection and license. They probably will be flown from the local port sometime this week. Other ships will be inspected and licensed as the work progresses. On ships that are beyond repair the local company succeeds in salvaging many parts for replacements on other planes.

Mr. Kittell already has applied to the government to make the Green Acres Farm a designated landing field and before the summer is over he hopes to have two 1,800-foot runways completed, and several hangers ready for use. Planes will be housed here that will be used for flying instructions, and one plane will be kept for the purpose of cross-country commercial passenger trips, a sort of long-distance taxi service. This plane may be chartered for passenger use or for hauling repair parts for manufacturers. Planes also will be rented.

Mr. Kittell has had many years in the aviation business. He was connected for a time with two firms in Detroit and recently he was with the Meyers Aircraft Co., Tecumseh. He is the inventor of a six cylinder air-cooled engine which weighs 17 pounds and develops 24 horsepower, and a three cylinder engine weighing 50 pounds that develops 50 horsepower. These engines are the lightest ever developed, he said.

40,000 Cardboard Cartons Salvaged In Area By A & P

Reusable corrugated paper cartons, one of the scarcest civilian commodities, are being salvaged from A & P Food Stores in the Toledo area and returned to channels of trade at the rate of 400,000 a year, R. R. Betz, vice-president, announces.

"We believe our carton salvage operation is of unusual importance at this time," Betz said. "Manufacturers are finding their need for paper containers to be critical and are calling on us for increased numbers of these cartons in order to continue the movement of civilian goods."

The food chain's salvage campaign has been spurred, Betz said, by WPB reports that military requirements during the present quarter will exceed the total production of the paper container industry, and that the situation is not expected to become easier for some time.

The company's carton salvage department was opened in March of last year as an addition to an established waste paper salvage program. The large number of undamaged cartons returned from stores is the result of an intensive campaign to train store employees to open containers properly, flatten them and return them promptly to the Toledo warehouse, Betz pointed out.

The food chain's salvage of loose paper, which is separate from the carton operation, continues in A & P stores of this area at a monthly average of a quarter-million pounds, or 1,500 tons a year, the vice-president said.

WASTE PAPER DRIVE ALL DAY ON SATURDAY

Boy Scouts of Tecumseh announced another waste paper collection for Saturday, June 2. The Scouts will cover all streets here and residents are asked to have loose paper tied or boxed, and at the curb or on porches, where it may easily be seen.

This is the second in a series of drives the Scouts have announced at monthly intervals.

AUXILIARY TO MEET

The American Legion Auxiliary will meet Monday evening, June 4, at the home of Mrs. Louis Schneider. Monday evening a committee from the unit decorated graves of 21 deceased members in Brookside and Macon cemeteries.

WHAT WOULD YOU SAY?

Just before they went overseas, a group of soldiers was asked what they would say to the youth of the nation if they had only one minute on the air. The answer came quickly and surely from one lad: "Learn how to live for the things for which we die."

The lad's statement indicates what the youth of today is trying to translate into action. The young folk today are learning how to live for the things for which our boys—their brothers and sweethearts—are dying. They face their problems in the light. They are eager to understand those problems. Their questions are intelligent in the extreme, their speech is measured.

NOT AFRAID OF FUTURE—

They do not overlook the past, but they are not afraid of the future. They are mentally prepared to face it. There is no hatred. But there is determination to solve this problem of war. They believe in fighting for those things that are right but they are determined to take preventative measures at the first sign of tyranny. They know in what sort of a world they want to live, and they are determined to bring it to pass.

Minds and hearts such as these will have a great part in shaping tomorrow's world. Because of this fact we may take confidence in the future.

WORLD MUST BE BETTER—

They face the fact that their lives may be different from their dreams, but they already know the truth that their elders stumbled over, that no man is free unless all men are free; that all must serve in a democracy; that special privilege and special discrimination are alike a denial of our basic faith; that true democracy cannot exist in the face of basic injustice.

They are determined that the world of tomorrow be a better world for all people, that cooperation be the key to peace and prosperity. They are not ashamed of being idealistic. They know they cannot live at another person's expense; that each must shape his own life; that the only way to have a friend is to be one; that that action is best which procures the greatest happiness for the greatest numbers.

Beautify Your Home with Sidewall Shingles

Why not stream-line your home, give it that modern, up-to-the-minute appearance by installing sidewall shingles?

Sidewall shingles, you know, are not expensive. They cost very little more than two coats of paint. They outwear paint many, many, times—in fact they just wear and wear!

Sidewall shingles, too, aside from beautifying your home do other things. They make your house warmer in the winter time, cooler in the summertime. They assure you added comfort in summer and in winter—they reduce your fuel bill.

Why put off longer sidewall-shingling your house. It's a permanent investment.

What to do for BOWEL STOPPAGE in LIVESTOCK

When a cow loses her appetite and refuses to eat, or eats very sparingly, the chances are that she is suffering from constipation, usually caused by partial paralysis of the bowels. To help relieve this condition, give:

Dr. DAVID ROBERTS LAXOTONE

Do not drench cattle for bowel stoppage! Give LAXOTONE dry, on the tongue. Easier, safer and more reliable than a physic or the old-fashioned drench, which is always dangerous. Don't be without a can of LAXOTONE handy at all times.

There is a Dr. David Roberts prescription for every curable animal ailment. We carry a complete line of these prepared prescriptions. Stop in and stock up the next time you are in town.

Car Lubrication is Mighty Important---

To keep your car running smoothly, and economically, it must be well lubricated, not only in the crankcase but in the dozen and one other spots so vital to car maintenance.

When you bring your car to us for lubrication we do not miss the "hidden spots." We know where all of the "hard to get" lubrication places are located and we lubricate them with the proper oils.

For this service that will make your car last longer—"last for the duration"—we invite your patronage.

This is the **RIGHT WAY TO PAINT YOUR HOUSE**

FIRST give it a Prime Coat of
BPS FOUNDATION COAT
It primes and seals the surface at the same time . . giving unusually strong adhesion. The remarkable hiding qualities and the smooth, uniform finish make this the perfect first-coater . . . which is so necessary in two-coat painting.

SECOND give it a Finish Coat of
BPS HOUSE PAINT
This sparkling gloss finish resists all kinds of weather conditions . . . and keeps its clean, fresh, attractive appearance for many years. You will be more proud of your house when it's painted with BPS HOUSE PAINT.

Congratulations

It has been our privilege for many, many years to extend our congratulations to the graduates of Tecumseh High School.

A large percentage of the boys and girls who will receive their diplomas tonight we know, personally. They have been members of our "family of customers" all of their lives. Perhaps we sold them their first shoes and, eight times out of eleven, we sold "first shoes" to their mothers and fathers, too.

That's why we take unusual pride in congratulating these boys and girls. We've seen them "go through school"—from kindergarten through high school. We've learned to know them personally, to call them by their first names.

So, when we say "Congratulations," it is with genuine sincerity. We're happy to know that they have achieved their school-day goal, in Tecumseh.

We hope that our close associations with these graduates will not end with commencement, but, rather, that it will continue over the years, just as it has with their fathers and mothers.

Our store, you know is "Tecumseh's friendly store, where it's easy to shop" for every member of the family.

CHECK UP ON THAT GOAT!
His appetite is not restricted to tin cans. He's taking big bites out of your future earning power . . . nibbling away at soil fertility, buildings, fences and operating equipment.
To check up on Mr. Goat, take a pencil and figure the depreciation of these items during the recent wartime years of all-out heavy production. Make a list of the things which will be needed to re-equip and modernize your farm.
Then—set aside a reserve of WAR BONDS and earmark it to replace these depreciated items as your FIRST purchases after the war.
Rebuild the EARNING POWER of your farm . . . make it shipshape . . . and you'll be set for whatever economic weather the future brings.

FLA. GROWN RED RIPE CUTTERS Lb. 5c
ENJOY WATERMELON IN DECEMBER, TOO!
It's easy to do—simply make watermelon pickles from the rind . . . here's the recipe:
2 qts. prepared watermelon rind
3 cups vinegar
1 qt. salt water
1 lbs. whole allspice
4 cups sugar
1 lbs. whole cloves
1 qt. water
1 stick cinnamon (3-inches)
1 tbs. crushed ginger root
Trim skin from rind and cube rind. Soak overnight using 4 tbs. salt to 1 qt. water. Drain, rinse, cover with clear water, boil 1 hour. Boil 2 cups sugar, 1 qt. water, 1 cup vinegar and spices tied in cheese cloth for 10 min. Add rind; simmer 30 min. Let stand overnight. Add remaining sugar and vinegar; cook till rind is clear and syrup is thick. Add boiling water if too thick before rind is tender and clear. Makes 2 pts.

We Still Have Seeds
for Your Victory Garden

Don't become discouraged, just because you haven't planted your garden. No, it's not too late and it will not be necessary for you to "shop around" for seed.

We have a large stock and variety of pre-tested garden seeds—the kind that assure you of genuine satisfaction later in the season and in the fall when harvest time comes.

Don't take chances with "just any seeds" but plant our pre-tested variety.

Also, call on us for tomato and cabbage plants.

Place Your Orders Now for The Future!

A Complete Modern Store in Tecumseh!

We are proud to announce the opening, about July 1, of a completely modern refrigeration and electrical service store in the Service Building on East Chicago boulevard. (Next to Hodges Drug Store).

We are happy to announce that we have been awarded the dealership for the complete line of PHILCO PRODUCTS, as well as for other major electrical appliances.

We are now installing in our new store here the necessary equipment to make our shop the finest, most complete in Lenawee county. We will offer the community something completely new in modern refrigeration service and equipment including DEEP-FREEZE units, HOUSEHOLD AIR-CONDITIONING, beverage coolers, ice cream cabinets, walk-in coolers, milk coolers and large numbers of other electrical appliances including, of course, refrigerators, stoves, radios, washing machines, etc., etc.

After 13 years of factory experience in refrigeration, we are in a position to offer this community a modern service, using genuine factory methods. Our prices will be reasonable and our work will be fully guaranteed.

The new Philco refrigeration unit is manufactured by the Tecumseh Products Company and the cabinet design and the efficiency of the unit makes it the finest, most modern refrigerator on the market.

Philco is now preparing for peace-time production and we will, in the near future, have a complete display of all Philco post-war models as well as other major electrical appliances.

PLACE YOUR ORDER NOW FOR FUTURE DELIVERY!

Watch The Herald for the announcement of our opening date! It will be made just as quickly as our shop installation can be completed. When we open our shop we invite you to come in and inspect it—see for yourself our modern facilities—our factory-like methods.

Any product that we sell we will service: We also will service all other units. Our service will be fully guaranteed to your complete satisfaction. Such service has before been unknown in this vicinity.

Many folk in Tecumseh and this area already know us. We have had the pleasure of servicing many refrigeration units. In a small way we have been able to accommodate many customers. In the near future we will offer you our services on a full-time basis, because we will own and operate our own business.

Dry Vitamin D to
Hayden's Hog Balancer

Hayden's Hog Balancer gains another very essential vitamin!

In addition to the amount of Vitamin D contained in the natural ingredients, we are now adding Dry D to Hayden's Hog Balancer. This will insure you of getting the proper amount of Vitamin D when you mix Hayden's Hog Balancer according to feeding formulas. In the past, Hayden's Hog Balancer has done an outstanding job in producing pork. Now with this addition of more Vitamin D, the results should be still better.

CLINTON

Grads Receive Diplomas

Dr. Malcolm Dana, president of Olivet College, delivered the commencement address last evening to a class of 27 graduates. The program was held in the high school auditorium and the graduates to receive diplomas were: Alma White, Jean Baker, Jean Randall, Norma Seidel, Clarnece Heimerdinger, Mary Jane Hutton, Vivian Moats, Joyce Hindes, Charles Carlton, Joseph Busch, Laurel Lane Burch, Eileen Christiansen, Richard Giffen, Patricia Ott, Evelyn Matthews, Robert Knight, David Van Tuyle, Tracy Zick, Thomas Gilman, Robert Woodward, Robert Warner, Delton Ott, Victor Vorhees, Steven Halchishak, Henry Stein, Grant Van Deusen and Marie Girbach.

The class night program was held Tuesday evening and Rev. Fr. Herbert Weler of Detroit, former pastor of St. Dominics Catholic church, gave the Baccalaureate address on Sunday evening.

The school picnic will be held today and the alumni dance tomorrow evening. The group of seniors chaperoned by Mr. and Mrs. Walter Zick and Miss Virginia Thielan enjoyed a boat trip to Mackinac Island and Chicago last week.

The following staff of teachers for the Clinton school have been engaged for the coming year: superintendent, W. D. Moats; principal, J. S. Hartman; social science, A. J. Fox; English, Vivian W. Covey; home making, Lucille Dibble; commercial, Doris Way; Latin, Alta Allen; junior high, Hazel Barnard; public school music, Marilyn R. Grieve; fifth and sixth grades, Helen Way; third and fourth grades, Agnes Clark; first and second grades, Margaret Halladay; kindergarten and secondary, Kathryn Sage; athletic director, Leroy Van Winkle.

Mrs. Alice Clark received word last week of the death of her sister Mrs. Margaret Hall which occurred May 21 at her home in Lodi, Calif. She formerly lived in this vicinity.

Rev. O. E. Priest gave the Memorial Day address yesterday in Riverside cemetery. Vance Ogden was chairman and the program was in charge of Clyde Greenfield, Legion commander.

Miss Betty Lou Terry of Ypsilanti, daughter of the late Mr. and Mrs. Allan Terry of Clinton, and Lt. Darwin E. Teddar, who recently returned from 17 months service in Italy, were married May 12 by Rev. Gordon Speer of Ypsilanti. Lt. Tedder will leave June 5 for Texas where Mrs. Tedder will join him later.

The W.C.T.U. met Wednesday evening with Mrs. Harold Covell and made plans for Flower Mission Day on June 9 when the group will visit Bixby hospital, the county jail and infirmary and a nursing home in Adrian with gifts of flowers and reading and will present a program at the infirmary. A series of programs for children is planned to begin after school closes.

15 YEARS
A FORD DEALER

(Each week, in this space, we review one year of Tecumseh's history in the 15 years that we have been in business here, taking the years in order since 1929. Watch this space, you'll find the stories very interesting).

Tecumseh began to feel the affects of the war as the year 1942 rolled round during the month of January it was announced that the sale of Defense Stamps and Bonds almost equalled "a bond per person," here, while the community's Red Cross quota was easily subscribed.

Tire rationing started but the OPA panel announced that "tires for the average person" would be out for the duration. Use tax stamps for automobiles also appeared on windshields.

The Rev. E. M. McGehee resigned as pastor of the Presbyterian church, accepting a call to South Lyon, Mich.

The Ford Motor Company announced an all-plastic body for its car, made from ordinary farm crops.

In February, clocks here were pushed one hour ahead to Eastern War Time.

Food prices were as follows: Ground beef, 2 pounds, 39c; smoked picnics, lb. 25c; slab bacon, 25c; pascal celery, bunch 10c; head lettuce, 2 for 25c.

It was in this year that it was announced that the automotive industry would be "scrapped" for all-out war production and the Ford Motor company announced that it would emplay 200,000.

Air raid wardens were named under Civilian Defense and Victory Gardening was urged. A Red Cross blood bank car visited here and there were 113 donors.

The Tecumseh Products Company was awarded the Navy's coveted "E" pennant and the Treasury department also presented the company with its Minute Man flag for bond buying. It was the first time in the United States that the two flags were presented simultaneously.

Sugar rationing was ordered and residents visited the high school to sign applications.

Tecumseh was named a defense area.

Control of meats, canned foods, etc., under price ceilings were expected to hold the line against inflation.

The new Ford Hayden Mill was opened and it was announced that 300 persons would be employed.

Tecumseh observed its first "black out" ordered by the office of Civilian Defense.

Married men were called for armed service. 48 seniors received high school diplomas.

Norman Mac Naughton was named pastor of the Methodist church.

The new A & P super-market was opened.

Gov. M. D. Van Wagoner was here for the opening of the Tecumseh Echoes Pageant, which drew a crowd of 25,000 on the opening day.

Cong. Earl C. Michener, addressing the Rotary club, forecast a four-year war.

The 35-mile an hour speed law for cars was inaugurated. All rents were ordered frozen as of March 1, 1942. Oil rationing was announced as was gasoline rationing.

Capt. Leon Williamson was awarded the Navy Cross at Honolulu.

As the year closed it was announced that the Products Co., payroll had exceeded $3,000,000 and that more than $11,000,000 in war munitions had been manufactured. Ray W. Herrick, president, pledged the company to war work for the duration with Victory as the only aim.

State Sales Tax Feels War Cuts

SLUMP IN MAY'S REVENUE ABOUT $1,000,000; UNEMPLOYMENT CONDITION SEEN

By Gene Alleman
(Special to The Herald)

LANSING, June 7—The homeward return of Michigan war workers to small towns and rural communities is now under way.

Announcement of the closing June 15 of the boom-time Willow Run bomber plant, owned by the federal government and operated by Ford Motor Company, is one of numerous straws in the wind.

Long awaited V-E Day brought scattered cutbacks in war production. Others will come slowly in 1945, for the army is continuing its policy of creating huge stockpiles of surplus war goods on the military theory that wars are won by surpluses and lost by deficits.

V-E Day was a signal to the public for a reduction in spending. As Louis M. Nims, state revenue commissioner phrased it, "The pinch is on!" Sales tax collections dropped approximately $1,000,000 in May.

Thus the war boom has started to deflate. And with it, the tide of population will be reversed—back to the small towns.

A realistic picture of what's ahead for Michigan was given a few days ago by C. C. Carlton, vice-president of the Motor Wheel Corporation, Lansing, and chairman of the Michigan Committee for Economic Development, to members of the Michigan state planning commission of which Dr. Eugene B. Elliott is the chairman and Don Weeks the director.

Cancellations by July 1 will total only 10 per cent, he emphasized. By September 1, however, 120,000 layoffs in Detroit alone may be expected. Not until the end of 1945 when a third 100,000 war workers are due to be let off will an employment condition exist in Michigan, he predicted.

Where are these war workers going?

A recent survey at Willow Run revealed 54 per cent of workers laid off had disappeared from the area within two weeks. They had taken employment with the understanding that the job was temporary, for war purposes only. Family savings in many instances were substantial—thanks to war bonds and savings stamps. Many workers were returning to their former homes in Michigan and other states—Kentucky, Tennessee, Arkansas, Missouri, for example—with money to pay off indebtedness on their farms and homes.

EDGAR CLARK JR., DIES OF A HEART AILMENT

Burial services were held in the Macon cemetery, Friday afternoon, for Edgar Clark, Jr., aged 25 years, following funeral services at the Uht Funeral Home in Wayne.

Mr. Clark, son of Mr. and Mrs. Edgar Clark of Macon, was found dead in his car near his home at Inkster, Tuesday morning, May 29. He had been in poor health for about two years and death may have resulted from a heart ailment.

Surviving are a daughter, aged three years, his grandmother, Mrs. Mary Clark of Inkster, with whom he made his home, his father and wife, Mr. and Mrs. Edgar Clark, and their children, Jane, Eddie and Mrs. Pearl Tucker and her two sons of Macon.

Those from Macon attending the funeral and burial services were Mr. and Mrs. Clark and daughter Jane and son Eddie, Bernard Tucker, Mr. and Mrs. Donald Currie, Mr. and Mrs. Leland Bush, Mr. and Mrs. Harry Downing, Mr. and Mrs. Walter Morden and Guy Collins. Mr. and Mrs. Harry Rutledge of Detroit, also attended.

WED AT MANCHESTER

Miss Mary Jo Dewey, daughter of Mr. and Mrs. Harry Dewey and Sgt. Robert Dayss of Manchester were married recently at St. Mary's church in Manchester. Mr. and Mrs. Leo Hammond of Brooklyn were their attendants.

Following the ceremony breakfast was served at Bauer Manor at Evans Lake for members of the immediate families.

After a short wedding trip Sgt. Dayss will return to Hammer Field, Fresno, Calif., where Mrs. Dayss will join him later.

BACK IN ACTION

Mrs. Doris Pawson has received word that her husband Willard L. Pawson, who was wounded in action on Leyte in November, has returned to action with his division on Mindanao and has been advanced to sergeant.

WED IN CALIFORNIA

Corporal Robert Rutherford of Ft. Mac Arthur, Calif., son of Mr. and Mrs. Howard Rutherford of Tecumseh and Miss Edith Powell of Port Clinton, O., were married April 23 in San Pedro, Calif.

Gets Nurses Cap

Miss Dickinson

Miss Elva Mae Dickinson, daughter of Mr. and Mrs. Clare L. Dickinson was one of a class of 116 to graduate June 5 from Mercy College of Nursing, Ann Arbor unit. The graduation exercises were held in the Rackham Building in Detroit and Mr. and Mrs. Dickinson, Mrs. Florence Montgomery and Mrs. Lena Poucher attended.

Elva Mae graduated from Tecumseh high school in 1942. Future plans have not been announced.

She was one of six of the class of nurses to graduate with cum laude honors.

Miss Delee Perin Is Bride of Aaron Manwaring

Miss Delee Perin, daughter of Mr and Mrs. Leon Perin and Aaron Manwaring, son of Ira Manwaring and Mrs. Jessie Manwaring, all of Tecumseh, were married Friday evening, June 1 at St. Peter's Episcopal church by the Rev. John R. Scarlett. Preceding the ceremony Miss Betty Bradley of Sumner sang a nuptial solo. The wedding march was played by Jack Tonneberger and the bride was given in marriage by her father. The attendants were Miss Gertrude Watson as maid of honor, Verne Manwaring, brother of the groom as best man; Betty French of Clinton, Mary Hewlett, Mary Jane Smith and LaVonne Perin as bridesmaids. The ushers were Bill Brown, Harold Easton, Robert Purkey and Frank Bohs of Blissfield and Marcene Kilbury was flower girl.

The bride's gown was of white satin and tulle fashioned with fitted bodice and full skirt ending in a circular train, with long lace trimmed veil and a tiara of seed pearls. She carried a bouquet of orchid with white sweet peas. The maid of honor was in pink taffeta and carried pink and rose snapdragons with lavender sweetpeas. The brides' maids and flower girl were all in pale blue with bouquets of yellow and white snapdragons. Mrs. Perin wore black crepe with white accessories and white carnations and Mrs. Manwaring was in navy blue with pink carnations.

Following the ceremony a reception was held for 150 guests in the K. of P. hall where refreshments and dancing were enjoyed. The couple left later for Chicago returning Wednesday and are making their home in the Thompson apartments on East Chicago boulevard.

Both are graduates of Tecumseh high school and for the past two years the bride has been a student at St. Joseph's Mercy College of Nursing in Detroit and Ann Arbor. The groom recently received a medical discharge from army service.

Pre-nuptial parties included a miscellaneous given by the bride's mother and sister and a linen shower given by Miss Watson and Miss Smith. Guests at the latter included girls of the 1945 graduating class of Tecumseh high school of which the bride-elect and hostesses were members.

COUNCIL MEETS

The village council met in regular monthly session at the council building, Monday evening. Except for routine business there was nothing to come before the attention of the trustees. Current bills were audited and ordered paid, reports of officers and committee chairmen were read and approved, as was the annual audit of the village books, completed by Clyde A. Barber, auditor.

SMOKE—NO FIRE

The fire department was called to the Carroll Frost farm southwest of town where a defective chimney had filled the attic with smoke and it was thought a fire had started. Only slight damage resulted. Mr. and Mrs. William Frost are tenants on the farm.

Children's Day To Be Observed

PROGRAMS AND SPECIAL SERVICES ARE ANNOUNCED IN LOCAL CHURCHES

Children's Day will be fittingly observed in several local churches on Sunday morning with programs by the different Sunday school groups, held in conjunction with the morning service.

At the Methodist and Presbyterian churches Children's Day programs will be presented during the morning service hour.

The Methodist program at 10 a. m. will include songs by the beginners and primary groups; a playlet scene from "The Life of Paul" by Carole Harper, Sally Jo Rentschler, Beverly Hay, Janet Lykken, Stephanie Davis and Donna Spencer; a drama "Come Unto Me" by the following intermediate students: Marilyn and David Van Winkle, Clyde Smith, Mary Brown, Millard Snyder, Duaine Hay, John Cameron, Wilfred Waldron, John Underwood, Floernce Barnes, Virginia Snyder, Gloria Underwood, Jerry O'Brien and Keith Spencer with David Green as soloist. Rev. N. MacNaughton's sermon theme will be "The Child's Religion."

A Children's Day program has been prepared by the primary and junior departments of the Baptist Sunday school and will be presented at 11 o'clock Sunday morning. The teachers of these classes are Mrs. Mina Sisson, Mrs. Fay Van-Valkenburgh Mrs. Bertha Roberts and Mrs. Arthur Gray. The Youth Choir under the direction of Mrs. Myrtle Gillespie, will sing.

The program will include the following recitations, "Good Morning" by Melvin Hoekstra; "Jesus and the Children" by Betty Lou Byrd; "I Welcome You" by Earl Bilby; song "Lullabye Song" by Grace Moore and Janet Bashore; recitations, "Music," Bruce Heekstra; "Children's Day Joy," Joanne Wing; "What the Sunbeams Say," Judy Byrd; "Happy Hearts," Kay and Fay McClure; "Some Visitors," Ruth Ann Bryan; "A Boy's Recitation," Donald Sheldon; "The Shepherd's Psalm," Janet Bashore; song "Happy Children's Day" by the primary class; recitations, "The First Children," Marsha Bashore; "The Carpenter," Roger Butler; "June," Linda Sisson; a recitation by Grace Moore; and special songs by the junior classes.

The observance at the Friends church was held last Sunday morning with a combined service by the church and Sunday school, the various departments taking part. Corsages were presented to the mothers at this time and the attendance broke all records for the year.

Final classes were held at St. Peter's Episcopal church last Sunday when Yoeh Ming Ting of Ann Arbor spoke to the church school on "Child Life in China." The season will close with a picnic on Sunday for the Sunday school.

Funeral This Afternoon For Mrs. Z. Greenfield

Mrs. Zillah Greenfield, aged 77 years, wife of Hardy Greenfield, died Tuesday morning at Tecumseh hospital where she had been a patient since Sunday following a week's illness.

Mrs. Greenfield was born in England and came to this country with her parents Mr. and Mrs. John Beasley when two years of age. Since that time she had lived in Britton and Tecumseh. She was first married to John Shurtz who with three children, Mabel, Everett and an infant daughter preceded her in death.

She leaves her husband, one son Howard J. Shurtz of Midland, two sisters Mrs. Florence Shurtz of Saline and Mrs. Ethel Kanous of Britton, three brothers Benjamin J. Beasley of Britton, Charles and William Beasley of Adrian, four grandchildren and several nieces and nephews.

Funeral services will be held today (Thursday) at 2 o'clock at the Belding Funeral Home. Rev. James C. Murdoch will officiate and burial will be in Brookside cemetery.

W. S. C. S. TO MEET

The Methodist W.S.C.S. will meet Wednesday evening June 13 at 2 o'clock in the church parlors with Mrs. T. Rentschler and Mrs. Wm. Barnes as hostesses. Mrs. E. D. Brown will lead the worship service and Mrs Bertha LaPointe will give the lesson on "Juvenile Protection." Roll call will be answered with "Who is Who in Our Conference?"

COMMITTEE NAMED

Mrs. B. B. TurnBull is chairman of Tecumseh Hospital sewing committee for the month of June and her assistants are Mrs. Clyde Barber, Mrs. Albert Bagshaw, Mrs. Earl Updyke, Mrs. H. H. Loveland and Mrs. Arthur Brown.

Barber Shop Quartet Jamboree Here, Friday

A Barber Shop Quartet Jamboree, sponsored by the Tecumseh Chapter of the SPEBSQSA, will be held at 8:30 on Friday evening, June 8, in the auditorium of the high school. The public is invited to attend and there will be no admission charge.

Quartets from Jackson, Detroit, Wayne, Toledo, Ann Arbor, Milan and Ypsilanti will take part in the "song fest." A feature will be "The Charmerettes" of Jackson, a ladies' quartet, as well as the K. of P. Four and the T. P. Broadcasteer of Tecumseh. There also will be group singing.

Carroll P. Adams, international secretary for the Society for the Preservation of Barber Shop Quartet Singing in America, will be present. Judge G. Arthur Rathbun will act as master of ceremonies.

Refreshments will be served at the conclusion of the two-hour meeting.

Former Jap Prisoner To Speak Here, Sunday

Charles E. DeVol, a minister of the Friends Church who has spent many years in missionary service in China will be the speaker at the Tecumseh Friends church, Sunday evening at 7:30. The latter part of his stay in China was spent in a Japanese internment camp at Shanghai.

Mr. DeVol was born in China, both of his parents being medical missionaries. He was educated in the United States, being a graduate of Marion College, Marion, Ind., and he holds a Master of Arts degree conferred on him by Indiana University. Besides being a teacher and a preacher he is an ardent naturalist. About 1931 he began to specialize in Chinese ferns. He has sent fern collections to Harvard University and the Smithsonian Institute, also to outstanding botanists in England, Denmark, Japan, Burma, India, as well as China. His brother Dr. William Ezra DeVol was repatriated in 1942 after serving as a medical missionary in Nanking, China, this also being in Japanese occupied territory.

Miss Betty Tucker Bride of Harold Jeffers

Miss Betty Tucker, daughter of Mr. and Mrs. Lester Tucker, and a member of this year's graduating class of Tecumseh high school, became the bride of Harold Jeffers, son of Mr. and Mrs. Austin Jeffers of Coldwater Saturday evening at 8 o'clock at a single ring ceremony which was read in the Weslyn M. E. parsonage in Coldwater.

The bride was in navy blue with a rose corsage and her bridesmaid Mrs. Paul Bales of Coldwater, wore light blue with a corsage of carnations. Mr. Jeffers was attended by Mr. Bales.

On Sunday dinner was served to 63 guests in the Tucker home in Holloway. Guests were present from Lyons, O., Detroit, Ann Arbor, Ypsilanti, Adrian, Quincy, Coldwater, Blissfield and Britton.

They will make their home in Coldwater.

MRS. BRADY HONORED

Nine girls from the local telephone office gave a dinner Sunday at the Cozy Cafe for the pleasure of Mrs. Nerissa Brady who awaits transportation by Surplus Air Government from Miami, Fla., to Trinidad to join her husband T/5 George V. Brady, for a year. The honored guest was presented with lovely personal gifts from the group.

The girls who gave the dinner were Ella Louise Pearson, Myrtle Mattis, Catherine Gray, Marilyn Weslow, Letha Wells, Nina McKail, Ila Mead, Gwendolyn Watson and Rose Vincze. Additional guests were Mr. and Mrs. Otto Goll of Saline and Miss Violet Haight.

GRADS GET BIBLES

As a part of the morning service at the Baptist church last Sunday Bibles were presented to high school graduates who are members of the church. The Bibles were gifts from the Good Cheer class and the seniors to receive them were Misses Dorothy and Alice Schumm, Priscilla Sisson and Ella Louise Pearson. Preceding the presentation of the Bibles Mrs. Alma Dannells sang "More Love, O Christ, to Thee."

GETS DISCHARGE

Sgt. Sevedus Maples has arrived home after four years service in Alaska and Europe and has received his honorable discharge under the point system. He is with his parents Mr. and Mrs. Burl Bumpus.

Kroh—DeMerritt

Miss Gloria Kroh of Clinton and Wallace DeMerritt of Adrian were married June 1 at the Methodist church by Rev. C. E. Foltz. Guests attended from Detroit, Hillsdale, Morenci, Adrian, Osseo, Fairfield, Tecumseh and Springfield, O.

Lightning Hits Strand Theatre

CHIMNEY AND ROOF DAMAGED AS WELL AS METERS; NO ONE WAS INJURED

A freak bolt of lightning, Saturday afternoon, did considerable damage to the Strand Theatre building and electrical equipment but, fortunately, Walter Nichols, manager, and Charles Butts, operator, who were in the projection booth at the time, escaped injury.

The sharp flash of lightning terminated what had been a noisy thunderstorm and a heavy downpour of rain. The explosion brought merchants and customers from stores in the western part of the shopping district but folk on Logan street had the best view of the storm's damage.

The lightning hit the tall, brick chimney which extends several feet above the north end of the theatre building. Bricks were hurled for more than 100 feet across the parking lot, some of them to the rear of the A. & P. Tea Company's store. One heavy piece of cement landed on the fender of a parked car, making a dent three inches deep.

A large hole was torn in the roof of the building as the lightning sought the ground. Two electric meters were destroyed and several fuses were blown out. The door of the boiler heating plant was blown open and soot filled the basement. There was no fire, however.

Mr. Nichols and Mr. Butts, who were in the projection booth, felt the shock of the lightning as it entered the building and for the instant before the fuses and meters blew out. They were at work installing new equipment. "I could taste sulphur for several hours afterward," Mr. Nichols said.

Repairs were made immediately to the electrical equipment and the theatre carried on as usual, Saturday evening.

The Strand does not play a matinee performance on Saturday afternoons and the auditorium of the house was empty.

Mrs. Louise Kimball Buried at Clinton

Mrs. Louise Kimball, aged 62 years, wife of C. L. Kimball of Clinton, died Monday morning at the home of her daughter Mrs. James Wilson in Buffalo, N. Y., where she had been since before Christmas. She had been ill for about a year. She was a member of the Clinton Congregational church and the Woman's Club.

Survivors are the husband and daughter, a brother Major John R. Clark in California, two sisters Mrs. Hazel Barnard of Clinton and Mrs. J. A. Blanchard of Morenci, also one grandchild.

The body was returned here Tuesday and funeral services were held Wednesday afternoon at Hause Funeral Home with burial in Riverside cemetery.

FENTON SMITH DIES

Fenton Smith, 66, formerly of Ridgeway, died Monday night at his home in Adrian after a long illness. Mr. Smith who was the son of Albert and Matilda Smith was born in Ridgeway and lived in that vicinity until he moved to Adrian about 20 years ago, where he was manager of a grocery for several years resigning because of illness. He was a member of the Britton Christian church.

He leaves his widow, one son Leland of Northville, three daughters Mrs. Harley Watson, Mrs. Ralph Knight and Miss Elaine Smith and a half brother Forrest Smith, all of Adrian.

GETS PURPLE HEART

Edwin J. Clark has received word that his brother, Pvt. William Clark has been wounded in action in Germany and has been awarded the Purple Heart. His wounds were in the head and leg. Pvt. Clark was a former resident of Tecumseh. His wife, his mother Mrs. Florence Clark and a brother Bernard are all in California. Another brother Harold is also in service.

W. C. T. U. TO MEET

The regular meeting of the W.C.T.U. will be held Tuesday afternoon June 12 at 2:30 o'clock in the parlors of the Methodist church.

All mothers of children under six years of age who are interested in the work of the W.C.T.U. are invited to attend and will be presented as White Ribbon recruits.

GARDEN CLUB

Tecumseh Garden Club will meet Friday afternoon June 15 at the home of Mrs. Nell Pearson for a picnic potluck luncheon at 1 o'clock. Members are to bring table service, sandwiches and a dish of food to pass. The program committee will be in charge of the meeting.

Says Wars of Future Will Be Fought In Air

Airborne troops will fight the future wars of the world, Dr. Ferris G. Hodge, former captain in the paratroops division, United States Army and recently discharged, told members of the Tecumseh Rotary Club, when he addressed that group Tuesday evening at Brees House. Dr. Hodge, a practicing dentist here until he entered the service, plans to reopen his offices next month. He is a member of Rotary.

"I am making this prediction," Dr. Hodge said. "You will see more and more activity in the air in the wars of the future. Whole armies will be moved by air. Gliders will carry artillery and tanks, jeeps other heavy equipment. They will be towed by fast-moving ships. Whole divisions of paratroopers will be moved with shocking speed and accuracy. Almost any point on the globe will be within a day's journey of any of the major powers."

Dr. Hodge was a paratroop instructor at Ft. Benning, Ga.

J. C. Satterthwaite Reported as Rescuing Americans In Syria

Joseph C. Satterthwaite, son of J. N. Satterthwaite of Tecumseh, who is secretary of the American legation in Damascus, Syria, has been mentioned in news dispatches since Thursday as rescuing Americans in Syria. Mr. Satterthwaite has been at Damascus since April 1944, going there after 3½ years service in Ankara, Turkey.

He entered consular service in September 26 after graduating from the University of Michigan. He has served at Guadalajara, Mexico, and in New Mexico where he was secretary to Ambassador Dwight F. Morrow. He was secretary of the American delegation to the Inter-American conference for maintenance of peace in Buenos Aires in 1936 and secretary general of the American delegation to the international radio, telegraph and telephone conferences in Cairo, Egypt, in 1937. Following this he was made second secretary of legation and consul at Bagdad.

If conditions permit he is to be granted leave to come home in July which will be his first visit in the United States since 1939.

Four From Tecumseh Accepted For The Army

Norman H. Kempf, Kenneth L. Munger, W. M. Yovanov and Calvin L. Bovee of Tecumseh are among the group of 55 men from Lenawee county who were accepted for army service at recent examinations in Detroit. Others from this community are Dale H. Colson, Marines, and Jasper E. Coffelt, army, both of Clinton; Daniel N. Tiede of Britton, army; Donald J. Butler, Irving L. Luce, Robert Jesse Jones and George Reasoner of Tipton, all army; and Fay E. Crane of Onsted, army.

"E" Bond Quota Over The Top

TECUMSEH, HOWEVER, STILL MUST BUY $178,000 TO REACH SEVENTH LOAN GOAL

Although this community has over-subscribed its "E" bond quota by more than $15,000, it still must purchase approximately $178,000 worth of War Bonds if it is to meet its "over all" quota in the Seventh War Loan, W. L. Berkhof, chairman of the Tecumseh War Finance committee, pointed out today.

John R. Thompson, co-chairman of the local drive, announced yesterday that Tecumseh has bought about $110,000 worth of "E" bonds in the present drive. That is about $15,000 in excess of its quota of $94,000. Mr. Thompson said that he expected sales during the remainder of the month to bring the "E" sales to the $125,000 mark.

"Our entire sale of all types of bonds thus far in the Seventh Loan amounts to about $158,000," Mr. Berkhof said, "and when you subtract the 'E' sales from this amount it leaves only some $48,000 in 'other bonds.' We must remember here in Tecumseh that just because we have reached our quota in 'E's' that we have not reached our goal in the Seventh Loan. We still must buy bonds in the value of $178,000 if we are to reach the goal." Tecumseh quota is $336,900.

Lenawee county has passed the $2,000,000 mark in the sale of bonds in the Seventh against a quota of $3,197,000. Addison, Blissfield, Clement City, Fairfield, Onsted, Palmyra and Ridgeway already have gone over the top. The City of Adrian has about half-subscribed its $2,606,000 quota. Britton is nearing its $10,800 goal but the village of Clinton still has two-thirds of its $91,500 quota to raise.

"I feel that we are going to experience a little difficulty in raising the $178,000 necessary for success in Tecumseh before the end of June," Mr. Berkhof said. We have only a little more than two weeks to do the job and that means that we must really sell bonds if we are to succeed. I sincerely trust that we will hit our quota because we have never failed in a War Bond drive since Pearl Harbor. We can succeed if everybody puts his shoulder to the wheel and buys an extra bond," the chairman concluded.

FREE TO DREAM

"In spite of wars, depressions and disasters, the average American of today is better fed, better housed and better clothed than the people of any nation ever were in all the world's history. This condition is because our citizens have been free to dream and study and think and plan—and have been able to make their dreams come true."

The above remark was made by a man who knows whereof he speaks. His name is William R. Boyd. He is president of the American Petroleum Institute and, like countless other oil men, he started from the bottom.

Keeping our nation a land of opportunity for individuals with dreams should be the foremost postwar goal of all of us.

Don't Let a Leaky Roof Destroy Your Property

There is nothing more damaging to a building than a leaky roof! Nothing else can make the property depreciate more rapidly, make it more costly to repair.

We appreciate that for two or three years many folk have been neglecting the roofs of their homes because "it is wartime." You need wait no longer because of that reason.

We have sufficient roofing materials in stock to care for the needs of the homes and other buildings in this vicinity. You need no priorty to purchase, you need not wait for delivery.

The roofing materials we sell are of the highest quality obtainable. We tell you this because we appreciate that laying a new roof is a task from which you demand not only protection but lasting satisfaction.

HEAVY EARLY PEACH CROP IS FORECAST

A record peach crop of 25 million bushels, or 50 percent more than in 1944, is forecast for 10 early southern states. Georgia and South Carolina expect record crops of this fruit, according to growers' reports received by the Kroger Grocery and Baking Company.

Northern and eastern fruit states have experienced severe freezing damage to nearly all fruits, growers say. In many of these fruit producing areas peaches are expected to be only half a normal crop. Cherries and grapes suffered most severe damage from freezes about May 1.

Southern states, notably Georgia and South Carolina, escaped such fruit damage. These will be the principal peach areas in 1945 for home canning supplies, Kroger officials point out. Georgia alone is expected to ship 11,000 carloads. The crop this year, according to present forecasts, will be even greater than the record peach crop of 1941, and will be 65 percent above the average of the last 10 years.

The Georgia crop is expected to move to market in volume after June 15.

It was pointed out that government purchases will take about 70 percent of the commercially canned peach crop and ration points will therefore remain high on this fruit.

WE ARE NOW ADDING Dry Vitamin D to Hayden's Hog Balancer

Hayden's Hog Balancer gains another very essential vitamin!

In addition to the amount of Vitamin D contained in the natural ingredients, we are now adding Dry D to Hayden's Hog Balancer. This will insure you of getting the proper amount of Vitamin D when you mix Hayden's Hog Balancer according to feeding formulas. In the past, Hayden's Hog Balancer has done an outstanding job in producing pork. Now with this addition of more Vitamin D, the results should be still better.

It's Not Too Late

to Plant Your Garden--

True, the weather has been a bit backward this season but records show that it is not as "backward" as it was two years ago and, anyway, it is not too late to plant your Victory Garden.

There is still plenty of time for planting and you may be assured of a good crop if you will plant our pre-tested seeds.

We have sold pre-tested seeds to growers in this vicinity for many years. Each year our customers return for more seeds.

We know of no better recommendation for a product than year-after-year use by satisfied customers.

Do Your Tires Show Undue Wear?

We had a customer in our shop the other day who told us that he couldn't understand why his front tires were wearing out rapidly and unevenly.

We told him the reason in a hurry, and what is more, we remedied the condition that made the tires wear out.

The trouble in such instances is improper wheel alignment. In these days of tire rationing, wheel alignment is mighty important. Wheels out of alignment wear out tires quickly.

Bring us your car and let us check your wheels. We may be able to make your tires do double duty.

THE OLD JUDGE SAYS...

TOM: "It's mighty nice to receive a compliment like you've just given us, Judge. We do take our responsibilities very seriously and try to do the right thing with everybody. In spite of it, we get criticized now and then."

OLD JUDGE: "I know . . . you've got to take the bitter with the sweet in times like these. Speaking of criticism, and I mean really unfair criticism, reminds me of the spirit beverage business."

FRANK: "How is that, Judge?"

OLD JUDGE: "Simply this . . . can you think of any other business in which the seller is responsible for what the buyer does with his merchandise? If a person eats too much cake and gets indigestion, the baker isn't blamed. Nor is the coffee merchant criticized if someone drinks too much coffee and can't sleep. But the seller of spirit beverages gets blamed plenty if one of his customers overindulges. Doesn't seem quite fair, does it, Tom?"

TOM: "Frankly, it doesn't, Judge. We've never looked at it that way before."

15 YEARS A FORD DEALER

(Each week, in this space, we review one year of Tecumseh's history in the 15 years that we have been in business here, taking the years in order since 1929. Watch this space, you'll find the stories very interesting).

The year 1943 found the nation "definitely at war" and in this area rationing was making itself felt by an announcement that coffee, sugar, gasoline and tires already were under the ban and that meats and processed foods would soon require stamps for purchase.

A pilaster, purchased by the village, containing the names of men and women in service, dedicated at a service at the Presbyterian church.

In mid-January the mercury dropped to 19 below zero, the coldest weather of the season.

The rationing of shoes became effective in February. Three pairs of shoes per person a year was announced.

The Tecumseh Products Co., was awarded the Treasury's Bulls-eye flag for the purchase of War Bonds.

The schoolhouse at Ridgeway was destroyed by fire.

Meats, cheese, butter, cooking fats and oils went on the ration list and 4,033 persons registered here for new ration books permitting them to make purchases.

Mayor J. Floyd Elliott called upon residents to plant Victory Gardens in an effort to ease a threatened food shortage.

Tecumseh over-subscribed its quota in the Second War Loan by buying $411,777 in bonds.

Eleven and a half inches of rainfall in the month of May caused farmers and gardeners to worry.

The payroll withholding tax was inaugurated.

The Japanese two-man submarine visited Tecumseh and attracted a large crowd to the business district.

The Methodist church at Ridgeway celebrated its 75th anniversary.

A, B and C gasoline coupons were reduced from four to three gallons each.

The SPEBSQSA staged its "Gay Nineties" minstrel show at the Recreation Center.

The Rev. Edward Escolme observed his 25th anniversary as pastor of the Tecumseh Friends Church.

Tecumseh exceeded its third War Loan quota by buying $407,443 in bonds. The quota was $354,000.

No. 4 ration book was issued through the cooperation of the public schools.

The Rev. J. R. Scarlett was named as rector of St. Peter's Episcopal Church.

The shortage of fuel was making itself felt in Tecumseh and throughout the county.

A business boom for 1944 was forecast and political dopesters indicated that President Roosevelt would seek a fourth term election.

IN MEMORIAM

There is no death! An angel-form
Walks o'er the earth with silent tread;
And bears our best loved things away,
And then we call them "dead."
When'er he sees a smile too bright,
Or heart too pure for taint and vice,
He hears it to that world of light,
To dwell in Paradise.

Tells of Stay in Prison Camp

PRISONER FOR 17 MONTHS IN GERMANY IS SPEAKER AT ROTARY CLUB

Rutabaga soup, a diet of frozen potatoes and horse meat and sometimes "K" rations becomes rather tiresome especially if its rutabaga soup every day for three weeks, Sgt. Charles Badura, Jr., son of Mr. and Mrs. Charles Badura, formerly of Britton, told members of the Tecumseh Rotary Club, when he addressed that group following dinner at Brees House, Tuesday evening. Sgt. Badura was a prisoner of the Germans for 17 months and is home on a 60 day furlough. The Baduras now live in Adrian. He was the guest of Dr. William Britton, who had charge of the Rotary program.

A gunner on a B-17, Badura was forced to parachute to the earth over Germany after the bomber was knocked out by the Nazi. He landed in a German military training camp.

"I don't want you to think that I'm preaching any race hatred," the sergeant said, "but I can tell you that the Nazi don't know the meaning of the words, fair play. They simply don't know how to 'shoot straight' as we put it."

There were more than 4,000 prisoners in the camp where the sergeant was stationed. It was a barbed wire enclosure. They slept on sacks of shavings, sometimes the ground. Blankets were like handkerchiefs. The food was terrible. Lice and fleas were plentiful.

The Russian compound was next to the Americans and he told of how the Nazi flogged some of the Russians with 12-foot whips. Jews, without food for 14 days, were marched from one camp to another and when they fell from exhaustion they were rammed by a bayonet or had their heads crushed with the butt of a rifle.

When one of the American flyers went mad, (you do that, sometimes, he said, when you've been in a barbed wire enclosure too long) and attempted to escape, he was shot by the German guards. The guards were told before they fired that the boy was mentally sick, he declared.

"It's touch to see one of your buddies dying from pneumonia and calling for his mother and home, and to be told by the Nazi guards that you can't comfort him," Badura said. "But they wouldn't let us near him."

The camp in which Badura was a prisoner was liberated by Gen. Patton's army. "The Americans took over and told us we were free," Badura said. "We took them at their word and immediately started to help them clean up the guard."

ROTARY ASSEMBLY IN DEARBORN ON MONDAY

Several Rotarians from Tecumseh will go to Dearborn on Monday to attend the 153rd District Assembly. The main speaker will be W. J. Cameron of the Ford Motor Co. The assembly will get under way at 8:30 on Monday morning, continuing until 4:30 in the afternoon.

The young people's Sunday school classes are planning a musical program to be given in July.

Urges Planting of War Gardens

IT IS NOT TOO LATE TO ACT, REV. EDWARD ESCOLME, CHAIRMAN, WARNS

Acting at the urgent request of the government, new emphasis is being placed upon the appeal to the public to grow Victory Gardens and can the produce in order to overcome the critical food stortage in the country, it was announced today by the Rev. Edward Escolme, chairman of the Lenawee County Victory Garden Committee.

In commenting upon an emergency meeting held in Chicago to discuss the situation, the Rev. Mr. Escolme said the gloomy facts presented show there will not be enough of the right kinds of foods for civilians unless the supply is supplemented by the home garden.

"This is not a false cry of alarm," Mr. Escolme stated. "The figures speak for themselves. It's a case of either grow and can your own or go without. Despite the lateness of the season, there is still time to plant and have a successful garden. There are sufficient growing days remaining for any number of chops, particularly the late varieties."

The Chicago meeting was called by Paul C. Stark, director of Home Food Supply for the War Food Administration, to consider ways of stimulating greater effort on the part of Victory Gardeners because of the food outlook. Michigan was represented by Paul R. Krone, chief of the Victory Garden Section of the Michigan Office of Civilian Defense and member of the Extension Service of Michigan State College, who reported that government officials gave the following summary of the situation:

The amount of commercially canned vegetables available for civilian consumption will be considerably less in 1945 for example, there will be approximately 24 to 40 per cent less peas, corn, beans and tomatoes.

Vegetable consumption amounted to 38 pounds per capita in 1943; the supply will be down to 28 pounds this year.

The supply of canned tomatoes now on hand is about one-half that of a year ago.

Seed dealers said that vegetable seed sales to Victory Gardeners were 15 to 31 per cent below last year, and to commercial growers about 27 to 28 per cent less.

Some commercial growers have reduced their vegetable acreage as much as 25 per cent to get away from crops requiring hand labor.

All growth in the corn belt region has been retarded by unfavorable weather.

Against this is the increased demand for food on the part of the military forces and the civilian population and to avoid starvation in the countries of Europe ravaged by war.

"The situation is serious," said Mr. Escolme, "and the only solution to the problem is the home garden."

GEO GREENS ENTERTAIN

Mr. and Mrs. George Green assisted by Mr. and Mrs. George Dobben of Jackson entertained a group of 12 at a farewell party Saturday evening for Mr. and Mrs. John Biery of Jackson. Mr. Biery having resigned as city engineer to take the position of city manager in Midland. Dinner was served at the Brees House and a social evening with bridge was enjoyed at the Green home.

The guests included Mr. and Mrs. Biery, Mr. and Mrs. George Mattison, Mr. and Mrs. Arthur B. Winchell, Mr. and Mrs. Marshall Bolich, Mr. and Mrs. Louis Wilson and Mr. and Mrs. Charles Deming.

"E" Bond Sales Are Far Behind

SEVEN CENTS OUT OF EVERY SAVINGS DOLLAR WOULD PUT QUOTA OVER TOP

By Gene Alleman
(Special To The Herald

Lansing, June 14—Did you know that Michigan's lagging campaign for sale of E-bonds would go over the top in 24 hours IF you and 1 and other citizens transferred just 7 cents out of every dollar in savings deposits into war bonds?

We didn't either.

Seven cents, already saved, isn't going to cost anybody anything. Invested in war bonds, it will earn 33⅓ per cent additional return in 10 years. That's the astonishing bargain, the world's best investment, of the E-bond.

We were interested in a warning from the senate finance committee, of which Senator Arthur Vandenberg is a member, that inflational pressure has reached an all-time high. The amount of money deposited in banks is tremendous. Louis J. Hims, commissioner of revenue, predicts another buying surge in Michigan as soon as reconversion is completed and consumer goods are available at stores.

In the meanwhile, why not buy more bonds?

The Michigan legislature enacted 375 measures, most of them minor in importance, during its 1945 session at Lansing. The one-year budget of $162,000,000 is the highest on record . . . If Detroit can escape another race riot during the reconversion period, city leaders will be thankful. The legislature gave the governor authority to declare a state of civil emergency, in case of riot or disaster, without resort to martial law.

Glimpses into tomorrow: The Finch Telecommunication, Inc., will offer a facsimile attachment for frequency modulation home radios for less than $100. The facsimile could print a five-column tabloid newspaper, complete with comics, feature articles, advertisements and pictures, right before your own eyes. The big hitch to date: Photographs do not reproduce satisfactorily.

WIRecorder, Inc., a Detroit concern, will manufacture a wire-recording device at a price $50 up, whereby sound may be recorded magnetically on a thin strand of wire. A young Russian scientist at the Armour Institute of Technology, Chicago, made the discovery. We saw our first wire recorder demonstration in New York City in April, 1944, and our second at Higgins Lake early in May. Home recording of radio programs will become common-place within a few years.

Agricultural Commissioner Charles Figy refuses to get panicky over the spring's downpour and cold weather. Except for fruit, other crops harvests should be good, he insists. The national cash income of farmers is due to hold around $20 BILLIONS for 1945. Before the war the previous high was $14.6 billions.

The Michigan State Medical Society is openly apprehensive over the threat of nationalized health insurance. The new bill in Congress, for which Rep. John D. Dingell (D), Detroit, is a co-sponsor, would permit a patient to choose his own doctor and a doctor could refuse a patient. Organized labor is all out for it. While chances of its passage this year do not appear to be bright, many observers predict its ultimate approval by Congress. Some doctors do, too.

Tire quotas to civilians are to be increased 500,000 in June. Increased gasoline rations for B-card users were in effect Monday, June 11. A-card holders will get a break soon. All this points to a happier summer for the home front . . . and more business for Michigan's booming tourist industry.

AWARDED PURPLE HEART

Tec. 5 Carlos C. Bridge, whose mother Mrs. Helen Bridge resides at Ridgeway, Michigan, was awarded the Purple Heart today at a formal review ceremony at Borden General Hospital, Chickasha, Oklahoma. The award was presented by Colonel E. R. Gentry, Commanding Officer at Borden General Hospital, and the citation read was as follows: "The Purple Heart is awarded Tec 5 Carlos C. Bridge, Field Artillery, for injury incurred during enemy action by shell blast near Metz, France, 1 November, 1944."

Tec 5 Carlos C. Bridge is a patient at Borden General Hospital.

Yes, 'Tis Very True, The Herald Gets Results

Mrs. Stanley Miller, who recently came from Casper, Wyoming, to make her home with her parents, Mr. and Mrs. Don Hunt, really believes in the advertising value of The Herald. Her husband, having been transferred to Almogardo, Texas, she shipped her baby buggy in March to Tecumseh, attaching address stickers. The stickers came off and were lost, and just recently Mrs. Miller was notified that a baby buggy without address was in Chicago. Her name had been found on a Tecumseh Herald which she had left in the buggy and the railroad took a chance on her being the owner.

Bert A. Stout Dies; Is Buried at Tipton

Bert A. Stout, aged 72 years, died Sunday night at the home of his son at Geneva where he had been since August. Mr. Stout was born in Franklin township and had lived all his life in this community.

War Bond Quota $152,000 Short

SALES MUST CLIMB IN NEXT TWO WEEKS IF TECUMSEH IS TO REACH GOAL

Tecumseh must buy war bonds at the rate of $10,000 a day for the next two weeks if this community is to reach its quota in the Seventh War Loan, W. L. Berkhof, chairman of the War Finance Committee here, pointed out today when he let it be known that more than $150,000 in bond purchases still are needed to put Tecumseh "over the top."

"We have seemed to lag a bit in the Seventh Loan," Mr. Berkhof said, "although I fully realize that our quota of $336,900 is a large one. However, in previous loans, we have over-subscribed much larger quotas, and I cannot but feel certain that we will meet this one before the first of July."

Total sales of bonds as of last night, John R. Thompson, co-chairman of the drive said, amounted to $184,473.50 in Tecumseh. Of that amount, about $114,000 is in E bonds.

"I am mighty proud of Tecumseh's showing in the purchase of E bonds," Mr. Berkhof sad. "Our quota in that division was $94,400 and we have exceeded it already by more than $10,000. I wouldn't be a bit surprised if we sold $15,000 or $20,000 more E bonds before the drive ends. State-wide, it is the E bonds that is worrying drive leaders but here it is the other way around. We have met our E bond quota already and have exceeded it."

Lenawee county is nearing its quota of $3,197,000 in the Seventh Loan, with less than half a million dollars to be subscribed. The town of Ridgeway with an $800 quota has subscribed more than $4,500. Onsted has exceeded its $24,000 quota by about $5,000, Palmyra has exceeded its $1000 quota eight times, and Manitou Beach has nearly doubled its $2,200 quota. Fairfield, with a quota of $7,400 has subscribed $21,800, and Cement City has oversubscribed its $7,700 quota by about $5,000. Blissfield with a $215,500 quota has raised nearly $270,000. Addison is about $27,000 over its $31,000 quota.

"I feel certain," Mr. Berkhof said, "that both Lenawee county and Tecumseh will reach its goal before the drive date arrives. Here, we have never failed to exceed a war loan quota since the war started and I don't intend it should be the will fail now."

YES, IT'S PROFITABLE TO SAVE YOUR PAPER

Paper shortage has become so acute that Kroger stores are now rewarding customers who bring their own shopping bags by giving them an iced tea glass.

A coupon is given the customer each time she brings her own shopping bag or basket to the store. Four coupons entitle the customer to the 12-ounce iced tea glass.

War needs continue to take most of the country's paper supply. Consequently all stores, like the newspapers, have been forced to get along with reduced allotments of paper. Saving a paper bag is a contribution to the war effort, says the Kroger store manager, and he feels the housewife should be rewarded for continual conservation of paper.

MARRIED IN CALIFORNIA

Miss Margaret Artman, daughter of Mr. and Mrs. J. M. Artman, who has been spending some time in California, and Lt. Edward M. Alzner of Cincinnati, O., were married June 5 at the Congregational church in Long Beach, Calif. Lt. Alzner who is with the Ferry Command, recently returned from overseas.

The couple left Tuesday for Cincinnati to visit at his home and to await reassignment orders. They will then come to Tecumseh to visit her parents.

ARTERY SEVERED

N. Collingsworth had an artery in his left arm severed Monday afternoon while cutting weeds at his home on West Kilbuck street. He was taken to Tecumseh hospital.

GRANGE TO MEET

Tecumseh Grange will hold a regular meeting tonight. Mr. and Mrs. Pearl Ash are chairmen and refreshments will consist of potato salad, sandwiches, cake and jello.

Mrs. Janet Dickinson Lang has received word from her husband, Walter P. Lang, who is in Germany that he has been promoted to captain.

Mrs. Edna Stoneburner of Tipton has received word that her son Pvt. Jacob Stoneburner, a prisoner of war in Germany since October 1944, has been liberated and expects to return home soon.

ARE WE PECULIAR TOO?

The people of Germany are looked upon in this country as peculiar because they have an inherent tendency to follow a strong leader—one whom they think has all the answers to all problems. But are they alone in this peculiarity? There are plenty of people right here in the United States who think government is super wise and that government officials are somewhat smarter than the rest of us. We have already let these officials lead us far along the path toward total control over our lives. Nearly every activity, directly or indirectly, has check reins upon it that lead straight to Washington. These check reins were accepted willingly as war measures, but many of them threaten to become permanent because of the foolish notion (the Germans had it, too) that officialism is the seat of wisdom.

"Listen to the words of a prominent spokesman for the medical profession: "Some people believe that in bureaucracy's vast pool of master minds there are individuals fully qualified to tell farmers what and how much they can sow and when and how to reap; other individuals competent to tell the oil wildcatter the size of the pipe and depth to which he is permitted to drill; and yet others with capacity to tell the newspaper editor what he can print and how he shall treat and headline his dispatces.

"No sane person can believe that any bureaucrat can direct the rendering of medical care without actual suicidal deterioration in the quality and effectiveness of the service that is provided."

The Heroes of World War I Remind Us - - To Buy All The Bonds We Can . . . Now.

They know the cost in human life and equipment, to win even a small military engagement. They know how many boys lie in Flanders Field who might have been home if the last war was a day, a week, a month shorter. That's why for the sake of their sons and nephews now embroiled in battle they urge us all to buy Bonds and keep them, to shorten the war by speeding Victory.

Sgt. Willard Pawson Gets His Japs "For Sure"

WITH THE 24TH INFANTRY (VICTORY) DIVISION ON MINDANAO (Delayed)—Occupying a "hot spot" defending a captured Japanese ammunition dump, Sergeant Willard L. Pawson, whose wife, Mrs. Dora Pawson, resides at 605 Pottawatamie Street, Tecumseh, Michigan, helped to repulse a counter-attack by the die-hard Japs during the bitter battle for Davao.

Sergeant Pawson, a member of Company "B" of this Victory Division's famous 34th Infantry Regiment, was one of five men guarding ammunition stores after his company had fought a fierce battle for its possession.

"We expected the Japs to counter-attack, because there was plenty of ammunition and high explosive shells piled up where we were," said Pawson. Sure enough they came back trying to flank our position. They had dug a trench all the way around for protection so we took it over when they charged.

"There were about six or eight in the first group and they had grenades and rifles. They tried to get close enough to throw the grenades, but we poured plenty fire into to them. We had good cover in the trench, so it wasn't such a tough job picking them off. I got two for sure, and altogether we killed six.

"They were followed by a force of about fifteen and we were really in a tough spot, too much fire power against us. They kept up pinned down for a couple hours until a squad came to our relief and drew the Nip's fire. We held them off though and withdrew around the trench until we got reinforcements.

"All of us were sweating out the Japs, because if they couldn't have recaptured the dump, they would probably blown it up. Believe me, it was good to get out of there," concluded Pawson.

Bronze Star Medal Is Given Sgt. Elwood Tucker

WITH THE 29TH INFANTRY DIVISION IN GERMANY—Sgt. Elwood J. Tucker, of RFD No. 2, Tecumseh, Michigan, Gun No. 3, Btry. "D," 554th AAA AW Bn, was awarded the Bronze Star Medal for "meritorious service" at a VE-Day ceremonies held here in Germany. Lt. Col. Lawrence W. Linderer, CO, personally decorated the sergeant and congratulated him upon the fine work exhibited by his entire crew throughout the past 11 months of combat.

Sgt. Tucker is in charge of a 40 mm Bofors mobile anti-aircraft gun and has led his crew through England, France, Belgium, Holland and Germany. Among their rougher spots they recall St. Lo, Ubach (just over the German border at the Siegfried Wall), and the Roer Assault. At the Roer they ran into heavy sniper and shell-fire while in direct support of the attacking Infantrymen. The crew started off the New Year in fine style by bagging a JU-88—one of the best planes the Germans had. The crew also has credit for several other planes shot down or damaged.

Sgt. Tucker entered the service in March, 1943 and worked at Ford Farms at Macon, Michigan, before induction. His father, Harry Tucker, is a carpenter at Willow Run Bomber Plant. As for his post-war plans, Sgt. Tucker would only state that he was going to get home first and let the rest take care of itself.

GETS BRONZE STAR

WITH THE SEVENTH ARMORED DIVISION IN EUROPE— Pfc. Richard D. Close of 209 E. Pottawatamie Street, Tecumseh, Michigan, recently was awarded the Bronze Star Medal for heroic achievement as a member of the artillery forward observation party. When one of his comrades was wounded he carried the communication equipment normally handled by two men.

He is the husband of Mrs. Maxine Close.

According to his citation, he assisted in setting up radios while under most constant small arms and artillery fire.

FATHER'S DAY
1945
In Many Homes, A Day Of Sorrow For The Dads Who Will Not Return
Johnny was five, Sally only three when Dad went off to war, but they remember well the good times they had together. Mother remembers too the confidence she had in him, the strength she felt in his presence, all the things about him that she loved. Dad was home last Father's Day on leave, but Father's Day 1945 is a sad day for they know that he won't be home—not that day nor any day. Many dads will not be home—many dads will never return. There is no better monument to the fathers who have died for their country, no better tribute to those who live and will one day return, than the purchase of a War Bond to further the cause for which so many have given their lives—a bond that will help give financial security to the youngsters they loved. Buy a War Bond this Father's Day — a bigger bond than you have bought before. That's what Dad would want!

New Emphasis Placed on Victory Gardening

In an effort to overcome the critical food shortage, new emphasis is being placed upon Victory Gardening by the National Government.

And that is where our part in this program begins. We have the seeds necessary for the planting of your Victory Garden—seeds that have been pretested, that assure you of sturdy plants and a bumper crop.

Despite the fact that this has been a backward year insofar as weather is concerned, it is not too late to plant.

Do it this week. Help to relieve the food shortage.

The Hayden Feed Bags

May be pretty, useful, and all of that,

but that's not half the story!

HASTEN TO HAYDENS!

Some Day We Will Go Shopping Again!

Someday, when the war is over—in the not-to-distant future, we hope—we'll go shopping again.

What will we be shopping for? Most everything.

A new automobile, a new refrigerator, a new washing machine, a new electric stove—the hundred-and-one other things that we have planned to buy when priorities were lifted and peacetime production was made possible.

Yes, those days are coming; surely; certainly!

We of Tecumseh Products Company—management and employees alike—have realized for some time that these shopping days would come again. We have not permitted our thoughts of these days to deter our war effort, however. We've "hit the ball" to produce for Victory and we intend to keep on "hitting the ball" until the last Jap surrenders.

After the war, things in our shop will be different. We're going to work, then, on peace-time goods. We're going to make just as enviable a record in post-war as we did in the war and pre-war days.

When the boys come back to us in service togs (our former employees) they're going to have jobs again. We've pledged that and, what is more, we're going to have jobs for hundreds of others because our payroll must double if we are to meet our peace-time demands.

We of Tecumseh Products Company intend, after the war, to build peace-time products with the same perfection that we have built war materials. In the refrigeration industry we hold a position of leadership. We intend to defend that position.

Our spirit of wartime cooperation will extend into post-war. It will bring finer products for peace time shoppers, it will bring security, happiness and contentment for all of us.

In the matter of the estate of LOUISE E. WOOD, Deceased.

On reading and filing the petition of John R. Thompson, administrator with the will annexed upon the estate of said deceased, alleging that the funeral expenses and debts of said deceased, and the expenses of administration thus far incurred, have been fully paid, and praying that his final administration account may be allowed and for such other order and decree as to this court shall seem proper.

It is ordered, That Monday, the 2nd day of July next, at nine o'clock in the forenoon, Central War Time, be assigned for the hearing of said petition.

And it is further ordered, That a copy of this order be published in the Tecumseh Herald, a newspaper printed and circulating in said county of Lenawee, for three consecutive weeks, previous to said day of hearing.

MAURICE E. TRIPP,
Judge of Probate.

CLINTON

Corp. Robt. J. Weinburg, recently returned from Europe, has been spending 21 days here with his wife and son at the home of her parents Mr. and Mrs. Carl Hoelzer and has now returned to the Convalescent Hospital at Ft. Custer, Battle Creek.

The Methodist W.S.C.S. held its annual birthday party at the church Wednesday evening, with all those who became members of the church during the year as special guests. A potluck supper was followed by a musical program.

Walter LaSavage of the Seabees has arrived home after 19 months in the Pacific to spend a month with his family here.

Mr. and Mrs. Clyde Greenfield have received the Purple Heart awarded to their son Pfc. Charles Greenfield who was wounded in action April 12 but has returned to active service. Another son Seaman Wilbur Greenfield is in England and the third son, Seaman Ted Greenfield has arrived on the west coast after a year's absence and will be home this week.

Fred L. Perry S 1/c home from the South Pacific, has gone to Norfolk, Va., for reassignment.

A. M. Kiehler and Sons have purchased the Lester McCombs farm west of Clinton.

James Mansfield of Caro, formerly of Clinton, is in a critical condition in a Detroit hospital following a major operation.

The summer tax rate will remain at seven mills, as in 1944. This was decided at last week's council meeting when it was also voted to return the village offices and noon whistle to Eastern War Time. The Clark subdivision at the south village limits was annexed to the village by a resolution.

At the final meeting of the Boy Scouts held Monday evening badges and awards were presented to the following: David Pratt, Star Scout; James House and Dale Gieske, tenderfoot scouts; George Semark and Harry Woodward, second class; Robert Way, Gerald Parker and Duane Bellmore, first class; Pratt, Way, Parker and Bellmore had earned 21 merit badges. Norval Hansen, tenderfoot; Richard Haas and Donald Gieger, second class, had earned their ranks but were unable to be present for their awards.

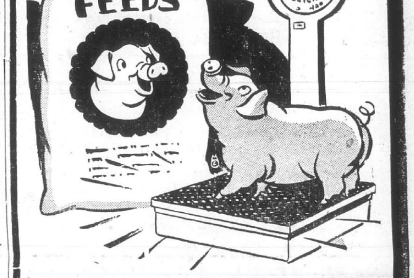
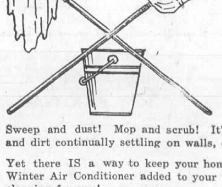
HAYDEN PORK MAKER
Hayden Flour Mills Tecumseh, Mich. June 14, 1945



THIS LITTLE PIG WENT TO MARKET AND WHAT A BIG PRICE HE BROUGHT

No wonder—he was full of Hayden's Super Duper Hog Balancer, with layers of sweet, tender meat, a fine hide, and strong bristles. When you feed your little porklets our Super Hog Balancer, they become big porkers, period! Balance your own grain with this feed, built just for quick economical pork production.

HASTEN TO HAYDENS!



NO WONDER A WOMAN'S WORK IS NEVER DONE!

Sweep and dust! Mop and scrub! It's certainly discouraging to try to keep a home clean, with soot and dirt continually settling on walls, draperies, furniture and rugs.

Yet there IS a way to keep your home clean . . . and without all that drudgery! Have a PREMIER Winter Air Conditioner added to your warm air furnace, and your heating plant will do most of your cleaning for you!

This PREMIER Unit filters the air in your home, removing countless particles of dust, soot and ash. By means of a powerful, quiet blower, the air is drawn from the rooms through the cold air pipes, passed through the large, efficient filters, then warmed and returned to the rooms, at the rate of 4 to 7 complete air changes per hour! You virtually never have to dust, and the fuel saving soon equal your entire investment. Inquire today about this new, moderately priced PREMIER Add-on Conditioner.

15 YEARS
A FORD DEALER

(Each week, in this space, we review one year of Tecumseh's history in the 15 years that we have been in business here, taking the years in order since 1929. Watch this space, you'll find the stories very interesting).

In the midst of total war, the year 1944, our fifteenth year in business in Tecumseh as your Ford dealer, found us busily engaged in service work in an effort to keep cars on the road for the duration.

Tecumseh's new zoning ordinance, governing the building of homes and factories here, became effective on February 15.

Tecumseh Hospital was placed on the approved list by the American College of Surgeons.

Tecumseh over-subscribed its Fourth War Loan by $237,000. The local quota was $354,000.

Guy E. Nemire resigned as chief clerk of the War Price and Rationing Board.

This community exceeded its $5,500 Red Cross quota by about 45 per cent.

A waste paper drive, sponsored by the Strand theatre, yielded more than 20 tons of scrap paper.

Fifty-three seniors received their diplomas at Tecumseh high school commencement exercises.

The Tecumseh Products Company was awarded its fourth Navy "E" star for excellence in production.

Board of review increases Tecumseh value by $104,000.

Henry Ford, Gov. Harry F. Kelly and other notables were present for the fourth harvest of Perry Hayden's Dynamic Kernels Wheat Crop. The program at the field was broadcast over Station WJR. The yield was 27 bushels to the acre.

The Rotary Club announced a post-war study program for Tecumseh and a series of 12 meetings, to which the public was invited. At the first meeting, addressed by Ray W. Herrick, president of Tecumseh Products, Mr. Herrick foercast a payroll of $7,000,000 annually after the war and 2,500 employees on Products payroll. He said that his company has some $40,000,000 worth of post-war orders on its books.

The Baptist church celebratde its 105th anniversary.

Franklin D. Roosevelt was reelected president of the United States for a fourth term.

Natural gas for Tecumseh after Victory was announced by the Consumers Power Co.

[illegible] named as assistant prosecutor of Lenawee.

In the midst of sub-zero weather and a six-inch snowfall, Tecumseh prepared to observe Christmas and New Years with special services in all of the churches.

THE TECUMSEH HERALD

NINETY-FIFTH YEAR—NUMBER THIRTY-EIGHT | TECUMSEH, MICHIGAN, THURSDAY, JUNE 21, 1945 | FIVE CENTS PER COPY

Tecumseh Nears It's Bond Quota

ONLY ABOUT $75,000 REMAINS TO BE SOLD TO PUT VILLAGE OVER THE TOP

Lenawee County is over the top in the Seventh Loan!

Arthur A. Palmer, county chairman, said last night that sales of "E" bonds in Lenawee amounted to $1,035,711.75 against a quota of $1,009,000. Sale of individual bonds amounted to $959,163.50 against a quota of $901,000. Sales of bonds to corporations amounted to $1,541,000 against a quota of $1,287,000.

"Lenawee county is the first county in the State of Michigan with a quota of more than $1,000,000 to reach its goal, according to Frank N. Isbey, state chairman," Mr. Palmer declared.

Tecumseh is nearing its Seventh War Loan Bond Quota with about $100,000 worth of the securities remaining unsold.

John R. Thompson, co-chairman of the Seventh Loan drive here, announced last night that this village thus far has purchased about $246,000 worth of the securities against its quota of $336,900. Of this amount, he said, some $12,000 came from a re-allocation of large corporation purchases in the county-at-large.

"We are nearing our goal," Mr. Thompson said, "but we still must sell about $100,000 worth of bonds to hit the quota. However, I feel confident that we can do it if we all stretch a point in these last 10 days of the campaign. Tecumseh has never failed to make its quota in any loan drive, and I dislike to think that it will fail in this one," he concluded.

While the actual transaction has not yet been completed and Mr. Thompson was unable to make the announcement, Wade L. Jones, clerk of the village, said that the council had authorized a purchase of $5,000 in 7-8 War Bonds and that an $8,000 purchase would be made by the cemetery board. This would boost local sales to near the $235,000 mark.

"We have made an excellent showing in our 'E' bond sales," Mr. Thompson said. "Our quota here was $94,100 and we have sold more than $125,000 worth of these bonds. I think that Tecumseh should be congratulated for this record."

County-wide, communities over the top are Addison, Blissfield, Britton, Deerfield, Manitou Beach, Morenci, Onsted, Palmyra, Ridgeway and Riga.

Rotary Hears of War In Atlantic, Pacific

Rotarians heard something of the war against both the Nazis and the Japs on Tuesday evening when, following dinner at Brees House, guests of the club, Lt. William Wright of the United States Navy, and Capt. James Beardsley of the Army, spoke briefly. Both of the officers are home on brief leaves before returning to duty.

Lt. Wright, who participated in the Normandy invasion, described that activity as "the most perfectly timed affair" he ever witnessed. "The Germans must have known that we were coming," he said, "but they also know that there was nothing that they could do about it." He declared that the Nazis were so outnumbered and outmaneuvered that there was nothing for them to do but to flee the Gold Coast.

Capt. Beardsley, who holds the Distinguished Flying Cross, participated in the Aleutians campaign and he told some interesting stories of that phase of the warfare. Recently he has been on duty in Texas as an instructor in celestal navigation.

Questioned as to the war's end and of the rumor that the Japs will surrender within 90 days, Capt. Beardsley branded the story as "wishful thinking." He expects a long war with Japan.

Both of the officers spoke extemporaneously. The regular program scheduled was for the appearance of a war correspondent of the Booth newspapers. Due to a conflict, in speaking engagements, it was impossible for him to appear.

Next week's meeting, the last in the Rotary year, will be in charge of W. J. Bruce.

CAMBURN—HIGGINS

Lt. Ralph M. Camburn, son of Mr. and Mrs. Clare Camburn of Tecumseh, and Miss Eunice Higgins of Topeka, Kansas, were married June 9 at Nashville, Tennessee. Lt. Camburn returned recently from overseas service with the Eighth Air Force. They will remain for the present in Nashville where Lt. Camburn is stationed temporarily.

Dr. Brown's office will be closed from June 24 to July 22 inclusive. adv. June 28

S 1/c Conklin's Gun Crew Accounts For 4 Zeros

John J. Conklin, S 1/c, son of Mr. and Mrs. John Conklin who live northwest of Tecumseh, recently returned to Armed Guard Center in New Orleans, La., after 8 months aboard a Liberty Ship which was set afire by enemy aircraft off Luzon in January. Seaman Conklin was a member of the gun crew which accounted for four Zeros after the bombing of the merchantman. The fire was fought for several hours before the ship reached port for repairs. Conklin who has been in the navy since May, 1944, is a graduate of Tecumseh high school.

Mrs. Wade L. Jones Buried In Brookside

Funeral services for Mrs. Wade L. Jones were held Friday afternoon at Collins Funeral Home, Rev. James Cameron Murdoch officiating. Bearers were P. C. Satterthwaite, P. M. Hayden, Geo. H. Adamson, D. F. Wright, J. F. Elliott and Louis Schneider and burial was in Brookside cemetery.

Among those from away who attended the services were Mr. and Mrs. L. W. Smith, Mr. and Mrs. Robert Wood, Mr. and Mrs. W. E. Slayton, Mr. and Mrs. E. E. Berry, W. F. Groeschow and Elmer Groeschow of Adrian, Mr. and Mrs. Roger L. Waring and H. S. Waring of Cleveland, O., Mr. and Mrs. H. S. Temple of Farmington, Mr. and Mrs. Boyd C. Belcher of Houghton Lake, Miss Louise Erskine, Mrs. Helen Mayo, Albert Deming, Mark Deming, Mrs. F. D. Teachout, Mrs. Thos. Hurt and Mrs. Alta Shook of Jackson, Mrs. Ted Bandemer of Ann Arbor, Mrs. S. R. Holden of Detroit, Sgt. Jack Holden of Washington, D. C., and Mrs. H. E. Evans of Miami, Fla.

Lenawee C. E. Union To Meet on Saturday

The Lenawee County Christian Endeavor Union will meet June 23 at Adrian College in Adrian, one of the 21 districts delegated. There will be no state convention this year, because of the ODT's request for non-traveling to conventions.

Beginning at 10 a. m. there will be a full day of inspirational worship, song services, singing, recreation and a banquet, and following the morning service there will be a picnic luncheon. Topics of the afternoon services will be World Peace, Minority Races, Delinquency and Morals.

Rev. Milton Coleman, ex-pastor of th Adrian Friends church, an ardent young people's worker, will be the speaker of the day and also at the banquet. Rev. Coleman has been stationed at Columbus, Ohio, since leaving Adrian and expects to leave this fall for India as a missionary.

Carol Sue Wheeler of Oak Harbor, O., will be in charge of music. Carol, who is a very capable singer, attended Bob Jones College and won highest honors in music and a scholarship to Curtis Institute of Music in Philadelphia.

DIES IN HOSPITAL

Mrs. Mary Mutersbaugh, 86, of Massena, Iowa, who was the guest of her sister-in-law Mrs. Frank Bryan near Onsted, died Friday at Bixby hospital in Adrian where she was a patient only a few hours. Before coming to Onsted last week she had been with her sons in Detroit.

She leaves the two sons Harley and Ross of Detroit, a daughter Mrs. R. D. Johnston of Griswold, Iowa and four grandchildren.

A prayer service was held at Ritter Funeral Home in Onsted Sunday and the body was taken to Massena for funeral and burial.

B. Y. F. TO ENTERTAIN

The Baptist Youth Fellowship met Sunday evening at the church with Don Everhart as leader and Priscilla Sisson in charge of the music. A roller-skating party and picnic were planned for the summer months. An interesting program is in progress for next Sunday evening when the B. Y. F. will entertain the other young people's groups of Tecumseh. Every church youth group is invited to attend this meeting which will begin at 6 o'clock.

BARACA CLASS

The Baraca Men's Class of the First Baptist church will hold their regular monthly business meeting this (Thursday) evening at 8 o'clock at the home of Ira Ashley, 304 E. Pottawatamie street. $14 Tax Rate For Tecumseh

RATE REMAINS THE SAME AS YEAR AGO AND WILL RAISE $35,211 FOR TREASURY

Tecumseh's tax rate for the coming year was fixed at $14 per $1,000 assessed valuation when the council met in an adjourned session, Tuesday evening. The rate is the same as that of a year ago and it will raise $35,211.40 for the treasury.

Tecumseh village has an assessed valuation of $2,515,100 of which amount $2,180,500 is in real estate and $334,600 in personal property. This is an increase in assessed value of $111,650 over a year ago and it was because of the increased revenue from the larger assessment that the council felt that a boost in the tax rate was unnecessary.

The tax rate will be divided for the several department of the village government as follows: General fund, 5½ mills, $13,832.05; highway fund, 3 mills, $7,545.30; sewer fund, 3 mills, $7545.30; cemetery fund, 1 mill, $2,515.10; hospital sinking fund, 1 mill, $2,515.10; garbage fund, ½ mill, $1,257.55.

There was little other business to come before the council, the meeting having been called for the sole purpose of establishing the tax rate.

Tecumseh Library Gets $56.72 In State Funds

Miss Ruth Harding, librarian, reports that Tecumseh Public Library has received a check for $56.72 from the State Board for Libraries.

This is the first payment on a grant from the General Library Fund for which the Library has qualified. The Library recives this grant because the local tax support is being maintained. Should the local tax support drop, the Library would not be eligible for this additional assistance.

This grant is part of the State Aid to Public Libraries Fund appropriated by the 1944 Legislature for the development of Michigan libraries.

The local Library Board decides how the money is to be used so that it can be spent in the manner most helpful to the library. Only capital expenditures are prohibited.

COLLECTORS MEET

A meeting for stamp collectors was held recently at Tecumseh Library. Seven persons attended and W. J. Ingersoll of Oak Park, Ill., gave an interesting account of how he obtained his now large collection which he began while employed in Tecumseh postoffice years ago.

Those present were Mr. Ingersoll, Mr. and Mrs. Edward Ham, Miss Edith Ingersoll, Mrs. J. M. Artman, M. L. Dannells and Miss Ruth Harding.

Another meeting will be held at the library Monday evening, July 9 and anyone interested is invited to be present. It is hoped to have large enough attendance to organize in the near future.

FREED AS PRISONER

Mrs. James McKenzie has received word that her brother Corp. Donald Griffith was liberated April 24 from a German prison camp where he had been since December 29. Corp. Griffith who is 19 years of age, enlisted in June 1943 and went overseas in March 1944. He was with Patton's Third Army. While a prisoner he wrote his sister that his weight dropped from 150 pounds to 90 pounds but since his release he had gained 35 pounds.

Pfc. Charles Irelan Home From Nazi Prison

Pfc. Charles Irelan, who was released from German prison camp Stalag 4-B, arrived home Saturday morning as a happy surprise to his wife and four children, although they knew he was on the way.

Pfc. Irelan who is 22 years of age, entered army service in March 1944 going overseas in October. He was reported missing in action in December 1944 and Mrs. Irelan learned later through the mother of a fellow prisoner who relayed the message after she had received a letter from her son. On April 5 Mrs. Irelan received a letter written January 3 by her husband, telling her he was a prisoner.

He had been wounded in the neck by shrapnel but his family was unaware of that fact until his arrival on Saturday.

Town's Values Jump $129,800

BULK OF INCREASE IS IN VILLAGE PROPER DUE TO INDUSTRIAL EXPANSION

Tecumseh township's assessed valuation for 1945 was announced today by Le Roy Titley, supervisor, as $3,367,680, an increase of $129,800 over the 1944 figure. The totals were arrived at by the board of review, which ended its sessions last week.

Tecumseh Village has an assessed valuation of $2,515,100 of which amount $2,180,500 is in real estate and $334,600 in personal property. Last year, real values in the village amounted to $2,116,150 and personal at $287,300, for a total of $2,403,450. The new figure for 1945 shows an added assessed value in the town of $111,650.

In the township at large, farm real estate is assessed at $711,600 and farm personal at $140,980 this year for a total of $852,580. Last year, farm real estate was assessed at $701,150 and farm personal at $133,280 for a total of $834,403. This year's figure shows an added assessed valuation in the rural area of $18,150.

Mr. Titley said that most of the increase in valuation came from growth and expansion of Tecumseh's industrial plants. He pointed out, however, that in former years the property exemptions granted under the law to Spanish and Civil war veterans had never appeared on the tax roll for assessment purposes. This year, under a new law, the assessment does appear and taxes are levied by the township. They are paid, however, by the state from a special fund. This change in the law, the supervisor said, accounted for a few thousands of dollars increase.

Mrs. Laura L. Judge, 83, Is Buried at Clinton

Mr. Laura Louise Judge, 83, wife of Charles Judge of Clinton, died Saturday morning at the Blanchard hospital in Morenci, where she had been a patient for several days. Mrs. Judge was a member of the Methodist church and an honorary member of the Clinton Woman's Club.

General Lauds 8th Air Group

SEVERAL FROM TECUMSEH AMONG THOSE COMMENDED BY. GEN. JAS. DOOLITTLE

ENGLAND, JUNE, 21—Among the 185,000 men and women of the Eighth Air Force congratulated by Lt. Gen. James H. Doolittle, who assumed command of the Eighth in January, 1944, are Cpl. William H. Osburn, airplane armorer with the 55th Fighter Group, whose parents, Mr. and Mrs. Garland Osburn, lives at Tecumseh, Mich., Rt. No. 1; S/Sgt. Dale H. Aebersold, son of Mr. and Mrs. Clarence Aebersold; Sgt. Gerald B. Driscoll, son of Mr. and Mrs. Glenn Driscoll; Pfc. Harry F. Bickley of 312 W. Cummins street; Lt. Elmer Owen Curtiss, son of Mr. and Mrs. Lyman Curtiss; Lt. Geo. K. Rockwood, son of Mrs. Bernard Clark; Lt. Ralph M. Camburn, son of Mr. and Mrs. Clare Camburn; S/Sgt. Clarence J. Walter, son of Mrs. Anna Blesing. Aebersold, Curtiss, Rockwood, Camburn and Walter have now returned to the United States. Aebersold has received his discharge; the others are awaiting reassignment.

"I wish to extend my personal congratulations and my heartfelt appreciation to every one of you for the magnificent job you have done," Gen. Doolittle said in a message to all personnel.

"Each of you," he continued, "may be proud of your part in the defeat of Germany. I am proud of you. The world is proud of you."

The Eighth Air Force was the world's mightiest strategic bombing force. Its personnel of 185,000 was the equivalent of 12 infantry divisions, and it could send 21,000 airmen in 2,000 four-engine bombers and 1,000 fighters over Germany at one time, a combat effort possible ony through the support of tens of thousands of non-flying specialists.

Since August, 1942, when combat operations began, Flying Fortresses and Liberators of the Eighth dropped more than 700,000 tons of bombs on enemy targets. Fighter pilots shot down 5,250 Nazi planes and destroyed 4,250 others on the ground. Bomber gunners shot 6,000 German interceptors out of the air.

The Eighth dropped an average of a ton of bombs every minute of the last 12 months.

Airmen of the Eighth were the first Americans to attack Germany. The early crews flew a handful of unescorted bombers against the powerful Luftwaffe, and proved the feasibility of an American idea —precision daylight bombing over Reich.

As the Eighth grew in strength, it was assigned the task of crushing the German Air Force, which had to be done before the Allies could invade France. Bombers destroyed thousands of enemy planes in the air and on the ground.

After beating the Luftwaffe into relative impotency, the Eighth threw its growing weight against Germany's rail system and vital sources of oil. These campaigns, in conjunction with the British Royal Air Force and the U. S. 15th Air Force, dis organized all transport in Germany, restricted German military operations in the air and on the ground, and paved the way for the march of Allied armies across Europe.

Play Program Is Organized

RECREATION FOR BOTH YOUNG AND OLD OFFERED AT LOCAL RECREATION CENTER

Fun for everybody, regardless of age, is being offered his year at the Tecumseh Recreation Center where Fred Raizk, athletic director at the high school, has announced a supervised play program with activities each afternoon and evening of the week.

"We are set to carry on one of the busiest and best supervised play programs yet offered in Tecumseh," Mr. Raizk said, "and now, all that we need is the full cooperation of the public. There will be fun and amusement for everybody, regardless of age, and we hope, before the summer is over, to stage a community picnic that will bring the whole town together for an evening."

Two archery teams already have been organized at Recreation, the TP Bums and the Office Girls and they are shooting each Tuseday and Thursday evening at 7 o'clock. There are girls' teams and more may join.

A children's baseball contest is played each Tuesday and Thursday afternoon between the West End Tigers and the East Side Giants. At the present time each team has won one game and a lively time is in store for the crowds that gather to watch the remaining games.

Tecumseh Products Company employees play softball at the park each Friday evening at 7 o'clock, this week meeting a team from Adrian.

The Community Softball League, so popular a year ago, has been reorganized again this year and games are played each Monday, Wednesday and Friday evenings at 7 o'clock. Yesterday the Methodists played the Presbyterians, Friday evening the Bruce Foundry team will play the Quaker Oats, Monday evening, St. Peter's church team will play the Friends and the Methodists the Quaker Oats, and on June 27, the Bruce Foundry will play St. Peter's, Friday, June 29, the Presbyterians will play the Friends.

"These community games were very popular last year and we hope that they attract larger crowds this season," Raizk said. No admission is chraged.

For those who do not care for baseball or softball, there is a horseshoe pitching court, volley ball teams will be organized, etc.

"Our picnic tables are now in place and our stoves are in readiness for use and the public is invited to come to the park any afternoon or evening for picnics. No charge for the use of the equipment is made," Raizk pointed out.

Specialty nights planned for the summer include the community picnic, a Tecumseh-wide affair, at which there will be games and contests. A musical night also is planned for both adults and children at which time there will be a band concert, music by the high school glee club, quartet singing and folk dancing. A candlelight service also is planned, to be put on by groups from various church Sunday schools. Later in the season there will be a doll and pet show and possibly a campfire night to be staged by Scouts.

"What we will need to put these things over is enthusiasm and support from interested groups," Raizk said, "and I am invitng anyone interested to meet me at the park or call me at home for suggestions that will make these entertainments possible."

Raizk also is taking a group of children to the gravel pit for swimming instructions each Tuesday Thursday afternoon at 2 o'clock. The swimming is supervised. Reduced rates at the pit are given to this group to those who qualify as regular attendants at the playground program.

NO JOKE

In certain respects price control has become a grim joke—a joke that may boomerang with deadly effect. Many present shortages are the result of prices fixed too low. In other words, prices have been over-controlled at the expense of production. The OPA has had the satisfaction of keeping price tags down—with nothing to hang them on. But before you laugh, stop to think what this means.

The entire retail distribution system operates on a very thin turnover profit margin—around one and one-half per cent for larger chain stores. Retailing lives by volume. When production falls off under the impact of artificially low prices, volume falls off. An authority in the food chain business states that public officials "realize that sharply decreased supply of meats, poultry, dairy products, some processed foods, cigarettes and other short items inevitably means falling volume which in turn means possible operating losses which could conceivably weaken or even paralyze the food distribution system." Admittedly, all shortages are not caused by impractical price ceilings. However, plenty are caused by this fault and more are appearing every day.

It is no public service for the OPA or any other government agency to blind itself to the danger of interfering with maximum production and distribution, by price juggling. The greatest single stabilizing force outside of the government, is the modern American retail distribution system. If the effciency of this system is undermined, the OPA will be helpless to make any sort of control effective.

If the merchant cannot operate successfully, inflation cannot be controlled.

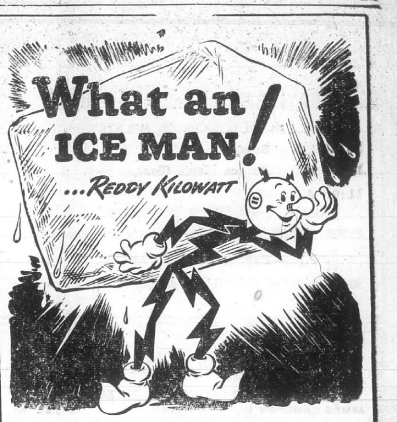
JEWELERS



Although no new electric refrigerators are available, 63% of America's wired homes are now enjoying electric refrigeration

REDDY KILOWATT really doesn't fill a compartment in electric refrigerators with ice, but he does keep them at a constant temperature for the best refrigeration.

When Reddy Kilowatt is your ice man, you have all of the economy and convenience of electric refrigeration for an average current consumption of only 29 kilowatt hours per month. Figure the approximate cost of electric refrigeration at your low cost electric rate.

Kilowatt hours are a measure of your use of electricity. The use of servant hours of electricity in your home is a progressive, economical assurance of freer, happier living.

Lieut. Leach Has Flown 30 Missions Against Japs

A 7TH AAF HEAVY BOMBER BASE IN THE PALAUS—First Lieutenant Harold J. Leach, 23, of Tecumseh, Michigan, and the crew of his 7th Air Force Liberator bomber have been credited with more than 30 combat missions against the Japs.

As co-pilot of the four engine bomber, Lieutenant Leach has been an active participant in the theater ribbon aerial battle for the Philippines. Other missions have been attacks against the enemy islands of Yap, Truk, Marcus and the Palaus. He and his teammates have specialized in smashing Jap shipping, air power and ground installations.

Lieutenant Leach's combat flights have been 90 per cent over water and averaged 10 hours each. He has been awarded the Air Medal with Oak Leaf Cluster, the Philippines Liberation ribbon and a battle star for his Asiatic-Pacific

His wife, the former Genevieve M. McClure, daughter of Mr. and Mrs. Clifford E. McClure, 411 East Logan Street, Tecumseh, lives at 505 North Pearl Street, Tecumseh. He was graduated from Hartford High School in 1939 and was employed by the Sutherland Paper Company, Kalamazoo, Michigan, before entering the Army in September, 1942. Lieutenant Leach's parents, Mr. and Mrs. Clare O. Leach, live at 14 North Maple Street, Hartford, Michigan.

Pfc. Clark Says Thanks For Tecumseh Herald

Pfc. William A. Clark, son of Mr. and Mrs. D. P. Clark, 33 W. Brown street, now "somewhere in Germany," tells The Herald in a letter this week that he is receiving his "hometown newspaper" regularly, and that he is enjoying the news from Tecumseh.

"The reason I am writing is to thank you for The Herald," his letter says in part. "I've only been in the army 16 months and I have been getting the paper regularly and it seems good to get the news from home, especially NOW! because I'm in Germany.

"I'm not going to tell you what it's like in Germany because I think you all know, and if you don't, you're not missing anything. I'm in the engineers as an aid man or 'pill roller' to the fellows and like it O. K."

Pfc. Clark is one of more than 400 men in service who are receiving The Herald each week, regardless of their global location.

W.S.C.S. MEETS

The Methodist W.S.C.S. met last Wedensday afternoon in the church parlors with Mrs. Wm. Barnes and Mrs. T. Rentschler as hostesses. Mrs. E. D. Brown led devotions and Miss Bertha LaPointe spoke on "Juvenile Delinquency."

FBI NEEDS HELP

Robert A. Guerin, special agent in charge of the Detroit field division of the FBI, has announced that there are presently available clerical positions in the Federal Bureau of Investigation at Washington, D. C. Applicant must be between the ages of 18 and 40 and must be high school graduates. No prior employment experience is needed and neither typing nor stenographic ability is a prerequisite.

The beginning salary is $1,752 a year, including overtime, less deductions for retirement benefits and for the withholding tax.

Applicants need not be concerned about finding living quarters in Washington, inasmuch as the FBI will locate such accommodations for employees upon their arrival there.

DEWEY GRADUATES

Latham Daniel Dewey, son of Mr. and Mrs. Orville D. Dewey, 206 North Maumee Street, Tecumseh, Michigan, was graduated recently from the Naval Air Technical Training Center located at Norman, Oklahoma. While at the Norman school he studied the aviation specialty field for which his recruit training aptitude tests showed he was best suited. This training has been designed to fit him for a especialized Navy job in the long Pacific war ahead and also for skilled work in industry when peace comes. He is now eligible to earn a petty officer rate.

The newly graduated man is now awaiting further duty orders either to sea or to a naval base.

Cull Out The Weaklings!

ELIMINATE THE RUNTY-UNDERSIZED BIRDS RIGHT NOW!

Life is too short to waste time or feed on birds that show no promise of ever amounting to anything. Here is one place where you can set sentiment aside, and put common sense in its place!

Be honest—you've got some birds in your flock that are dead heading their way to market. Every one of them is costing you money every day. If you eliminate them right now you can do these 3 things:

1—You'll save precious feed!

2—You'll lessen the chance for disease in your flock!

3—You'll improve the general appearance of your flock!

Along with this culling, do this for maximum results: At the age of 3 weeks, mix a pound of Chek-R-Ton with 100 pounds of Hayden's Starter and Grower and feed for one week. At 6 weeks of age mix in 2 pounds of Chek-R-Ton to 100 lbs. of feed and feed for one week. This product will give your chicks a flushing out that is highly beneficial. It will clean out the slime from the intestinal tract. This will result in a keener appetite, increased feed consumption and faster growth.

THE OLD JUDGE SAYS...

FRED: "Is it true, Judge, that a war can't be won without the use of war-alcohol . . . the kind the beverage distillers have been producing for the government for over two years?"

OLD JUDGE: "That's right, Fred. It is a basic ingredient in the smokeless powder used in virtually every firearm from a pistol to a 16-inch gun. And, in addition, it plays a more human role. The medical supplies which our military doctors use to alleviate pain, combat infection, save lives are prepared with war-alcohol."

FRED: "No wonder, then, more and more people are recognizing the great contribution our beverage distillers have made to the winning of the war with their *double-duty* product."

15 YEARS
A FORD DEALER

(This is the last in a series of articles which we have published each week for the past 15 weeks, telling you of our 15 years in business in Tecumseh as your Ford Dealer. We trust that you have enjoyed them as much as we have in bringing them to you).

We have rounded out 15 years of service as your Ford dealer in Tecumseh. Briefly, we have reviewed those years in articles which have been appearing weekly in The Herald. As you may have noticed, many of the years of our business life here were depression years—in fact most of them were, until the war started. Truly, we have had our trials and tribulations but there is one thing that we have always kept in mind—SERVICE TO OUR CUSTOMERS, TO OUR FRIENDS.

More than words can express, we truly appreciate your patronage, your loyalty, your understanding of our problems. If you had not understood, if you had not continued to patronize us, we would not be in business today.

We believe that among the things that you appreciated most in our service was the GENUINE FORD PARTS that we used in making repairs to your car; the GENUINE FACTORY METHODS that we used in doing the work; the UNCONDITIONAL GUARANTEE that went with every job that we did or that we will do in the future. We learned many, many years ago that GENUINE FORD PARTS are essential to our repair work; our customers have learned that our factory-trained mechanics know how to use these parts. We've stuck by this "text" through depression and war.

At this time we're doing everything in our power to be of added service to you. As you know, when your car grows older, more service is required. Repair parts have been and are scarce. We've had to train new men to replace mechanics called by Uncle Sam. We've been and are handicapped by crowded service departments and overtime work.

You have understood these conditions, and, understanding, you have been very patient. We greatly appreciate your cooperation.

Your car still has a long way to go. As it gets older it is bound to need more attention. When it does, bring it "HOME" for service. We'll do our best to help you keep it rolling efficiently and economically under present conditions.

With your cooperation we'll both win in the end, we believe, because only through cooperation—be it nations or in the garage business—can a worthwhile future be wrought. When new cars come again you can count on us as in the past for honest, fair dealing. Remember, there's a Ford in your future!

THE TECUMSEH HERALD

NINETY-FIFTH YEAR—NUMBER THIRTY-NINE | TECUMSEH, MICHIGAN, THURSDAY, JUNE 28, 1945 | FIVE CENTS PER COPY

$65,000 Behind On Bond Quota

CO-CHAIRMAN, HOWEVER, FEELS CONFIDENT TECUMSEH WILL GO OVER TOP

With about $65,000 remaining in unsold bonds in Tecumseh's Seventh War Loan quota, John R. Thompson, co-chairman of the War Finance Committee here, expressed confidence today that this community would reach its goal before midnight, June 30.

"I certainly am proud of the showing that Tecumseh has made in the sale of 'E' bonds," Mr. Thompson said. "Our quota in that division was $94,400 and we have sold approximately $140,000, or about 60 per cent more than our quota. I believe that that record is outstanding in the county and Tecumseh small bond buyers are to be complimented."

Mr. Thompson said that in the week just past, 'E' bonds have been selling at the rate of about $3,000 a day. He said that he expected heavy sales until the end of the drive.

To date, in all types of bonds, Tecumseh has purchased $271,500 of the war securities against a quota of $336,900, leaving about $65,000 in unsold bonds, the chairman pointed out. This means that Tecumseh must buy bonds at the rate of about $23,000 a day for the last three days of the campaign.

"I am still confident that Tecumseh will reach its quota," Mr. Thompson said. "Our quota in the Seventh Loan was a little large, but we shall endeavor to hit it."

Lenawee county, with a quota of $3,137,900 is about a half million dollars over the top, according to reports from Adrian. The City of Adrian is more than $200,000 over its quota. Other communities over the top include Addison, Blissfield, Britton, Cement City, Deerfield, Clayton, Fairfield, Hudson, Manitou Beach, Onsted, Palmyra, Ridgeway and Riga.

The Seventh Loan drive officially ends at midnight on Saturday, June 30.

Judo Demonstration Is Staged For Rotary

The art of judo, as taught to American paratroopers and Marines was demonstrated to members of the Rotary Club on Tuesday evening by Dr. Ferris G. Hodge, former paratroop captain and instructor at Fort Benning, Ga. The show was put on in the gymnasium at the high school and Pfc. Hugh DesErmia, home on furlough, assisted Dr. Hodge in the work.

The Rotary program was in charge of W. J. Bruce, and was a most interesting one. Members of the club, following the regular dinner meeting at Brees House, went immediately to the school where the show was staged. Other guests at the meeting included Midshipman Robert Wilson of Annapolis, Apprentice Seaman Karl Schneider and Malcolm Bagshaw, Pfc. Keith DesErmia and Pfc. Charles Irelan. The latter two soldiers were injured in fighting in Europe and Irelan was for several weeks a prisoner of the Nazis.

Immediately following the dinner, Ralph Comfort, president of the club, who is leaving this weekend on a short business trip, turned the gavel over to Earl L. Wickwire, president-elect. This ceremony was not to have taken place until next week and was stepped up because of Mr. Comfort's expected absence next Tuesday. After accepting the gavel, Mr. Wickwire presented Mr. Comfort with a past-president's pin, an honor that is bestowed upon retiring presiding officers.

It is expected that next week's meeting will be given over to the club's reorganization, it being the first meeting in the Rotary year of 1945-46.

GIDEONS SPEAK

Gideon speakers were present at services in the Friends, Baptist, Presbyterian, Methodist and St. Peter's church Sunday, also in the Britton, Ridgeway, Macon and Holloway churches.

Miss Virginia Collins Bride of Nilo C. Manso

At a lovely home wedding held yesterday afternoon in the home of Mr. and Mrs. Ellsworth A. Collins on West Pottawatamie street, their daughter Virginia Ann became the bride of Nilo C. Manso, son of Mr. and Mrs. N. Manso of Detroit. The double ring service was read by the Rev. James E. Bower of Big Rapids, an uncle of the bride. Miss Betty Heidenreich attended the bride as maid of honor and Mrs. Francis Jones of Detroit was bridesmaid. Donald Jones also of Detroit attended the groom as best man. Lorraine Abbott of Toledo was ring bearer and Ruth Bowker and Jeannine Abbott also acted as attendants.

Following the ceremony a reception was held for guests from Big Rapids, Toronto, Canada, Toledo, Detroit, Howell, Lansing, Saline and Macon.

Mr. and Mrs. Manso will leave this weekend for a two week's trip to Florida and on their return will make their home in Detroit where he is employed by the Holly Carburetor Company. Mrs. Manso who graduated from Tecumseh high school in 1944 has been in Detroit the past year attending the Meinzinger Art School.

Miss Eileen Armantrout Weds Pvt. Roy Richard

Miss Eileen Armantrout, daughter of Mr. and Mrs. W. D. Armantrout of Adrian, and Pvt. Roy K. Richard, son of Mr. and Mrs. C. C. Richard of Tecumseh, were married Sunday afternoon at the Christian-Congregational church in Britton. The Rev. O. E. Priest of Clinton read the double ring service.

Preceding the ceremony Mrs. Doris Exelby of Britton, at the organ, played "Liebestraum" and "Ave Marie" while the ushers Leslie Downing and John Houseman, seated the guests. During the ceremony Mrs. Exelby played "Meditation" and also accompanied Mrs. Belva Weichner who sang "O Promise Me" and "I Love You Truly."

Miss Mary Houseman of Britton was maid of honor and Misses Audrey Richard and Rosemary Gibson the bridesmaids. William Richard of Adrian attended his brother as best man and little Lacy Lee Neiswander of Adrian was flower girl.

Immediately following the ceremony a reception was held in the church parlors for 200 guests from Detroit, Cleveland, Dexter, Ypsilanti, Milan, Rome Center, Clinton, Britton Adrian Tecumseh Ft. Wayne Ind., and Lima, O.

Pvt. and Mrs. Richard left later on a short trip and will go to Ft. Riley, Kansas, at the end of the groom's furlough.

The bride is a graduate of Britton high school and has been employed by the government in Ann Arbor and Adrian. Pvt. Richard is a graduate of Macon high school and was a farmer before his induction into service.

MURPHY REUNION ATTENDED BY 100

The 25th annual reunion of the Murphy family was held Sunday at the home of Mr. and Mrs. John E. Murphy, with 100 in attendance. The first reunion 25 years ago was held at the home of the hosts' parents, Dr. and Mrs. John Murphy. Picnic dinner was served at four long tables and members were present from Detroit, Albion, Jackson, Ferndale, Adrian, Clinton and Tecumseh.

During the business session Earl Murphy of Britton was elected president; John E. Murphy, vice president and Donald Murphy of Detroit, secretary and treasurer.

The 1946 reunion will be held at the home of Mr. and Mrs. Earl Murphy on June 30.

AN HONOR GRAD

A/S Malcolm Bagshaw has graduated with honors from pre-medical school at Wesleyan University, Middletown, Conn., and has been assigned to St. Albans Naval Hospital in New York City. He was also recently awarded a varsity track letter by Wesleyan University. He is spending a 20 days leave here with his parents, Mr. and Mrs. Albert Bagshaw.

EVER READY CLASS

The Ever Ready class of the Baptist Sunday school met at the parsonage Tuesday afternoon for their quarterly birthday meeting. The regular class meeting was followed by a potluck supper and a social hour with families of members as guests.

Effective July 12, our garage will be closed every Thursday afternoon during July and August. In case of emergency telephone 84-J. Butler Motor Sales.—adv.

Cut Out Part Of Boulevard

COUNCIL ASKS FOR FIGURE ON COST OF REMOVING HALF-BLOCK SECTIONS

The village council has asked the State Highway Department for costs on removing half-section portions of the boulevard on West and East Chicago boulevard in the blocks between Adrian and Democrat streets and Maumee and Wyandotte streets and the work of removing the center sodded sections in these boulevard blocks may be completed late this summer or fall, it was said today.

Several months ago, the boulevard section in the blocks under consideration were "cut back" one half block as an aid to traffic. The council is now of the opinion that if the sodded center sections in these blocks were removed it would be a further traffic benefit.

The state, some time ago, made a survey here and submitted a plan of $25,100 for removing the entire boulevard, (the center sodded section in both East and West Chicago boulevard), making it a three lane traffic street. The council turned thumbs down on this proposal, believing that if the sodded sections were removed it would make the street little more than a speedway and increase traffic dangers.

Many motorists, however, have complained about the first block approach to the boulevard, both east and west, and several accidents have resulted in both blocks because of the sodded center sections. The council is in agreement with the state that there may be some merit to removing the center sections in the two blocks, but disagrees with the highway department about further work.

It is possible, it was said, that if the half-block sections are removed, the state will bear half or all of the cost.

Mrs. Mae Peter Dies At Home In Ridgeway

Mrs. Mae Peter, wife of John F. Peter, died Thursday evening at her home in Ridgeway township. Mrs. Peter was 58 years of age.

She leaves her husband, four daughters, Mrs. Helen Johnson, Mrs. Laura Hills and Mrs. Clara Ross, all of Birdsall, and Mrs. Elsie Grim of Adrian; two sons, Leo of Adrian and Louis of South Bend, Ind.; one sister, Mrs. Alice Brackney of Adrian and 14 grandchildren.

Funeral services were held Monday afternoon at the Belding Funeral Home. Rev. Edward Escolme officiated and burial was in Brookside cemetery.

YOUTH DISCUSSION

Twenty young people and their leaders, from local Protestant churches, were guests Sunday evening of the Baptist Youth Fellowship. Dick Pearson was chairman of the meeting and the program included a prayer by Jane Hoekstra; responsive reading led by Priscilla Sisson; vocal solo by Jenny Bird, and group singing with Betty Joyce Green at the piano. A discussion on present and post-war problems followed with everyone participating. Refreshments including punch, sandwiches and cookies, were served from a candle lighted table. Outside guests were Mr. and Mrs. Clarence Rodd and family of Temperance.

Races and Rodeo To Aid War Vets

DISABLED AMERICAN VETERANS PLAN TO BUILD HOME WITH PROCEEDS OF SHOW

The largest western horse show ever staged in Michigan, with races and a rodeo, plus a carnival of fun for everybody, will be staged at the Lenawee County Fair Grounds, Adrian, on July 4 and 5 by the Disabled American Veterans, Lenawee Chapter No. 20. The entire proceeds of the two-day entertainment will go into the building of a recreation home for disabled veterans of Lenawee county.

"We started out to stage what at first seemed an ordinary rodeo and we have wound up with what promises to be the biggest event of its kind ever attempted in Michigan," Ted Case, director of the program, declared. "We will have more than 1,000 riding horses at the show, there will be dozens of concessions, a complete carnival of fun, and, conservatively, we expect about 15,000 people at the two-day program."

Everything in connection with the entertainment is being donated, Mr. Case said, so that the disabled vets have no cash outlay. All income will be profit and this money, plus later contributions, will go into the building of a home for the injured returning veterans of Lenawee county.

"We plan to build the home in one of the Adrian city parks. It will be an exact duplication of George Washington's home at Mt. Vernon. Nothing like it has ever before been attempted. It is a challenge to all other counties in the state and in the nation."

Case said that there will be many persons of national prominance at the program, including army officers.

In the grand parade will be 1,000 riding horses. There will be western horse races, wild west horse games, bronco riding, calf roping and riding. Dozens of concessions, operated by local people and organizations, will be on the grounds, as well as a complete carnival amusement company.

"On the two days of next week," Case said, "we expect to attract as many folks as the county fair, with an entertainment nearly as large."

Alonzo A. Sisson, 77, Dies of Heart Attack

Alonzo A. Sisson, aged 77 years, a life long resident of Tecumseh and vicinity, died Sunday morning at his home on West Kilbuck street following a heart attack. He had been failing for the past two years. Mr. Sisson, who was the son of Phillip and Janet Suffin Sisson was born in Clinton township, July 24, 1867. Most of his life he was engaged in farming, retiring 11 years ago when he moved into the village.

Survivors are the widow, formerly Gertrude Hand, three sons, Lamar D. Sisson of Detroit, Truman H. Sisson of Ridgeway and Kenneth R. Sisson of Dexter, four grandchildren and one great grandchild, two nephews, Alfred Sisson of Stony Lake and Wm. Riggs of Adrian; two nieces, Mrs. Donna Frear of Dundee and Mrs. Jeannette Robison of Tecumseh. Two brothers, Frank and Ervan and two sisters, Minnie and Augusta, preceded him in death.

Funeral services were held Tuesday afternoon at the Collins Funeral Home. Rev. Edward Escolme officiated and burial was in Ridgeway cemetery. Bearers were William Smith, John H. Smith, William Spreeman, Floyd Totten, James Preston and M. W. Mathews.

New Ruling On Subscriptions

NAVY, MARINE AND COAST GUARD PERSONNEL AFFECTED BY P. O. ORDER

Effective July 1, all subscriptions or renewals of subscriptions to The Tecumseh Herald for personnel of the United States Navy, the Marine Corps or the Coast Guard on duty overseas must be accompanied by a written request from the service man, according to an announcement from the Navy and Post Office Departments.

Through an arrangement with the American Legion and Auxiliary, in cooperation with The Herald, this newspaper is now being sent to more than 500 men and women in service, including some 125 in the Navy, Marine Corps and Coast Guard. The latter group will be affected by the new order.

All subscriptions to men in service which expire in July or in the months following MUST be stopvice in the three groups named ped on the date of expiration. They cannot be renewed by the Legion group (later than July 1) because of the government order. The only way that these subscriptions may be accepted in the future is for the service man to request that the newspaper be sent to him. Such requests MUST NOT be solicited.

The Herald regrets very much that it will be necessary to stop sending the newspaper to these groups but it has no other option. Scores of letters have been received by The Herald from these men in service saying thank you for the paper and expressing genuine satisfaction in being able to read about "the old home town."

The new regulations are being put into effect to conserve shipping space and to prevent nonessential mailings overseas, the postoffice department explains. Relatives or friends may pay for the subscriptions after the order becomes effective, provided the addressee have forwarded a written request to them or to the newspaper.

Men in other branches of the service or men in groups named still in the United States are not affected by the order.

ENDS OWN LIFE

Thomas Kerr, aged 64, who lives four miles east of Clinton, hanged himself Monday night at his home. Mr. Kerr was said to have been despondent over ill health. The state police and coroner decided no inquest was necessary.

Swimming Meet Tops With Kids

GIRLS' GROUP TO BE ORGANIZED FRIDAY AFTERNOON; ADULTS LIKE SOFTBALL

Swimming meets for youngsters, organized by Coach Fred Raizk of the high school who has been retained by officials of Recreation Center to direct playtime activities there throughout the summer are "tops" with the kids, Coach Raizk declared, so much so, he says, that he is organizing a girls' group this week at the request of many parents.

The organization meeting for the girls group will be held tomorrow afternoon (Friday) at 3 p.m., at the gravel pit just off Adrian street. Girls of all ages and their parents, if they so desire, may meet Mr. Raizk and discuss a summer program. There is only one restriction, the youngsters must be registered as regular attendants at the Recreation Center playground. Special group prices are then made possible for swimming.

"Our boys' swimming team is very popular," Mr. Raizk said. "We have about 25 youngsters enrolled and they go to the pit twice each week, Tuesdays and Thursdays from 2 to 4 o'clock. In the evening of those days are organize some kind of playground activity for them."

Swimming at the pit is supervised by the coach under the "buddy system." Every 10 or 15 minutes the whistle blows and each boy must account for his buddy. When all have been checked, swimming is resumed. A similar program will be worked out for the girls.

Second in popularity on the summer schedule is the baseball tournament for the youngsters between the West End Tigers and the East End Giants. Last Thursday night the Tigers won by a close margin. Starring for the Giants was Melvin Murphy who bangled out three home runs to keep his team in the foreground. Running a close second was Ronny Henkie who pitched and batted his West End Tigers to a victory with a double, a single and a home run.

The next game will be played at 6:30 tonight. The Tigers are ahead in the league with two wins and one defeat. There is considerable rivalry between these teams and the series is an interesting one. Peculiarly, it is attracting as many adult rooters as youngsters.

In the adults softball league the schedule started off last week with the Quaker Oats team defeating the Methodists, 16 to 7 and the Bruce Foundry team defeating the Presbyterians, 6 to 0. This schedule is just starting. Friday night, at the park, the Presbyterians play the Friends, July 2, the Friends-Baptists vs the Bruce Foundry, July 5, St. Peter's vs Quaker Oats and July 6, the Bruce Foundry vs the Methodists.

The Tecumseh Products team played the Art Furniture team from Adrian last Thursday evening here and won by a score of 7 to 3. Osenko hit a homer and tied the score in the seventh inning and the Refrigeration Boys then began a four run spree.

The ladder tennis tournament for men, singles or doubles, is just getting under way. Persons interested should contact the coach.

Raizk also reported that the picnic tables and stoves at the park were very busy over the weekend, many families taking advantage of the park's facilities, which are free to the public.

William Alvin Howe Buried In Brookside

William Alvin Howe, aged 83 years, died Sunday afternoon at his home on South Ottawa street where he had lived for 30 years. He had been in failing health since suffering a severe heart attack in February. Mr. Howe was the son of Alvin and Jane Herold Howe and was born in Dundee, May 16, 1862. He was employed by the New York Central Railway for many years and since his retirement has been employed by the village of Tecumseh.

Survivors are the widow, Nellie, one son Harry A. Howe of Lincoln Park, four grandchildren, among them Mrs. Esther Hooton of Tecumseh who made her home with her grandparents until her marriage, two great grandchildren, Douglas and Larry Hooton of Tecumseh, and seveal nephews and nieces and cousins in the vicinity of Dundee.

Funeral services were held Tuesday afternoon at the Collins Funeral Home. Rev. J. C. Murdoch officiated and burial was in Brookside cemetery. Bearers were Frank Hoekstra, Lavern Mansfield, Duane Service, Frank Chase, Arthur Harding and Percy French.

Dr. Brown's office will be closed from June 24 to July 22 inclusive. adv. June 28

YOUR FREEDOM OR YOUR SHIRT!

Pressure from the folks back home has resulted in a new meat program. War Mobilization and Reconversion Director Vinson, in consultation with the OPA, WFA, OES, the Army and the Defense Supplies Corporation, has made recommendations which revolve around increased subsidies, while price ceilings remain untouched.

How long this method of taxing people to pay for their food, can hold the lid on prices which the consumer should rightfully pay to meet the cost of production, remains to be seen. The Senate Agricultural Committee, in its report on the meat situation and the government agencies handling the same, finds that the past policy of the agencies which discouraged the feeding of cattle, has contributed to meat shortages, and states:

"The way to stimulate the feeder to place cattle on feed.....until they are finished is to give him a price sufficient.....to do the job and to earn a reasonable profit."

This nation must soon decide how far it will go with a government "planned economy." You can't long mix it and a free economy—one or the other must eventually give away.

Under a planned economy, we will eventually lose our freedom of action; under free competition we might lose our shirt temporarily, but still have a chance to recover it. Higher subsidies are just another form of inflation via the tax route.

Pay Bills by Check the Business-like Way

• • •

Why don't you make it a practice of depositing the money that you earn in a checking account and pay your bills by check—the business-like way?

Paying bills by check gives you an accurate record of your expenses. You know exactly when and where you spent your funds and, what is more, your cancelled checks are receipts of payment.

Paying by check, too, enables you to pay bills by mail, a time-saving convenience in these busy war days.

This is the **RIGHT WAY TO PAINT**

YOUR HOUSE

FIRST give it a Prime Coat of
BPS FOUNDATION COAT
It primes and seals the surface at the same time . . . giving unusually strong adhesion. The remarkable hiding qualities and the smooth, uniform finish make this the perfect first-coater . . . which is so necessary in two-coat painting.

SECOND give it a Finish Coat of
BPS HOUSE PAINT
This sparkling gloss finish resists all kinds of weather conditions . . . and keeps its clean, fresh, attractive appearance for many years. You will be more proud of your house when it's painted with BPS HOUSE PAINT.

Yes I like to use **BPS TWO-COAT PAINTING** *I know this sparkling Gloss Finish protects and stays clean much longer*

HAYDEN PORK MAKER
Hayden Flour Mills Tecumseh, Mich. June 28, 1945

Don't Be Wishy Washy
Take A Definite Stand!

It does a person good to come out straight from the shoulder and say "I will!" or "I will not!"

If you're a pork maker, it will not only do you good, but your hogs also will profit, and eventually your bank account will be blessed, if you come out and flatfootedly say the following and then carry it out!

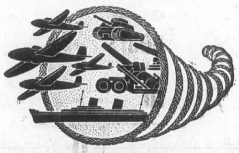
"I will NOT feed my hogs straight grain!"
"I will NOT depend upon pasture alone!"
"I will see that my hogs have plenty of clean fresh water and feed always!"
"I WILL give HAYDEN'S HOG BALANCER a good fair trial!"

HAYDEN'S HOG BALANCER IS NO LONGER AN EXPERIMENT. It has proven its merit on too many hog lots to be overlooked. Start on this profit maker today.

HASTEN TO HAYDENS!

How big is the job of beating the Jap?

No one knows. No one can say with certainty how big the job of licking him is—*but this is how big the Jap is, this may give you an idea:*



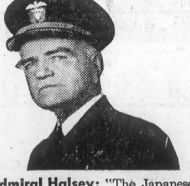
The Jap has a giant empire—Somehow we have always looked upon Japan as a small nation, a "little Island." But—the Japanese empire is vast, huge, the second largest in the world. It is nearly 5,000 miles long. It is over 3,000 miles wide. 400,000,000 people now live under Japanese rule—three times as many people as there are in the United States.

x 4,000,000
+ 2,000,000

The Jap has a huge army—Japan can put in the field from 4,000,000 to 5,000,000 war-hardened fighters. 2,000,000 more can be quickly called. How many is six million soldiers? *Three times as many as there were* Germans fighting *the allied armies* in western Germany.

The Jap has ample resources—In their home islands and the vast territories the Japs have taken are all the things that Japan needs to conduct a long and vicious war. The figures on Japan's resources are startling—in many cases, greater than ours.

The Jap has great production—Japan's home islands are industrialized to an eye-widening degree. So are vast areas Japan has held for the past twenty years. The Japs are making new and improved planes. They are building ships, guns, tanks and munitions in huge numbers. Japanese workers work 16 hours a day, 7 days a week. The fiber of the Jap is tough stuff. How big is the job of beating him? No one can say. But *this is how big the Jap is—this may give you an idea.*



Says Admiral Halsey: "The Japanese are hard fighters. It will take all the force America can muster to beat them. The task may be long, how long no one can say. But we can say this: It can be shortened only if every American worker sticks to his job of backing American fighters. *It will take the best every one of us can do to beat Japan.*"

This explanation of the war ahead is published in cooperation with the Armed Forces by

Add Thousands of Miles

It is a proven fact that recapping tires adds thousands of care-free miles of service at a minimum of expense.

Before you wear your tires to a point where recapping is impossible, bring your tires to us for an inspection. We will tell you honestly whether or not your tires are worth recapping and, if they are, we will have the work done for you, promptly.

Our service station is right downtown. Drive in the next time you go by.

BRITTON

Mr. and Mrs. C. D. Zeluff have gone to Lawrence, Michigan, to spend the summer.

The annual reunion of the Hoag land family will be held Sunday, July 1 at the Britton Park.

E. L. Palmer has been ill for several days.

S/Sgt. Raymond Auten and wife of Camp Blanding, Fla., were recent guests of his parents, Mr. and Mrs. Carl Auten. While here his parents held open house in their honor and entertained 100 guests from Jackson, Ypsilanti, Saline, Clinton, Tecumseh and Britton.

The Methodist W. S. C. S. met yesterday for a potluck dinner at the home of Mrs. Laura Croll. In the afternoon a quilt was made for display at the county fair.

Pvt. John Keran has been spending several days furlough here with relatives.

The silver tea given Thursday by the Dorcas class at the home of Mrs. Flora Exelby was attended by 32 members and guests. Miss Consuelo Rodriguez of East Lansing and Miss Ruth Harding spoke on Puerto Rico. Mrs. Eva Covell and committee served the tea.

JOHN HONOR GROUP

Joan Church, Richard Cadmus and Elwood Bush were among the group of 4-H club members who became members of the Lenawee 4-H Service Club Saturday evening. The Service Club is an honor organization for 4-H club members who have achieved honors as required.

Does Your Car "Burn" Oil?

Maybe your car needs to be thoroughly overhauled and new rings installed. The use of too much oil would indicate that. Bring it to us for such service.

Cull Out The Weaklings!

ELIMINATE THE RUNTY-UNDERSIZED BIRDS RIGHT NOW!

Life is too short to waste time or feed on birds that show no promise of ever amounting to anything. Here is one place where you can set sentiment aside, and put common sense in its place!

Be honest—you've got some birds in your flock that are dead heading their way to market. Every one of them is costing you money every day. If you eliminate them right now you can do these 3 things:

1—You'll save precious feed!
2—You'll lessen the chance for disease in your flock!
3—You'll improve the general appearance of your flock!

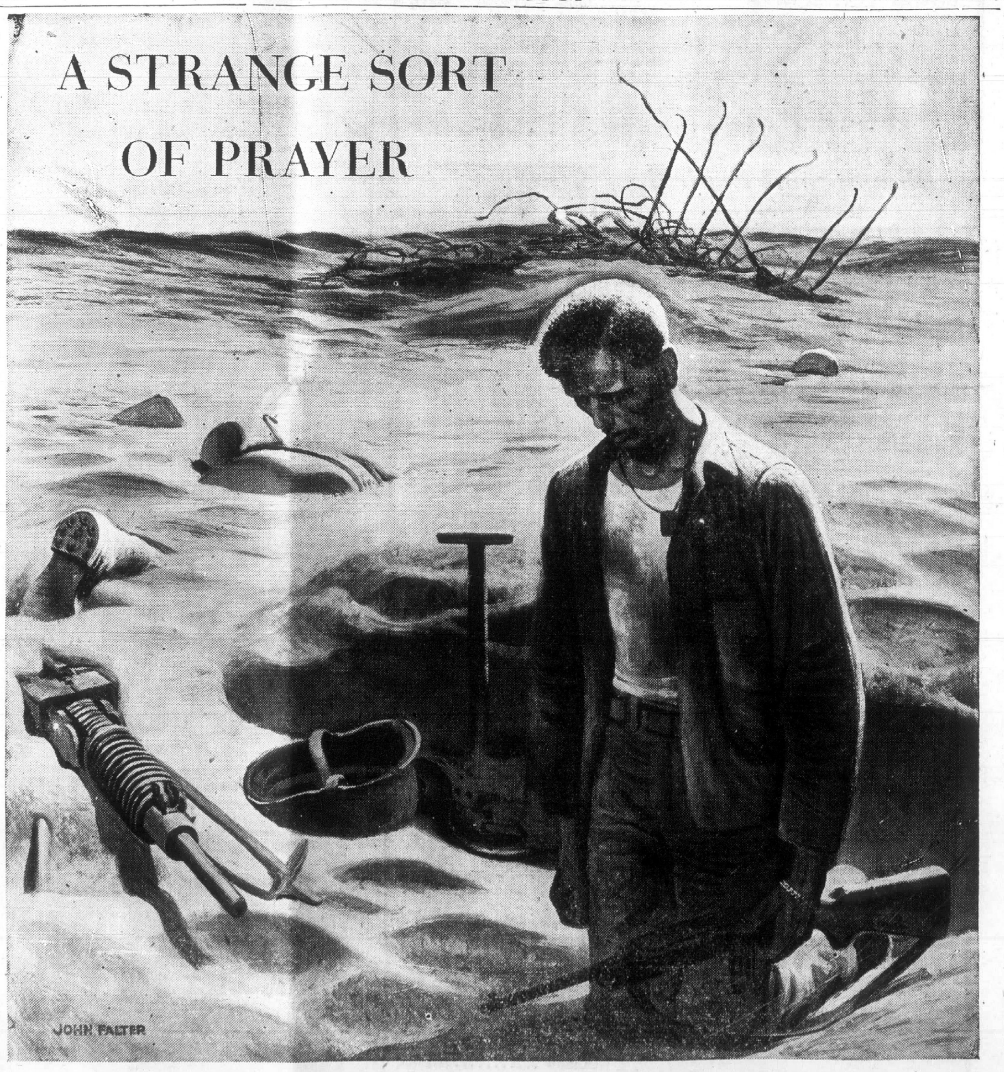
Along with this culling, do this for maximum results:

At the age of 3 weeks, mix a pound of Chek-R-Ton with 100 pounds of Hayden's Starter and Grower and feed for one week. At 6 weeks of age mix in 2 pounds of Chek-R-Ton to 100 lbs. of feed and feed for one week. This product will give your chicks a flushing out that is highly beneficial. It will clean out the slime from the intestinal tract. This will result in a keener appetite, increased feed consumption and faster growth.

In The Pretty Printed Bags

HASTEN TO HAYDENS!

A STRANGE SORT OF PRAYER



WELL, GOD, here we are.

You up there. Me down here, with a burning sun, a mess of insects, too much ocean, and other buddies just as lonely as me.

Oh, God, how nice it must be back home, with Germany licked, and the folks humming, and some of the boys all finished with the fighting.

But I guess that wasn't meant for me, was it? And tomorrow and tomorrow I'll still be dodging bullets, still feeling lost in the middle of the night.

Well, no hard feelings.

I'll go wherever You say, and do whatever You want me to. For You know what's best for me.

But say, if You can only get the people back home to remember me, maybe they'll still bear down. Maybe they'll still send us their blood, still stay on the job, still keep making the stuff we need.

You see, God, I'd like to get home, too.

NO WONDER A WOMAN'S WORK IS NEVER DONE!

Sweep and dust! Mop and scrub! It's certainly discouraging to try to keep a home clean, with soot and dirt continually settling on walls, draperies, furniture and rugs.

Yet there IS a way to keep your home clean . . . and without all that drudgery! Have a PREMIER Winter Air Conditioner added to your warm air furnace, and your heating plant will do most of your cleaning for you!

This PREMIER Unit filters the air in your home, removing countless particles of dust, soot and ash. By means of a powerful, quiet blower, the air is drawn from the rooms through the cold air pipes, passed through the large, efficient filters, then warmed and returned to the rooms, at the rate of 4 to 7 complete air changes per hour! You virtually never have to dust, and the fuel saving soon equal your entire investment. Inquire today about this new, moderately priced PREMIER Add-on Conditioner.

THE TECUMSEH HERALD

NINETY-FIFTH YEAR—NUMBER FOURTY | TECUMSEH, MICHIGAN, THURSDAY, JULY 5, 1945 | FIVE CENTS PER COPY

Bond Quota is Over the Top

TECUMSEH AGAIN OVERSUBSCRIBES ITS SHARE IN THE SEVENTH WAR LOAN

Tecumseh has done it again!

This time it has exceeded its Seventh War Loan Quota of $326,900—the seventh time it has oversubscribed a war loan quota since the war started.

Sales of war bonds locally since the drive began, John R. Thompson, co-chairman of the War Finance Committee here, said today, amount to $344,169.25, or about $7,000 more than the quota. While the drive ended technically on Saturday night, it is understood that all sales that clear the Federal Reserve Bank by next Saturday will be credited to the drive.

"Tecumseh is to be congratulated for exceeding its quota in the drive," Mr. Thompson said, especially the purchasers of small bonds are to be praised. Here we had a quota in 'E' bonds of $94,400 and our sales of those bonds amounted to $151,270 or nearly $60,000 more than the quota. These small bond buyers are to be given considerable credit for the record that Tecumseh has made. The government expressed the wish that the Seventh Loan be a loan for small bond purchasers and here it truly was just that."

Lenawee county, like Tecumseh, has far exceeded its quota in the Seventh as did most of the communities in the county.

Arthur A. Palmer of Adrian, general chairman of the county drive, declared that Lenawee is the first county in Michigan with a quota of more than $1,000,000 in 'E' bonds to reach its goal.

"We are safely over the top in the Seventh Loan," Mr. Thompson said, "but we undoubtedly will add several more thousands to our total before the end of the week."

Mr. Thompson pointed out that never since the war started has Tecumseh failed to make its quota in any war loan and neither has it failed to contribute its share to any other war-worthy enterprise.

MISS DELORES MARSHALL WEDS PFC. R. C. JOHNSON

Miss Delores M. Marshall, daughter of Mr. and Mrs. Arthur Marshall and Pfc. Richard C. Johnson, son of Dr. and Mrs. Walter Johnson, all of Detroit, were united in marriage at a ceremony performed by Rev. Wm. Nies at the Mt. Zion Evangelical Lutheran church in Detroit on Saturday evening, June 23. One hundred and fifty relatives and friends attended the ceremony.

Mrs. L. Rivard was her sister's maid of honor and Jack Galdoni of Grosse Pointe, a cousin of the groom, was best man.

Pfc. Johnson and Jack Galdoi are grandsons of Mrs. Charles Howe of north of Tecumseh. Mrs. Howe was in Detroit for two weeks and attended the wedding.

RICHARDSON—HARPER

Mr. and Mrs. Elmer Harper are announcing the marriage of their twin daughters Louise Jean to Harold Richardson, son of Mr. and Mrs. Hugh Richardson of Winchester, Ky., which took place June 27 in Muncie, Ind. They were attended by the groom's sister Katherine Richardson and his sister-in-law, Mrs. Earl Richardson. Mr. Richardson is employed at Tecumseh Products Co. and Mrs. Richardson was formerly employed at the Handle Factory in Palmyra. They will make their home in Tecumseh.

IVAN MAYNARD WEDS

St. Sgt. Ivan Maynard, on of Mr. and Mrs. Leon Maynard of Tecumseh, and Miss Patricia Curry of Champagne, Ill., were married Sunday, July 1 at the Congregational church in that city. St. Sgt. Maynard who returned recently from oversea service is now stationed at Champagne, where they will make their home for the present.

FAREWELL PARTY

Mr. and Mrs. Carl Burch who are moving from Newburg to their newly purchased home on West Shawnee street, were given a farewell party Thursday evening by a group of 25 friends and neighbors. Potluck supper was served and the evening was spent socially. Mr. and Mrs. Burch were presented with a gift.

AUXILIARY MEETING

Jas. O'Neil Reported Killed In The Pacific

Relatives here have been advised that James O'Neil, RM 2/c, aboard a destroyer somewhere in the South Pacific, and who about four weeks ago was reported as "missing in action," is dead.

News of the passing of the youthful radioman was communicated members of his family in Chicago by the captain of the boat on which he served. Death was "sudden and painless," the captain's note declared.

O'Neil, aged 20 years, a graduate of Tecumseh high school, class of 1942, resided here during his high school days with his brother Charles O'Neil, and family.

Annual School Meet, Monday

TWO TRUSTEES WILL BE ELECTED AND BUDGET FOR THE DISTRICT APPROVED

The annual meeting of the Tecumseh school district will be held on Monday evening, July 9, at 8 o'clock in the high school auditorium, at which time two members of the board will be elected, the budget for the year 1945-46 will be approved and reports of officers and the superintendent will be submitted.

The members of the board of education whose terms of office expire with the coming election are Ferry C. Satterthwaite and John Larsen. It is understood that Mr. Larsen will not be a candidate for re-election inasmuch as he has removed from Tecumseh to Jackson, where he has accepted a position. Mr. Satterthwaite, it is said, will be a candidate to succeed himself to office. Other members of the board are Jens Touborg, president, Earl Lindsley, treasurer, and Dr. Arthur Brown. Their terms do not expire this year. Mr. Larsen was secretary to the board.

Other matters to come before the voters at the annual meeting include the report of the finance committee on the recommended budget for the year 1945-46, the report of the treasurer, the superintendent, the librarian and the secretary.

FRED BRIEGEL DIES, WAS FORMER RESIDENT

Word has been received here of the death of Fred G. Briegel, aged 80 years, a former resident of Tecumseh and Manchester, which occurred June 26 at Grace hospital in Detroit.

Mr. Briegel was born in Manchester and spent a large part of his life there. The family lived in Tecumseh for several years. He was the oldest member, in years of membership of Manchester Chapter of the Masonic lodge.

He leaves one son, Dr. Walter A. Briegel of Detroit. Mrs. Briegel, formerly Fredricka Rommell of Manchester died last October.

The funeral and burial were held Thursday in Manchester with Masonic services at the grave.

ON TROOP TRANSPORT

WASHINGTON, D. C., July 5—Aboard a coast guard-manned troop transport bound for an overseas port, four Michigan soldiers got together recently to talk over their new job. Members of a troop carrier force which will ferry returning combat men back to the States by air, the group included Cpl. Edward F. Clough, of 715 Michigan Ave., Adrian, Mich., Sgt. Willard H. Woods of Tecumseh, Mich., First Sgt. Rodney J. Rogers, of 2003 Pennercft Court, Ann Arbor, Mich., and S. Sgt. Donald J. Dalton of 141 W. Mason St., Jackson, Mich.

Sgt. Woods is the son of Mr. and Mrs. Oren Woods.

BROWN-SCHREDER REUNION

Mr. and Mrs. Oren Woods were hosts to the annual reunion of the Brown-Schreder families at their home north of town. Potluck dinner was followed by a business session in charge of Mrs. Emaline Brown. During the social hour a miscellaneous shower was held for Corp. and Mrs. Donald Woods. Corp. Woods is still in Germany. Next year's reunion will be held at the home of Mr. and Mrs. William Taylor of Adrian.

NOTICE

The annual school meeting of electors of Tecumseh School District No. 5 will be held Monday evening, July 9, at the home of Mr. and Mrs. George McKendry for the purpose of electing a president and the transaction of any other business that may legally come before the group.

Youths Enjoy Baseball Meet

WINNERS IN CONTESTS AT RECREATION CENTER ANNOUNCED BY COACH

A baseball contest for boys was held at Recreation Center last week by Coach Fred Raizk, director, with a result that some excellent material for summer schedule teams was discovered and some arguments among the youngsters, all 12 and 13 years of age, were definitely settled.

In the base running contest in the 12-year group, Tom Rohweder was high with a 13-second record, Larry Drewyor was second and Barry Freckleton was third. In the 13-year group, Ronny Henkel was high with a record of 14 seconds, Melvin Murphy second, Jack Cameron, third, and Duane Murphy, fourth.

In the throw for distance, (one try), in the 12-year group Robert Murdoch was first with 175 feet, Barry Freckleton second and Larry Drewyor, third. In the 13-year group, Melvin Murphy was high with a distance of 297 feet, Jack Gillin was second and Ronny Henkel, third.

In the throw for accuracy, (one try), in the 12-year group John Cameron was first, Jack Gillin second and Melvin Murphy, third. In the 12-year class, Robert Murdoch was first, Barry Freckleton, second, and Gordon Reyser, third.

In the hitting contest, 13-year group, (two tries), John Cameron was first with 150 feet, Duane Murphy second and Robert Rentschler was third. In the 12-year class, Robert Murdoch was first, Gordon Reyser, second, and Barry Freckleton, third.

On a point total in the contest for prizes, in the 13-year class John Cameron was first and Melvin Murphy, second. In the 12-year group, Robert Murdoch was first and Barry Freckleton, second.

In connection with the summer recreation program, Coach Raizk announced that 18 girls attended the first swimming meet at the pit last week. In the future, classes will meet every Wednesday and Friday from 10 to 12. This class is organized primarily for the purpose of teaching the youngsters how to swim, plus the supervision of others who know how to swim. Girls not now enrolled may do so at the next meeting.

The boys' swimming class will continue to meet on Mondays and Wednesdays, the coach said.

Coach Raizk announced the softball league schedule as follows:

July 9, Presbyterians vs Foundry; July 11, Presbyterians vs Quaker Oats; July 13, Quaker Oats vs Friends-Baptists. These games are played in the evening at Recreation Center.

The league standing is:

Team	W	L
Foundry	2	0
Quaker Oats	1	1
Presbyterians	1	1
St. Peter's	0	1
Methodists	0	2

For those who like to play volley ball, the standards are now up at the park and anyone desiring a game may have the needed equipment by asking Coach Raizk for it, at the Center.

W. S. C. S. TO MEET

The W. S. C. S. of the Methodist church will meet Wednesday afternoon, July 11 at 2:30 in the home of Mrs. Wilfred Waldron. Mrs. Truman Rentschler will have charge of the worship service and Mrs. Jennie Temple will give a book review. Roll call will be answered with "What is new in our understanding of other countries."

Potluck supper will be served at 5:30 following the meeting. The men of the church are invited to the supper.

TO RETURN TO U.S.A.

Sgt. Richard Graf who was sent overseas in April and has been with the Eighth Air Force in England, is being returned to the states for re-assignment. He expects to spend his furlough here with his parents, Mr. and Mrs. Vern Graf.

AT ROLLIN MEET

Several members of the Baptist Youth Fellowship attended the B.Y.F. service in Rollin Sunday evening. The Lenawee B.Y.F. gospel team, of which Don Everhart is a member, presented the program. The Rollin group and the gospel team are to meet here in the near future.

REQUEST FOR BIDS

Bids will be received until July 10, 1945 for the razing and tearing down for salvage of the old hotel building located on Lot 12, Block 12, Assessor's Plat of Henry L. Hewitt Addition to the Village of Tecumseh, Michigan by the Fire Marshall's Division of the Michigan State Police, East Lansing.—adv.

Tecumseh Police Car Stolen And Recovered

There are persons who dare to steal from children and there are persons who steal from grown-ups, too, but what Tecumseh and Michigan State Police are searching for are the persons who dared to steal from the local village police—in fact from right in under their noses.

It seems that Officer Roy Prichard parked the Tecumseh police car at the intersection of Chicago Boulevard and Evans about midnight, Sunday, and just as he stepped out he saw two suspicious persons near the Methodist church. He left the car hurriedly, forgot to remove the ignition key, and followed the suspicious strangers.

When he returned to the corner, in a matter of minutes, the police car was gone.

Early Monday morning, Luther Kemp, on his way to Detroit, saw the car near Ypsilanti, abandoned beside the highway. State police were notified and the car was returned. About a gallon and a half of gasoline was gone.

There are some red faces in Tecumseh today—red faces wearing blue uniforms.

Child Drowns in Water Tank

2-YEAR-OLD SON OF LAWRENCE NETCHERS LOSES LIFE; CLINTON CHILD SAVED

Ronald Eugene Netcher, two year old son of Mr. and Mrs. Lawrence Netcher of near Holloway, was drowned Thursday afternoon when he fell into a 300-gallon water tank, used as a cistern on the farm. The child had apparently placed a chair and climbed to the top of the tank, where he had pushed aside the cover boards and fell in, striking his head and rendering him unconscious. The water in the tank was shallow enough to have permitted him to stand with his head above water.

Sheriffs officers and the Adrian fire department were called and artificial respiration was given by Deputy Sheriff Willett and Miss Zura Kerr, a nurse who lives nearby. The resuscitator was also used by the fire department.

The parents and a nine-months old sister survive.

The funeral was held Saturday in Metamora, O., where the family lived formerly, and burial was in Swanton, O.

Saved From Drowning

Frank Lapp, 11, of Clinton, was saved from drowning in the River Raisin last Wednesday, by John Way, 16. Frank, who with several boys was playing in the river near the Atlas Mill, was unable to swim and went under twice before he was rescued by John, who saw him from the bank. He dragged Frank to shore.

CALLED FOR INDUCTION

Malcolm Duncan and Earl Weldon of Tecumseh, Fred Brady of Clinton, Lloyd Burse and Donald Steuwe of Onsted and Albert L. Gilhouse of Tipton, who were among the group of 32 men from Lenawee in Detroit June 15 for induction have been assigned to army service. The next group will report in Detroit July 11.

A group of pre-induction are in Detroit today and is made up in part of men previously rejected who are now recalled for another examination.

W. L. VAN ALSTINE DIES

Word has been received here of the death of William L. Van Alstine, aged 73 years, which occurred Thursday, June 28, at his home in Woodville, O.

He leaves the widow, formerly Mary Newton of Tecumseh, also three daughters by a former marriage and one sister.

Funeral services were held Monday in Woodville and the body was brought to Adrian for burial in Oakwood cemetery.

CHILD STORY HOUR

A series of Children's Story Hours will be held at Tecumseh Library beginning Friday, July 6 at 10 a. m., and continuing each Friday morning during July. The story hour is for children under 10 years of age only, and no others will be admitted. Miss Ruth Harding is story teller.

COUNCIL MEET DELAYED

Because there was not a quorum present at the regularly scheduled meeting of the village council, Monday evening, Mayor J. Floyd Elliott adjourned the session until next week, Tuesday evening. Four members of the council were out of the village, last Monday evening.

Effective July 12, our garage will be closed every Thursday afternoon during July and August. In case of emergency telephone 84-J. Butler Motor Sales.—adv.

Refuse Pickup Paying Its Way

COLLECTION OF GARBAGE AND ASHES BY VILLAGE IS "ABOUT IN THE BLACK"

The program inaugurated here a few months ago by the village for regular weekly and semi-weekly garbage and ash collections, inside the corporation is paying its own way and at the present time is "nearly in the black," Wade L. Jones, village clerk, said this week.

"We keep getting one, two or three new customers each week and I predict that within another month or two the program will be self-sustaining, insofar as finance is concerned," Mr. Jones said.

At the present time, the clerk announced, the entire cost of the program is paid for except about $200. This means, he said, that as soon as the village signs up 16 or 17 more customers for the service it will be "all in the black."

The village operates the service as a branch of the street department program and recently purchased an approved type truck for the work. For the service a charge of $1 per customer per month is made, payable in advance.

"The public seems to be happy about the service and we are receiving very few complaints," Jones said. "Most all customers like the regularity of the pick-ups and are well satisfied with the price that is being charged."

The village hesitated for two years to enter the refuse collection program, believing that the cost insofar as taxpayers were concerned would be prohibited. However, it is working out so that the cost to taxpayers, except for the monthly payment, will be nothing.

Mrs. Sophia Jane Lee Dies At Clinton Home

Mrs. Sophia Jane Lee, aged 73 years, died Monday at her home in Clinton after a long illness. Mrs. Lee was born in Macon township January 16, 1872 and was a daughter of the late Stewart Ballou and wife. She had lived in Clinton 24 years and was a member of the Royal Neighbors.

She leaves two daughters, Mrs. Bessie Dixon of Clinton and Mrs. Dora Sprow of Detroit, a son Roy Lee of Mrs. Mt. Pleasant. 54 attended from Detroit, Jackson, Clark Lake, Vandercook Lake, Onsted, Tipton, Clinton, Tecumseh and Miami, Fla. Potluck dinner was followed by a business meeting and social afternoon. Next year's reunion will be held the fourth Sunday in June at the home of Mr. and Mrs. Kenton Hunt on East Logan street.

HUNT FAMILY HOLDS ITS 42ND REUNION

The 42nd annual reunion of the Hunt family was held at the home of Mr. and Mrs. Bill Furgason. 54 attended from Detroit, Jackson, Clark Lake, Vandercook Lake, Onsted, Tipton, Clinton, Tecumseh and Miami, Fla. Potluck dinner was followed by a business meeting and social afternoon. Next year's reunion will be held the fourth Sunday in June at the home of Mr. and Mrs. Kenton Hunt on East Logan street.

New VFW Post Is Mustered In

TWO HUNDRED PERSONS ATTEND FORMAL CEREMONIES AT THE HIGH SCHOOL

The newly organized Hall-Slater Post No. 4187, Veterans of Foreign Wars of the U.S. was formally instituted last week Wednesday evening in the high school gymnasium before a crowd of some two hundred Tecumseh residents.

The impressive V.F.W. initiatory ritual was performed by the Wolverine Post No. 171 ritual team from Detroit. Official mustering officer was George H. Gee, deputy chief of staff for the state organization, who was also recently installed as commander of the 5th district of Michigan, which includes Tecumseh. He was assisted in the installation of officers by Charles S. Ritter, Jr., commander of the Chelsea Post No. 4076 and junior vice commander of the 5th district. The new Tecumseh unit brings to 40 the number of V.F.W. posts in the 5th district which covers nine counties in southeastern Michigan, with a membership of well over 7,000.

Officers installed to serve until April, 1946, included Loren K. Will, commander; Robert L. Purkey, senior vice commander; Ben E. Hammack, junior vice commander; William A. Muckensturm, quartermaster; Walter M. Mueller, adjutant; Leon R. Mix, chaplain; John D. Hay, historian; Wendell C. Louden, officer of the day; Harold H. Ousterhout, guard; Forrest J. Louden, George W. Wittrup and Arthur S. Weeks, trustees.

Following the formal ceremonies, brief addresses of welcome were delivered by Mayor J. Floyd Elliott, Clerk Wade L. Jones and Councilman Yale Kerby.

Present as guests of honor were Mrs. Hazel Beland, sister of Oscar Hall, and Mr. and Mrs. Percy Slater, parents of Jack Slater. These were the two men for whom the new post is named. Hall was a Spanish-American War veteran, a member of the famous "Gardner's Red-necks" regiment of Michigan Volunteers. Slater was killed in action in Italy in July, 1944. Both men were born and raised in Tecumseh, and were well-known in their home town.

Presentation of corsages to Mrs. Beland and Mrs. Slater were made by two little girls, Donna and Mary Lou Burleson.

Other official guests included Ernest Myers from the Annis-Fitt post at Adrian, deputy inspector of the 5th district, and Mrs. Augusta White of Ann Arbor, 5th district president of the ladies auxiliary.

The new post enters the organization with 74 members, a majority of whom are still in the service. Meeting dates have been tentatively set for the first and third Fridays of each month. One of the first items of business to be considered at the first meeting is the formation of a ladies auxiliary, in which many local wives and mothers of service men have already expressed an interest.

POISONED VOTE BAIT

The plain, unadulterated bunk that is being peddled today by so-called responsible men in government to the effect that Congress must pass legislation that will provide jobs for all, is simply sickening. Congress might pass an emergency measure that would employ everybody for a few months or a year or two, but neither Congress nor the government has a dime to employ anybody until it first takes it away from the people in taxes.

If government is to furnish jobs for all continuously, it must confiscate all property and industry and go into business to earn the money to pay to public employes—it couldn't tax people enough to provide jobs for all and leave anything for the taxpayer to conduct business with.

Hitler's Germany would be a kindergarten compared with the tyranny that would develop in any country that provided jobs for all.

Only as men and women rustle their own jobs, will they remain independent.

Don't Send Cash Through the Mail

* * *

Sending cash through the mail is an exceeding poor practice and a dangerous one, too, dangerous in that if the money is lost the sender is the loser.

There is no need today to send currency in the mail because it is so easy and so economical to obtain a bank money order from us. They are absolutely safe, they are truly economical.

The next time you need to send money by mail, drop in and ask us for a bank money order. The cost is very, very small and the protection is complete in every detail.

Plenty of EYE APPEAL
If You'll Dress up Your Back Yard!

In these days of rationing, when "stay-at-home" in summer instead of vacationing in the Northlands is the vogue, dress up your back yard and give it eye appeal—a pleasure to see.

For this purpose we have a quantity of white cedar fence, ready built, that will add plenty of zest to the appearance of your yard. Rustic in style, it is built in 7-foot lengths, 3½ feet in height. It sells for only $2.45 a section—ready to install, or 35c a running foot.

We also have some fan trellises as low as $1.50.

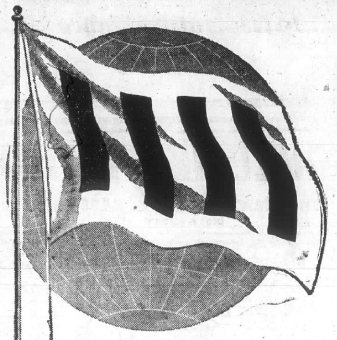
SPECIAL INDEPENDENCE DAY ISSUE 1945 HONORING UNITED NATIONS



Hats Off To The UNITED NATIONS

And especially to the lads and lassies of Lenawee, who have helped to bring about world co-operation!

The red stripes in this new flag stand for the blood of our sons who gave their all for a great ideal.

The white background is symbolical of Peace. We are thinking, too, of the "Prince of Peace" who said, "Greater love hath no man than that he lay down his life for his brother!"

The four stripes stand for:

1—Freedom of Worship,
2—Freedom of Speech,
3—Freedom from Fear,
4—Freedom from Want.

As the makers of Hayden Feeds, we take this opportunity of expressing a genuine appreciation to the lads and lassies from Lenawee's farms, who have left dairy barns, poultry houses, hog lots, fields, and farms, to serve their country in this great crisis.

Perry Hayden, President

Jeepers... what a man!

Now MEET a man who could walk at the rate of 135 miles a day . . . Captain Robert Barclay of Ury, England. In 1808 he bet he could walk one mile every hour for 1,000 consecutives hours. The amazing thing is he did it! Imagine . . . one mile during each hour, day and night, for 41 days and 16 hours.

But Captain Barclay's feet hurt, and plenty . . . Now that cars are wearing out at an alarming rate, many ex-motorists are unhappy about their feet, too.

Every mile you drive speeds the day when your own car will wear out and quit . . . UNLESS it gets the professional care that can check needless wear.

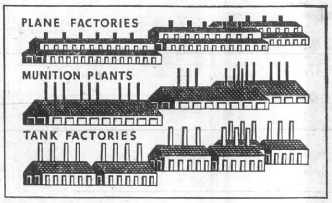
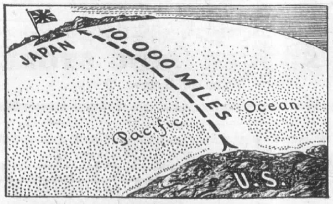
STANDARD OIL DEALERS' BETTER CAR CARE

This is the Jap we haven't yet tackled



He's big—The Jap now controls one of the largest empires in the world. He has 4,000,000 to 5,000,000 war-hardened soldiers—twice as many as the Germans had to defend the Reich in the West. He is intrenched in China, Korea, Manchuria and the homeland—we have yet to meet these major forces.

He's strong—for 20 years the Jap has feverishly worked to make Manchuria an immense war arsenal. Here, out of bombing range, he has huge war plants. He has ample resources—in many cases greater than ours. He can build ships, tanks, guns in great numbers. And thousands of swift planes.



He's hard to hit—Every punch at the Jap has to travel thousands of miles. It takes three times as long to carry men, guns and food to our *rear* bases in the Pacific as it did to our *front* lines in Europe. Three times as many ships for the same amount of material—and more men in our supply lines.

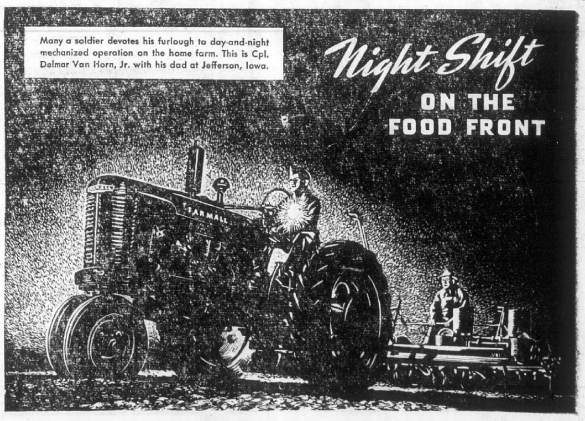
He's a hustler—The Jap war worker works like a beaver—he is 35,000,000 strong, working 12 to 16 hours a day, 7 days a week, taking only 2 days off per month. He isn't quitting. He isn't wilting. He isn't easing up—he's hustling every muscle he's got—building ships, planes, guns to beat us.

Says Lieutenant General Holland M. Smith, U. S. Marine Corps:

"The Japanese fighting man may sometimes fight foolishly but he always fights furiously, savagely, ruthlessly. Any notion that such a people will wilt morally, psychologically or economically is quite certainly wrong. Our battles with the Jap will go into Marine Corps history as the toughest of all our time. *Beating him will take the best we've got.*"

This explanation of the war ahead is published in cooperation with the Armed Forces by

Bruce Foundry & Manufacturing Co.



Many a soldier devotes his furlough to day-and-night mechanized operation on the home farm. This is Cpl. Delmar Van Horn, Jr. with his dad at Jefferson, Iowa.

THEY DID IT BEFORE— THEY CAN DO IT AGAIN

With Farmall Tractor Power

THROUGHOUT the Spring, from the Rockies to the Atlantic seaboard, worried farmers searched the skies for signs of clear weather, but the cold rains fell relentlessly.

For more than a month the seed should have been germinating in the warm soil. Millions of acres lay unplanted because the ground was too wet for preparation of the seed bed and too cold for germination of the seed.

Only a generation ago there could have been but one outcome—crop shortage and food scarcity. Nature allows scant time for planting when the warm sun waits till late May or June before drying the soggy soil. Horses are too slow and tire too quickly to get the job done then.

But the farmers remember May of 1943—only two years ago—when their fast, untiring tractors averted crop failure. Then, too, rains flooded the fields and the month was all but spent before they could go in on the land and plant.

In 1943, most farmers drove their tractors from dark to dark, and longer. Many planted around the clock, working in two or three shifts. They made one of the greatest crops in history.

In today's war-torn world—with hunger and disease already stalking many peoples—even one major crop failure could bring famine. This is why the sound of tractors and planting machinery was heard, day and night, from the Plains states to the Eastern seaboard—why headlights stabbed the darkness over the fields.

America's farmers are doing it again, in spite of an unprecedented combination of adverse circumstances—bad weather, shortages of machines and shortages of manpower. For the second time in three years, they are relying upon their tractor-powered machines to help rescue large areas of the world from catastrophe. More of these tractors are products of International Harvester than of any other company.

Does Your Car Shimmy?
There's a Reason
Yes, when cars "shimmy" and drive hard—pull to the right or left, there is a reason for it and a dangerous reason, too.
Very often the reason is because the front wheels are out of balance due, perhaps, to the fact that tires have been recapped.
Another reason is that the wheels are out of alignment—a common complaint.
Both shimmy and pulling cause undue tire wear.
Bring your car to us and let us check it over. We'll find the trouble and fix it for you in a jiffy.

WILLIAM ARNOLD, Plaintiff,
Vs. ORDER
IRENE M. ARNOLD, Defendant.

At a session of said court held in the County Building in the City of Adrian, on the 2nd day of July, A. D. 1945.

Present: HONORABLE G. ARTHUR RATHBUN, Circuit Judge.

In the above entitled cause it appearing that the Defendant, Irene M. Arnold, is a resident of this state and that process for her appearance has been duly issued, and that the same could not be served by reason of her absence from or concealment within the state and by reason of her continued absence from her place of residence; or, that it cannot be ascertained in what state or country the Defendant resides, therefore, on motion of John R. Zeigler, attorney for Plaintiff,

IT IS ORDERED that the Defendant enter her appearance in said cause on or before three months from the date of this Order, and that within forty days the Plaintiff cause this order to be published in the Tecumseh Herald, a newspaper published and circulated within said county, said publication to be continued once in each week for six weeks in succession.

Dairy Farmers Plan for Future

JUNE—the peak month of milk production found Michigan's Milk Producers actively planning for the post-war period through financing a nation wide program directed by the American Dairy Association.

Foremost among the objectives of this unified dairy producer plan are:—

1. To acquaint the public with dairy farm problems.
2. To increase research on dairy products.
3. To efficiently produce and market dairy products.
4. To promote sales through nation wide use of radio, newspaper, magazine and billboard advertising.

Dairy farmers from coast to coast participated in this cooperative program for the advancement of the industry. Constructive effort of such magnitude will achieve far reaching results, benefiting both consumers and producers in the days to come. Our association approves this program, not alone for its present value but for its value to the future of our industry.

HANG ON!

AMERICA WON'T LET YOU DOWN

Blasted out of the sky in the battle for the Philippines, he waits in shark-infested waters—alone. Surely they'll send out rescue planes—surely they'll find him! Boy, what he wouldn't give for another crack at those Japs! For the chance *to finish the fight.*

He knows the war isn't over yet—not by a long shot. But do the folks back home know that, he wonders? Are they still working hard for victory—still buying bonds, *and hanging onto the bonds they buy?* Hanging on for dear life, as he is now?

Ask *yourself* these questions before you tell him not to worry—that *of course* America won't let him down. Ask them again when you start to cash in a War Bond you don't absolutely *need* to redeem—when more and *more* equipment is needed to *finish the fight.* Ships, tanks, planes—*lots* of planes. Like B-29's, costing $600,000 in War Bonds each. Or like rescue planes.

YOUR SHARE in Victory and Peace

Your War Bonds are evidence of your determination to back our fighting men for an early victory. They also represent your financial security and your postwar prosperity.

Don't cash a bond except in an emergency.

Before you cash it, ask yourself: Is the emergency so great that I must reduce my support and withdraw these dollars from the battle to win the war—and the peace?

You gain and your country gains when your bonds are not cashed until maturity.

ANNUAL FINANCIAL REPORT
OF THE VILLAGE OF TECUMSEH, MICHIGAN

CLYDE A BARBER
Public Accountant
Tecumseh, Michigan

The Honorable President and Trustees
Village of Tecumseh
Tecumseh, Michigan

Pursuant to engagement, I have audited the books of accounts and records of the Village of Tecumseh and the Tecumseh Cemetery Association for the period beginning February 21, 1944 and ending February 20, 1945.

I reviewed the system of internal control and procedure of the Village of Tecumseh and Cemetery Association without detailed audit of all transactions, but tested supporting evidence of receipts and disbursements to an extent that proved adequate.

Securities in Perpetual Care, and Village Funds were examined and verified. Securities are shown on inventory at cost or face value.

The attached Condensed Statement of Receipts and Disbursements of the Village of Tecumseh, and Cemetery Association present a correct result of transactions for period under review and are in agreement with detailed audit report submitted to the President and Trustees on June 6, 1945, a copy of which is also on file at the Village Clerk's office.

Wheat Harvest Here July 21

DYNAMIC KERNELS SERVICE TO BE BROADCAST FROM THE FRIENDS CHURCH

Gov. Harry F. Kelly and Charles Figy, state commissioner of agriculture, are expected to be among the guests at the services here Saturday, July 21, at 9 a.m., at the Tecumseh Friends church, commemorating the fifth harvest of the now world-famous Dynamic Kernels Biblical Wheat. The 250-acre field of wheat, which is expected to yield some 5,000 bushels of grain, is located on Ford property in the Macon area, and is to be harvested by combine.

"Dynamic Wheat" had its inception five years ago after the Rev. Clifton Robinson of Cleveland, preached a sermon in the Friends church here from the text from John 12:24—"Verily, verily, except a corn of wheat fall into the ground and die, it abideth alone, but if it die, it bringeth forth much fruit." Perry Hayden, local miller, to prove the text and the value of tithing, planted a cubic inch of wheat that year and harvested it, giving one-tenth of the crop to the church, replanting the nine-tenths. This he has done each succeeding year. Next year's crop, is estimated, will yield in the neighborhood of 100,000 bushels of grain, requiring between 4,000 and 5,000 acres for this fall's planting. The crop in 1946 is the final one.

The Rev. Mr. Robinson will take part in the service this year at the church which will open wfth an organ recital by Mrs. Ralph Comfort and a song service, led by Davis Martin of Detroit. A part of the service will be broadcast over the Columbia network between 9:30 and 10 o'clock. It will be rebroadcast over WJR, Detroit, on Sunday morning, July 22, at 8:30 a.m. The Rev. John Scarlett, rector of St. Peter's Episcopal church, the Rev. Norman Mac Naughton of the Methodist church, the Rev. James C. Murdoch of the Presbyterian church, and the Rev. B. O. Bashore of the Baptist church also have been invited to participate in the program.

Under the direction of Robert Lasher, Lenawee county 4-H club leader, 4-H club members of the county and interested farmers will receive the seed from the 1945 crop and plant it on their own farms, Perry Hayden has announced. They will pay a tithe to their own church in 1946, and five per cent to Dynamic Kernels Foundation. The trustees of the Foundation have agreed to turn over to the 4-H Club building fund, one-half of the five per cent, to help in building a 4-H headquarters at the Lenawee county fair grounds, Adrian.

The tithe from the fifth (this year's) crop of wheat, which will go to the Tecumseh Friends church will be turned over in its entirety to the trustees of Tecumseh hospital for the purchase of some specific piece of needed equipment, Mr. Hayden said.

The service at the Friends church on July 21 is open to the public.

W. L. FAIR DIES AT HOME IN HILLSDALE

W. L. Fair, aged 66 years, a former resident of this community and a driver for Short Way Bus Lines for a number of years, died Sunday at his home in Hillsdale after a long illness.

He leaves a son Donald Fair of Adrian, and two grandsons Elmer Fair P 1/c with the U. S. Navy and Donald Lee Fair of Adrian.

The funeral was held Tuesday in Hillsdale and burial was in Van Wert, Ohio.

FORMER RESIDENT DIES

Henry C. Wilson, aged 93 years, a former resident of Ridgeway and Blissfield, died Sunday in Plymouth, Ind., where he had lived for three years. Mr. Wilson graduated from Tecumseh high school in 1873.

He leaves a son Robert W. Wilson of Plymouth, Indiana. Mrs. Wilson died seven years ago.

The funeral and burial were held Tuesday in Blissfield.

Plan To Resurface Streets In Tecumseh

Tecumseh's streets will be resurfaced with a preparation of asphalt and gravel, at a cost of $6,254, the work to be started in about three weeks, the village council decided when it met in regular session, Tuesday evening. Similar resurfacing was accomplished a year ago.

Other matters before the council included the granting of a petition for water and sewer on Hiawatha street and the laying of a sewer in South Adrian street.

Dan Baibak, operator of Dan's Tavern, was denied the right to operate a popcorn machine on the sidewalk in front of his place of business.

The Garden Club was granted permission to landscape the memorial to World War No. 2 veterans in Adams Park.

Dwight Hodges was named as a member of the Tecumseh Hospital board of trustees for a five year term, succeeding Clarence Wagner.

A plan for increasing the intensity of the street lights throughout the village, without cost to the taxpayers, was approved and new lights will be installed at Kilbuck and Wyandotte and on East Burt street.

Ladder Tennis Tourney Opens

MORE MAY REGISTER FOR PLAY; RECREATION PARK BUSY SPOT EVERY DAY

Plans for a men's ladder tennis tournament were announced this week by Coach Fred Raizk, who this summer is supervising the play program at Recreation Center, and he urged that any players who are not now registered to do so at once, that play may continue without too much interruption.

In a "ladder tournament" the names of players are placed on a board in the same position as the rungs on a ladder. Players may challenge others for play not more than two rungs distant, and if they do not play they forfeit position. Persons interested in registering are urged to see Coach Raizk at the field at once.

The morning swimming classes for girls are progressing satisfactorily, Raizk said. Any girls not now registered may do so between the hours of 10 and 12 o'clock at the Gravel Pit on Wednesday or Friday mornings. This same group of girls also is enjoying instructions in archery which is given at the park in the evenings of Wednesdays and Fridays. Plans are also being made to organize soft ball teams from this group.

In the community softball league the Foundry team tightened its grip on first place last week by winning from the Methodists by a 15 to 2 score.

Boys who are spending their idle time at the park are dividing their attention between swimming classes on Mondays and Wednesdays from 12 to 2 p. m., and Tuesdays and Thursdays in the evening with baseball. The West End Tigers and the East End Giants, made up of boys in the grades, are combining their talents to play a team from Clinton in the near future, the date to be announced.

The Lutheran church is planning to hold its annual church picnic at Recreation Center, Sunday. The park offers complete picnic facilities, including stoves, tables, etc., and the public is welcome to use any of this equipment at any time.

HOME FROM EUROPE

Lt. George Rockwood who returned to the states recently from overseas service with the Eighth Air Force, has been visiting his great grandmother Mrs. John Lucas since Sunday. Lt. Rockwood who went overseas in September completed his missions over Germany in March. He has the air medal with five oak leaf clusters, the battle star and two presidential citations, and has been placed on inactive status. He will soon enter a school for special training.

ROAD ON IWO JIMA NAMED IN HONOR OF THE LATE PFC. WILFRED FROLICH

By SERGEANT RED O'DONNELL
Marine Corps Combat Correspondent

Somewhere in the Pacific (Delayed)—A main road in the Third Marine Division area has been named "Frolich Drive" in memory of Marine Private First Class Wilfred K. Frolich, who died fighting on Iwo Jima.

The 19-year-old Leatherneck was the son of Mrs. Dorothy Frolich, Route No. 1, Tecumseh, Mich.

Frolich had led a patrol against trapped Japs on the northern end of the island, late in the afternoon on March 17, and had personally accounted for seven shortly before he was killed.

Frolich's last words, according to a doctor who attended him, were:

"Boys, don't stop for me; go ahead and drive those Japs off this island, and every other island in this ocean."

Private First Class Joseph Cesaro, 89 Home Avenue, Providence, R. I., of the 9th Marine Regiment, served with Frolich throughout the day, and was with him when he died.

Cesaro said Frolich crawled out in front of the patrol and picked off two enemy snipers, then shifted to the flank and took cover behind a rock, overlooking a high bluff. From this point he flushed out a Jap ambush party which had been holding up an advance.

Frolich fired down on the Japs," Cesaro explained, "and when they made a run for it, he got all five of them. As he tried to maneuver his way to another position, Frolich was shot through the neck. He ran almost 10 yards to cover, fighting gamely to the end."

Navy Chaplain Vincent J. Lonergan, a Catholic priest attached to the Third Marine Division, pointed out that Frolich had done the work of 10 men while on Iwo.

"He carried supplies to the front, evacuated wounded, and was in action bravely and skillfully as a rifleman. He was a fine boy and a real hero," Father Lonergan said.

Frolich had been a Marine for more than a year, and was overseas for six months.

Y 2/c Sheldon Southwick Wears 8 Battle Stars

The Denver Post recently published an interesting story concerning Yeoman Second Class Sheldon Southwick, who has returned home after participating in eight major battles from Guadalcanal to Iwo Jima. He is the son of Sheldon J. Southwick, formerly of Tecumseh and is spending a months leave with his parents in Denver.

Yeoman Southwick wears many ribbons from Good Conduct to Purple Heart for shrapnel wounds received at two Jima. He joined the navy early in 1941 and had at that time traveled very little outside Colorado. Now he has sailed enough miles to take him around the world three times. During battle he is one to man anti-aircraft guns on his vessel and says they bombed so many islands he could scarcely remember them all. After Guadalcanal they saw action in the battle of Stewart Island; took part in the attack at Raboul harbor; helped break up the Jap task force shelling U.S. Marines at Buka Bonis; covered the marine landings at Tarawa; and helped bomb the Marshall Islands, before joining the British eastern fleet. They were also in on the first naval raid on Tokyo in February.

Yeoman Southwick says there are three things veterans do not understand—why there are strikes taking place in the United States; what we are fighting for, and whether it will happen again.

Tells of Mass Nazi Crack-up

ROBERT STONE, HOME FROM EUROPEAN WAR, ADDRESSES ROTARY CLUB HERE

Sgt. Robert Stone, son of Mr. and Mrs. Francis Stone of Tecumseh township, home from the European theatre of war on a 121-point discharge, told members of the Rotary club that the Nazis, by and large, hold the loss of the war to the Americans' superiority in equipment, "they give us little credit for strategy, at least the ones that I met didn't." Sgt. Stone addressed he club's dinner meeting, Tuesday evening at Brees House.

Fighting in almost every country in Europe after D-Day, the soldier described some of the shellings and bombings of the captured cities and the mass surrender of the German armies when Hitler's war machine began to crumble. Early in the war, Stone said, an American soldier guarded half a dozen prisoners and thought he had a job. When the mass surrender began it was nothing for a dozen Americans to guard thousands of Nazis. "They wanted to quit just as badly as we wanted to take them prisoners," he declared.

It was common to find American educated officers of the German army, Stone said. Germany did suffer from a lack of fuel and food, this being particularly true in populated areas. Rural Germany, Stone believes, was not as hard hit by the war as were the cities.

"The Germans feared the Russians and rushed to surrender to the Americans," the speaker declared. "German propaganda spread among the Nazi troops, had them believing that eventually the Americans would be fighting the Russians, in fact we captured Nazis who offered to help us to fight the Russians."

Sgt. Stone was the guest of Dr. C. N. Broderson. Other guests were Francis Stone, Sgt. Elmer Burleson, home from Europe on furlough, and Lloyd Atkins of Reading.

Cpl. Robt. Stone Wins Silver Star Medal

For gallantry in action against the enemy in France last August, the Silver Star Medal has been awarded to Corporal Robert F. Stone, the son of Mr. Francis B. Stone, Route 2, Tecumseh. He is a member of the 2nd Infantry Regiment, 5th Infantry Division. He arrived in Tecumseh on Saturday, discharged from the army on points.

When his platoon was nearly encircled by superior enemy forces, leaving only a secondary road that could be used as an escape gap, Cpl. Stone was assigned the hazardous mission of removing seven of the vehicles to a position of concealment. He personally moved each vehicle to safety through heavy fire and return each trip by crawling along a roadside until the mission was accomplished.

"Cpl. Stone on one of his return trips noticed three of his comrades lying wounded in an exposed position in an open field," the citation gave, "and oblivious to the bursting shrapnel about him administered medical aid to the wounded. His heroic and courageous determination undoubtedly saved the lives of the three injured men and insured the protection of several vehicles from possible destruction."

HOME FROM PACIFIC

Marvin Lipp, gunner's mate third class, arrived home last week after 14 months in the Pacific. Marvin was a member of the crew of the U.S.S. Ingraham which was badly damaged in battle at Okinawa, May 4. They were attacked by Jap planes and 15 of the crew were killed and 30 wounded but the 2200 ton destroyer came into port at San Francisco July 2 under its own power. He is spending his leave with his wife at the home of her parents, Mr. and Mrs. Myron Demyer and with his sister, Mrs. Carl Leonard.

TO GET WINGS

Aviation Cadet W. L. Kiser, son of W. L. Kiser of Route 1, Tecumseh, recently completed his Army basic flying training at Moore Field, Mission, Texas, as a member of Class 45-F.

Following the successful completion of the final phase of his training at the advanced school to which he will next be assigned, he will receive his pilot's wings and appointment at a 2nd lieutenant or flight officer.

GUESTS AT ADRIAN

Members of Tecumseh Unit, Mothers of World War II will be guests of the Adrian unit at a potluck supper at the Legion Home in Adrian this evening. Officers and drill team of the Tiffindale unit will also be present.

Is Black Market Getting Chickens and Cigarettes?

STREET STORY SAYS FAGS SELL AT $5 A CARTON, CHICKENS AT $5 EACH

Blame women smokers, war nerves and lend-lease, if you will, but, circumstances and conditions are fast causing the public to believe that it's the black market that's getting the cigarettes and, by the same reasoning, many folk are taking a similar view of the poultry shortage.

Today, strange as it may seem, many merchants are fast reaching the stage where they hate to see their "quota" of cigarettes come into their stores. And, believe it or not, some poultry dealers are intimating that it's the black market, that it's the willingness of a few who have more money than sense and who will pay whatever prices are asked, that's causing the shortage of chickens in the butcher shops.

Charges such as these are being hurled about by folk who are becoming disgusted with a condition that irks them and, unless something can be done to correct the situation, it may grow much worse.

Let's look at the cigarette situation. Why is the merchant disgusted? It's simple. He is getting only a few cigarettes. Stores that in normal times received each week a hundred cartons today are getting a dozen, sometimes less. Smaller stores receive proportionately smaller numbers. The merchant can't please his customers, even though he hides the cartons and doles out a package at a time. He realizes that he's making enemies The fellow who bought the merchant's last pack of cigarettes and tells his friends where he got them is inviting a cigarette "run" on the merchant's store. And, when the merchant says, "Sorry, I'm out," he's a three letter liar in the customer's opinion.

Ask any merchant about it. He'll tell you that cigarettes are a "short profit" item, and the fact that he carries them at all is making him more enemies in a week than he can live down in a lifetime. He's worried. Should he, or should he not, go out of the cigarette business, entirely?

Then, there's the cigarette smoker's side of the story. Ask any smoker who circulates about a bit and he'll tell you that there are plenty of cigarettes on the black market, that they can be had in abundance if a premium price is paid for them. He'll tell you that $2.50 a carton is the "low" black market price and that it sometimes reaches $5. The normal price ranges from $1.29 to $1.65.

How does the black market get cigarettes? How can the black market get them in abundance when the legitimate merchant can't buy them from his jobber or wholesaler? These are some of the questions that the smoker and the merchant would like to have answered. And, they have a right to know the answers.

Now, about the poultry situation. It's black too, they say.

One merchant recalls that he placed an order with a farmer for an agreed number of chickens and when he called for them he was advised that they had been sold to "a man with a truck." What was the price? The merchant says he was told that the farmer received 40 cents a pound, live weight. The ceiling price is 28 cents.

What was "the man with the truck" going to do with the chickens? The merchant says he could take them into the metropolitan area of Detroit and sell them, or as he put it, "trade them" for $5 bills. And the folk with plenty of money are anxious to trade the bills for the chickens, he says. They don't care about OPA, ceiling prices or for the money in their pockets. They want chickens and they are going to have them just as long as their money lasts and "the man with the truck" has chickens to trade.

And, there are others who will tell you that this black market is not confined to cigarettes and poultry. They'll tell you that it extends into the shirt, pajama and underwear markets, nylon hosiery and liquors.

Thumbing noses at laws and directives is a dangerous pasttime, in these times when an effort is being made to "hold the line" on prices in the home-front war against inflation. But, the man on the street still contends that the black market is doing a thriving business. And those who patronize the black market, and no one else, can be blamed if, in a few months, we have run-away prices and ruinous inflation.

CONGO MISSIONARY TO SPEAK HERE, SUNDAY

Rachel E. Chilson, a Friends missionary working in Urundi, Belgian Congo, in central Africa, will be the speaker at the Tecumseh Friends church, Sunday evening at 7:30 o'clock.

The Congo is a district with a population of 3,000,000 people in which ten years ago only one small Protestant mission had been at work. The way opened at that time for Friends to enter the field. On July 2 of this year a large church seating 3,000 was dedicated at Kivimba. This will frequently be filled to capacity because of the steady growth of the work. Miss Chilson has an amazing story to tell of difficulties overcome, and of victories gained in that land of moral and spiritual darkness. The public is invited to hear her.

Mrs. Edna Lent Dies Suddenly

FUNERAL SERVICES HELD HERE YESTERDAY AFTERNOON FOR ACTIVE CIVIC LEADER

Mrs. Edna Lent, aged 40 years, wife of Lewis E. Lent, died Sunday afternoon at their home on North Maiden Lane after only a few hours illness. She was taken suddenly ill while at their cottage at Twin Lakes and was brought to Tecumseh for medical care. She passed away upon her arrival home.

Mrs. Lent moved here several years ago from Hillsdale and has been very active in the community. She was a member of Tecumseh chapter, O.E.S., Ahi Evans chapter, D.A.R., Tecumseh Grange, the Presbyterian League and Band Parents Club and was president of the Tecumseh Garden Club. She was also Brownie Scout leader. Mrs. Lent was a graduate nurses' aide at Tecumseh hospital and recently completed an advanced course in Red Cross nurses' aide in Adrian. She also conducted first aid classes. She was chairman of Tecumseh's 1945 drive for the American Red Cross War Fund.

Survivors are her husband and a son Richard, two brothers William Griffiths of Jackson and Guy Griffiths in California.

Funeral services were held yesterday afternoon at the Belding Funeral Home. Rev. B. O. Bashore officiated and burial was in Brookside cemetery.

St. Cecilia Choir To Make Its Bow, Sunday

The St. Cecilia choir of the Baptist church will make its first formal appearance on Sunday evening July 15, at 8 o'clock when it will present a musical in the church.

The program will consist of group singing and special vocal and instrumental numbers. The choir is under the direction of Mrs. Myrtle Gillespie with Mrs. Alice Everhart as pianist. There will be no admission charge but a free will offering will be taken.

A baptismal service will be held at the close of the musicale.

PAUL SNYDER WEDS MISS DORIS DOVE

Pfc. Paul Snyder, son of Mr. and Mrs. Oscar Snyder of Tecumseh, and Miss Doris J. Dove, daughter of Mr. and Mrs. Seaton Dove of Adrian, were married Wednesday morning, July 4, by the Rev. Norman Mac Naughton at the Methodist parsonage. They were attended by Harold Easton of Tecumseh and Mrs. Electa Webster of Adrian. Dinner was served at Brees House for 10 guests following the ceremony.

Pfc. Snyder since returning from nearly three years overseas, has been a patient at Percy Jones hospital in Battle Creek and is now on a 40 day leave. Mrs. Snyder is employed in Adrian. They left on a trip in northern Michigan.

Spafford Named to School Board

SATTERTHWAITE RE-ELECTED WITHOUT OPPOSITION; FOUR TEACHERS NEEDED

J. W. Spafford and Perry C. Satterthwaite were elected as members of the board of education of the Tecumseh School District for 3-year terms when electors met in annual session, Monday evening. Seventy-nine persons attended the meeting, held in the high school auditorium.

Mr. Spafford, a newcomer to the board, was elected in a three-way race to succeed John Larsen, whose term expired and who was not a candidate for re-election. Nominated were Mr. Spafford, Clarence Gilman and C. R. Dustin. In the balloting, Mr. Spafford received 42 votes, Mr. Gilman 32 and Mr. Dustin 8. Mr. Satterthwaite's re-election was not opposed and was accomplished by acclamation.

The school board is now made up of these members: Jens Touborg, Dr. Arthur Brown, Earl Lindsley, Mr. Spafford and Mr. Satterthwaite.

Mr. Touborg, president of the board, presided at Monday's meeting and other business included the report of the treasurer, Mr. Lindsley, which showed that total receipts for the school year 1944-45 amounted to $85,486.03 including a balance carried over from the previous year of $5,669.76. Expenditures, including the public library, amounted to $78,399.87.

The school district is now free from debt, having retired its last bond of $1,500 on Recreation Center Park, last April.

W. L. Berkhof, superintendent, gave a lengthy report on the school activities of the year gone by and let it be known that C. R. Dustin, principal of the high school, is retiring this year after 22 years of service to the Tecumseh schools. Mr. Dustin, aside from his executive position, also was an instructor in mathematics and science. Mr. Berkhof regretted his resignation and said that the vacancy had not yet been filled. Mr. Dustin also at one time was superintendent of the schools here.

George Parsons, head of the agriculture department here, also has resigned to take an assistantship at Michigan State College. Mr. Berkhof said that a successor had not yet been named.

Mrs. Mary Wolf, first grade teacher, and Elizabeth Cole, fourth grade teacher, also have resigned and the vacancies have not yet been filled.

Miss Ruth Harding, librarian, submitted her annual report showing that the library served nearly 10,000 persons last year. Several new books have been added during the year and Miss Harding urged a more complete use of the library's services by all local residents.

Mr. Berkhof announced that school would reopen for the fall term in Tecumseh on Monday, September 10. The late date, he said, was established to prevent any fear of infantile paralysis, should the disease be prevalent this fall.

Parsons Are Honored By Tecumseh Grange

Tecumseh Grange held a farewell party Saturday evening for Mr. and Mrs. George Parsons who are moving to Lansing, where Mr. Parsons, agricultural teacher at Tecumseh high school for eight years, has taken the position of assistant professor of dairy extension at Michigan State College.

Mr. and Mrs. Charles Patterson and Mr. and Mrs. Howard Matthews were the committee in charge. Over 70 attended and enjoyed the program which consisted of an original reading of "The Departure of the Parsons" by Mrs. Hazel Beland; selections by the K. P. quartette composed of Garth Hall, Carl Thomas, Al Williams and Duncan Oliphant; a talk by W. L. Berkhof and response by Mr. Parsons. Mr. and Mrs. Parsons were presented with a gift. A potluck lunch was served at the close of the program.

EDWAY C. YOUNG, 83, BURIED AT CLINTON

Edway C. Young, aged 83 years, died early Friday at Tecumseh hospital where he had been a patient for several weeks. Mr. Young had lived in Clinton 19 years and was a former village assessor. Previous to that he was engaged in farming.

Survivors are the widow Jennie, a son Orel and a grandson of Climax, Colo., two brothers James and Alden of Ann Arbor, and two sisters Mrs. Irene Stimson of Saginaw and Mrs. Sarah Robinson of Saline.

The funeral and burial were held in Clinton Monday. Rev. O. E. Priest officiated.

ONLY THE FREE EAT WELL

"Some of our more advanced thinkers," says the Wall Street Journal, "have had the effrontery to put into so many words a statement to the effect that 'freedom is all right but you can't eat it.'

"Well, perhaps you can't eat freedom. But note one thing. People who do not have freedom are likely not to eat."

Proof of the latter statement becomes more evident in the United States each day. Due to wartime restrictions, the people of our country have given up many of their freedoms, a principal one being the right to produce and sell.

We have accepted wartime rationing and price control as essential to the distribution of existing supplies. But as we have given up our freedom to produce, supplies have dwindled until the United States today faces acute shortages of the essentials of life. All the alibis that are offered in the name of "anti-inflation," will not supply the nation's needs when freedom to produce and sell is gone.

The Folk in This House
Will Save 20% of Their Fuel!

Yes, and a savings of 20 per cent in fuel next winter is mighty important—in fact it has been ordered by our government. Under existing regulations, we cannot deliver more than 80 per cent as much fuel as was used by our customers last year.

How are these folk saving 20 per cent of their fuel? THROUGH INSULATION. Insulation, you know, saves up to 30 per cent of your fuel through the stoppage of heat loss. It makes your home warmer in winter and cooler in summer.

Why not decide right now to insulate your home this summer? INSULATION IS INEXPENSIVE TO BUY, it is EASY TO INSTALL.

Phone us or call for an estimate of the cost of insulating your home. Enjoy its cooling comfort this summer—its heat-saving ability next winter.

LIBRARY GETS AID

The Tecumseh Public Library has received a $93.02 check from the State Board for Libraries, Miss Ruth Harding, Librarian, reports, which is the final payment on a grant from the General Library Fund for which the Library qualified this year. The total of the grant was $143. The Library receives this grant because the local tax support is being maintained and because the library also meets the certification qualification for 1944-45.

The Library board decides how the money is to be used so the projects are designed to fit the Library. Only capital expenditures are prohibited.

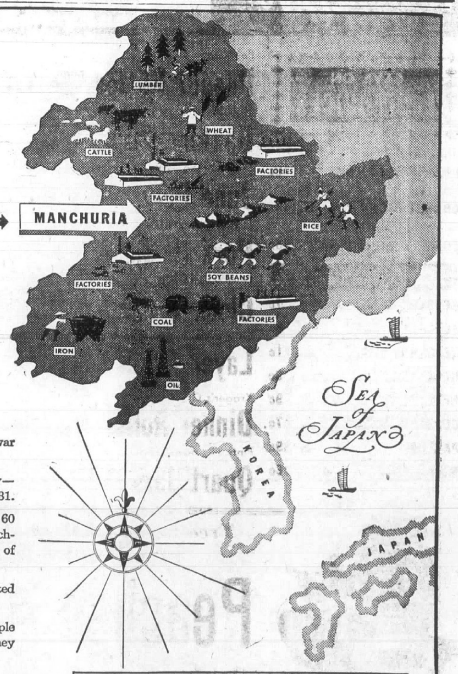
Take Another Look
(If you think Japan can't last)



JAPAN has been thought of generally as a short-war nation—lacking the resources for a long one.

But take a look at *just one* Japanese hide-away—Manchuria. The Japs grabbed it from China in 1931.

It's more than twice as big as Germany. About 60 times as big as Massachusetts. It has one of the richest soils in the world—producing vast quantities of wheat, corn, soy beans, rice, *food.*

It is rich in coal, magnesite, iron, metals. It is forested with great areas of trees for lumber.

What have the Japs been doing in this lush and ample land? They have been hustling—for 14 years. They have industrialized Manchuria beyond belief.

They have developed its railways, its vast forests, its great mines. They have built huge power plants and factories and mills. They have made Manchuria a mighty arsenal.

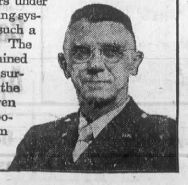
From its mills pour foods and shoes and clothing. From its factories roll planes and guns and tanks.

How much? How many? No one can say. But enough to keep Japan at war for years. And this is just one Japanese hide-away—just one bustling corner of an empire that is 5,000 miles long and 3,000 miles wide.

Just one of Japan's arsenals—twice as big as all Germany. Can Japan fight a long war? Well—we leave it to you.

And says General Joseph W. Stilwell—

"The Jap is a shrewd soldier and a tricky enemy. His fighting tricks are countless. He has been learning them for years under the constant, unrelenting system that makes him such a dangerous opponent. The Jap is a tough, determined soldier. Japs will not surrender in masses like the Germans. We must even count on fanatical opposition from the civilian population."



This explanation of the war ahead is published in cooperation with the Armed Forces by
Bruce Foundry & Manufacturing Co.

4 Steps To High Egg Production During These Hot Summer Months

1—Cull out all the birds with shrivelled combs and yellow legs.

2—Provide plenty of ventilation in your laying houses. Open all doors, windows and ventilators, to provide plenty of ventilation.

3—Be sure the birds and the house itself are free from worms, lice, and mites.

4—Keep HAYDEN'S EGG MASH before your birds 7 days a week. Even if you are a strict Christian, we doubt if your chickens are!

What Kind of Care Are You Giving Your Car?

Maybe you haven't thought about it, but just what would you do if your car was stolen?

We know that you'd feel badly, and we also know that you'd pay a fancy price for one to replace it—if you couldn't fine one.

NOW CONSIDER THIS: If you are neglecting your car, it is being stolen, too, only the thief is doing his job gradually. Perhaps faulty carbueration or spark plugs are draining your gas tank too quickly—stealing your gas, so to speak.

Why don't you bring your car to us for service. Let us help you keep it running for the duration. Our shop is right downtown.

Gather Vegetables at Their Best

—Photo Courtesy Ferry-Morse Seed Co.

Do you know when to pick your sweet corn at its sweetest and juiciest? When your snap beans are snappiest? Your Swiss chard leaves most tender and the stems at their crispest?

Every vegetable in the Victory Garden has best stages for eating, before and after which their goodness is considerably less than one hundred per cent.

Snap beans should be picked before the seeds inside the pods have formed. If some of them get past that stage before you can use them, let the beans grow to full size and use them as green shells. Peas should be picked when the pods are plump and bright green. When pea pods are somewhat wrinkled and show streaks of white, the peas are too old for enjoyable eating.

Cut the outer leaves of Swiss chard when they are no more than ten or twelve inches long. Let the inner ones continue to grow, always cutting before they are grown to full size.

Be sure to cut sprouting broccoli while the buds are green and tightly closed. When they open and begin to show a hint of yellow, they have lost their fresh new goodness. Cauliflower, cousin to sprouting broccoli, should have heads that are firm and creamy white. Spongy looking heads are past their prime.

Too young sweet corn has neither flavor nor substance; too old, it is mealy and usually tough. It's exactly right when ears are well filled and kernels spurt milky juice at the prick of a thumb nail.

Cut kohl rabi bulbs when between one and three inches in diameter. Larger than that they are likely to be tough as shoe leather. Turnips are best at medium size, rutabagas when fully grown under cool moist conditions.

Let parsnips and salsify or vegetable oyster stay in the ground until late fall. Then the roots should be fully developed. Some of them can be dug for winter use, but plan to leave at least part of the crop in the ground over winter. Dig them in early spring for flavor unsurpassed.

MISCELLANEOUS SHOWER

Mrs. Robert Dayss, formerly Mary Jo Dewey, who was married June 2, was given a miscellaneous shower at the home of Mrs. John Gruber and Mrs. Carl Gruber, with 21 guests from Manchester, Tecumseh and Holloway. Games were played and refreshments were served at tables centered with roses and snap dragons. Mrs. Days received many lovely and useful gifts.

WASHINGTON—The Presidential C-54, known to men in the service as the "Sacred Cow," which was used by General Eisenhower on his return to the United States recently, since it went into service in June 1944 as President Roosevelt's personal plane, has flown across 44 countries. It was used to bring Madame Chiang Kai-Shek from Dio de Janeiro to New York. It is a stock model plane with an elevator and special deluxe interior. It is now being used by President Truman.

SERVICE UNIT PLAQUE WON BY ORDNANCE GROUP

WITH U.S. ARMY FORCES ON NEW CALEDONIA—The Meritorious Service Unit Plaque has been awarded to the Ordnance battalion of which Technician Grade Five Robert N. Harsh is a member. The Corporal's parents, Mr. and Mrs. G... Harsh [illegible], at ... igan.

Cited for "superior performance and the achievement and maintenance of a high standard of professional and military efficiency," the unit was presented the award by Major General Maxwell J. Murray, South Pacific Base Commander.

During more than two years overseas, the battalion has operated a motor base, repair shops and an assembly line, conditioning vehicles which help to push Japanese armies ever closer to their home islands.

Presentation of the plaque climaxed a series of commendations which have been attended the unit by Major General Charles L. Mullins, 25th Division; Major General Paul Mueller, 81st Division, and Brigadier General James Barnett, former Island Commander.

B. Y. F. PLANS PARTY

Garbage Tax Levy Needed

IS NOT TAX TO MAKE WORK POSSIBLE BUT TO PAY FOR TRUCK NOW IN USE

The half-mill garbage tax levy, noted on tax statements now in the mail from Kenneth D. Hall, treasurer, to local property owners, apparently is much misunderstood by some persons who already have registered complaints to Wade L. Jones, village clerk.

"The tax levy of half a mill is not for the purpose of making possible the collection of garbage and ashes in Tecumseh, it is to replace money loaned to the garbage fund six or seven months ago by the general and highway funds to pay for the truck that is being used to do the collection work," Mr. Jones said.

"As the village books are now set up," he continued, "we do not over-draw any fund, village, highway or any other. When one fund is low we (the council) loans money to it from another fund that has the cash, but it must be replaced.

"When the village decided to enter the garbage collection business, and established a garbage fund, it had no money. The village needed a truck, it had to be paid for in some way. So the council loaned the needed money from the highway and general funds and the truck was paid for at a cost of $2,096.43. The truck is so constructed that it can also be used for highway purposes, including snow removal, and a proportionate share of the cost will be charged to the highway fund, whenever it is so used.

"Now, this summer, the council decided to levy a half mill tax in order to replace the money. The half mill tax will raise $1,257.55, a little more than half what the truck cost. The council feels that the program must be on a firm foundation, that there is no need to allow it to borrow from other funds.

"The council could have "kidded" the people, and paid for the truck out of the general and highway funds and said nothing, but it felt it best to tell the taxpayers for what the money was being spent. I am certain, also, that the taxpayers will understand that money borrowed from one fund or another must be replaced.

"Some folk seem to think that the garbage levy is raising their taxes. Such is not the case, at all. The tax rate is just the same this year as it was last year and five years ago. No more money is being raised, despite the garbage levy of a half mill.

"It's just a case of the council being honest with the people. It could have added the half mill to the amount that will go to the general fund and said nothing. It would have been as broad as it was long. There has been no increase in taxes, bear that in mind."

Mr. Jones said that the actual overhead of operating the garbage collection is paying its own way. Customers pay $1 a month for the service.

"People can't expect the council to pay for a truck without money. It had to come from somewhere and it was borrowed from the other funds. But, please bear this in mind, despite the fact that we are operating a garbage program and have the truck all paid for, we're not paying a higher tax rate this year than we did last. After all, it is the total rate that we pay that tells the story."

JOSEPH C. SATTERTHWAITE IS BACK IN THE U. S.

Joseph C. Satterthwaite, in diplomatic service with the American Legation in Damascus, Syria, arrived in the states Monday and telephoned his sisters here of his arrival in New York. Mr. Satterthwaite drove from Damascus to Cairo, Egypt, making the remainder of the trip from Cairo to New York by plane. He stopped at the Azores and also spent one day in Labrador. He is in Washington, D. C., on business and hopes to make a short visit at his home here.

HOME FROM ITALY

Lt. Donald K. Carlson has arrived home from Italy where he was stationed with the 15th Air Force and is visiting his parents, Mr. and Mrs. L. A. Carlson and family, who have returned from Oak Park, Ill., to spend the summer at their home here.

TWO FIRE ALARMS

The fire department was called to the Hotel Chief Saturday morning where a mattress on a bed on the third floor was found on fire. No other damage resulted. The rural truck was called Tuesday morning to the Tecumseh Airport where a truck had caught fire. Only slight damage resulted.

Free Baseball Game Scheduled For Sunday

A baseball game that promises to attract a record crowd will be played at Recreation Center here, Sunday afternoon between a Tecumseh Products Company team and a team from Manchester. The game will start at 3 p. m. No admission will be charged.

John Harrison, who has pitched the last two games for the Products and who has given up only six hits, will be on the mound for Tecumseh. In the local lineup will be several stars of former high school years, including Johnnie Osinko of Blissfield and Dick Wittman of Petersburg.

Major Bond is Rotary Speaker

TELLS OF FIGHTING IN NEW GUINEA AND INTERESTING STORIES OF CO. B

Major G. Chandler Bond, a member of the internationally famous "Red Arrow" Division of which Lenawee county's Company B was a part, was the guest speaker at the dinner meeting of the Tecumseh Rotary Club, Tuesday evening at Brees House. Major Bond, wounded in New Guinea, has been discharged from the Army and is back at his home in Adrian. He was accompanied to Tecumseh by H. F. Bailey, president of the Adrian Rotary Club.

Major Bond told many interesting stories regarding the 32nd and Company B, and declared that while the outfit was not trained for jungle fighting it gave an excellent account of itself in the war.

"We realized that the 32nd made an outstanding record in World War I and we were determined to defend that record this time. It is that kind of a spirit that makes good soldiers," he declared. "At the outset of the fighting it was difficult for the Army to get medical aid and ammunition to us, to say nothing of food, but our boys fought on regardless of the hardships."

Major Bond wears the Silver Star, the Purple Heart, the Combat Infantryman's Badge and the Presidential Citation. He was nearby when Byron Darnton, New York war correspondent, was killed in New Guinea. Ironically, Darnton fought through World War I with the 32nd Division and was not wounded. He joined the outfit in the second war as a correspondent and lost his life. Darnton and Bond, both from Adrian, were playmates in their childhood.

William Leslie Becker, farmer and livestock raiser, was made a member of the club at Tuesday's meeting. Another guest was Pfc. Max Brandt, who recently returned from the European war theatre.

TIPTON WOMAN FOUND DEAD IN HER HOME

Mrs. Grace Burns, aged 71 years, was found dead in her home in Tipton, Thursday evening. She had suffered from heart trouble for some time and Coroner Mott of Adrian decided death was due to natural causes.

Survivors are one son Maurice of Jackson, a sister Mrs. Chloe Sheeler of Onsted and several grandchildren.

Funeral services were held Sunday at the Dunn Funeral Home in Onsted with burial in Onsted cemetery.

JOHN ARMSTRONG DIES

John Armstrong, aged 62 years, who lived on a farm northeast of Tecumseh for eight years, returning to Detroit two years ago, died last Wednesday at the home of his son Clifford in Detroit.

He leaves the widow, two sons George and Clifford and a daughter Mrs. Thelma Gill, all of Detroit, also his mother and a sister in Ontario, Canada, and several grandchildren.

The funeral and burial were held in Detroit Saturday.

NOTICE

Dr. Brown's Office will be open July 23 at the usual hours.—adv. J-19

YOUR SUBSCRIPTION, IS IT DUE?

Many subscriptions to The Herald are coming due at this season of the year, especially in the Tecumseh area. Please note the expiration date, printed beside your name and address. It will tell you when your subscription expires.

The expiration date is your signal to renew so that your name will not be removed from the list in these critical war days because of the scarcity of paper.

Dynamic Kernels Wheat Harvest Service Scheduled for Saturday

WILL TAKE PLACE AT FRIENDS CHURCH SATURDAY MORNING AT 9 O'CLOCK

Reports coming to the committee in charge of the Dynamic Kernels Wheat Harvest, indicate a large attendance at the service to be held at 9 a.m. (Fast Time) in the Tecumseh Friends church, Saturday, July 21.

The service will open with an organ prelude by Mrs. Ralph Comfort. The Rev. Edward Escolme, pastor, will introduce Mayor J. Floyd Elliott, who will give a word of greeting from the village of Tecumseh. The Rev. Blair Bashore, of the Tecumseh Baptist church, will offer the invocation. Davis Martin, of Dearborn, will lead in a song service, after which Worthy A. Spring, president of Cleveland Bible College, will introduce the Rev. Clifton Robinson of Cleveland. It was he who preached the sermon, September 22, 1940, that inspired the planting of the first cubic inch of wheat. At 9:30 for about 15 minutes, the program will be in charge of Larry Payne, program director and Marshall Wells, farm editor, of Detroit's Radio Station WJR. An interview with Perry and Elizabeth Hayden will be fed into the Columbia network, which will be broadcast over the nation at that time. This particular broadcast, also, will be transcribed at 8::30 Sunday morning July 22 over WJR.

C. D. Finkbeiner, who furnished the original cubic inch of seed, will speak briefly. He will be followed by Charles Figy, state commissioner of agriculture; Vernon Brown, lieutenant governor of Michigan; W. G. Armstrong, master of the Michigan State Grange, and Senator Elmer Porter of Blissfield. A letter of greeting from Governor Kelly will be read. The Rev. John Scarlett, rector of St. Peter's Episcopal church will read the Scripture, and Mrs. Bernice Curtiss of Charlotte, state chaplain of the Michigan Grange, will lead in prayer. The Rev. James Cameron Murdoch, of the Tecumseh Presbyterian church will speak on, "Why I believe in Tithing."

Mrs. Lettie B. Cowman, president of the Oriental Missionary Society, from Los Angeles, and author of "Streams in the Desert" will then speak briefly. She will be followed by Miss Rachel Chilson, field representative of the Friends Mission in Urundi, Belgian Congo, Africa.

A few minutes will then be devoted to introducing some of the outstanding guests who have indicated that they will be present. Among that number will be Coach Fielding H. Yost, of Ann Arbor, Harry S. Myers, secretary United Stewardship Council, of Hillsdale, Tony Weitzel, radio and newspaper commentator, Detroit; O. K. Armstrong, of Springfield, Mo., representing Readers Digest; and Dann Runnells of Grand Rapids, representing the Farm Journal of Philadelphia; Edward Faulkner, author of "Plowman's Folly," of Elyria, Ohio.

Donald R. Falkenberg, president of the Bible Meditation League of Columbus, Ohio, will speak.

The closing fifteen minutes of the service will be turned over to the agricultural committee of the board of supervisors of Lenawee county who will explain the plan for securing approximately four thousand acres for the sixth and final planting of Dynamic Kernels this coming September. Among those who will speak at this time will be: Oakley Zimmerman, chairman of the board, Hudson; Leland Brighton, chairman of the agricultural committee, Onsted; Matt Banner, supervisor, Dover township; John Fatchett and William Seager of Blissfield, Robert Laser, country club leader, will speak, as well as Arthur Ingold of Riga, and Silas Neuroth. The Rev. Norman MacNaughton of the Tecumseh Methodist church will give the benediction.

Following the service in the church, which will be carried to the outside by a public address system, the small plot of wheat in the church yard will be cut. Then the guests will go to the Henry Ford Farms, six miles northeast of Tecumseh to see the 230 acres being cut by combines.

EDGAR KILBY DIES

Edgar C. Kilby, aged 71 years, Clinton township clerk, died Monday at his home in that village where he was born and spent most of his life.

He leaves the widow Addie, and a brother Frank Kilby of Adrian.

Funeral services will be held today at 2:30 at the Hause Funeral Home in Clinton. Rev. John R. Scarlett of St. Peter's Episcopal church will officiate and burial will be in Riverside cemetery in Clinton.

CARNCROSS—GREGG

Miss Donnavee Gregg, daughter of Mr. and Mrs. John Gregg of Hudson, formerly of Tecumseh, and Max Carncross of Prattville, were married Thursday, July 12 at the Church of Christ in Bryan, O., by the Rev. Charles Wells. They were attended by the groom's sister and husband Mr. and Mrs. Wayne Mohr. They will reside on a farm near Prattville.

GUILD MEETS

The July meeting of the Methodist Guild was held at the home of Mrs. Owen Partridge when the young women of the Baptist church were entertained. A picnic supper was followed by games and Mrs. George Parsons who is moving to Lansing was presented with a gift.

There will be no meeting of the Guild in August.

MOTHERS TO MEET

The Service Mothers of World War II will meet Monday evening, July 23 in the Legion hall. Members are to bring scissors, thimble, needle and wool pieces for lap robes.

At Bible School

Miss Eva Clausen and Miss Celeste Richardson opened a daily vacation Bible school on Wednesday morning at nine o'clock, at the Tecumseh Friends church, the school to continue for two weeks. Those experienced workers, who have conducted similar schools in this church, have a varied and interesting program for children up to and including children fourteen years of age. The sessions begin at 9 a.m. No sessions on Saturday.

James A. Cole Dies; Buried In Brookside

James A. Cole, aged 87 years, a resident of Tecumseh for many years, died last Thursday at the home of Mr. and Mrs. Byron Covell where he had lived for six years since the death of his wife Mrs. Nellie Pocklington Cole.

Mr. Cole was born in Washington, D. C. and came to Tecumseh when a child. He was employed by the Rio Grande Railroad in Colorado for 40 years retiring in 1915 when he returned to Tecumseh.

He leaves a brother Samuel Cole in Washington, D. C., and several nieces and nephews.

Funeral services were held Saturday afternoon at the Niblack Funeral Home in Britton, Rev. O. E. Priest officiated and burial was in Brookside cemetery in Tecumseh.

Funeral Services Held For Charles E. Holmes

Charles Edelbert Holmes, aged 29, died suddenly Friday morning at the home of his parents Mr. and Mrs. Lamont Holmes west of Tipton. Charles who was employed at Tecumseh Products Company had worked all day Thursday as usual and during the evening at home complained of a violent headache. He became unconscious about 10:30 and died two and a half hours later without regaining consciousness. An injury suffered in an automobile accident in April is believed by his physician to have been the cause of his death.

Survivors are his parents, one sister Mrs. Helen Whelan of Tecumseh, two brothers Donald of Tecumseh and Robert at home. A brother William was drowned in Keeney's Lake a few years ago.

Funeral services were held Monday afternoon at the Hause Funeral Home in Clinton, with burial in Reynolds Corners cemetery.

W. S. C. S. MEETS

The Methodist W. S. C. S. met last Wednesday at the country home of Mrs. W. G. Waldron for regular meeting and program, followed by a picnic supper.

Mrs. T. Rentschler was in charge of the worship service and Mrs. Jennie Temple gave a review of the book "These Quair Women." It was voted to hold two luncheons and a tea during the fall.

Husbands and families of members attended the picnic supper.

Clinton Nine to Play Indians

INTEREST IN TEEN-AGE BASEBALL AT RECREATION CENTER INCREASES

With interest running high in the teen-age baseball contest at Recreation Center, following a two-in-a-row win by the West End Giants, Coach Fred Raizk, director of the park, announced today that the Giants and their opponents, the East Side Tigers, were pooling their material and would play a picked team from Clinton at Recreation Center at 6:30 this evening. The contest is free to the public and should attract a good crowd.

In last week's contests, the Giants won two in a row from the Tigers to even the series, now tied at four games each. Melvin Murphy continues to be the hitting star, banging out two home runs. Players in these contests must not exceed the age of 14 years.

The recent cool weather has somewhat dampened the spirits of the boys and girls who have been meeting at the Gravel Pit for regular swimming classes, Coach Raizk said. Both the boys and girls have turned their thoughts to baseball, softball and archery. He has announced that the swim classes for both boys and girls will, in the future, meet each Monday, Wednesday and Friday at the Pit from 12 to 2 p.m. A girls' group is now attempting to organize a softball team and anyone interested is invited to join.

The Tecumseh Products team split a double header with the Art Furniture team of Adrian last week in softball contests played at the park. The first game was won by the Adrian team, 2 to 1. The second game ended 1 to 0 in favor of the Products. Herb Morden pitched the first game and deserved to win, but lost on two errors, sufficient to give the Art team a victory. In the second contest, R. Linger pitched for Products, and the team gave him excellent support.

Thursday, the Bruce Foundry team, under the managership of Stan Glisson, defeated the Clinton Machine team, 6 to 0. The Clinton hurler allowed only one hit, but the Foundry boys capitalized on Clinton's errors. Beavers, pitching for the Foundry, gave up three hits.

Friday, the Tecumseh Merchants baseball team defeated a Saline merchants team by a score of 5 to 2. Johnny Harrison did an excellent job of pitching for Tecumseh. A week from Sunday, July 29, it has been announced that a colored team from Ypsilanti will play the local nine at the Center. Much interest is being displayed in these contests and large crowds have been attracted to all games during the past week.

Coach Raizk estimated that between 400 and 500 people availed themselves of the park's recreational facilities during the past week, picnics being very popular. He pointed out that all facilities are free and urged their continued use by the public.

Willis H. Elwood, 69, Dies In Hospital Here

Willis H. Elwood, aged 69 years, a resident of Tipton vicinity for 32 years, died Sunday evening at Tecumseh hospital where he was a patient only a few hours. He had been ill for some time. Mr. Popular was born in Palmyra February 3, 1876, and lived there until moving to his recent home two miles southeast of Tipton.

He leaves the widow Rose, two sons Lester of Detroit and Pfc. Everett M. Elwood at Kearns Field, Utah, three daughters Mrs. Frances Bacher of Tiffin, Ohio, Mrs. Esther Ruth of Hudson and Miss Mary Bessie Elwood; one brother Fred W. Elwood of Lake George, Indiana and four grandchildren.

Funeral services were held Wednesday afternoon at the Collins Funeral Home with Rev. Edward Escolme officiating. Burial was in Tipton cemetery.

Tecumseh Goes On Air As Result Of Harvest

Tecumseh, as a result of the Dynamic Kernels Wheat Harvest here Saturday, is scheduled for considerable radio publicity during the coming weeks, according to Perry M. Hayden.

The General Mills "Hymns of all Churches," radio hour has advised Mr. Hayden that it is scheduling the hymn, "Dear Lord and Father of Mankind," written by the Quaker poet, John Greenleaf Whittier, on its program, today, Thursday, July 19. According to J. Newton Satterthwaite, Whittier made a gift toward the erection of the present Friends "meeting house" in Tecumseh over 50 years ago. This program also will mention Dynamic Kernels, and can be heard over station WXYZ, Detroit, at 12:30 EWT, and over WJR, Detroit, at 2:45 p.m.

Columbia's Country Journal is sponsoring a program over WJR, Detroit, at 9:30 a.m., Saturday, direct from the Friends church. This program will be rebroadcast on Sunday, July 22, at 8:30 a.m., over the same station.

On Thursday, August 2, the American Broadcasting Co., "blue network," will sponsor an interview program with Mr. Hayden, in which Dr. Arthur H. Limouze, executive secretary of the General Council of the Presbyterian Churches of the United States, will participate. This program will be heard at 8:15 a.m., EWT, over station WXYZ, Detroit. A total of 190 stations will carry this broadcast, including WTOL, Toledo.

New Baptist Choir Is Greeted By Large Crowd

A large crowd greeted the first appearance of the St. Cecilia choir at the Baptist church Sunday evening. They wore their new robes for their first appearance. The program was in two parts and during the intermission flowers were presented by Mrs. Dorothy Grigg, in behalf of the choir, to Mrs. Myrtle Gillespie, director and to Mrs. Alice Everhart, pianist.

The program presented was as follows: Processional, "Hymn of United States," Thank God for America" and "Michigan My Michigan," by the choir; "Prayer" by Colleen Davidson, Nerissa Strand and Erma Swain; "There is a Land of Pure Delight," Helen Carter; "My Silent House of Prayer," Jenny Bird, Jane Hoekstra, Priscilla Sisson and Kathleen Powell; "My Task," Donald Everhart; piano solo "Valse Miniature" by Jane Hoekstra; "There's a Rainbow Forming," and "My Cathedral" by the choir; "Prayer Perfect," Kathleen Powell; flute solo "Melody in F" by Dorothy Schumm; "The Lord's Prayer" Priscilla Sisson and Ella Louise Pearson; "God's Garden" Jenny Bird; "Sandman Am a Softly Coming" by the choir; remarks by Rev. B. O. Bashore; "Rock of Ages," Kathleen Powell and Donald Everhart; piano trio, "Toreador Song" by Jane Hoekstra, Dorothy Schumm and Kathleen Powell; "Valley of Love" Helen Carter and Ella Louise Pearson; "My Country is the World" and "Now the Day is Over" by the choir.

A baptismal service was held at the close of the musicale when Kathleen Powell and Dorothy Schumm were baptized.

Dr. W. B. Hartzog Dies; Former Baptist Pastor

Dr. William B. Hartzog, aged 82 years, a former pastor of Tecumseh Baptist church, died Friday at his home in Mason. Dr. Hartzog was ordained in 1886 in the First Baptist church at Spencerville, O., where he held his first pastorate. He later served as president of both the Ohio and Michigan Anti-Saloon Leagues and was a state representative during 1925-27.

His wife Caroline and a son Justin, survive.

Funeral services were held Monday morning in Mason and the body was taken to Spencerville, Ohio, for burial, where prayer services were held at the grave.

Rev. B. O. Bashore, W. J. Morse, Ernest G. Harris and N. C. McConnell attended the funeral in Mason.

PAST NOBLE GRAND

To X-Ray 1,400 in TB Test Here

PORTABLE OUTFIT FROM STATE HEALTH DEPARTMENT EXPECTED TODAY

Some 1,400 Tecumseh folk, adults and children over the age of 14 years, will be X-rayed here in a community-wide health program, sponsored by the Tecumseh Health Education Committee, being launched today. The state's portable X-ray unit from the Department of Health is expected to "set up shop" at the Tecumseh Products Company's plant this morning, where a two-day task of examining employees of that company will begin immediately. On Monday, it is announced, the unit will move to the downtown district, in the Baldwin building, (next to Baldwin's hardware) and will remain there until the work has been finished.

The Health Education Committee announced that a total of more than 1,400 persons already have signed up for the X-ray examination. Of this number, 1,017 are in industry, and the balance in commercial and non-commercial occupations. Local handlers, it was said, have signed up 100 per cent. Industries represented, besides the Products company, include the Tecumseh Refrigeration Sales and Engineering Co., Meyers Aircraft Co., Brewer's, Hayden Flour Mills, Hayden Fuel & Supply Co., Ottawa Machine Products, R. S. Moore & Son Co., Mastercraft Aeronautical Co., Comfort Brick & Tile Co.

The committee has made a rather thorough canvass of the community, urging persons to avail themselves of the opportunity of the X-ray examination to determine whether or not tuberculosis or any other chest disease is active in their systems, but it is likely that not everyone has been contacted. For this reason, it was announced that the examination is free to the public, (anyone over the age of 14 years). In the examination, it was said, all chest conditions, other than TB, also are checked. All findings are confidential and reports are made only to the family physician. Persons who have not yet made an appointment for the examination may do so by contacting his or her family physician, that he may be registered for an appointment.

It takes only a matter of five minutes or less for the examination to be made and appointments are given so that there will be as little delay and waiting as possible.

"This is one of the many services of the Michigan Department of Health which your tax dollar helps to pay," a member of the local Health Education Committee pointed out today in urging a community-wide use of the X-ray equipment. "Other counties have enjoyed this service in the past, but this is the first time that it has been offered to Lenawee county without charge. Every taxpayer helps to provide and make possible this service. To get the most out of it, they should use it."

Persons who do not have a family physician, it was said, may contact Tecumseh Hospital, asking that an appointment be made for the examination.

As soon as the unit is set up in the downtown district, members of the committee and Boy and Girl Scouts will be on hand to assist in the work. The Scouts will act as runners to notify folk in the commercial district as to the hour of their appointment.

Child Study Club members, nurses aides and others interested in the program as well as technicians from the state health department will assist the local health committee in carrying out the details of the program, it was said.

Persons who desire the service of the X-ray clinic, but who do not have transportation, may call Tecumseh Hospital and it will be provided. Calls for registration or transportation may be made beginning at once and through Monday.

UNITED THEY STAND!

Never in the history of American agriculture did the farm owner and operator have to be so well qualified as a business man to make a success of farming. Like all other activity, farming today is conducted under pressure. It is not the easy, peaceful existence many persons like to picture it. It is largely mechanized. In addition to countless regulations and restrictions which complicate its operations, it is subject to political controversy, labor problems, and the weather, which no one can control.

Farming is literally being forced into cooperative action in the marketing and production of crops, as a means of self-preservaton, for the farmer alone is almost helpless to cope with the forces that are continually working against him.

The farmers of the nation have had more uncertainties to contend with, over which they had little or no control, than almost any other industry. Many a farm is now so regulated as to price and output that its entire profit must come from a subsidy check.

This does not mean that subsidies are a sound national policy, or that opposition to them as a national policy should cease. They are the inevitable result of war and debt. They aim to temporarily ease the shock during the transition period when the purchasing power of money falls as cost of production and government climbs. But it is folly to believe that planning which refuses to recognize that political hand-outs in the form of subsidies which seek to hide the true cost of either production, or debt, from the consuming public, will secure a balanced output or a sound economy.

If there is no incentive other than subsidies to encourage a farmer to produce, the American bread basket will suffer accordingly.

Sidewall Shingles and Insulation Will Reduce Your Fuel Bill

In these war days, when our government says that coal bills must be reduced twenty per cent (one fifth) the homeowner is wise who insulates his house and installs sidewall shingles.

Insulation can reduce fuel consumption as much as thirty per cent and sidewall shingles, aside from adding materially to the smart appearance of your home, also make it warmer in winter, cooler in summer.

Why don't you come in and discuss with us the advisability of insulate your home and refinishing it with sidewall shingles? You'll be surprised how cheaply the work can be done and later, how much genuine satisfaction it will bring.

Contrary to some opinions, insulation is not expensive. Sidewall shingles cost but little more than two coats of paint.

4 Steps To High Egg Production During These Hot Summer Months

1—Cull out all the birds with shrivelled combs and yellow legs.
2—Provide plenty of ventilation in your laying houses. Open all doors, windows and ventilators, to provide plenty of ventilation.
3—Be sure the birds and the house itself are free from worms, lice, and mites.
4—Keep HAYDEN'S EGG MASH before your birds 7 days a week. Even if you are a strict Christian, we doubt if your chickens are!

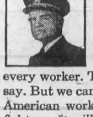
How strong is he? How good is he? How tough is he?

Says General Joseph W. Stilwell:
"The Jap is a shrewd soldier and a tricky enemy. His fighting tricks are countless. He has been learning them for years under the constant, unrelenting system that makes him such a dangerous opponent. The Jap is a tough, determined soldier. Japs will not surrender in masses like the Germans. We must even count on fanatical opposition from the civilian population."

Says Lt. General Holland M. Smith, U. S. Marine Corps:
"The Japanese fighting man may sometimes fight foolishly but he always fights furiously, savagely, ruthlessly. Any notion that such a people will wilt morally, psychologically or economically is quite certainly wrong. Our battles with the Jap will go into Marine Corps history as the toughest of all our time. *Beating him will take the best we've got.*"

Says General Brehon Somervell:
"The war in the Pacific will be hard and it may be long. It will require great effort to defeat the close-knit power of the Japanese. Operations of greatly increased scope in the Pacific will be required to assemble and drive home the preponderance of force necessary to assure the complete defeat of Japan. Until the last Jap has surrendered, the Army Service Forces and those who support us on the home front cannot drop their burden."



Says Admiral Halsey:
"The Japanese are strong. They are tricky. They are hard fighters. It will take all the force America can muster to beat them—every ship, every plane, every soldier, and every worker. The task may be long, how long no one can say. But we can say this: It can be shortened only if every American worker sticks to his job of backing American fighters. *It will take the best every one of us can do to beat Japan.*"

This explanation of the war ahead is published in cooperation with the Armed Forces by
Bruce Foundry & Manufacturing Co.

It's Quality That Counts in These Day of Rationing—
In these days of rationing, when points are scarce—and food is, too—it's quality that really counts when you make a purchase.
Way back in the 1800's, we learned that our customers were vitally interested in quality foods—foods that they could serve without waste.
We resolved then to sell only quality merchandise and we have kept that resolution—come depresion and war.
If you are interested in quality foodstuffs, we'd be happy to serve you. The next time you are downtown, come in and see us.

FOR VICTORY—

WHY 85 MILLION AMERICANS HAVE BOUGHT WAR BONDS

They didn't do it to get $4 for $3, any more than our fighting men are risking their lives for service pay. They did it to save American lives, to save time—because they know that the quickest way to clean and final victory is to overwhelm the enemy with superior equipment—*no matter what the cost.* They did it for America—for Victory. *And they'll keep on buying bonds until victory is won.*

But that $4 you'll get back in 10 years for every $3 you put into War Bonds now is important, too—*mighty* important, both to you and to America. Because we must not only win the war but the peace. And to keep the wheels humming so that there will be jobs for all, we'll need money—all of us. Money for repairs, replacements, education, travel. Money we can draw on *out of reserve—War Bond money.* So for Victory today—and prosperity tomorrow—keep buying Bonds, *and keep the Bonds you buy!*

At a session of said court held in the County Building in the City of Adrian, on the 2nd day of July, A. D. 1945.

Present: HONORABLE G. ARTHUR RATHBUN, Circuit Judge.

In the above entitled cause it appearing that the Defendant, Irene M. Arnold, is a resident of this state and that process for her appearance has been duly issued, and that the same could not be served by reason of her absence from or concealment within the state and by reason of her continued absence from her place of residence; or, that it cannot be ascertained in what state or country the Defendant resides, therefore, on motion of John R. Zeigler, attorney for Plaintiff,

IT IS ORDERED that the Defendant enter her appearance in said cause on or before three months from the date of this Order, and that within forty days the Plaintiff cause this order to be published in the Tecumseh Herald, a newspaper published and circulated within said county, said publication to be continued once in each week for six weeks in succession.

G. Arthur Rathbun
Circuit Judge.

MINUTES OF THE BOARD OF EDUCATION
July 10, 1945

The meeting was called to order by the President, Mr. Touborg. Members present were Mr. Touborg, Mr. Satterthwaite, Mr. Lindsley and Mr. Spafford. Member absent, Dr. Brown.

The minutes of the last meeting were read and approved.

In taking up the matter of the election of officers for the current year it was moved by Mr. Satterthwaite and seconded by Mr. Lindsley that Mr. Touborg be elected President. The motion was carried.

It was then moved by Mr. Satterthwaite and seconded by Mr. Lindsley that Mr. Spafford be elected Vice President. The motion was carried.

A motion was made by Mr. Satterthwaite and seconded by Mr. Spafford that Mr. Lindsley succeed himself as Treasurer.

The Constitutional oath of office was then administered to the members present by the Secretary, Mr. Satterthwaite and the Treasurer, Mr. Lindsley.

Upon motion made by Mr. Lindsley and seconded by Mr. Spafford the bills as incorporated into the minutes amounting to $2,613.02 were approved and ordered paid.

Sealed bids on the coal supply for the current school year as received from the Hayden Fuel and Supply Company and R. S. Moore and Son Company were then opened and read by the Secretary. In view of the fact that the bids agreed as to price and also because of the present shortage in the coal supply, it was moved by Mr. Spafford and seconded by Mr. Lindsley that an order for one car of Semi-Pocahontas egg and one car of stoker coal be placed with the Hayden Fuel and Supply Company and that an order for two cars of stoker coal be placed with the firm of R. S. Moore and Son. The motion was carried.

The Superintendent then presented information regarding an increase in the state grant which has been allowed the school district for planning purposes. Funds available for this purpose on a matching basis now amount to $3,150.00 instead of the $315.49 which had previously been allowed. In view of the increase which has been allowed, it was moved by Mr. Satterthwaite and seconded by Mr. Spafford that the Board of Education place a request with the planning commission for an extension of the time which has been allowed by the commission for the planning. The motion was carried.

The following resolution was then presented and upon motion made by Mr. Satterthwaite and seconded by Mr. Spafford adopted.

WHEREAS, there may now be in and may hereafter from time to time come into the hands of Earl Lindsley, Treasurer of School District No. 7, Township of Tecumseh, Lenawee County and,

WHEREAS, under the laws of Michigan, the Board is required to provide by resolution for the deposit of all public moneys, including tax moneys, coming into the hands of said Treasurer, in one or more banks or trust companies, to be designated in such resolution and in such a manner as may be therein provided:

NOW, THEREFORE, BE IT RESOLVED: That the United Savings Bank, Tecumseh, Michigan be and it is hereby designated as depository in which the said Treasurer is hereby directed to deposit all public moneys, including the moneys, coming into his hands as Treasurer in his name as Treasurer.

The matter of replacing the present small stoker in the Central Building which was purchased when the supply of stokers was very limited, with one of larger capacity was then discussed by the Board members. It was moved by Mr. Lindsley and seconded by Mr. Spafford that the Board of Education investigate further the proposal submitted by the Link-Belt Distributor to replace the stoker on an exchange basis at a cost not to exceed $684.60. The motion was carried.

It was moved by Mr. Lindsley and seconded by Mr. Satterthwaite that the August meeting of the Board of Education be dispensed with. The motion was carried.

It was moved by Mr. Lindsley and seconded by Mr. Satterthwaite that the superintendent be authorized to apply for an advance payment of state aid for the current school year. The motion was carried.

It was moved by Mr. Satterthwaite and seconded by Mr. Spafford that the Superintendent be authorized to make such changes as may be deemed advisable in the opening schedule of school year next fall.

Upon motion made by Mr. Spafford and seconded by Mr. Satterthwaite, the meeting was adjourned.

P. C. Satterthwaite,
Secretary.

SHOOTS WOMAN, KILLS HIMSELF

JEALOUSY BLAMED IN SHOOTING FOR FORMER RESIDENT IN ADRIAN, TUESDAY

A murder and suicide, apparently motivated by jealousy, according to Sheriff Elmer Bringman, cost two lives in Adrian Tuesday.

The dead are:

Mrs. Flora Polley, 26, daughter of Mr. and Mrs. Clifford Campbell of Tecumseh, of late a resident of Dundee and Adrian.

Harry Frances, 57, a Dundee truck driver.

The double killing occurred about 7:45 Tuesday morning on the outside stairway of an apartment at 1136 Frank street, Mrs. Polley's body, with three charges from a sawed-off shotgun in it, lay at the foot of the stair near that of Frances who, after he had killed her, turned the gun on himself.

Sheriff Bringman said that he received a call by phone to hurry to the Dean-Frank street corner, that "there was going to be a murder." When he arrived he found the bodies. Neighbors described the shooting to the officer.

The sheriff said that Mrs. Polley was working in a home in the neighborhood of the shooting as a domestic. Frances came there in search of her early Tuesday. She ran from the house and he followed. When she ran up the steps of the nearby apartment house he fired three times at her, then turned the gun on himself.

Officers say that Frances stayed Monday night at an Adrian hotel, where he registered at A. M. Roe. They also found a telegram sent to Mrs. Polley and signed, "Lawyer C. Roe," asking her to meet him at the hotel for a conference. Mrs. Polley had previously started a divorce action against her husband in Monroe county.

Mrs. Polley's body was removed to the Collins Funeral Home here where services will be held Friday afternoon at 2:30 EWT, with the Rev. Blair O. Bashore officiating. Burial will be in Dundee cemetery.

Mrs. Polley is survived by her husband, Gerald, and a son Ronald, aged 5 years, both of Dundee, her parents here, two brothers, Pvt. Harry Campbell of Percy Jones hospital and Dale at home, and a sister, Betty, also at home, her grandparents, Mr. and Mrs. Walter Campbell of Clarks Lake and Harry Marsh of Concord.

Frances had lived in Dundee for about seven years in a trailer house. He is survived by a wife and three daughters and a son, all of whom live in Toledo. His body was removed to the Braun Funeral Home, Adrian.

POSTOFFICE TO CLOSE SATURDAY AFTERNOONS

The Tecumseh postoffice will start to close at 1 o'clock on Saturday afternoons beginning August 4, P. A. Bowen, postmaster, announced today. City and rural mail deliveries will be made as usual and all mail will be dispatched as usual. The lobby of the office will be open so that mail in postoffice boxes will be available but there will be no window service.

Early in 1942, Mr. Bowen said, the department ordered postoffices to remain open for business all day on Saturday as a war measure. Now, however, they advise closing for the half day, whenever possible.

CRUSADERS CLASS

The Crusaders class of the Friends Sunday school held a potluck supper Monday evening at the church grounds honoring Donald Smith, Navy, Melvin Blohm and Richard Kelly, Army. The three boys being home from the service on furloughs. Richard Kelly was unable to attend the supper.

Dedication of the out-door fireplace to Pvt. Jack Slater, who was killed in action was held. Pvt. Slater was a member of the class.

ERROR IN TIME

In the Kroger advertisement in this issue, the store hours on Saturday are listed at 9 a.m., to 10 p.m. The closing time, however, is one hour earlier at 9 o'clock. The price of Pascal celery also is in error, the correct price being 2 stalks, 29c.

WINS MUSIC HONOR

Jeanette Goodacre, daughter of Mr. and Mrs. Clark Goodacre, has been chosen as a member of the two-week All-State High School orchestra, conducted by the University of Michigan at the National Music Camp in Interlochen from July 23 to August 6.

AT GREAT LAKES

Richard L. Fielder, son of Mr. and Mrs. William Fielder of North Pearl street, is now in training at the U. S. Naval Training Center at Great Lakes, Illinois.

Pfc. Allard Owes Life To Some Fast Thinking

Pfc. George A. Allard of Tecumseh, Michigan owes his life to some fast thinking, a walkie-talkie and a smoke screen supplied by his commander of the 96th Division.

Wounded by machine gun fire and trapped in No Man Land in Okinawa, Pfc. Allard had his unusual experience of radioing back to his comrades for help. He suggested a smoke screen to cover his movements. His buddies were one better, they put up the smoke screen and went forward 200 yards in front of our lines and carried him back to safety.

A few plane trips and he is now under treatment at Billings General Hospital, Indiana. He has been awarded the Purple Heart and Combat Infantryman Badge and is the husband of Mrs. Geraldine Spreeman Allard.

New Electric Shop to Open

WILL BE LOCATED ON NORTH EVANS STREET; HEIDENREICH STORE TO MOVE

Another new electrical supply store will be added to Tecumseh's retail shopping center about October 1 when Forrest Abner of W. Logan street, and Lawrence Blum of Detroit, will open the Tecumseh Electric Supply in the building now occupied by P. G. Heidenreich, 120 N. Evans street.

Mr. Heidenreich has announced that starting next week he will remove his stock and fixtures into the store building immediately south of the Boston Lunch on N. Evans street, and that he will reopen in the new location about two weeks later. The store building has been remodeled to suit the needs of the jewelry shop. The Heidenreich store will not be closed, he said, during the removal process.

Mr. Abner, one of the partners in the new enterprise, has been with the Tecumseh Products Company for about nine years in the capacity of an electrician. Mr. Blum, although working in Detroit, owns a farm northwest of Tecumseh, and he has been associated for many years with the General Electric Company in Detroit, specializing in electric kitchen designing.

The new electric shop will feature General Electric appliances and will do general electrical contracting work, as well as all types of repair work. Mr. Abner has resigned his position with the Products Co.

"We plan to remodel the Heidenreich building to suit our needs for the present. After the war," Mr. Abner said, "we plan to build a new building on the same site."

At the present time, and until the store can be placed in readiness, Mr. Abner is operating from his home at 314 W. Logan street.

GARDEN CLUB PAYS TRIBUTE TO MRS. LENT

Tecumseh Garden Club met Friday afternoon at the home of Mrs. Mazie Waring, with Mrs. Grace Coffey and Mrs. F. C. Dickinson assisting. Twenty-one members attended and Mrs. L. W. Larsen presided. Roll call was answered by each member in memory of the club president, Mrs. Lewis Lent, who passed away recently and Mrs. Neil Pearson conducted a memorial service, with Mrs. R. H. Moore singing "Legacies."

The program consisted of a paper on "Plants of American Origin" by Mrs. Charles Kempf and one on "The Life of Gene Stratton Porter" by Mrs. C. C. Ruppel. Tea was served in conclusion.

POTLUCK LUNCHEON

The Presbyterian Ladies Aid Society met Thursday with Mrs. Harold Wilson at her cottage at Wamplers Lake. Thirty-nine attended and a potluck luncheon preceded the business meeting. The ladies voted to pay $50 toward a rest room for the second floor of the church; also to furnish material for refinishing floors and woodwork in the dining room if the men will do the work.

HOME FROM EUROPE

Pfc. Robert Bailey has arrived in the states after 18 months in the European area and telephoned his parents, Mr. and Mrs. Clyde Bailey last Wednesday night from New York City. He expects to spend a 30-day furlough at his home here.

Kroger Store Is Remodeled

MEAT, PRODUCE DEPARTMENTS ENLARGED; DONALD PARRETT NEW MANAGER

The remodeled and enlarged Kroger Grocery & Baking Company's store on East Chicago boulevard, which was closed for four days last week to permit alterations, is now open to the public with Donald N. Parrett, local resident, in charge. The meat department is under the direction of Melvin Dannells.

Mr. Parrett, well known to many residents here, is the son of Mr. and Mrs. Irving Parrett, Tecumseh. Recently, he has been with the Kroger company in Toledo and Cincinnati, and before that time was with the procurement division of the U. S. Army Air Forces. Mr. and Mrs. Parrett and their two children reside on a farm just west of Tecumseh.

Mr. Dannells is an experienced

Donald Parrett

meat man, having been with the Kroger company for many years, and for the past nine years with the Tecumseh store. He is well known to the Tecumseh trade. With his family he resides on Union street.

The remodeled Kroger store has been so arranged as to make shopping more easy. The produce and meat departments have been enlarged, through the addition of a store room at the rear containing some 600 square feet of space. The entire store has been redecorated.

Mr. Parrett, in making the announcement, stressed the fact that the Kroger company purchases large quantities of Michigan product for sale in its 2,900 stores in 18 states. Kroger's expenditures in Michigan total more than $49,074,000 annually, of which over $37,000,000 is spent for commmodities grown or manufactured in the state. Purchases of Michigan fruits, vegetables, beet sugar, navy beans, potatoes, cereals and flour, meats and dairy products account for most of the amount.

According to his figures, the Kroger company annually pays more than $6,625,000 in wages to Michigan employees, $1,996,000 for state and local taxes, and $829,000 in rents. Advertising for the most part in Michigan newspapers, amounts to $400,000, while another $800,000 goes for repairs.

"Food stores must buy before they can sell and Kroger is one of the American farmer's leading customers," Parrett said. "About 75 cents of the customer's dollar is paid out for farmer's products."

Despite popular impression that food merchandising is more profitable at wartime rices, because cost of living has advanced, he pointed out that annual reports of Kroger show a lower net income on the larger volume of sales. Kroger's latest statement, he declared, shows that the company realizes only 1.2 cents of every customer dollar.

WORLD WIDE GUILD

The World Wide Guild and the True Blue class of the Baptist Sunday school met Thursday evening at the home of Miss Dorothy Schumm. Mrs. Robert Gillespie reviewed the book "Greatest Men in the Bible" after which refreshments were served featuring a birthday cake in honor of Ella Louise Pearson who was presented with a gift from the group.

GALLO—WESOLA

Luigi Gallo and Regina Wesola were married Friday evening at the Gallo home south of Tecumseh. The ceremony was performed by Justice of the Peace Florence Howe and the attendants were Mrs. Bert Dannells and C. W. Howe.

30-DAY FURLOUGH

Pfc. Harold Amstutz, son of Mr. and Mrs. Harry Amstutz, has arrived home from Germany and is spending 30 days furlough with his parents. He will then go to North Carolina to continue training.

Evangelistic Team Presents Rotary Program

Miss Eva Clausen, a native of Denmark, spoke interestingly when she addressed the dinner meeting of the Tecumseh Rotary Club, Tuesday evening at Brees House. She was accompanied by Miss Celeste Richardson, the other member of an evangelistic team conducting a daily vacation Bible school at the Friends church. Miss Richardson sang two solos, accompanied by Mrs. Ralph Comfort at the piano.

Miss Clausen is especially interested in home missions for churches and she told of conditions as they found them in metropolitan and mining areas. The program was in charge of Ralph Comfort.

The Rev. Blair O. Bashore, pastor of the Baptist church here, was accepted for membership in the club at Tuesday's meeting.

Next week's program will be in charge of the Rev. John Scorgieet and the speaker will be the Rev. Mr. Runkel of Christ's church, Adrian.

John Edward McClure Buried In Brookside

John Edward McClure, aged 74 years, died Friday afternoon at the Will home where he had been a patient for six weeks. He had been in failing health for several years. Mr. McClure was born March 1, 1871 in McClure, O., and came to this vicinity 32 years ago, locating on a farm near Billington's Corners. He was a member of Tecumseh Lodge, Knights of Pythias.

Survivors are the widow Anna, three sons Clifford, Herbert and Donald all of Tecumseh; six daughters Miss Fay McClure of Cincinnati, O., Mrs. Bernice Hoekstra of Tecumseh, Mrs. Eleanor Hicks of Monroe, Mrs. Mabel Whistler and Mrs. Vivian Upton of Kalamazoo and Mrs. Helen DeWitt of Springfield, O.; a sister Mrs. Anna DeTray of Adrian and several grandchildren. A daughter Marjorie Hoekstra preceded him in death.

Funeral services were held Monday afternoon at Collins Funeral Home, Rev. Edward Escolme officiated and burial was in Brookside cemetery.

Old Plainsman Is Feature With Circus

One of the featured performers with Mills Bros.' three ring Circus, which comes to Tecumseh on Friday, July 27, under auspices of the U.A.W.-C.I.O., is Buffalo Ben, 82 year old Indian Scout and Plainsman.

Ben is the last of the old time performers who saw the early days of the Wild West Show under the able guidance of Wm. F. Cody (Buffalo Bill) and Major Gordon W. Lillie (Pawnee Bill) and still carries on with his particular brand of entertainment, so entertaining to the present generation as he has for more than half a century.

While Ben's act, that of outlining a lovely lady with steel knives at twenty paces, has not changed through the years, Ben opines that many changes have taken place in the world about him. For instance the horse, man's prime necessity in that almost forgotten past of Buffalo Ben, has grown to be a curiosity. Perhaps one of the reasons Ben is with the circus is because he can be near fine horse flesh as he was in the Halcyon days of long ago, for Mills Bros.' Circus is noted for its fine display of horseflesh in both liberty and manage acts.

Ben is but one of nearly fifty features to be seen here for the first time when Mills Bros.' pitch their tents at the Old Ball Park show grounds for two performances at 2 p. m. and 8 p. m.

FRANK STARK DIES

The body of Frank Stark, aged 61 years, was brought here from Rockford, Ill., for burial Tuesday in Ridgeway cemetery. Mr. Stark, who was a brother of Mrs. Leland Cheever, died July 17 after a long illness. He had visited his sister frequently and was quite well known here.

He leaves the widow Dora, a son James, a daughter Mary the sister, Mrs. Elsie Cheever and a stepson, Richard Hinch.

BIBLE SCHOOL CONTINUES

The daily vacation Bible school being conducted at the Friends church by Miss Eva Clausen and Miss Celeste Richardson will continue until Friday, August 3. The sessions open at 9 a.m. and close at 11:30 a.m. A splendid program is being carried out, and considerable interest is being shown in this school.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Walter Murphy announce the engagement of their daughter Joyce to Pfc. Alan Frolich, son of Mr. and Mrs. Albert Frolich of Onsted.

Cost Must Drop or Price Rise Else Fried Chicken Will Vanish

FARMER'S WIFE DOUBTS THAT CHICKS CAN BE MARKETED AT A PROFIT

"Unless the OPA changes the costs or the selling price of chickens, people sooner or later will get very hungry for fried chicken," writes a local farmer's wife to The Herald, in reply to an article published two weeks ago by this newspaper concerning the scarcity of both chickens and cigarettes.

The writer of the letter, who asked that her name be withheld from print, is well qualified, through long years of experience, to know the cost of marketing chickens but, she reasons: "Personally, I do not approve of black market, but I do want the cost of the feed, and a fair amount for the many hours of labor it requires to raise a few chickens."

Her letter, which will be of interest to many, follows:

As a farmer's wife, I should like to correct some people's opinion about selling chickens. The article quoted recently in The Herald, "The merchant says he was told that the farmer received 40 cents a pound, live weight. The ceiling price is 28 cents."

I obtained a schedule of prices from our OPA office. They are, retail broilers and fryers, 41c; fowl 36c; old roosters, 31c. These are live weight. Dressed run about 7c per pound higher, and drawn broilers and fryers 62c, roosters 59c, fowl 52c.

These prices are not for dealers, who re-sell the poultry, and those wholesale prices are quoted, 'broilers and fryers, .3295, roasters .3295, fowl .2945, old roosters .2545. Live weight.

I usually keep about 125 hens, and sell in the Fall, and each year purchase 225 baby chicks. From my records, the feed bill for hens up to July 1st was $70.39, not counting the grain we used from our bins, which is about equal to the mash purchased. The total cost of baby chicks up to now, has been $111.04, not including the cost of our own grain. We always expect a few losses, but not counting the labor expended to grow these chickens, how could we possibly do it for 28c a pound. Many of our friends have not put in any chickens at all the past two years, and unless the OPA changes the costs, or the selling price, people sooner or later will get very hungry for fried chicken.

If a high salaried war worker wishes to go into the chicken business as a side line for pleasure, he might sell for 28c per pound, but where a farmer works from dawn until dusk, and depends on his livestock and grain for his living, it does not figure much profit, but did you ever hear of a farmer joining the C. I. O. and then striking and letting his American brothers go hungry?

Personally I do not approve of black market, but I do want the cost of the feed, and a fair amount for the many hours of labor it requires to raise a few chickens.

MRS. JOHN CALHOUN DIES AT CLINTON HOME

Mrs. John Calhoun, aged 65 years, died Thursday at her home southeast of Clinton after a long illness. She was a member of the Congregational church and Clinton chapter, Order of the Eastern Star.

She leaves the husband, one son Harold and a granddaughter at home and a half brother Leslie Harlow of Addison.

Funeral services were held Sunday afternoon at the Hause Funeral Home in Clinton. Rev. W. H. Skentelbury of Chelsea officiated and burial was in Riverside cemetery.

TO RETURN TO U. S.

After 18 months service in Italy with the 15th Air Force, T/Sgt. Woodrow F. Green, husband of Mrs. June Costigan Green of West Chicago Blvd., will soon return to the United States with the veteran 454th Bomb Group to receive additional training and equipment before embarkation into the Pacific area.

POTLUCK AT LAKE

The Past Matrons' Club of Tecumseh Chapter, Order of the Eastern Star, will be entertained Sunday, July 29 by Mr. and Mrs. Ira G. Metcalf of Morenci at their cottage at Devils Lake. All members and their families and guests are invited. Potluck dinner will be served at one o'clock.

GETS PROMOTION

Ned Rosacrans, son of Mr. and Mrs. Leon F. Rosacrans, who is located at East Orange, New Jersey, has been promoted from First Lieutenant to Captain in the Adjutant General Division of the U.S. Army. The promotion was effective July 21.

Approximately 1,400 Are X-ray at Clinic Here

Approximately 1,400 men, women and children underwent X-ray chest examinations in Tecumseh during the past week as the result of a health program, launched by the Tecumseh Health Education Committee, cooperating with the Michigan Department of Health.

The state's portable x-ray unit arrived here last Friday and immediately set up at the Tecumseh Products Company, where all employees were x-rayed. On Monday the equipment was moved to the Baldwin building in the downtown istrict and several hundred persons responded for examimations during the first three days of the week. The program ends today.

Mrs. Richard Preston, chairman of the Health Committee, said that the state was much pleased with the response the program had received. The work is done without cost to the public and after the films are examined by state doctors family physicians are notified of the diagnosis. While the tests are primarily given to determine whether or not tuberculosis is prevalent, the pictures also make possible the discovery of other chest and lung ailments.

Finds Old Copy Of Local Atlas

HAS MANY PICTURES OF TECUMSEH AND SURROUNDING TOWNSHIPS OF COUNTY

R. G. Thielan of Tipton, has in his possession a copy of "The New Historical Atlas of Lenawee County, Michigan," published in 1874 and completely illustrated. The book was found by Mr. Thielan, who is employed in the Tecumseh A & P Store, in an old barn which was being torn down, many years ago.

Aside from many maps, the book contains a complete history of Lenawee county, which at that time had a population of 45,945, "consisting mainly of citizens born in the state of Michigan."

Pictures include those of John J. Adams, C. A. Stacy, John L. Tallman, Alfred D. Hall and Dr. Samuel Catlin of Tecumseh, Woolson Cohfort, Benjamin Kelley, Jacob Watson and John Richard of Raisin township, and David Brooks and D. Woodward of Clinton. The pictures are made from wood etchings. There are many pictures of the farm homes of prominent rural residents.

The S. W. Temple residence and lumber yard in Tecumseh are prominently displayed as are the Bidwell block, (now Palman's store), the Slayton Lumber & Lath factory, and the Lenawee Carriage Factory, of which J. R. Hisley was the proprietor, located where now stand the Boyce apartments on S. Pearl street.

There also are pictures of the Exchange Hotel, on the site of Moore's Lumber Yard, the Thos. Cummins Carriage Factory, at Kilbuck and Evans street, then the oldest manufacturing plant in the county, the W. & H. E. Anderson dry goods store, where Des Ermia's is now located, and the residence of P. Bills on E. Kilbuck street. There are pictures of the Union school, where the high school now stands, and the residences of F. B. Wood, Logan at Union, and Hon. C. A. Stacy, known now as the Turner home, W. Chicago boulevard.

The book is in a good state of preservation, although its pages are commencing to yellow. So far is as known, there are probably not more than a dozen of the books to be found in the county.

GRANGE TO MEET

Tecumseh Grange will hold a regular meeting this evening. Mrs. Phyllis Patterson will be in charge of entertainment and the refreshment committee is composed of Mr. and Mrs. George Everett, Mr. and Mrs. Wade Hendershot, Mr. and Mrs. Carl Hawkins and Mr. and Mrs. Percy Cadmus. Members are to bring cake or cookies.

BUILDINGS PAINTED

The old Lilley bank building and the Tecumseh Candy Kitchen buildings were brightened up this week with fresh coats of paint. The work was done with Ben's spray painting equipment and required less than two days.

HOME FROM GERMANY

Corp. Gerald Acker has returned to the states from Germany and arrived home Monday to visit his mother Mrs. Henry Wilson. After a 30 days furlough he will be assigned to duty in the Pacific. His twin brother Pfc. Harold Acker is

Biblical Wheat Harvested Here

CHURCHYARD PLOT CUT WITH SICKLE; FIELD HARVEST BEGAN TUESDAY

Although the weather delayed the harvesting of the 230-acre Dynamic Kernels Wheat Crop on Ford Motor Company land near Macon until Tuesday of this week, a ceremonial cutting of the grain was held at the Tecumseh Friends Church, Saturday, when a four-by-eight plot in the churchyard, planted last fall with a cubic inch of wheat, was cut by sickle as scores of persons, including Lt. Governor Vernon J. Brown, looked on. The 230-acre field of wheat was not sufficiently ripe to permit reaping on Saturday, it was said, and the work of harvesting the crop with a fleet of combines did not begin on the Ford property until day before yesterday. No estimate of the yield has yet been made, but it is expected to be between 4,000 and 5,000 bushels.

Dynamic Kernels Wheat was originated in 1940 by Perry M. Hayden, president of the Hayden Flour Mills here, after he had listened to a sermon, preached in the local Friends church, on planting and tithing. It was in that year that he planted the first cubic inch of grain, each successive year harvesting the crop, giving a tithe to his church and replanting the remainder of the wheat. Last year's harvest required 230 acres of land for replanting and this fall it is expected that it will require between 4,000 and 5,000 acres to plant the crop which will be combined in 1946. The final harvest should yield well over 100,000 bushels.

At the church program here Saturday, Mr. Hayden acted as master of ceremonies and introduced visiting guests after they had been welcomed by Mayor J. Floyd Edlott. These included Lt. Gov. Brown, Charles Figy, state commissioner of agriculture, W. G. Armstrong, master of the Michigan Grange, and Elmer Porter, state senator, of Blissfield. Mr. Porter read a letter from Gov. Harry Kelly, who was unable to attend, wishing success to the project. Mr. Hayden and his wife also were interviewed by the CBS network, for nationwide broadcast. The Friends church was filled to overflowing and a loud speaker carried the program to the churchyard.

After the ceremonies the crowd moved to the churchyard plot where Leland Bridgman, chairman of the agricultural committee of the board of supervisors, cut the miniature field of grain with a sickle. Bundles of the grain were presented to each of twelve persons representing the clergy, the Pomona grange, the county government and the 4-H Clubs, and later the wheat was bound into a sheaf by Senator Porter.

The sixth and final planting of Dynamic Kernels this fall for next year's harvest will be handled with the assistance of Lenawee county farmers, Mr. Hayden has announced. With the cooperation of the county board of supervisors and the 4-H Club Council, the wheat will be sold to cooperating farmers at market prices. At harvest time next year, farmers will give a tenth of their individual crop to the church of their choice and five per cent to the Dynamic Kernels Foundation, of which Mr. Hayden is the president. One-half of the Foundation share will be given to the Lenawee County 4-H Club Council for use in expanding and improving the Junior Project building at the Lenawee Fair Grounds, Adrian. The remainder goes to the farmers.

PRISONERS OF WAR MUST NOT FRATERNIZE

Lifting of the fraternization ban in Europe does not extend to German prisoners of war in this country, Major General David McCoach Jr., Commanding General of the Sixth Service Command, said today.

He again reminded Army personnel and contractors employing the prisoners that War Department restrictions had not been eased and that the prisoners would be removed from jobs where it is impossible to prevent fraternization.

Some 19,000 prisoners are now at work in essential agricultural and canning projects in more than 60 communities of Illinois, Michigan and Wisconsin. The prisoners are used only in places where the War Manpower Commission has certified no civilian help is available for the work.

Approximately 2500 German prisoners of war are now engaged in agriculture and food processing in Southern Michigan.

WHY DO WE WORRY?

Each day we hear an expressed desire for the end of the war, the return of our sons from battle and a longing for "the good old days" when there was no government controlled of so-called free enterprise. Right now there is a movement on foot to halt government control of prices and, after the war, a determination to bring to an end government's regulation of business. This movement is being met head-on by another group who contend that to discontinue price regulation and to allow business to run along unfettered would quickly bring on ruinous inflation.

We can't expect a free and easy American life with the risks it involves and the opportunities it offers, under a controlled economy. The greatest safeguards the United States has against inflation are its manufacturers who produce on a low-cost basis, and its system of mass retail selling which distributes at a low unit-profit. Such a system before the war gave our nation the greatest customer service in the world. But it can't do it under an arbitrary price control plan, now or after the war.

BUDGET YOUR INCOME
with a Checking Account

* * *

Many folk say that it is difficult for them to operate on a budget; it is so easy to forget where and for what they spent their money.

To those folk we advise the use of a checking account.

When you pay bills by check you not only do it the convenient way—by mail if you desire—but your check is a receipt for the money spent, your check stub is a permanent record of where, when and for what the money was expended.

Come in and discuss the opening of a checking account with us. You'll find its very, very convenient.

The Kiddies Are Welcome to Shop at Our Store—

If you are busy at home and need groceries from our store, send the children with a note, and we will do the rest.

Children have been shopping at our store for many, many years. Some of today's children are the sons and grandsons of family heads who, as children, shopped here, too.

Children are always welcome in our store. They receive the same careful attention as do the grown-ups. We always try to please them because we realize that today's children are tomorrow's adults.

HASTEN TO HAYDENS!

Time goes so quickly. . . . .

Before you know it, the runty boy in knee pants has sprouted into manhood.

The freckle-faced girl in pigtails is a stately woman, walking to the altar on the arm of her father.

The "baby of the family" is packing up for her first year at the University.

Time goes so quickly. . . . .

But time moves all too slowly for us as we long for the return of our loved ones, boys who used to come into our store with their mother's grocery order, for a few hot-dogs for a picnic supper and later, perhaps, with a grocery order of their own.

We want these boys to know that when they come back to Tecumseh we'll be waiting for them—waiting to fill their grocery order, courteously and promptly.

The war is shattering nerves but we have resolved that we will never be too busy to treat our customers with courtesy; to take a minute off for a friendly chat, to do a friend a good turn if he needs it.

When you get back from the war, we want you to come in and visit us. We'll be waiting for you. In the meantime, our message to the folk on the home front is to "buy and hold" war bonds to their financial capacity. They are the best security for future happiness that we know about.

REPORT OF THE SECRETARY TO SCHOOL DISTRICT NO. 7 TECUMSEH, MICHIGAN

Your secretary is pleased to present at this time the following statement taken from the report of the auditor Mr. E. W. Smith, C. P. A. who was employed by the Board of Education to audit the school books and records.

"We have examined the books and records of your school district for the fiscal year ended June 30, 1945 and submit the following herewith:

Statement of Receipts and Disbursements for Fiscal Year ended June 30, 1945.

Statement of Receipts and Disbursements for Funds held in Connection with Extra Curricular Activities.

Recapitulation of Extra Curricular Receipts and Disbursements.

In connection therewith, we have reviewed the system of internal control and accounting procedures, and without making a detailed audit of the transactions, have examined or tested accounting records and supporting data by methods and to the extent to satisfy us that errors of magnitude have not occurred.

All recorded cash receipts were traced to the bank accounts reconciled with the bank.

The collection of taxes was verified by personal contact with the township clerk, and found to be properly recorded.

During the year the last bond of $1500.00 on the purchase of the Athletic Field was retired. This School District has no indebtedness of any kind at this date.

All insurance policies were examined by us and in our opinion the property of the school district is covered for fire, windstorm, boiler and compensation insurance in sufficient amounts. The treasurer is under $10,000.00 bond.

All liabilities of the school district have been paid except the regular current accounts.

All disbursements of cash have been authorized by the proper officials and supported with proper data.

We have examined the records of the Treasurer and find them in agreement with the records kept by the bookkeeper.

During the fiscal year $9,151.68 was collected from different sources in connection with extra curricular activities and $8,714.66 disbursed from these various funds. The items are small and the system of internal check is very good. None of the people handling these funds are under bond, and due to the small amounts handled at a time we doubt the need of it.

The books of the district are very well kept, correct in detail and any information desired is readily obtainable."

Respectfully submitted,
Edward W. Smith & Company
P. C. Satterthwaite, Secretary.

ANNUAL SCHOOL MEETING, DISTRICT NO. 7 TECUMSEH HIGH SCHOOL
July 9, 1945

The meeting was called to order by the President of the Board of Education, Mr. J. Touborg.

The minutes of the last annual meeting were read and approved.

The report of the Secretary, Mr. P. C. Satterthwaite was read and upon motion made by Mr. J. Saling and seconded by Mr. C. L. Dickinson approved.

The report of the Treasurer, Mr. E. Lindsley was read and upon motion made by Mr. H. H. Hanna and seconded by Mrs. Pauline Moore approved.

Superintendent Berkhof presented his annual report which emphasized the activities of our schools during the past year and also called attention to a number of specific school plant needs which are becoming increasingly important. This report was upon motion made by Mr. L. R. Titley and seconded by Mr. P. M. Hayden ordered placed on file as a part of the record.

The report of the librarian, Miss Ruth Harding, was read and upon motion made by Mr. M. L. Dannells and seconded by Mr. J. Saling accepted and placed on file. In her report Miss Harding presented a very fine detailed analysis of the service rendered by the library to the community during her first year as librarian.

The annual report of the Recreation Board was given by Mr. Fay Whelan and upon motion made by Mr. C. L. Dickinson and seconded by Mr. H. H. Hanna ordered placed on file. The report included a financial statement showing receipts including balances for the fiscal year amounting to $4,835.96 and disbursements in the amount of $3,506.49 leaving a cash balance of $1,329.47. In the report Mr. Whelan also called attention to the summer recreation program which is again being sponsored by the Board for the citizens of the community.

The terms of office of Trustees Mr. Perry Satterthwaite and Mr. John Larsen having expired the meeting then proceeded to the election of two trustees to fill the vacancies. The name of Mr. Satterthwaite was placed in nomination by Reverend Edward Escolme. There being no other nominations it was moved by Mr. H. H. Hanna and seconded by Mr. P. M. Hayden that the nominations be closed and that the unanimous vote of the meeting be cast for Mr. Satterthwaite to succeed himself. This motion was carried.

A call was then made for nominations to fill the vacancy caused by the expiration of the term of office of Mr. John Larsen. The names of Mr. Jerry Spafford, Mr. Clarence Gilman, and Mr. C. R. Dustin were placed in nomination by Mr. J. Saling, Mr. O. W. Laidlaw and Mr. L. Rosacrans respectively. There being no further nominations, it was moved by Mr. J. Saling and seconded by Mr. F. Whelan that the nominations be closed. The motion was carried.

The President, Mr. Touborg, appointed Mr. Edward Escolme, Mr. H. H. Hanna and L. H. Titley to serve as tellers. A ballot was taken in which 79 votes were cast of which Mr. J. W. Spafford received 42, Mr. C. W. Gilman, 29, and Mr. C. R. Dustin, 8. Mr Spafford having received a plurality of votes cast was declared elected as trustee of the district for the ensuing three years.

There being no further business the meeting was upon motion adjourned.

P. C. Satterthwaite, Secretary.

NO WONDER A WOMAN'S WORK IS NEVER DONE!

Sweep and dust! Mop and scrub! It's certainly discouraging to try to keep a home clean, with soot and dirt continually settling on walls, draperies, furniture and rugs.

Yet there IS a way to keep your home clean . . . and without all that drudgery! Have a PREMIER Winter Air Conditioner added to your warm air furnace, and your heating plant will do most of your cleaning for you!

This PREMIER Unit filters the air in your home, removing countless particles of dust, soot and ash. By means of a powerful, quiet blower, the air is drawn from the rooms through the cold air pipes, passed through the large, efficient filters, then warmed and returned to the rooms, at the rate of 4 to 7 complete air changes per hour! You virtually never have to dust, and the fuel saving soon equal your entire investment. Inquire today about this new, moderately priced PREMIER Add-on Conditioner.

CONVENIENT TIME PAYMENTS . . . . . FREE ESTIMATE

IS YOUR PRESENT FURNACE EFFICIENT?

If you are thinking about replacing your present heating plant, see us before you buy. We deal exclusively in Premier Steel Furnaces. You'll find our prices right, our service prompt.

HAVE YOUR FURNACE INSPECTED AND CLEANED

Now is the time to have your furnace inspected and cleaned. If your present heating plant needs repair, let us do it this summer. Don't wait 'till fall. Repair parts are difficult to obtain.

Diphtheria is On Increase

CASES OF UNDULENT FEVER, TOO, HAVE MORE THAN DOUBLED, REPORT SAYS

Although this section of Lenawee county is comparatively free of diphtheria and undulent fever, cases of both diseases have more than doubled in Michigan during the first six months of 1945, and scarlet fever and gonorrhea, both unusually high in 1944, are still higher this year, according to Dr. Wm. De Kleine, state commissioner of health.

In the first six months of this year, the state announced, 282 cases of diphtheria were reported and, 123 cases of undulent fever. There were 6,937 cases of gonorrhea and 6,794 cases of scarlet fever. In the first six months of 1944, there were 136 cases of diphtheria, 46 cases of undulent fever, 5,727 cases of gonorrhea and 6,386 cases of scarlet fever.

In spite of these four increases, Dr. De Kleine considers Michigan's communicable disease situation very favorable for war time.

Diphtheria, which is most serious of Europe's wartime diseases, has been gradually increasing in Michigan since 1942. Because of the rising number of cases among older children, authorities stress the importance of a "booster" dose of toxoid for all children before their first year in school. This is on the assumption that every child is given the protection of diphtheria during infancy. The most alarming aspect of diphtheria in Michigan at present, Dr. De Kleine said, is that the disease, which normally tapers off in the warm months, has remained high throughout June. If this continues Michigan will enter the diphtheria season, fall and winter, with a large number of carriers.

Banks Bulging With War Cash

INDIVIDUAL DEPOSITS HAVE INCREASED FROM $448 TO $1,029 IN 4 YEARS

If you still persist in the fable that we don't have inflation, ponder this:

Michigan state banks are bulging with money. Savings deposits of individuals have soared during the past four years, June 30, 1941, to June 30, 1945, from $448 to $1,029 million dollars. Total deposits are now 2,103 millions, of which 1,388 millions are invested in government bonds and 426 millions are in cash due from other banks and reserves from federal reserve banks.

These figures, dry as they seem, and vouched for officially by William Nelson, state banking commissioner at Lansing, attest to the degree of inflation which exists in Michigan today.

Add to this the many millions of war bonds, purchased and held by Michigan citizens, and you get a fairly good idea of the tremendous accumulation of buying power which could burst like a tidal wave upon Michigan retailers after V-J Day. It indicates the seriousness of the present threat of MORE inflation, and it poses a problem to all thinking Americans who don't want to see their investments depreciated, and possibly wiped out, by sky-high prices.

"In the average agricultural state, such as Iowa and Nebraska, the wartime increase in individual savings deposits has been moderate," said Mr. Nelson.

"Michigan's concentration of war industry accounts in part for Michigan's savings boom. I do believe that Michigan farmers, mindful of the recent depression are more cash-minded than farmers in other states. Our rural banks now show substantial increases in saving. Farmers are thrifty."

Nelson pointed to a Babson earnings index, national in scope, which showed 58.1 for the low level of 1933; 116.9 for the 1929 boom peak; and, as of Jan. 1, 1945, the record-breaking high of 1934. Citing statistics of Michigan bank deposits compiled by his department, Nelson said, "Michigan's inflationary trend has been practically continuous since Pearl Harbor."

Other inflation signs, from reliable sources:

Nationally, the seventh war loan quota of $14 billions was topped by $12 billions, a total of more than $26 billions. E bond sales came within 6/10 of one per cent of the $4 billion goal.

Americans have increased their individual assets about $65 billions since the end of 1939. They hold three times as much cash as at the end of 1939. In addition, individual holdings of government bonds have increased $35 billions.

Business enterprises, incorporated and unincorporated, have increased their holdings in cash, bank deposits and government securities by more than $40 billions since the end of 1939.

American agriculture is BIG business, so reports the U. S. department of agriculture in a new report, "The Balance Sheet of American Agriculture, 1945."

Farmers' assets now total 90 billions; may be 97 to 99 billions by 1946. Cash on hand totals 11.6 billions. . . .188% more than farmers had just before the war. . . . 20% increase over 1944. Liquid assets, bonds and cash, will run about 15.5 billions. Compared to this farmers owe less than 9 billions for a net worth of about 82 billions, just 87% more than in 1941, four years ago!

Returning veterans who contemplate purchase of a farm are urged to consult the local county agricultural agent and the county land use map before signing on the dotted line. This advice comes from the agricultural committee of the Michigan state planning commission, as a result of rising price inflation of Michigan farm lands.

Quoting the financial editor of the New York Times: "The threat of inflation is greater at the present moment, on every possible evidence, than it has ever been since the Civil war."

Bank Commissioner Nelson points to these encouraging signs: Many peple still remember the Michigan bank holiday . . recall the long depression with bread lines and hard times . . . and are going to pay off their debts now, hold on to war bonds and bank deposits later. While some people may squander money foolishly, they're in a minority, as Nelson sees it.

Believe Corporal Gee Drowned In Uhr River

Mrs. George Rubadou received a letter last Friday from a chaplain in the company of which Corp. Thomas Gee was a member. Corp. Gee was reported missing February 7, and on July 3 was reported dead. The chaplain wrote of his being missing after crossing the Uhr River into the German Seigfried line. It is thought he was drowned in the fast and furious stream. The chaplain's letter told of ceremonies held for those boys who lost their lives.

Church-Going Is On Increase

LOCAL BAPTISTS ARE OUTLINING INTENSIVE SUMMER PROGRAM

The national trend toward increased church attendance is being reflected locally in the First Baptist church. The church is now recording the best summer attendance in 35 years. A religious educational program for the ever-increasing number of people is being made effective by the Sunday school department with Donald Everhart as superintendent.

The recently organized Happy Home Builder class is made up of the young married people. This class has shown excellent progress since its beginning. The True Blue class boasts a steady and increasing attendance. These young ladies under the leadership of Mrs. Myrtle Gillespie, have just completed a sewing kit project and are planning more for the coming months. The St. Cecilia choir, which includes this group, recently made their first appearance in new choir robes, On September 9 they will appear at the Tipton church.

As a part of their program the Men's Baraca class is giving books regularly to the local library. The latest book was Mayek's "Road to Serfdom." The Good Cheer and Ever-Ready classes are also working on their programs for the fall and winter months. The B.Y.F. Gospel team will meet with the local group Sunday evening. The Ladies' Union, Good Cheer class, and the Men's Baraca class will meet with Mr. and Mrs. Floyd Bryan Thursday evening at 7:00 for a potluck supper. A report of the Women's Conference Party at Kalamazoo will be given. Rev. Jackson, a former pastor here and his wife will be special guests at the meeting.

The vacation Bible school for the primary and junior departments will be held during the last two weeks in August with Mrs. Myrtle Gillespie in charge. She will be assisted by Miss Ellen Snedecor, Mrs. Iva VanValkenburg, Mrs. Florence VanValkenburg and others. The winter program will also include special recreational activities for the young people.

The summer church schedule has been outlined as follows: On Sunday, August 12, Rev. O. V. Robinson of the Burton Street Baptist church in Grand Rapids will conduct the church service. Rev. Robinson was a former pastor here. The St. Cecilia choir will sing. On August 19 the service will be conducted by the Gideons. The loose offering will go to the Gideon cause. On August 26 the young people will be in charge of the service at which time reports of the W. W. G. House Party at Kalamazoo will be given. There will be no service September 2.

W. S. C. S. TO MEET

The Methodist W. S. C. S. will meet Wednesday afternoon, August 8 at 2 o'clock at the home of Mrs. C. C. Ruppel, 15 West Brown street. Miss Elizabeth Beamish will conduct devotions and a round table discussion on "Methodists Cooperate in Latin-America" will be led by Mrs. W. G. Waldron. Roll call will be answered with "Products of South America."

GRANGE PICNIC

Tecumseh Grange at its regular meeting Thursday evening, made plans for a picnic to be held at Wamplers Lake state park on Thursday, August 16, with the home economics committee in charge of the dinner.

Mr. and Mrs. George Everett and Mr. and Mrs. Clarence Hunt were appointed delegates to the Pomona Grange meeting to be held in Adrian, August 9.

Biblical Wheat Is Harvested

YIELD OF SLIGHTLY MORE THAN 21 BUSHELS TO ACRE IS REPORTED

Dynamic Kernels Biblical Wheat Crop, harvested last week from 230 acres on Ford Farms near Mason, produced 4,868 bushels of grain, an average of 21.17 bushels to the acre. The crop, at the present market price of $1.57 a bushel, should bring $7,552.85, after making an allowance of five per cent of the crop to be screenings. Bin measurements were used to arrive at the total.

The wheat was harvested last week by Ford employees with the aid of 40 combines, powered by Ford tractors. Eight trucks were used to carry the grain from the field to the granaries. The entire cutting was completed in an afternoon.

This was the fifth crop of Dynamic Kernels, harvested on Ford land. It was originally planted by Perry M. Hayden, president of the Hayden Flour Mills here, to prove the two Bible verses, John 12:24 and Malachi 3:10.

According to Roy Decker, head of the farm crops department of Michigan State College, the average yield for the state of Michigan for the past 12 years has been 20.3 bushels per acre, with an estimated seeding of six pecks per acre. This is an average fold increase per year of 13.5. Thus, based upon Mr. Decker's figures, and allowing 2,150 cubic inches per bushel, one cubic inch of wheat planted in 1940, if replanted in its entirety—not deducting a tithe—should have produced in 1945, a crop of 207.9 bushels of wheat. Mr. Hayden, the originator of the project, points with pride to the 4,868 bushels which have resulted after four tithes have been paid.

After the tithe of 486.8 bushels, having a value of $750.66 has been paid to the Tecumseh Friends church, which has already voted to buy some piece of needed equipment for the Tecumseh Hospital, the remaining seed will be replanted by Lenawee farmers. In 1946 the cooperating farmers will each pay a tithe to their own church, and 5 per cent to the Dynamic Kernels Foundation, on-half of which will in turn be paid back to the Lenawee County 4-H Council Building Fund. Hayden expects $10,0000 crop of wheat from the Lenawee county project in its sixth and final year in 1946.

Adrian Rector Speaks At Rotary Meet Here

The Rev. Gilbert A. Runkel rector of Christ's Church, Episcopal, Adrian, was the guest speaker at the regular dinner meeting of the Tecumseh Rotary Club, Tuesday evening at Brees House. He was the guest of the Rev. John R. Saarlett, rector of St. Peter's Episcopal church, here.

The Rev. Mr. Runkel discussed world affairs, especially the rise of Fascism in Europe and declared that World War No. 2 will settle nothing, regardless of military victories, unless the moral and religious standards of civilization are lifted above greed and selfishness.

Wade L. Jones, chairman of the program committee, announced that he is endeavoring to arrange a date with Congressman Earl C. Michener, home from Washington on vacation, as next week's speaker.

Technician Arrives At Tecumseh Hospital

Mrs. Patricia Williamson of Toledo, arrived here yesterday and took over her duties as technician at the Tecumseh Hospital Laboratory. Formerly, Mrs. Williamson was at St. Joseph's Hospital, Ann Arbor, and of late has been with Dr. Bernard Steinberg of Toledo, director of the Toledo Research Laboratories, Dr. Steinberg also directs the laboratory here.

Miss Gertrude Spaulding, superintendent of the hospital here, said that practically all needed equipment for the local laboratory is now in place and that she hopes that that division of the hospital will be functioning smoothly within the next ten days or two weeks. After that time, she said, all needed laboratory tests will be made at the hospital here, saving much time for both patients and psysicians.

Equipment for the laboratory was purchased by the Hospital Auxiliary, made up of a group of women interested in the hospital's progress.

Young Indians Down Clinton

KID BASEBALL GAMES GROW IN POPULARITY; SEEK TILT WITH ADRIAN

The East Side Giants combined their talents with the West Side Tigers for a two-game series with a baseball team from Clinton, at Recreation Center, last week, and the youthful Indians took both games by the lop-sided score of 15 to 0 and 19 to 1. All teams were made up of teen-age boys.

Melvin Murphy, local hurler, allowed but one hit in both games while his teammates supported him with a barrage of hits—eleven in the first game and 14 in the second, making only four errors. Melvin Murphy led the hitting attack in both games with four triples. Lee Phibbs was next with a single, double and a home run and John Cameron made two singles, a double and a triple.

The lineup was as follows: R. Henkel, ss; Lee Phibbs, 3b; D. Van Winkle, 2b; M. Murphy, p; Duane Murphy, c; J. Cameron, 1b; Y. Wilson, lf, Jerry Judd, rf; D. Beasley, cf; Dave Murphy, cf.

Incidentally, the local Indian youngsters are looking for more outside games to be played at Recreation and they are especially anxious to contact an Adrian team.

In the East-West series here, the East Enders won the first 10-game program with six wins. The second series of 10 games begins this week.

The church softball league, playing at Recreation, has "gone by the board" but the Products, Foundry and Quaker Oats teams have been keeping the diamond busy playing out-of-town opponents. The Products lost two games on Wednesday of last week, Dove Brothers of Adrian shutting them out 5 to 0 and 8 to 0. Lledo, Dove pitcher, allowed only three hits in both games. Foundry lost a tough battle to Westgate-Condra on three errors, 5 to 4.

In the tennis tournament, the first round to be completed by August 10, Sonny Mason will play Perry Satterthwaite, Art Hoff against Bill Mullin, Joe Springer against Norm Conser and Lefty Fosbender against Keith Barron. The second round will be finished by August 17 and finals by August 24.

Recreation Center is open to the public every evening and its facilities are free. These include volley ball, archery, horseshoe pitching, kick football, etc. There also are picnic tables and stoves.

State Sounds Polio Warning

TONSIL OPERATIONS BANNED BY HEALTH BOARD UNTIL LATER IN YEAR

Lenawee county hospitals and doctors are cooperating with the State Department of Health in banning tonsil and adenoid operations until later in the year when the infantile paralysis season is over, it was said today. Dr. William De Kleine, state health commissioner, issued a request that such action be taken.

"Careful study has shown that such operations, when done during an epidemic, tend to increase the danger of contracting infantile paralysis in its most serious form," the commissioner sead.

Dr. DeKleine says this advice is based on statements issued by the American Medical Association and the National Foundation for Infantile Paralysis, and by leading laryngologists.

Through July 13 this year there were only 15 cases of polio reported in Michigan, exactly the same number that occurred for that period last year. The upswing in cases usually begins around the middle of July in Michigan, Dr. DeKleine said, and the polio season ends in late September or early October.

No not assume that a stomach upset with vomiting, constipation, diarrhea, severe headache or signs of a cold and fever are of no importance. These may be among the first symptoms of infantile paralysis. All persons sick with unexplained fever should be put to bed and isolated. Call a physician promptly. Proper care from the onset of the disease may mean the difference between crippling and good recovery.

Other simple precautions for the polio season; Avoid overtiring and extreme fatigue from strenuous exercise. Avoid sudden chilling such as would come from a plunge into extremely cold water on a very hot day.

Pay careful attention to personal cleanliness, such as thorough hand washing before eating. Do not swim in polluted water. Maintain community sanitation at a high level at all times.

Avoid all unnecessary contact with persons with any illness suspicious of infantile paralysis.

FRIEUDS BIBLE SCHOOL WILL CLOSE ON SUNDAY

Sunday night at 7:30 o'clock the daily vacation Bible school of the Tecumseh Friends church will present its closing program. After the program there will be an exhibition of all work done by the children. A cordial welcome is extended to all.

Weather permitting this vacation school plans to hold its picnic at the recreation park this afternoon (Thursday) at 3 o'clock, with supper at 6:00 p.m. In the event of rain the picnic will be held at the same hours on Friday.

This weekend the Adrian Quarterly Meeting of the Friends church meets in the Tecumseh Friends church. Rev. Clifton J. Robinson of Cleveland, Ohio, will be the speaker Friday night at 7:30, and again on Saturday morning at 10 o'clock. Rev. Claude A. Roane will be the speaker at 10:30 a.m. Sunday. Miss Celeste Richardson will be the soloist at these services. A Sunday school rally will be held Sunday afternoon at 2:30. Miss Eva Clausen will be in charge of the vacation school demonstration on Sunday evening.

Funeral services were held Monday afternoon at the Hause Funeral Home in Clinton. Rev. John R. Scarlett officiated and burial was in Riverside cemetery in Clinton. Bearers were Fred Vandemark, Dill Burleson, L. W. Kimball, Percy VanTuyle, Fred Allen and Charles W. Allen.

Hospital Sets Record In Care of Premature Babies

A recent study of premature infants cared for in the Tecumseh hospital during the past fiscal year is rather spectacular and shows a very important phase of work within the hospital.

A premature infant is any infant under five to five and one half pounds in weight, or those requiring special care, not being full term infants of normal development. The record from June, 1944, to June, 1945, follows:

Premature live births	11
Premature still births	2
Prematures who died after birth	0
Prematures admitted after birth (3 pounds)	1

Of the above group: 3 weighed approximately 3 pounds at birth; remained in the hospital 27 to 91 days: weighed 6½ to 7½ pounds on discharge from the hospital.

3 weighed about 4 pounds at birth: remained in the hospital 36 to 40 days: and weighed 6 to 6½ pounds on discharge from the hospital.

6 weighed approximately 5 pounds at birth: remained in the hospital from 10 to 42 days: weighed from 6½ to 6½ pounds on discharge from the hospital.

Care of premature infants is a routine procedure in any hospital equipped for such care. Tecumseh Hospital has one of the latest type of incubators on loan from the Michigan Department of Health, as well as three other portable type of incubators. Care of premature infants is pains-taking work, which is amply rewarded by the growth and development of these infants.

WEEDS SPRAYED WITH A POISON CHEMICAL

F. A. Nash, agent for the New York Central Railroad here, warned today that his company is spraying its right-of-way with a weed-killer which is harmless to wood, metal, stone or masonry but which is a deadly poison. Any animal he said, that eats the weeds after they are sprayed are most certain to die. An antidote is an emetic, milk or eggs with plenty of water and a doctor should be summoned at once. The right-of-way, he said, is being sprayed with the poison from Jackson to Lenawee Junction.

New Ration Book Due In December

WILL INCLUDE BOTH FOODS AND GASOLINE, ADMINISTRATOR BOWLES SAYS

Two new ration books, one for gasoline and the other for foods, will be distributed throughout the nation next December according to an announcement by Chester Bowles, war food administrator. "Ration Book No. 5" will be issued at schools and other public buildings between the dates of December 2 through 15. It will contain stamps for meats and fats, processed foods, sugar and shoes.

At the same time and through the same channels, a new A gasoline book will be distributed. Stamps in this book will go into effect on December 22.

Ration Book Five, smaller than a dollar bill and containing only half as many stamps as Book Four, will be used soon after the first of next year.

Saying it has been set up to last from 10 to 15 months if necessary, Bowles added:

"We hope that Book Five will be the last in the series of wartime ration books, and that there will be plenty of stamps we won't have to use."

The new A gasoline book, the third since the start of rationing, will differ from the current book only in color. It also is prepared for use for about 15 months in the hope it will be the last needed.

The book for food and shoes will have only numbered stamps of different colors and designs. The combination of letters and stamps now used on food coupons is being discontinued.

Distribution through schools and other public buildings will follow the same pattern as previously, with OPA district offices fixing the exact time of issuance for each local area.

OPA is printing about 150,000,000 copies of Book Five at a cost of approximately $750,000. Book Four cost a little more than twice that amount.

Since the last series of blue processed food stamps in Book Four will go into use September 1, and the last red stamps October 1, other stamps in that book will be used for this period before Book Five becomes valid, OPA said.

Blood Bank Will Visit Lenawee County Again

The "Blood Bank" of the Michigan Department of Health will come to Lenawee county in October, according to the word received at the Tecumseh Hospital and the Lenawee Chapter of the American Red Cross this week.

Many families in and around Tecumseh have reason to be very grateful for the supply of blood plasma at the Tecumseh Hospital, which has been provided through the Michigan Department of Health. The last supplies of plasma were obtained here on the last trip of the mobile blood bank of the Michigan Department of Health nearly two years ago. This supply has been sufficient, to date, to keep adequate supplies of plasma on hand at all times for emergency use.

Plasma has been used in severe shock on many persons injured in automobile and other accidents. It has also been used for many other emergency conditions.

The public is being asked to donate blood to this bank again to replace the supply now on hand for continued use here in Tecumseh. families of those persons who have received plasma will probably be especially interested in donating blood to replace that used by some member of their family, so that someone else may also benefit in case of necessity. Since the need for blood by the Red Cross for overseas use has diminished, it is hoped the public will not forget the unfortunate at home, when it may be critically needed for someone else in an emergency.

The Red Cross will assist in the taking of the blood as previously. The exact dates will be announced later.

HURT IN ACCIDENT

Rex Snellenberger of Tecumseh, James Hindes, Richard Stein and James Cristianson of Clinton were cut and bruised Sunday when the car driven by Cristianson overturned on M-52 south of Clinton after blowing a tire. Snellenberger was treated at Tecumseh hospital. The car was badly damaged.

CUSTOMERS WRONG, TOO

If you talk to the clerks in the stores, you will find that a lot of folk give scant consideration to the truth in making purchases. As shortages of necessities grow more acute, many stores have tried to carry out a voluntary rationing program so that all persons can get a share without the annoyance and compulsion of rationing stamps. Clerks who are trained to be courteous in some stores are "pushed around" by customers who insist upon getting scarce articles of food, clothing, hosiery, cigarettes, etc.

Voluntary action by retailers, in which they must have the cooperation of the public, can avert compulsory rationing which is so distasteful to the average citizen. But it must be a two-way proposition. The customer must cooperate with the store.

It is to the consumers own interest that he cooperate with the stores in such voluntary rationing.

Now meet one of America's super-pedestrians! (See story above)

He punished himself for fun!

CHARLES F. LUMMIS was a hard man, and the harder the going, the better he liked it. On September 12, 1884, he set out from Cincinnati on a roundabout walk that ended February 1, 1885, in Los Angeles. 3507 miles in 143 days! On his best day he covered 79 miles. He cured blisters by walking on them. He broke his arm, set it himself, then walked 30 consecutive hours through the snow-bound Rocky Mountains.

Mr. Lummis enjoyed walking great distances. Most people don't. Yet tens of thousands are walking whether they like it or not... motorists whose cars have worn out.

How about your car... is it getting the special professional attention that can check wear? Don't take chances... use your *Standard Oil Dealer's Better Car Care Service* now.

DOES YOUR CAR "Shimmy"—Pull to the Side?

A customer came in to our shop the other day and complained that his car "shimmied," that it was difficult for him to drive.

Of course, we made the needed repairs for him in a hurry and sent him away a satisfied customer.

If the front wheels of your car shake, if your car "pulls to the side" when you drive, it needs attention. Perhaps your wheels are out of balance, that the front end of your car is out of alignment.

But regardless of the cause, if you will bring it to us we will repair it for you—and to your satisfaction, too.

YOU DON'T NEED POINTS to Buy Fresh Produce

No, points are not necessary when you shop in our produce department because fresh produce requires no points.

We are always on the alert when it comes to "firsts" in the produce business and that is why you will find all of the garden-fresh vegetables in our store, hurried direct to us from farm or market.

Round out your summer menu with pointless produce. Your family will like it and you will enjoy it too because fresh produce helps you to make your ration points go much farther.

Rug Cleaning ANNOUNCEMENT

I have taken the agency for the G. & S. Rug Cleaners of Adrian.

I have personally inspected their equipment and work and have given my approval to both.

In the future, rugs will be collected by E. H. Van Vleet, (Van Vleet's Delivery Service) on Mondays and Tuesdays, and returned to your home on Wednesday of the following week.

Rugs must be rolled and tied. Shrinkage is held to a minimum but any axminster rug will shrink some.

The cleaning price is 3½ cents per square foot.

Add 10 to your age...

and read this!

It's funny how *time* can fool you . . .

Looking backward, ten years doesn't seem so long.

But looking *ahead*—ten years seems like an eternity. And that's the reason why many people never save money . . .

Looking *backward*, they wish—oh, how they *wish!*—they'd started saving ten years ago. Looking *ahead*, ten years of saving seems like such a long, tiresome program that they *never get started.*

Look at this!

Suppose you had been able to start just ten years ago to put only $3.75 each week in United States Government "Series E" Bonds.

Today—right now! —your bonds would be worth $2,163.45. A tidy sum!

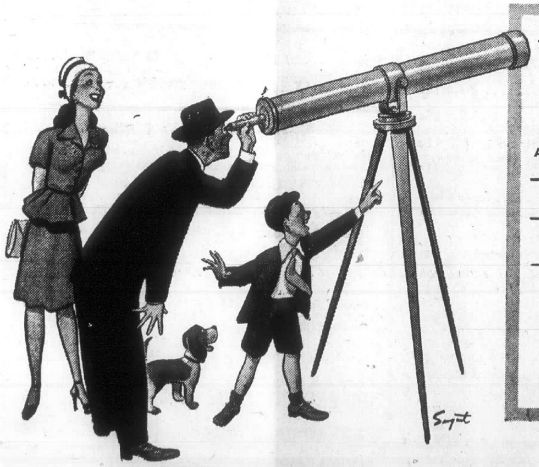
Well—why not start a savings program like that? Why not make the next ten years *work* for you—the ten years that seem so long *now*, but that will seem so short, come 1955?

There's a War Bond Timetable on this page.

It shows how regular savings of certain weekly sums accumulate—principal and interest.

Set your goal. Then keep on buying *and holding* War Bonds until you reach your objective.

Some day you'll say, "It was the smartest thing I ever did!"



This is what happens when you pay $75 for a $100 Series E Bond

After 2 years it's worth	$76.50
After 4 years it's worth	$80.00
After 6 years it's worth	$84.00
After 8 years it's worth	$92.00
In 10 years it's worth	$100.00

And—if you save regularly each week this is what will happen:

WAR BOND TIMETABLE

Weekly Savings	SAVINGS AND INTEREST ACCUMULATED		
	In 1 Year	In 5 Years	In 10 Years
$ 3.75	$195.00	$1,004.20	$2,163.45
6.25	325.00	1,674.16	3,607.54
7.50	390.00	2,009.02	4,329.02
9.38	487.76	2,513.42	5,416.97
12.50	650.00	3,348.95	7,217.20

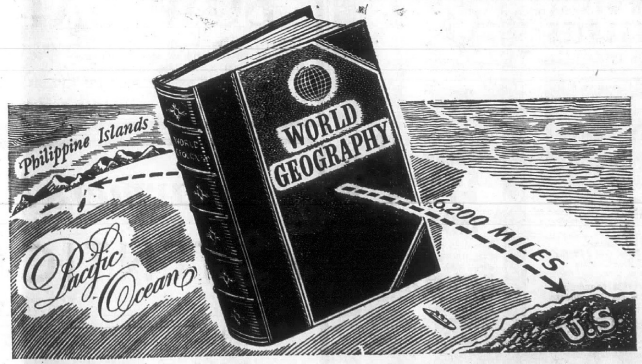
This great fighter is on the Jap side.



THIS IS one of Japan's greatest allies—geography. It has already put 6,200 miles between the guns we make and the men who are using them. It will put many, many more.

We have to overcome this great barrier of distance before we can fire a single shot at a single Japanese stronghold like Iwo Jima or Okinawa—or the islands of Japan, itself.

And the conquering of it will take a vast armada of ships, a legion of men. Three times as many ships as it would take to transport a fighting force to Europe. And to maintain three firing-line fighters it takes two supply-line fighters.

Yes, the long, strong arm of geography holds up that much of our front-line firing power.

We are only beginning to lick geography in the Pacific. After we get it licked, then we'll really meet the Japs—4,000,000 to 5,000,000 battle-hardened veterans, fighting in their own back yard with no geography to lick, all intrenched, all tough fighters, all splendidly trained, all well equipped. Four to five million of them ready and waiting—and two million more in reserve.

It isn't going to be easy. It isn't going to be quick. It's going to take a lot of fighting, it's going to take a lot of working, a lot of building, a lot of hustling—for a long, long time.

Says General Brehon Somervell:

"The war in the Pacific will be hard and it may be long. It will require great effort to defeat the fanatically stubborn, close-knit power of the Japanese. Operations of greatly increased scope and magnitude in the Pacific will be required to assemble and drive home the preponderance of force necessary to assure the complete defeat of Japan. Japan has an army of 4,000,000 to 5,000,000 men, and 2,000,000 reserves. Until the last Jap has surrendered, the Army Service Forces and those who are supporting us on the home front cannot drop their burden."

This explanation of the war ahead is published in cooperation with the Armed Forces by

AWARDED ARROWHEAD

Sgt. Harry Marsh, son of Nina Marsh, 28 East Brown street, Tecumseh, Mich., member of the 142 Inf. Regt. of the veteran 36th "Texas" Division, has been awarded the Bronze Arrowhead to wear on his European Theater of Operations ribbon. The Arrowhead has been awarded for participation in the (Salerno) (Riviera) invasion when he made the D-Day amphibious assault.

The 36th Infantry Division has seen action on two D-Days: Italy and Southern France. To its credit are such battles as San Pietro and Cassino, the Rapido River, and Anzio. It fought at Montelimar, where the German Nineteenth Army was annihilated, and drove across the Sainte Marie Pass of the Vosges Mountains. It breached the powerful Siegfried Line defenses at Wissembourg and completed four hundred days of actual combat plunging through Germany and deep into Austria.

Tells of Life in Nazi Prison

PFC. CHARLES O. IRELAN SAYS DIET WAS PRINCIPALLY TURNIP SOUP

Pfc. Charles O. Irelan of Tecumseh, for many months a prisoner of the Nazis in two camps in Germany, was an interesting speaker when he discussed some if his experiences at the Rotary Club dinner meeting, Tuesday evening at Brees House. He was the guest of John R. Thompson.

"You get pretty tired of turnip soup, principally water, and a small bit of dry bread every day in the German camps," Irelan said. "We were supposed to have had a change in our diet but I never saw it, except for what we were able to steal or trade for."

The soup, Irelan said, was served cold and if the prisoners were prudent and rationed their two-hour-a-day allotment of fuel they were able to warm it up before eating it in sub-zero temperatures. For a time he worked in a horse feed factory and that gave him an opportunity to steal from the Germans because the plant was located in the rural areas. He also said that the prisoners, when they received a Red Cross parcel (which was not too often) would trade chocolate, coffee and other things to German citizens for bread. It was in that way that they kept alive.

The Germans despised the Russian prisoners, Irelan said, but the Americans fared a bit better, particularly as the war neared an end. German civilians treated the soldiers much worse than the military, he declared.

Irelan is home on furlough from Percy Jones Hospital. Among other things he is suffering from frozen feet.

Major R. G. B. Marsh, a member of the club and a former president, home on leave from Camp Livingston, La., attended the meeting. On August 21, it was announced, Congressman Earl C. Michener will be the speaker.

Ray Kash, 59, Dies at Home of Son Here

Ray Kash aged 59 years, died early Sunday morning at the home of his son Virgil Kash on West Logan street. Mr. Kash who had been ill for two years, was brought here three weeks ago from Ypsilanti where he had lived for 20 years.

He leaves the widow, the son Virgil and five grandchildren.

Funeral services were held Wednesday afternoon at the Geer Funeral Home in Ypsilanti with burial in Pleasant View cemetery there.

POMONA GRANGE MEETS IN ADRIAN TONIGHT

Public Hearing Aug. 27 On Zoning Code Change

A public hearing on a proposed change in Tecumseh's zoning ordinance, specifically asking that property at the southwest corner of Pearl and Bidwell streets be changed from "Residence B" property to "Business B" property, will be held at the council building on Monday evening, August 27, at 7:30 o'clock.

The request for the change came on Monday evening when the council received a petition from the Partridge Implement Co., asking that it be permitted to build a building there as quickly as materials are available. The Partridge company, now located on N. Pearl street, has taken an option on the Bidwell-Pearl street property, pending a decision by the council on the zoning code change.

M. G. Partridge, fo the implement firm, said that his company plans for the building of a modern structure on the proposed site if a change in the code is permitted by the village. The Pearl-Bidwell property is now owned by Maynard Mulvany.

OFFICERS CHOSEN BY HAPPY HOME BUILDERS

The Happy Home Builders class of the Baptist Sunday school held a picnic Sunday afternoon at the home of Mr. and Mrs. Robert Dannells, as a farewell honoring Frederick Bryan who is leaving soon for service. Twenty-seven members and guests attended. During the business session the following officers were elected for the coming year: W. L. Pot luck super will be at 7 o'clock and during the evening a report of the Women's House Party in Kalamazoo will be given.

Pvt. James Dibble Killed In German Accident

Mrs. Ralph Atchison was notified Sunday by the War Department that her son Pvt. James B. Dibble was killed July 24 in a motor vehicle accident in Gemany.

Pvt. Dibble who was 36 years of age, had been overseas 18 months, and was serving with Co. B, 159th Infantry. He was previously employed at Schneider's Garage.

Survivors are the mother Mrs. Atchison, a daughter Betty in Toledo and a brother Lavern of Ridgeway.

AWARDED ARROWHEAD

Pfc. Victor R. Roney, brother of Mrs. Mary Frederick, Tipton, Michigan, Rt. No. 1, member of the 111th Engr. (C) Bn., of the veteran 36th "Texas" Division, has been awarded the Bronze Arrowhead to wear on his European Theater of Operations ribbon. The Arrowhead has been awarded for participation in the (Salerno) (Riviera) invasion when he made the D-Day amphibious assault.

The 36th Infantry Division has seen action on two D-Days: Italy and Southern France. To its credit are such battles as San Pietro and Cassino, the Rapido River, and Anzio. It fought at Montelimar, where the German Nineteenth Army was annihilated, and drove across the Sainte Marie Pass of the Vosges Mountains. It breached the powerful Siegfried Line defenses at Wissembourg and completed four hundred days of actual combat plunging through Germany and deep into Austria.

Lack of Labor Delays Trains

WAR MANPOWER COMMISSION ACTS TO END SHORTAGE ON WESTERN LINES

Pointing up the urgent need of seventeen Western Railroads for locomotive engineers, firemen, brakemen, switchmen, shopmen and checkers to break the nation's No. 1 bottleneck, the redeployment of our armed forces and supplies to the Pacific, Edward L. Cushman, state director of the War Manpower Commission today cited striking facts. Here they are:

Western railroads have delayed about 125 trains two hours or longer since July 1 and an additional 750 for shorter lengths, because of manpower shortages.

Approximately 850 switch engines are idle for the same reason, although many crews are working double shifts of 16 hours a day to keep equipment operating.

Freight traffic, meanwhile, is nearly 50 percent greater than in July, 1944. Carriers moved 13,345 cars daily against 9,240 in July last year.

Redeployment will pick up to the extent that by November, 1,500,000 men a month will be moving by rail, and that rate will be maintained for the following three months, Cushman said.

Indicating the extent to which organized soldier traffic will increase, it is revealed that 504,000 troops moved westward by rail in groups of 40 or more in April, 615,000 in May, and 817,000 in June. The July estimate is 1,250,000.

On top of this, 1,226,000 ships tons of war material were sent out of Europe of the Middle East to first seven weeks after V-E-Day, most of it to the United States for reconditioning.

"These facts are revealed by the reports of W. F. Kirk, western rails director of the O.D.T. and Maj. Gen. C. P. Gross, head of the Army's Transportation Corps," Cushman stated, "They offer a dramatic challenge to the workers of Michigan who are qualified to fill any of the 60,000 jobs whcih must be filled as quickly as possible."

The War Manpower Commission, through all local offices of the United States Employment Service in the state has launched an intensive campaign to recruit as many workers for the railroads as possible, the orders calling for men in 22 different skilled and semi-killed job classifications. A No. 1 national priority category has been given this project by the W.M.C., and 4,000 furloughed soldiers have been assigned to specific roads and jobs, Cushman said.

Special efforts are being made by the U.S.E.S. to recruit men, irrespective of present employment (other than in first-priority activities), and this intensive campaign will continue indefinitely until the needs have been met.

Old Vendoma Building Is Razed on State Order

The old Vendoma Hotel building at Evans and Kilbuck street is being razed by Claud McGuffie of Adrian, to whom it has been sold by the Michigan attorney general's office for the sum of $325. A report of the sale was filed this week with the county clerk's office, Adrian, by John R. Zeigler, village attorney.

The building has been condemned for some time by the state fire marshal's office as a hazard, and recently, in a court order, was ordered razed.

Mr. Zeigler said that after costs of legal proceedings had been taken out, the balance of the money realized from the sale will be turned over to the owner of the property, Vincent Dudas, of Cleveland, Ohio.

Joseph Howell Buried in Macon

PROMINENT MACON RESIDENT, GOVERNMENT ATTORNEY, DIES IN HOSPITAL HERE

Joseph W. Howell, aged 73 years, a retired attorney, died Friday afternoon at Tecumseh hospital where he had been a patient since Wednesday. He suffered a broken hip in a fall on the lawn at his home in Macon, July 24.

Mr. Howell was a son of the late Edwin and Rachel Collins Howell and was born March 4, 1872, on the farm where he had made his home the past 10 years, and which his grandfather, the late Dr. George Howell, purchased from the government while Andrew Jackson was president.

He received his early education in the Macon schools and at 17 began teaching in the Waring district. He later taught in the Lindsley district. Subsequently, he was graduated from the State Normal College in Ypsilanti with a life certificate. He also taught at Ada, Michigan, and at an Indian school at Morrison, Minn., and was superintendent of schools in Gladwin, Michigan.

After several years of teaching Mr. Howell studied law for two and one half years at the University of Michigan and in 1900 went to Washington, D. C. as pension examiner for the federal government. He completed his law course at Columbian (now George Washington) University and also took a degree in patent law while working for the government. He then transferred to the Bureau of Indian Affairs, for which he was an attorney until 1920, when he was appointed special assistant to the attorney general on a tax case affecting the Osage Indian tribe. He moved to Oklahoma at that time and the the next year entered private practice maintaining a law office in Tulsa, and specializing in Indian cases until 1933. The high point of his career came when he won a quarter million dollar settlement from mining operators involving lead and zinc royalties for a group fo Quapaw Indians. He returned to the farm in Macon in 1933.

Survivors are the widow, Mary B., a daughter, Mrs. Ida Maude Tingley of Detroit; a son, Joseph E. Howell of Oklahoma City, Okla., a brother, John C. Howell and a sister, Mrs. Maude Day both of Adrian and four grandchildren.

The body was removed to the Collins Funeral Home and later to the Howell home in Macon where funeral services were held Tuesday afternoon, with burial in Macon cemetery. Rev. R. E. Simons of Flat Rock, a former pastor of the Macon Methodist church, and Rev. C. E. Foltz of Clinton, conducted the services, Bearers were Lewis Coller, John Crittenden, Glenn Crittenden, Sumner Howell, Ralph Halladay and Ralph Mickel.

Will Evaluate Health Study

LOCAL TB X-RAY CLINIC CONSIDERED "VERY SUCCESSFUL" BY STATE

Tecumseh's anti-tuberculosis program will be evaluated in about a month when the Michigan Tuberculosis Bureau of Control sends a representative here from Lansing to meet with the Tecumseh Health Education Committee for the purpose of reviewing the recent x-ray clinic during which well over 1,000 persons were examined.

Announcement of the state's intention was made today by Mrs. Richard Preston, chairman of the Health committee. Mrs. Preston said that in the recent x-ray clinic, 534 persons were examined, not including those x-rayed at the Tecumseh Products Co. All employes there were examined. She said that the clinic was considered as "very successful" by the state.

X-ray films made here are now being developed in state laboratories and in cases where tuberculosis is discovered, reports will be made to family physicians, Mrs. Preston said. These reports come directly to local doctors from the state, and should reach here within a month.

"We are anxious to hear from Dr. George Sherman, the state director," Mrs. Preston said. "It will be from him that we will learn the next step to be taken in the local program."

The clinic was made possible for Tecumseh through the efforts of the Health Education Committee and Mrs. Preston said that thanks for splendid cooperation should go to Ned Baldwin, who loaned his building for the clinic headquarters, to the Tecumseh Products Co., the Nurses Aides, the Child Study Club, Girl Scouts, Hodges Drug Store, E. C. Brandt, the Tecumseh Public Schools, the Consumers Power Co., and The Tecumseh Herald.

It Wasn't a Jap Balloon, Only The Planet Venus

There were plenty of "I told you so's" in Michigan on Sunday and Monday when astronomers finally decided that the speck in the sky just below the moon, Saturday, was not a Japanese balloon but rather the planet Venus, visible to the naked eye in the daytime for the first time in many, many years.

The speck just below and to the left of the moon was discovered in the Tecumseh area about 11 o'clock on Saturday and necks were twisted and turned by spectators for several hours as the day wore on, everyone being anxious to catch a glimpse of "what they knew to be" the Jap-made object that some feared might land at any moment. Some folk even went so far as to report that Army planes were chasing the speck in an effort to "shoot it down."

Students of astronomy say that the speck was the planet Venus, which appeared in the shape of a half-moon. Venus is rarely visible to the naked eye in the daytime, and it was said it was only seen on Saturday because the moon was visible by daylight and the star was so close to the moon that it made it possible to locate the planet.

GETS SOLDIENRS MEDAL

Corp. Donald A. Woods of Tecumseh is a member of the 122nd Ordnance Bomb Disposal Squad now in France being processed for redeployment. This squad which went to France in October, is composed of specialist in complex handling of munitions and are experts in the delicate job of "pulling the teeth" of unexploded bombs and ammunition. Corp. Woods was one of two members in the unit to be awarded the Soldiers' Medal for conduct in emergency. He is the son of Mr. and Mrs. Oren Woods.

RELEASED FROM HOSPITAL

Mrs. Pearl Elliott has received word that her son Corp. Robt. D. Wolters, U.S.M.C.R., who was injured in action on Okinawa, had been released from the hospital there and expected to have a furlough time soon. He has been overseas since February, 1943, and in service since August, 1942.

HAY FIELD FIRE

The rural fire department was called to the Harry Moore farm northwest of town Thursday afternoon where a hay field was on fire. The hay had been cut and removed and no serious damage resulted.

The department answered another call Saturday afternoon to Brownville to extinguish a grass fire on Mill street in a vacant lot north of the H. B. Lewis home.

My store will be closed all day on Wednesdays until further notice. Ben Hammack, Hammack's Market.—Aug. 2-9

MORE JOBS THAN NEEDED

Gordon Squires, publisher of the Cascade (Idaho) News, has a plan for creating post-war jobs that beats Washington's proposals far and wide. Says Mr. Squires: "It is easy to make 60 million jobs, or 70 or 80 or 100 million. Simply forbid the use of iron, then everyone would have to grub from dawn to dark just to keep alive . . or forbid the use of the wheel—even wooden wheels. Then we would drag everything along over the surface of the earth. . . .

"There would be plenty of jobs from the womb to the tomb if we forbid the use of the sewing or washing machines; or mowing machines; going back to the scythe, or locomotives, going back to the ox cart; or light bulbs, going back to the tallow dip; or power looms, going back to the spinning wheel."

Squires points out that the present plans to create jobs contemplate more debt, more taxes, more printed money, and a super-duper WPA.

He recommends that the way to reach the desired goal is by "increasing the output per hour and hence the earnings of everyone who wants to work in a free country where he can choose his job—which he can't do in Russia, and soon will not be able to do in America," if the spend-yourself-into-prosperity philosophy is continued. He asks: "Is it jobs we really want? . . . All this talk about 60,000,000 jobs completely distorts the picture. Who wants full employment for every man or woman anyway? There are 35,000,000 families in America. Wouldn't we feel that our system had done a grand job if 35,000,000 heads of families —with only 35,000,000 jobs—could provide a happy living for all these families?

"The way forward is the same way we have come. Its general direction was right. It is not to make a giant taskmaster of the state. It is to increase the earnings of the worker with better tools, new inventions, encouragement to savings and investments, lower costs, lower prices, lower taxes, freedom from monopoly and privilege and drudgery — freedom itself. More freedom, not less."

Why Do Farm Boys and Girls Seek The Bright Lights of the Cities?

WHAT'S WRONG WITH MICHIGAN'S RURAL LIVING? EDUCATORS SEEK THE ANSWER

By Gene Alleman
(Special To The Herald)

What's wrong with Michigan rural living today?

Listen to this:

"In the rural areas of Michigan live one and three quarter millions of people. It must be the primary concern of all to make life in these sections richer, more attractive, more satisfying, more secure. That some of these essentials are lacking is manifested by the large number of people—young people especially—who migrate to the city for comforts and privileges denied them on the farm."

This frank admission that Michigan rural life must be improved if Michigan is to possess a strong foundation for sound prosperity of its citizens comes from three Michigan educators: Dr. Alexander G. Ruthven, president of University of Michigan; Dr. John A. Hannah, president of Michigan State College, and Dr. Eugene B. Elliott, superintendent of public instruction.

Their opinion was issued jointly for "Rural Michigan," a comprehensive study of Michigan rural life just issued by the state department of public instruction through the cooperation of the W. K. Kellogg Foundation.

The challenge is founded upon hard facts—not merely theoretical guesswork.

Here are some of them.

Religious life, for example. In 1936 about 20 per cent of the rural population (those living on farms or in small towns up to 2,500 population) were members of the 2,832 rural churches then operating. Another 10 per cent were members of urban churches. Average expenditure per church for all purposes was only $1,537.

"Many clergymen, like teachers, accept positions in rural communities as stepping stones to larger opportunities in urban centers."

"Rural pastors often are not adequately trained for rural work."

"Church services frequently are weak and Sunday school teachers untrained."

"The rural church, in many cases, is neglected by denominational groups."

Not pleasant reading, we grant. But there they are—only a few of many indictments presenting the weakness of rural life in Michigan today.

Education—Michigan has 6,166 rural school districts with a student enrollment of 367,08. It has 108 urban districts with an enrollment of 581,832. Rural teachers receive $900 less per year than those teaching in districts which employ superintendents. . . Rural schools consequently are in a weak position to compete for the better teachers . . . . In 1940 the annual turnover of teachers in districts less than 1,000 population was 37.2 per cent, or an average tenure of less than three years. This compared with a state wide average of only 7.9 per cent.

"There are very few modern school buildings in the rural areas" . . . "since 1918 only 700 new rural school buildings have been constructed, although 1,300 have been modernized in recent years."

"Many districts are not levying as much tax for school purposes as they can and should. In 1942, there were 847 districts which levied less than four mills for school purposes. (A mill is one dollar per $1,000 assessed valuation). A total of 114 districts levied no tax whatever for school purposes, while 962 districts levied seven mills or more."

Remember the old World War I song, "How you gonna keep 'em down on the farm after they've seen Paree?"

More quotations from the challenging study:

"In the years between the wars (World Wars I and II) no more than half of Michigan's farm youth were employed in agriculture. Hundreds, uncertain of their futures if they stayed on farms, sought the opportunities for education and employment offered by urban life."

"In spite of the many excellent programs now active in Michigan (4-H club work, high school vocational agricultural or vocational homemaking courses, etc.) the overall educational program is unevenly developed. It does not reach effectively the majority of rural youth."

One of the cultural advantages of city life is ready access to books and magazines through public libraries.

Not so, however, with many people who live in the Michigan rural communities.

"Two-fifths (42 per cent) of the rural people of Michigan are without public libraries. Scarcity of libraries is partly associated with sparsity of population. South of the Muskegon-Bay City line 36 per cent of the rural people are without public libraries. North of this line the percentage is 57, while in the Lower Peninsula two-thirds (64 per cent) have no public libraries."

Rural health in Michigan is not what it should be.

"Among rural youths rejections (military service) for physical reasons were higher than among those residents in cities. Many of their defects were associated with faulty nutrition."

"Cities have had full-time health departments for many years, but only since the county health department law was passed in 1927 have Michigan's rural areas begun to enjoy the same advantages. With modern transportation, rural and urban health problems have come to be much the same."

The study points out that a county or district health department may be established by the local county board of supervisors.

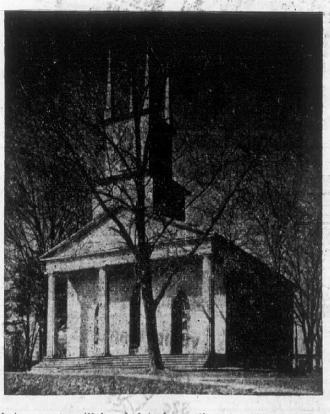
VACATION CHURCH SCHOOL AT ST. PETER'S
August 20-31
Featuring
Movies and Slides in Full Color



Boys and girls 7-17 and their parents will be glad to know that they can combine fun and knowledge by attending the Vacation Church School at St. Peter's Church August 20-31.
By arrangement with the Diocese of Michigan and Engleman's Visual Service Company of Detroit motion pictures and slides in full color will be employed to teach the Parables of Christ and other New Testament Bible stories. Cathedral Films, Inc., of Hollywood is the producer of the materials to be used. None better can be had.
Sessions will meet from 9 to 12 each morning, Monday through Friday, during the two weeks of the school.
Each day's program will be in three parts—worship, study, and recreation. The study sections will use the visual aids of movies, slides, simple dramatics, and handwork.
An offering will be taken each day to help defray rental costs of films and the cost of other necessary materials.
The Rev. John R. Scarlett, Rector of St. Peter's, will be in charge of the older boys and girls. Miss Barbara Dannells, education student at Albion College and Siena Heights College, will direct the younger children. Miss Gay Larsen of Denison University has been engaged as organist and pianist. Other faculty members will be announced later.
Here is a grand opportunity for the boys and girls of Tecumseh to spend ten full happy and profitable mornings in the Christian character building atmosphere of the Church.

NO WONDER A WOMAN'S WORK IS NEVER DONE!

Sweep and dust! Mop and scrub! It's certainly discouraging to try to keep a home clean, with soot and dirt continually settling on walls, draperies, furniture and rugs.

Yet there IS a way to keep your home clean . . . and without all that drudgery! Have a PREMIER Winter Air Conditioner added to your warm air furnace, and your heating plant will do most of your cleaning for you!

This PREMIER Unit filters the air in your home, removing countless particles of dust, soot and ash. By means of a powerful, quiet blower, the air is drawn from the rooms through the cold air pipes, passed through the large, efficient filters, then warmed and returned to the rooms, at the rate of 4 to 7 complete air changes per hour! You virtually never have to dust, and the fuel saving soon equal your entire investment. Inquire today about this new, moderately priced PREMIER Add-on Conditioner.

CONVENIENT TIME PAYMENTS . . . . . FREE ESTIMATE

IS YOUR PRESENT FURNACE EFFICIENT?

If you are thinking about replacing your present heating plant, see us before you buy. We deal exclusively in Premier Steel Furnaces. You'll find our prices right, our service prompt.

HAVE YOUR FURNACE INSPECTED AND CLEANED

Now is the time to have your furnace inspected and cleaned. If your present heating plant needs repair, let us do it this summer. Don't wait 'till fall. Repair parts are difficult to obtain.

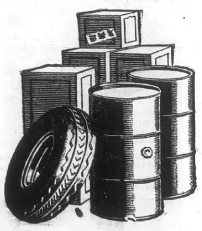
Just three reasons why

"IT'S A TOUGH ROAD TO TOKYO"

1. Fighters

Japan has 4,000,000 to 5,000,000 first-string fighting men right now, ready for us, waiting for us. Waiting till we get closer. And in addition, 1,000,000 men of military age who have not been called to the colors and more than 1,000,000 physically fit young men between 17 and 18 years old who have only recently been subject to the draft. Yes, 6,000,000 to 7,000,000 Japs *that we haven't yet tackled*—that's one reason why "It's a tough road to Tokyo."



2. Materials

The Japs have been making and gathering war supplies for years and years. They have huge stock piles of vital war materials—reserves of high-octane gasoline, oils, rubber, fuels, steel, chrome, nickel, manganese—and they have mines and mills and plants constantly producing more. They have almost no consumer production, virtually everything is war production. That's another reason why "It's a tough road to Tokyo."

3. Workers

In Japan's island home alone is a vast army of 35,000,000 workers fighting for her fighters—seven-days-a-week workers. There are millions more in Manchuria, Korea, and Formosa. And an almost unlimited supply of manpower in conquered territories. Untold millions in conquered lands can be forced to work for Japan—Japan's war-worker strength is mighty. But—these are only three of a thousand reasons why "IT'S A TOUGH ROAD TO TOKYO."

Says Lt. General Eugene Reybold, Chief of Engineers:

"It will take hard work and a grueling fight. Besides that, it will take all our *patience* to beat the Jap. Every American is eager for the big attack, but before we can hurl the full weight of our Army against Japan, we must build places for them to live and fight from. Airstrips, camps, hospitals, roads, bridges. Bases on Okinawa, Iwo Jima, in the Philippines. We are building now with utmost speed, and in these tense months we need *your work, your backing, and your patience.*"

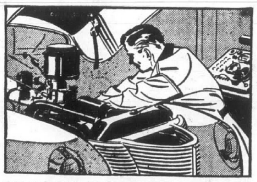
Thanks, Ford Owners

For Helping Us with a Big Job

Our service shop has been a busy place this past year. Ford owners depended on us to help keep their cars rolling and—with their help—we've done the job.

Ford Protective Service has been adopted wholeheartedly by most of our owners. They bring their cars to our shop regularly every thirty days for expert inspection and maintenance work. This prevents many small repair jobs from becoming major overhauls—helps us spread our manpower to service more cars, makes it possible to do our full share in keeping all essential cars on the road.



GENUINE FORD PARTS are your assurance of the best in materials and workmanship. The parts are designed and precision-built solely for your Ford car.

EXPERIENCED MECHANICS and specialized Ford equipment are ready to do the finest possible job on your car. Our men know your car and how to service it quickly and thoroughly.

NEIGHBORLY SERVICE—You'll find us a friendly organization. You'll like the way we do business. Ford Protective Service, once a month, will keep your car in tip-top operating condition at small cost.

JAPS QUIT; WORLD AT PEACE

5,500,000 Boys In Uniform To Return Home During 1945

END OF WORLD WAR NO. 2, AT 7 P. M., TUESDAY, CELEBRATED 'ROUND THE GLOBE

WASHINGTON, Aug. 16—For the first time since December 7, 1941, the United States is at peace.

Japan, the last of the Axis powers in World War No. 2, surrendered unconditionally to the United States and her allies, Great Britain, Russia and China, at 7 p. m., Tuesday.

Two atomic bombs and the entrance of Russia into the great conflict brought the Nips to their knees, hurriedly.

While surrender of Japan had been rumored since last week Friday and was breathlessly awaited by the world since Sunday, it was not until Tuesday evening that Emperor Hirohito's note of unconditional surrender was received by the White House, being relayed through the Swiss legation at Bern.

The note, accepting the Big Three's Potsdam ultimatum, under which Japan will be ruled by a military governor leaving the Emperor as only a figurehead, wrote the final chapter to the second world war which began, so far as the United States was concerned, with the Nips' sneak attack on Pearl Harbor while its envoys sat in Washington presumably to discuss peace, just 18 days before Christmas in 1941.

World War No. 2 in reality started in China 14 years ago when Japan invaded Manchuria. Italy was the first of the Axis powers to fall, then came Germany and finally Japan.

World War No. 2 has cost the United States approximately $300,000,000,000, thousands upon thousands of casualties and other thousands more dead on fields of battle. Upwards of 11,000,000 men and women were placed in uniform while other millions at home worked unceasingly around the clock to supply the demands of a global battle. Production records of the ages were shattered as America swept head-long into the manufacture of the implements of war that brought the dictators of the globe, combined in Axis strength, to their knees. Mussolini of Italy is dead. Hitler of Germany may be dead and Hirohita, the Jap emperor, today is but a symbol of the Nippon-ese religion.

Gen. Douglas Mac Arthur, supreme allied commander in the Pacific, is expected to accept, formally, the Japanese capitulation for the United States. As quickly as this has been done, President Truman is expected to name "V-J Day" for the nation.

Sharp cut-backs in war production already have started while the wheels of reconversion machinery here are being swept into action in an effort to stave off the up-turn in unemployment which is expected, nation-wide. In Michigan, the arsenal of democracy, unemployment will be felt very keenly. In Detroit, reports indicate, upwards of 120,000 will be without jobs long before Christmas unless speedy reconversion to peace-time manufacture can be accomplished quickly. The automotive industry is hurrying its reconversion plans, but the sudden termination of the conflict is bound to make this program difficult.

While a large number of American troops—soldiers, sailors, Marines—numbering into the millions, will be needed to police the conquered nations, it was announced here almost immediately following the surrender note that further conscription of men would be cut to a minimum and that it was the hope of the Administration to return 5,500,000 men, now in uniform, to their homes before the end of 1945.

TECUMSEH AND LEANWEE COUNTY IN CELEBRATION

News of the Japanese surrender, rumored since Friday, arrived officially in this locality at 7 p. m., Tuesday by radio from Washington. The official White House announcement of the acceptance of the Tokyo note as the ending of the second World War brought jubilance to Tecumseh and Leanwee county as it did to the rest of the state and to the nation and the world.

Almost immediately, church bells were rung and whistles sounded. Shotguns, rifles and pistols were fired by war-weary residents and automobile horns added to the din of the merry making. Cars paraded the streets here until long after midnight with horns blowing. Factory whistles blew intermittently throughout the night.

Tuesday morning, when it appeared certain that Japan was nearing surrender, Mayor J. Floyd Elliott, through the police department, sent a request to tavern keepers and dispensers of liquor asking for "friendly cooperation" and a halt in liquor and beer sales. All complied. Tuesday night and Wednesday, by state law, all liquor and beer sales were halted.

The two-day holiday for federal employees, announced in Washington on Tuesday night, was the signal for similar vacations for state federal workers. Many stores here were closed yesterday, as were some offices. Factories, too, fell in line, scores of workers failing to report. At one plant, work was halted at noon on Tuesday, the holiday extending through Wednesday.

Adrian was the scene of great merry-making on Tuesday evening, its streets jammed with traffic within a four-block radius of the downtown district. Paper streamers waved from almost every downtown lamp post and overhead wire, make-shift bands paraded the streets and at the main business intersection, traffic was practically choked. The celebration continued until after midnight.

Similar merry making was reported in every other community in the county Tuesday evening, including lake resort areas.

Ella Louise Pearson Weds Pfc. Max Brandt

At a pretty garden wedding held Thursday evening at the home of Mr. and Mrs. Neil Pearson their daughter Ella Louise became the bride of Pfc. Max Brandt, son of Mr. and Mrs. E. C. Brandt. The Rev. B. O. Bashore read the double ring service, the couple standing before an improvised altar of baskets of garden flowers with a background of tall pink phlox. Mrs. Richard Carter, accompanied by Miss Dorothy Schumm sang "I Love You Truly" and "Because" preceding the ceremony and Miss Schumm also played while the wdeding party assembled.

The bride who was given in marriage by her father, wore white satin with a fingertip veil and a cap of heirloom lace worn by her great grandmother and carried an old fashioned bouquet of white roses and feverfew. She also carried an heirloom lace handkerchief and wore as her only ornament, a string of pearls, the gift of the bridegroom. Miss Priscilla Sisson and Clifford Jackson attended the couple.

Following the ceremony a buffet supper was served and later the couple left on a short trip to Detroit and on their return Mrs. Brandt will remain with her parents and continue her work with the Michigan Associated Telephone Company.

Pfc. Brandt recently arrived home from overseas service. He returned yesterday to Percy Jones Hospital in Battle Creek.

Among those from out of town who attended were Miss Alice Johnson of Ann Arbor, R. T. Smith of Ft. Collins, Colo., Mr. and Mrs. A. J. Barnett of Walled Lake, Miss Ann Carson of Detroit, Mr. and Mrs. Lamont Crabtree and daughter, Mrs. Chauncey Barton, Mrs. Robert Barton, Mrs. Joyce Barton and Mrs. Roy ePFlers, all of Coldwater.

TRIPP REUNION

The 34th annual reunion of the Tripp family was held at Irish Hills picnic grounds where potluck dinner was served. Officers elected for the coming year are: Alba Preston, president; Rollo Thielan, vice president; Wilma Mohr, secretary; Harry Crook, treasurer; Eva Tripp, historian. Next year's reunion will be held at the same place.

V-J Services Are Announced

RELIGIOUS CELEBRATION OF VICTORY IN JAPAN TO BE HELD HERE ON SUNDAY

Victory in Japan will be celebrated in Tecumseh on Sunday evening, August 19, with a community religious service at Recreation Center at 7:30 o'clock, it was announced today by the Rev. Edward Escolme, pastor of the Friends church and head of the Tecumseh Ministerial Association.

"The ministers of Tecumseh met last Friday," the Rev. Mr. Escolme said, "and decided upon the service to be held the Sunday immediately following V-J Day. The entire community is invited to the service and the congregation should number more than 2,000."

The service of prayer and thanksgiving will open with a hymn and the invocation will be by the Rev. B. O. Bashore, pastor of the Baptist church. Wallace Whiting will sing a solo, "The Lord's Prayer," and this will be followed by a responsive reading led by the Rev. John Scarlett, rector of St. Peter's Episcopal church.

The Rev. James C. Murdoch of the Presbyterian church, will introduce the Rev. Norman MacNaughton, pastor of the Methodist church, who will deliver the address and the benediction will be by the Rev. Fr. Francis Juras of St. Elizabeth's Catholic church. Mr. Escolme will preside at the service.

The program will be broadcast over loud speakers and the Tecumseh high school band will play. There will be a firing squad and taps will be sounded.

Victory in Europe was celebrated with religious services in three of Tecumseh's downtown churches, the Baptist, Presbyterian and Methodist, and these services were held in the afternoon. Upon this occasion, however, it was decided that an outdoors service should be held, permitting a larger attendance.

In the event of rain, it was said, the Sunday service will be held in the Presbyterian church.

Miss Norma J. Bethel Bride of Neil F. Jones

Miss Norma Jean Bethel, daughter of Mr. and Mrs. Wesley Bethel of Chillicothe, O., and Neil F. Jones, son of Mr. and Mrs. Charles F. Jones of Tecumseh, were married Saturday, August 11 at the home of the bride's parents. The Rev. Mr. Wright read the service and the attendants were Miss Flossie Baylous and Herman Bethel. Preceding the ceremony Mrs. Donald Clark, sister of the bride, sang "I Love You Truly" and "Because" and Miss Rosalie Clark played a short program of nuptial music.

A reception for the immediate families followed the ceremony and later Mr. and Mrs. Jones left for Detroit and a boat trip to Buffalo and Niagara Falls.

The bride has been employed in office of the Clinton Woolen Mills for some time. Mr. Jones was recently discharged from army service and is now attending a watchmaker's school in Elgin, Ill.

HOME FROM BRAZIL

Mr. and Mrs. Robert W. Chandler and children have returned to the United States from South America where Mr. Chandler holds the position of senior instructor in hydraulics at Sao Paulo, Brazil. He will spend two months in the states and will visit industrial plants in Ohio, Indiana, Michigan and California.

Mrs. Chandler, formerly Sylvia Sanderson of Tecumseh, and their three children, who are visiting relatives in the vicinity, will remain at Lake Worth, Fla., until Mr. Chandler leaves for Brazil, when she will again accompany him. The children, however, will remain in the states to attend school.

NEW GIFT SHOP IS IN NEED OF CLOTHING

Tecumseh Hospital Auxiliary met Tuesday evening at the home of Mrs. H. H. Hanna to make articles for the new Gift and Thrift Shop to be opened by the Auxiliary in October. Funds from the shop will be used to complete payment on the new laboratory equipment, which amounted to around $2000.

The shop is in need of clothing and toys which may be re-conditioned and a box has been placed in the Village Clerk's office where toys may be left.

An open meeting will be held September 11 when Dr. Bernard Steinberg of the Research Laboratories in Toledo will be the speaker. A tag day is planned for later.

Play Schedule Ends This Week

SUPERVISED PROGRAM AT RECREATION CENTER SUCCESSFUL, RAIZK SAYS

Tecumseh's supervised recreation program, functioning since June at Recreation Center, will be brought to an end today, Fred Raizk, coach at the high school and its director, announced.

"We have had the most successful summer program this year that we have had since the Center opened," Mr. Raizk declared. "It has attracted both adults and children, the program has been well received and all in all, I believe, very enjoyable."

Raizk pointed out the youth of Tecumseh have enjoyed the swimming classes, meeting three times a week at the Gravel Pit, the baseball and football contests, etc., while adults have taken to tennis, archery, softball, baseball, picnics, etc. Hundreds of persons have enjoyed the program.

In the teen-age baseball contests between the East End Giants and the West Side Tigers, the Giants won both series, the first six games to four, the second, eight to two. In three games of football played by the same groups, the Giants won all of the games.

In the matched tennis tournament, Art Hoff won the summer title from Joe Springer, in a final contest, Monday evening. Mr. Hoff previously had defeated Perry Satterthwaite and Mr. Springer had won from Lefty Fosbender. Others in the contest earlier were Sonny Mason, Bill Mullin, Norm Conser and Keith Barron.

"I would like to express my appreciation to the public for their excellent cooperation in the summer recreation program this year," Mr. Raizk said. "I believe that another year, with the war over, we can have an enlarged program that will be for more attractive than this year's."

PERRY HAYDEN TO SPEAK AT BAPTIST CHURCH

Rev. O. V. Robinson of the Burton street Baptist church of Grand Rapids, was the guest preacher at the local Baptist church, Sunday morning. Included in he service was a special number "Land From the Mountain Top" by the St. Cecilia Choir. The pastor, Rev. B. O. Bashore preached at the North Rome church Sunday morning.

Next Sunday, Perry Hayden will speak, representing the Gideons. The loose offering will be given for the Gideon cause.

CAMPBELL—MARTIN

Pfc. Harry M. Campbell and Henrietta Martin, both of Tecumseh, were married Saturday evening by Justice of the Peace Florence Howe at her home on West Pottawatamie street. They were attended by Miss Betty Campbell and Carl Dinse.

Pfc. Campbell recently returned from overseas service and is on furlough from Percy Jones Hospital where he is a patient.

Boondoggling Dream Would Link Toledo-Chicago by 290-mi Canal

PROJECT IS AUTHORIZED BY CONGRESS; WOULD NOT TRAVERSE MICHIGAN

By GENE ALLEMAN
(Special To The Herald)

LANSING, Aug. 16—And now, the ultimate of boondoggling dreams to consume taxpayers' dollars and to keep army engineers on federal payrolls: An inland barge canal connecting Lake Michigan and Lake Erie, a distance of 280 miles!

Fantastic as the idea may appear, the project has been authorized by Congress through its river and harbor bill of March 2, 1945, approved by President Roosevelt.

It would link the harbors of Toledo and Chicago by digging a waterway across western Ohio and northern Indiana. Army engineers say the short-cut would save about 450 miles of transportation by way of the Detroit river, Lake St. Clair, Lake Huron and Lake Michigan.

Because the canal would not traverse Michigan counties, interest among Michigan people has been lagging. However, the Indiana state legislature board of the Brotherhood of Locomotive Firemen and Enginemen have denounced the scheme in no uncertain words on the grounds that there was "no economic justification for the project."

To which, we agree. Here's why.

The Great Lakes provide the greatest single factor in Michigan life.

Our climate, famous with summer vacation-seekers, is controlled by the lakes.

Our automobile industry owes its origin to the manufacture of marine engines, a by-product of transportation on the lakes.

The greatest marine thoroughfare in the world is the Detroit river. The world's largest waterway gate is the Soo canal at Sault Ste. Marie.

Michigan has water communication with seven other states, and it affords 21 government improved natural harbors in addition to many ports that have been improved at local expense.

Michigan-mined iron and copper ore are transported in Michigan boats to Michigan industrial plants, there to be converted into thousands of modern appliances.

Miss Dolores Manthey Weds Glenn Furgason

Miss Dolores Manthey of Ridgeway and Sgt. Glenn Furgason, son of Mr. and Mrs. Bernard Furgason of Tecumseh were married August 4 at the Immanuel Lutheran church at North Blissfield by the Rev. William Weinlander. They were attended by Mrs. Leland Plotter, sister of the bride and Gaylon Furgason, brother of the groom. Glenn McGinley of Toledo and William Furgason acted as ushers and Mrs. Willard Drefke was organist. Miss Vivian Furgason as soloist, sang "I Love You Truly" preceding the ceremony.

A reception was held later at the home of the bride's parents.

Sgt. Furgason recently returned from overseas service in Europe and wears four battle stars. He will report tomorrow at Camp Grant, Ill., and has been assigned to Ft. Benning, Ga., for further training. Mrs. Furgason will remain with her parents.

Carlton E. Rockwood Buried Here Friday

Carlton E. Rockwood, aged 61 years, died early Tuesday at the Hillsdale Health Center after several months illness. Mr. Rockwood was a son of the late Joseph Rockwood and wife and was born near Manchester. The family lived near Cone for many years. Mr. and Mrs. Rockwood had lived on a farm near Ransom for 25 years.

Survivors are the widow Martha, two brothers, William of Adrian, and Benjamin of Redcliff, Colo., two sisters, Mrs. Harriett Weiderhoft of Ypsilanti, and Mrs. Nellie Curry of Flint.

Funeral services will be held Friday afternoon at the United Bretheren church in Ransom and the body will be brought to Tecumseh for burial in Brookside cemetery.

HOME FROM PACIFIC

Lt. Holden McElroy, a pilot with the 13th Air Force, arrived home Monday after a year in the Pacific area, and is visiting his parents, Mr. and Mrs. Royal McElroy in Britton. Lt. McElroy has completed 53 missions.

Pulp from Scandinavia is transported by boats direct to Michigan ports for shipment by railroad to Kalamazoo paper mills. Foreign vessels travel via the St. Lawrence river and the Great Lakes right to our front door!

Prolucts of Michigan (eace-time, of course) included automobiles, automobile parts, tires and rubber products, basic steel, pig iron, coke, furniture, drugs and pharmaceuticals, lumber, chemicals, paper, beet sugar, clothing, machinery, cast and forged iron and steel, petroleum products, plastics, radios, refrigerators, stoves and ranges, flour, cereals, leather goods, dairy products, furs, canned goods, fishing tackle, cement and other limestone products, adding machines, typewriters and office equipment.

One-sixth of the nation's war output came from Michigan!

Sure, we're good. But so are the Great Lakes.

French Mothers Thank Tecumseh

GRATEFUL TO RED CROSS FOR MAKING CLOTHES FOR CIVILIAN WAR NEEDY

Grateful French mothers have written to the Lenawee County Chapter of the American Red Cross, thanking the organization for clothing, manufactured by local women and shipped to the needy in the war-torn areas of Europe, Mrs. Edna Codling, chairman for Tecumseh, announced today. Mrs. Codling also announced that Mrs. James Artman had been named chairman of the clothing production project for Tecumseh, and that she is asking for volunteers.

The Lenawee chapter has been assigned a quota of 1,000 boys' shirts, which are now being cut at the chapter headquarters, and Tecumseh has been asked to make 200 of these garments, all of which will be used for civilian war relief.

Many local women will remember working on a project of pajamas, dresses, etc., some months ago, and will be interested to know that the garments have reached liberated Europe. Two letters received from French mothers by the local headquarters read as follows:

"I am sending all my sincere thanks for the pajamas you have sent me. We have six children and lost everything when we were bombed the 12th., 13th., and 18th., of June, 1944. All my sincere thanks."

The second letter says:

"Dear good friends:

"Me and my little children come to thank you for your big heart and generosity. Each night my little children pray for you. They are glad to have received a wool sweater and pajamas. They are so proud of them and think a lot of their good American friends. We are refugees of Hane and we don't have a home any more like lots of others. I am the mother of four young children and soon five. I hope soon our dear Allies will have peace. Wishing you all the best of luck."

Mrs. Codling said that any interested individual or group desirous of sewing for civilian war needs should contact Mrs. Artman immediately.

PARENTS HONORED

Mr. and Mrs. Wade Hendershot entertained at dinner Sunday honoring the 43rd wedding anniversary of her parents Mr. and Mrs. E. E. Hoyt of Clinton. Guests were Mr. and Mrs. H. P. Hoyt, Rev. and Mrs. O. E. Priest and Mrs. Catherine Wilson of Clinton, Mrs. J. S Edwards and daughter of Zellwood, Fla., and Mr. and Mrs. R. R. Hendershot.

Conlin Tells of State Costs

APPROPRIATIONS BY LEGISLATURE THIS YEAR HIGHEST IN ALL HISTORY

Appropriations endorsed by the Michigan legislature this year were the highest in the history of the state, Rollo G. Conlin, representative from the Lenawee district, declared when he addressed the Rotary club at its regular dinner meeting, Tuesday evening at Brees House. Mr. Conlin, whose home is at Tipton, was the guest of Lester Rogers.

"The legislative body was asked to appropriate over $500,000,000 for the next two years and did appropriate $344,102,169 of which amount over $162,000,000 is for the next fiscal year," the representative said. "Underlying this whole problem is the fact that the people or groups are constantly demanding more service or greater assistance from the state. Comparing the new budget with that of last year, one type of increase runs through the whole schedule, namely, increases in salaries and wages and increased materials costs. Over these the legislature has but little jurisdiction because the pay of some 14,000 of the 16,000 state employes is fixed by the Civil Service Commission under constitutional authority."

Mr. Conlin, who is a member of the ways and means committee, one of the most powerful committees in the lower branch of the legislature, said that the overall increase in appropriations for the new budget over that of a year ago amounts to more than $22,000,000. Of this amount more than $6,800,000 is for state aid. He also pointed out that school costs are rising and he said that in all probability the state's share of educational expense will exceed $60,000,000. Educational expenditures are listed as 47½ per cent of the total expense budget, he declared. Welfare demands also are on the increase and appropriations for this purpose exceed $33,500,000.

The state's income this year is expected to be in excess of $163,000,000, including one hundred million from the sales tax, twenty-three millions from the liquor tax and nearly seven millions from corporation taxes.

Mr. Conlin said that, as a member of his committee, he had visited many of the state's major institutions in the past year and had learned first-hand the needs for tax aid. "There are 35,000 persons in mantal hospitals in Michigan, and penal institutions would, if placed in one area, make a city as large as Port Huron or twice as large as the city of Adrian. These folk must be clothed, sheltered, fed and properly cared for at taxpayers' expense," he said.

DARWIN CREGER IS INJURED IN ACCIDENT

Darwin Creger, son of Mr. and Mrs. Harry Creger, suffered a crushed leg, a broken ankle and slight concussion, Saturday in a accident near Jackson. Creger who is a member of the state troops, was leaving with the troops for encampment at Grayling and was riding an M. P. bike when the accident occurred. He was removed to a Jackson hospital where his leg was put in a cast and was brought to his home here Sunday.

RADIO GRAD

Pvt. Franklin E. Humble, son of Mr. and Mrs. Victor Humble, recently graduated from the AAF Training Command radio repair course at Truax Field, Madison, Wisconsin. Pvt. Humble has previously completed a radio mechanic's course and is now qualified to serve as an aircraft communications repairman with the AAF anywhere in the world.

GETS 4 STARS

Pfc. Robert Wyland Harriott, son of Mrs. Willard Harroitt, who is with the 133rd Infantry Regiment of the 34th (Red Bull) Division, now stationed near Trieste, Italy, has been awarded four battle stars, the Combat Infantryman's Badge and Good Conduct Medal.

WHAT OF THE FUTURE?

It's just as clear as mud.

That, in one instance, sums up the average person's views on the sugar, butter, cheese, milk, beef and poultry shortages, and the dozen and one other shortages. Comments by federal officials and investigations mean nothing. We are told that cattle on the range number approximately 30 per cent more than ever before in history—but how can we eat cattle on the range. In the butcher shops we see meat of strange, desert-dry nature fish that never before was used for anything except bait. There are all manner of substitutes for legitimate food.

The OPA, the War Food Administration, the Department of Agriculture and many other federal branches and bureaus are blamed for the situation. In all fairness, it should be said that no one agency is to blame. A world war upsets any domestic economy. But it is safe to say that the "planned economy" which we accepted as a war and anti-inflation measure, had a great deal to do with the disorganization and shortages in many instances. Holding down the hog supply or the wool market may help some producers while it hurts the consumers of lard and wool shirts.

People must remember that the idea of a controlled economy is no different than the philosophy of socialism which puts government into business to the exclusion of private enterprise.

We are having experience right now with planned economy. How well we like it—how well satisfied we have been with socialized planning should give us something upon which to base our [illegible] decisions.

Pastor Installed

Rev. Theodore Iben was installed Sunday as pastor of the Immanuel Lutheran church on the Ridge. Rev. Iben comes here from St. Paul's Evanbelical Lutheran church in East St. Louis, Ill., and succeeds Rev. F. W. Schwede, pastor for 40 years, who resigned recently because of illness.

Services were in charge of Rev. R. S. Standacher of Petersburg, with Rev. Paul Waschilewsky of Inkster delivering the installation sermon and Mr. Standacher administering the rite of installation.

Other pastors of the vicinity also took part in the service.

A reception for Rev. and Mrs. Iben was held in the church social rooms following the services.

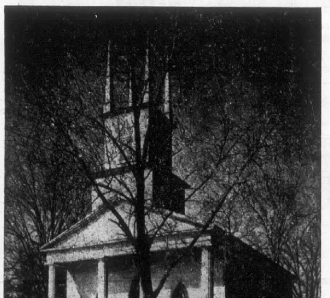
VACATION CHURCH SCHOOL AT ST. PETER'S
August 20-31
Featuring
Movies and Slides
in Full Color



Boys and girls 7-17 and their parents will be glad to know that they can combine fun and knowledge by attending the Vacation Church School at St. Peter's Church August 20-31.

By arrangement with the Diocese of Michigan and Engleman's Visual Service Company of Detroit motion pictures and slides in full color will be employed to teach the Parables of Christ and other New Testament Bible stories. Cathedral Films, Inc., of Hollywood is the producer of the materials to be used. None better can be had.

Sessions will meet from 9 to 12 each morning, Monday through Friday, during the two weeks of the school.

Each day's program will be in three parts—worship, study, and recreation. The study sections will use the visual aids of movies, slides, simple dramatics, and handwork.

An offering will be taken each day to help defray rental costs of films and the cost of other necessary materials.

The Rev. John R. Scarlett, Rector of St. Peter's, will be in charge of the older boys and girls. Miss Barbara Dannells, education student at Albion College and Siena Heights College, will direct the younger children. Miss Gay Larsen of Denison University has been engaged as organist and pianist. Other faculty members will be announced later.

Here is a grand opportunity for the boys and girls of Tecumseh to spend ten full happy and profitable mornings in the Christian character building atmosphere of the Church.

Sgt. Virgil W. Hill, son of Mrs. Bertha Yancer of Mill St., writes from Germany that he is singing with the 309th Regimental Glee Club, composed of fifty members. Aside from group singing, he is doing solo and quartet numbers. Sgt. Hill is a Surgical Technician with the 309th Infantry, but now works with Special Service Headquarters at Karlshafen. The Glee Club, with the band, gives programs at the various company theaters and sings in church services. They are now in Frankfurt for ten days of entertaining, making the one hundred forty mile trip in army trucks.

Karlshafen is described as a resort town located in the valley of the Weser River, amidst beautiful scenery. It has many beautiful buildings, some dating back to the fifteenth century. One of these is a large church, in which the Regimental Choir sang.

Sgt. Hill has been overseas since last October and does not expect to return home before early winter.

Schools To Open Tuesday, Sept. 11

DETAILS OF ENROLLMENT AND NEW TEACHING STAFF ANNOUNCED BY BERKHOF

The new school year for Tecumseh children will commence Tuesday morning, September 11, at 9. The opening session will be limited to enrollment procedures and regular classes will start on Wednesday, September 12, W. L. Berkhof, superintendent, said today.

Following the opening session the time schedule given below will be observed. The morning session for all children in the Central building will begin at 8:15. The elementary grades in this building will be dismissed at 11:30 for the noon recess and the junior and senior high school classes will be dismissed at 11:45. The afternoon sesion for the same groups will begin at 1 o'clock and the dismissal times will be 3:30 for the elementary grades and 4 o'clock for the junior and senior high school classes. The school day for the children at the branch building will extend from 8:45 in the morning to 3:30 in the afternoon with the period from 11:30 to 1 o'clock for the noon recess. The kindergarten class will again be divided into two sections with half day attendance for each section.

The West Branch building will again house the kindergarten with Mrs. Dorothy Updike as teacher, a section of the first grade with Mrs. Ivah VanValkenburg as teacher, and a section of the second grade with Miss Bertha LaPointe in charge. Parents living west of Evans street are requested to enroll their children for these grades at the West Branch building. Only children who will be five years old before the first day of January, 1946, will be accepted for enrollment in the kindergarten.

Two rooms of the East Branch building will be used for children in grades one and two who live East of Evans street. Miss Alice Seeger, who has recently been appointed to the Tecumseh staff, will serve as teacher of the first grade and Miss Margaret Roberts will be in charge of the second grade section.

Children in grades three, four, five, and six must enroll at the Central building. Teachers in charge of these grades will be Mrs. Ina Baily, Mrs. Lela Colson, Miss Marian Martin, Mrs. Cora Pfaus, and Miss Bernice Parker.

Junior and senior high school assembly room to receive students will meet in the high initial instructions regarding enrollment procedures and the classes will then meet in separate groups under the direction of counsellors who will assist the students with their enrollment and program problems. Rural pupils who desire advice regarding these problems before school opens may obtain such advice in the office of the high school principal on Thursday and Friday mornings, September 6 and 7.

Three new teachers and a new high school principal have been employed to replace staff members who have resigned their positions with the local staff. James McDowell has been appointed to the principalship and will succeed C. R. Dustin who last spring announced his retirement from the teaching profession. Mr. McDowell holds his M. A. degree from the University of Michigan and has served as a teacher and administrator in a number of school systems in Michigan during the past 17 years. He comes to Tecumseh from Leslie, Michigan, where he served as principal of the high school for the last two years.

Miss Dilys John will serve as instructor of English in the junior high school and will also have charge of the speech class on the high school level. Miss John is a graduate of the Michigan State Normal College and comes to our system from Battle Creek where she served as instructor during the past year.

Mrs. Lela Colson who has had previous teaching experience in the Tecumseh schools, has been employed to replace Miss Elizabeth Cole, who has joined the staff at Albion College.

Miss Alice Seeger, of Blissfield, has accepted the position as first grade teacher and will replace Mrs. Mary Wolf who resigned her position last spring. Miss Seeger has had extensive rural school experience and served as early elementary instructor of the Ottawa Lake school during recent years.

An agriculture instructor's name may be announced at a later date.

Other staff members who will again serve in the Tecumseh Public Schools are: Mrs. Ayesha Laidlaw, Mrs. Lois Service, Mrs. Hazel Dickinson, Miss Agnes Hansen, Mrs. Dorothy McColl, Alvin Brazee, Aden Mead, Fred Raizk, Delmar Crisp, David Dick, and Clare Camburn. Mrs. H. H. Hanna will again serve as librarian and assistant

German Athletic Field Named For Britton Boy

An athletic field at Rotthalmunster, Germany, was dedicated July 22 to the memory of Pfc. Arthur C. Bamm who was killed in action in Germany, November 23, 1944. Pfc. Bamm was a son of Mr. and Mrs. Arthur Bamm of Jackson, formerly of Britton and Tecumseh. He was 21 years of age and a member of the 102nd Division. The field was named the Arthur C. Bamm Memorial Field, his name being chosen to represent the 14 men from Co. D who were killed in action.

Father Killed, Child Injured

SAMUEL CAMPBELL FATALLY HURT IN TRAFFIC ACCIDENT HERE, TUESDAY

Samuel Campbell, 29, local manager of the American Gas Co., was killed instantly and his two year old son Donald was seriously injured early Tuesday morning, when the gas truck he was driving overturned on M-50 near the Irelan home where it had struck a mail box and crossed the road into the ditch. The child was taken to Tecumseh hospital.

Mr. Campbell was born in Ironton, O., October 2, 1915 and had been in Tecumseh over two years. He was a member of the Fraternal Order of Eagles.

Survivors are the widow Ruth Ann, the son Donald, his parents, Mr. and Mrs. C. A. Campbell of McArthur, O., three sisters, Mildred, Wanda Jean and Thelma of McArthur, and a brother, Layne, somewhere in the Pacific.

The body was removed to the Collins Funeral Home and yesterday was taken to McArthur, O., where funeral services will be held Friday, with burial in the Elk cemetery.

Production of Whisky Reported as "Just Fair"

WASHINGTON, Aug. 23—The drinking public can look forward to an early return of normal whisky production, but there will be considerable delay before it can enjoy the results.

Half of the nation's total whisky production by the end of the year is expected to be of the now-scarce bourbon type. However, consumers will have to wait at least a couple of years for aging to take off the green edge.

Bourbon stocks almost have reached the bottom of the barrel and distillers will continue to blend their product with neutral grain spirits for many months to come. Until new bourbon is aged, blended whisky will dominate retail shelves.

Scotch whisky makers, with similar problems of aging their product, will not be able to augment the U. S. drought for several years.

MRS BRANDT HONORED AT POST-NUPTIAL SHOWER

The World Wide Guild and True Blue class of the Baptist Sunday school met Thursday evening at the home of Jane Hoekstra. Year books for the coming year were planned and the program for next Sunday's church service was outlined. Kathleen Powell led the devotions.

A post-nuptial kitchen shower was held for Mrs. Max Brandt, the former Ella Louise Pearson, and a waffle supper was served by the hostess. Later the shower gifts, which were in an umbrella suspended from the ceiling, were opened by Mrs. Brandt.

Michener Sees Problems Ahead

SAYS FUTURE PEACE OF WORLD DEPENDS UPON CONFIDENCE AND FAITH

The peace of the world, now that World War No. 2 is at an end, depends upon the faith, confidence and hope of all men. Congressman Earl C. Michener of Adrian, told members of the Rotary club here when he addressed that group Tuesday evening following dinner at Brees House. Cong. Michener is home from Washington during the summer recess of Congress. He expects to return to the Capital on September 4.

"The objective of the San Francisco conference—world peace—is the objective of all of us. But that objective cannot be realized unless all men, men everywhere, men in authority have a genuine desire for peace," Mr. Michener declared.

Discussing the work of Congress when it reconvenes next month, the lawmaker forecast a busy session, months filled with problems of reconversion. "Changing our factories from peace time to war production was comparatively easy to what we face today. It is going to be difficult to satisfy everybody," he said.

Mr. Michener said that he was glad to see many of the war-time controls released by executive order but he indicated that it might still be necessary to retain the Office of Price Administration and the War Production Board for some time to assure equitable distribution of consumer goods and industrial materials.

The congressman spoke briefly regarding his impressions of President Truman, declaring that he is favorably known to Congress. "But Mr. Truman has some momentus decisions to make in the very near future. He is at the top of the hill where the main road forks to the right and to the left. He will need divine guidance. May God help him and bless him," he said.

The end of he war with Japan, the speaker said, came as a surprise to Washington, the atomic bomb upsetting military predictions. He predicted that it will be necessary to keep a million men in the Jap occupation army for four to six years, and a slightly smaller army in Europe for about the same length of time.

Loren E. Eyler, 78, Dies At Home In Macon

Loren E. Eyler, aged 78 years, died Sunday night at his home in Macon. Mr. Eyler was born in North Baltimore, O., and moved to Monroe county in 1910, and to Macon 22 years ago.

Local Seaman's Ship Meets Japs and Typhoon

ABOARD THE USS ALABAMA IN THE PACIFIC—Raymond J. Frolich, seaman, second class, USNR, Route 1, Tecumseh, Mich., is serving aboard this battleship which in one month's time raided the Japanese mainland twice, bombarded a Jap-held island north of Okinawa and rode unscathed through a violent typhoon.

One of the raids against the Nip homeland was uneventful, but during the other operation the "Mighty A," as the man-o'-war is known to her crewmen, ran into a hornet's nest of Jap suicide pilots.

Scores of the Kamikaze planes were shot down outside the task force formation, but at least four came in close enough to be splashed by the guns of this and other ships. ALABAMA gunners claim credit for downing two of these planes and for assisting in destroying another.

One Kamikaze, a "Zeke"-type fighter, flew through clouds of ack-ack before singling out this ship as his target, but as he turned to make his death run his plane was hit and crashed flaming, a scant 300 yards away.

During her bombardment assignment, the ALABAMA turned loose her 5- and 16-inch guns to pulverize Jap shore installations.

The typhoon the battleship experienced pounded the 25,000-ton vessel for hours, causing her to pitch and toss heavily, but she came through undamaged.

MRS. JAMES KINNEY OF CLINTON, DIES

Mrs. James Kinney, aged 70 years, a resident of Clinton, died Thursday morning at Tecumseh hospital.

She leaves her husband, three sons, Joseph Shepherd of Minnesota, James Kinney, Jr., of Adrian and George Kinney S 1/c, and three grandchildren.

Funeral services were held Sunday afternoon at the Hanse Funeral Home in Clinton. Burial was in Palmyra cemetery.

HUNDREDS PRAY FOR WORLD PEACE

Thanksgiving Service is Crowded

TECUMSEH OBSERVES FIRST SUNDAY AT PEACE WITH RELIGIOUS MASS MEET

Tecumseh observed its first Sunday at peace with a religious mass meeting, sponsored by the Ministerial Association, at Recreation Center. A crowd, estimated at several hundred, attended the service, held at 7:30 o'clock in the evening.

The service of prayer and thanksgiving opened with an invocation by the Rev. Blair O. Bashore, pastor of the Baptist church, and Wallace Whiting sang, "The Lord's Prayer." The Rev. John Scarlett, rector of St. Peter's Episcopal church, led in a responsive reading.

The Rev. James Cameron Murdoch of the Presbyterian church introduced the Rev. Dr. Norman MacNaughton, pastor of the Methodist church, who delivered the address of the evening. Dr. Mac Naughton spoke on the need for international peace.

The service closed with a benediction by the Rev. Alvin Brazee and taps were sounded and a volley was fired by a group from local service organizations. The Tecumseh High School Band under the direction of Clare Camburn furnished music. The program was broadcast over loud speakers, making it possible for many persons to sit in their cars on the bank of the Center during the service.

President Truman led a grateful nation in prayerful thanksgiving Sunday at a service in the East Room of the White House. With his wife and Mrs. Woodrow Wilson and ranking officials of the government, the White House service was conducted by Brig. Gen. Luther Miller who prayed: "May we be worthy of the sacrifice of those who gave themselves for this moment. Help us to know that the end of battles is but the beginning of opportunity."

Lt. Jack Hammel Killed In China

WAS GRADUATE OF WEST POINT IN '43; SON OF COL. AND MRS. H. H. HAMMEL

Word has been received here from the United States War Department that 1st Lt. Jack W. Hammel, son of Col. and Mrs. H. H. Hammel, was killed in action, July 25. Lt. Hammel, a fighter pilot, was assigned to the Fourteenth Air Force, made up of Chinese and American personnel. He served with the "Flying Hatchet" Fighter Group, which has been exceptionally active as operations have been intensified against Japanese ground forces retreating from Chinese ground forces.

Lt. Hammel was born in Tecumseh, January 23, 1922. He attended Tecumseh school with the class of 1939. He served as senior class president and president of the Student Council. After finishing high school, he attended Stanton Preparatory School at Cornwall, N. Y., and then entered the United States Military Academy at West Point, N. Y., graduating in 1943.

Immediately after graduation he was married to Miss Anne Swallow of Drexel Hill, Pa. Until he was assigned overseas he was stationed at Venice, Florida, where he was an instructor and operations officer.

In addition to his wife and his parents, Col. and Mrs. H. H. Hammel, Jack leaves a brother, Richard Hammel, Phm. 2/c, who is stationed at Guam, and two sisters, Mrs. Harry Roberts of Battle Creek, and Irene, at home. Col. Hammel is with the 7th Army of Occupation in Germany.

Overseas Xmas Mail Goes Soon

POSTING OF PACKAGES WILL START ON SEPTEMBER 15, POSTOFFICE SAYS

Another holiday mailing season will soon be at hand—for personnel in the armed services stationed overseas. The mailing period is the same as last year, September 15 to December 15, the earlier the better, since the greatly increased volume of mail always overtaxes the facilities of post offices. Patrons are advised by P. A. Bowen, local postmaster, to have their boxes ready to mail as early as possible.

The War Department advises that Christmas greeting cards for soldiers overseas must be sent in sealed envelope, and prepaid at the first-class rate. Greeting cards mailed to men in branches of the service other than the Army may be mailed in unsealed envelopes if they bear no unpermissable written additions, and mailed at the 1½ cent rate. It is suggested, however, that they be mailed as first-class matter, since in that event they will be returned if undelivered, provided they bear a return card.

Patrons are urged to pack and wrap all boxes securely and print the complete address as plainly as possible on the outside wrapping.

Tires Scarce, OPA Warning

DEATH TOLLS MOUNT AS GAS RATIONING IS LIFTED; DRIVERS RECKLESS

Death tolls, nation-wide, mounted over the first week-end of ration-free gasoline and traffic in Lenawee county and in the resort areas hit a pre-war level, it was reported today. Over the United States, death tolls jumped from 15 on the week-end of August 11-12 to 54 over last Saturday and Sunday. Of that number, three were in Michigan.

"Some folk seemed to go crazy when gas rationing was lifted," one gasoline station operator here, said. "'I had several of them come in and say, 'fill'er up' and one driver said, 'run it over a little, just to see how it seems.' However, things have cooled down somewhat," the operator concluded. "The last customer I had only wanted two gallons."

While gas was ration-free, the Office of Price Administration warned that tires are far from being plentiful, that rationing of rubber is still in force and may continue yet for many months. Tires are very, very scarce, in fact some garages and filling stations are out of tires entirely.

State police also issued a warning to the effect that drivers should use extreme caution in the operation of their cars because of the age of both the automobile and its tires. Brakes on old cars do not function as smoothly and rapidly as on new machines, and tires, unless speed and heat, soon blow out. Hundreds of cars were laid up on Lenawee county highways over the week-end because of tire trouble.

Traffic in Lenawee county on Saturday night and Sunday hit a pre-war normal, this being especially true in the resort areas. Especially noticeable were the Ohio drivers who paid little or no attention to yellow lines on the pavements, and insisted on cutting in and out of traffic.

Capt. C. G. Scavarda, on the state police traffic division, declared that traffic control is more difficult now than before the war because of a combination on the roads of drivers nursing old cars and others with comparatively new and fast automobiles.

"These two types of traffic just wont' mix," he said. "We are going to attempt to encourage drivers to maintain an even flow of traffic, to eliminate cutting in and out of line and prevent one of the most serious causes of accidents."

Local Folk To Attend State Legion Session

Several members of the American Legion and Auxiliary will go to Detroit tomorrow to attend the state convention of the organization to be held August 25-26. Among the group will be Louis Schneider, state chairman of child welfare; Mrs. Schneider, department chairman of constitution and by-laws; Mrs. C. W. Howe, president of the Second District; Mrs. L. W. Mix, delegate from the Tecumseh auxiliary unit, and Mrs. Bert Warren, secretary of the Second District.

A number of others will attend the Sunday session.

Keep Gas Books OPA Warning

CONSUMERS ALSO ADVISED TO RETAIN GREEN STAMPS IN FOOD RATION BOOKS

WASHINGTON, Aug. 23 — The Office of Price Administration said today that consumers shouldn't throw away their gasoline ration books and the green stamps in their food ration books.

While no longer needed for buying gasoline, those A, B and C books still will be of help to motorists wanting tires.

A new system of tire rationing, based on occupational driving requirements rather than type of gasoline ration book held by the motorist, has gone into effect. However, retention of the old gasoline books will expedite the granting of tire purchase certificates since ration boards can use them in determining occupational needs.

As for the green stamps in ration book 4, you had better hang onto them, because these are the future meat rationing stamps.

The green stamps originally were intended to replace the blue stamps which became obsolete when canned goods rationings ended.

No more ration books will be printed. OPA advised that airplane

Murdoch's Ship Blasts At Japs

SON OF LOCAL MINISTER TAKES PART IN BATTLE JUST OFF JAP COAST

(Special To The Herald)

ABOARD THE U.S.S. TOPEKA—The night of July 18th will live forever in the memory of Seaman Second Class Douglas G. Murdoch, 18, USNR. This was his first experience in bombarding the very core of the Japanese Empire, Nojima Cape, the target, was only forty-five miles to the south of Tokyo itself. His ship, the U.S.S. TOPEKA commanded by Captain Thomas L. Wattles USN of Williamsburg, Va., throbbed thru the dark dangerous waters of Sagami Sea as part of a light cruiser force under the command of Rear Admiral Carl Holden USN. Every man was alert, and tense at his battle station as the TOPEKA approached her objective in company with three other Cleveland class cruisers; the U.S.S. DAYTON, U.S.S. OKLAHOMA CITY, U.S.S. ATLANTA and screening destroyers including the U.S.S. AULT and U.S.S. JOSEPH W. WEEKS. Suddenly the silhouettes of this memorable midnight was shattered by the TOPEKA'S main battery opening up upon Admiral Holden's command "Commence Firing!" The target was the shore installations on Nojima Cape, which is only a short, Sunday afternoon's drive from the Japanese capital itself. One large explosion was seen but complete reports on the effect of our gunfire are not yet available.

Murdoch's battle station throughout the bombardment was as a First Loader on 40 mm gun. The action continued until the early morning of July 19, when with their mission completed the cruisers and destroyers retired.

The TOPEKA and her sister ships of the Cleveland class have a length of six hundred feet, displacement of ten thousand tons, an approximate complement of nine hundred men and carries four aircraft. They mount twelve six inch guns, twelve five inch 38 calibre dual purpose guns, plus a machine gun battery. All were ordered in 1940 and each cost more than eighteen million dollars without armor or armament.

Seaman Second Class Murdoch, is the son of Rev. and Mrs. J. C. Murdoch of 305 W. Logan street, Tecumseh, Michigan. Murdoch by participating in the bombardment of Nojima Cape broke a 700 year precedent; for never since the days of Kubla Khan had an enemy surface warship so closely approached the city of the Sun Emperors, Tokyo, as did his ship the TOPEKA on that most eventful night.

A FREE COUNTRY

This is a free country.

Sure it is—but for what?

It is free to work. No man has to be what his father was before him. No man has to work where his father worked. In time of emergency we may voluntarily regulate our manpower but it is done under the laws we ourselves made, which are to be abrogated when the need is over.

It is free of knowledge. No man need stay ignorant if he has the will to learn.

It is free for courtesy. Where each man is counted as one, there need be no servile scraping nor condescending nod. It takes but one person to be polite.

It is free for friendliness. We are all equals under the law, bound by the same rules and regulations.

It is free for integrity. No man wears the yoke of another. No man is bound to another as his slave.

It is free for thought. The unfettered mind of man is the secret of the advancement of the nation. No man need be told what to think or when to think it.

It is free for belief. No man need worship or not worship at the behest of his master. His beliefs are his own.

This is a free country—founded upon freedom and free to grow with the times to a newer and finer fulfillment of the law of liberty—which is the law of righteousness.

Are You Saving a Part of Your Earnings?

* * *

Have you stopped to consider the importance of a saving account? There are folk, we believe, who have never asked themselves that question, seriously.

A savings account has been defined as "a friend in time of need"—a fund to which you may go at any time when unforeseen emergencies arise.

How do you start a saving account? It is very simple. Deposit a few dollars to your credit in this bank and then add to it regularly each payday. You'll be surprised how rapidly it will grow, how much satisfaction there is in having such an account.

Open one this week!

ON THE PACIFIC

ASSEMBLY AREA COMMAND, FRANCE — Among the "early American settlers" in this area are members of a general hospital unit, which operated in, France from March 1945 until June, when they were ordered to prepare for direct shipment to the Pacific.

Now stationed at Camp Philadelphia, one of the 18 redeployment camps in the Assembly Area Command, near Reims, France, the unit, of which Cpl. Kenneth L. Osborne, 311 W. Cummins street, Tecumseh, is a member has seen the mammoth redeployment center arise from the dusty plains and wrecked buildings of what was once a French Army encampment.

Activated in October 1944, at Camp Ellis, Illinois, the unit reached France in January 1945. Early in March, it proceeded to this area, where it remodeled and repaired a schoolhouse before opening a 600-bed hospital. Three months later, the unit was ordered to the Pacific via Camp Philadelphia.

Corporal Osborne is the son of James Osborne.

NEW PHONE MANAGER

Paul A. Lockwood, district manager of the Michigan Associated Telephone Company with headquarters at Coldwater, was granted military leave of absence by his company to be inducted into the armed forces at Indianapolis, Indiana on August 6. Mr. Lockwood has moved his family to Elkhart, Indiana, their former home community where they will be among old friends and relatives during Mr. Lockwood's absence.

W. Grant Treloar, who has been employed in the plant department of the telephone company at Muskegon for the past five years has been appointed acting district manager to handle commercial and traffic department activities throughout the 23 exchanges in this part of the state, which comprise the southern district of the Michigan Associated Telephone Company. Mr. Treloar will move his wife and family to Coldwater in the near future.

SCIENCE HAS REPLACED GUESSWORK IN EGG PRODUCTION

We all remember the day when we used to "throw out" some grain to the hens, and to trust to luck that we would get some eggs. It's all different now.

YOU MUST FEED LIBERALLY FOR HIGH PRODUCTION AND GOOD BODY WEIGHT.

For 40% Production feed 20 lbs. day per 100 birds

For 50% Production feed 23 lbs. per day per 100 birds

For 60% Production feed 26 lbs. per day per 100 birds

For 70% Production feed 30 lbs. per day per 100 birds.

Produce infertile eggs; gather twice daily; hold in cool place; market often.

AND ALWAYS HASTEN FOR HAYDEN'S FEED.

Schools to Open

secretary and Mrs. W. N. Winfield has been employed as secretary to the Superintendent to replace Mrs. Helen Sager who has recently indicated that she will not be able to resume her position in the high school office this Fall.

Parents are urged to enroll their children promptly to avoid delays which often prove costly to the child. Prompt and regular attendance throughout the year is also absolutely essential if maximum educational benefits are to be received from the schools. The board of education is also urging and recommending strongly that parents who are enrolling their children in the Tecumseh schools for the first time have them immunized for smallpox and diphtheria by their family physician previous to the time of enrollment. This step will not only protect such children during this rather critical war period but will also enable our schools to maintain the present high percentage of protection which we at present enjoy.

Coach Raizk announces that football practice will begin at 9 Tuesday, September 4.

The Tecumseh staff members will hold an all day pre-school conference on Monday, September 10. Policies, for the coming school year and organizational matters will be discussed. Special consideration will also be given to suggestions for improving the total school program through cooperative staff planning and action. Plans will then be formulated for developing such special emphasis as may be found desirable.

SCHOOL REUNION

The Lanning School reunion will be held Sunday, August 26, at the school grounds with picnic dinner at noon.

stamps for buying shoes also be used wisely until it is determined how long shoe rationing will continue.

Other war-end developments on the home front:

Two-pant suits and vests with double-breasted suits appeared definitely slated for an early return. Since winter clothing already is headed for retail stores, the first peacetime suits probably will be for spring.

Nylon hosiery production will be getting under way soon, now that military requirements for nylon are down to practically nothing. The trade has agreed, however, not to start selling the longwaited hose until stocks are sufficient to handle the tremendous demand.

OPA says don't look for removal of any more rationing controls "for several weeks." Cheese and canned fish are expected to be next off the ration list.

Manufacturers have received word from the army ordering 100 per cent termination of contracts for combat shoes and all women's items, the National Shoe Manufacturers Association reported.

The cut back indicates that approximately 19,000,000 feet of upper leather a month, as well as substantial quantities of out-soles, in-soles and mid-soles, would become available for civilian use from September through December, the association said.

The political "honeymoon" President Truman has enjoyed with Congress may come to an abrupt end when the legislators reconvene next month.

Whether the legislative branch and the executive come to a parting of the ways may depend largely on Mr. Truman's attitude toward continuance of the draft act.

The law would cease to exist next May 15. Congress could end it by adopting a joint resolution. President Truman could end it by proclamation.

There is strong sentiment in both Senate and House to terminate it promptly after Congress convenes Sept. 5. Several termination measures are ready for introduction by various members.

The President's attitude is not known yet. Many on Capitol Hill believe he would like to allow the law to run its course so that inductions, on a slowed-down basis, could continue furnishing replacements for men with long service records.

NO WONDER A WOMAN'S WORK IS NEVER DONE!

Sweep and dust! Mop and scrub! It's certainly discouraging to try to keep a home clean, with soot and dirt continually settling on walls, draperies, furniture and rugs.

Yet there IS a way to keep your home clean . . . and without all that drudgery! Have a PREMIER Winter Air Conditioner added to your warm air furnace, and your heating plant will do most of your cleaning for you!

This PREMIER Unit filters the air in your home, removing countless particles of dust, soot and ash. By means of a powerful, quiet blower, the air is drawn from the rooms through the cold air pipes, passed through the large, efficient filters, then warmed and returned to the rooms, at the rate of 4 to 7 complete air changes per hour! You virtually never have to dust, and the fuel saving soon equal your entire investment. Inquire today about this new, moderately priced PREMIER Add-on Conditioner.

CONVENIENT TIME PAYMENTS . . . . . FREE ESTIMATE

IS YOUR PRESENT FURNACE EFFICIENT?

If you are thinking about replacing your present heating plant, see us before you buy. We deal exclusively in Premier Steel Furnaces. You'll find our prices right, our service prompt.

HAVE YOUR FURNACE INSPECTED AND CLEANED

Now is the time to have your furnace inspected and cleaned. If your present heating plant needs repair, let us do it this summer. Don't wait 'till fall. Repair parts are difficult to obtain.

Lumber Control May End Oct. 1

PLY WOODS NOW FREE OF RATIONING; BUILDING MAY START THIS FALL

With the release of ply woods and some other types of lumber as of this week and with the projected release of all building and lumber controls by the government not later than October 1, Robert H. Moore, head of the R. S. Moore & Son Co., builders' supply dealers here, indicated today that it might be possible to get a late fall start on some of the 500 new homes needed in the Tecumseh area to take care of the housing shortage forecast in post-war.

"The government already has released some lumber, heretofore held as critical, and it has freed from its control steel, aluminum and copper. We expect that the federal control of most lumber and building materials will end about the first of October, and, if that is true, we may be able to start on Tecumseh's post-war housing program yet this fall," Mr. Moore said. "However, how much can be done, if anything, will depend largely upon how quickly the government acts and how rapidly materials can be fabricated and shipped to this area."

Mr. Moore heads lumber and building supply yards not only here but in Clinton and Britton. He said that his company is doing everything in its power to get its stock back to pre-war level as quickly as possible.

"We have received some shipments of lumber since the Jap surrender and we have more shipments enroute. We are now able to obtain storm sash, materials for winter windows, etc., in standard sizes, and we hope that the few days go on our stock of all needed building supplies will materially increase."

Mr. Moore owns several acres of land on North Union street, inside the village limits, and at the end of South Union street, (the old baseball park) which he plans to subdivide as soon as possible for homesites. The North Union street property would provide lots for between 75 and 100 new homes, and the other property would furnish as many more.

Tecumseh's post war picture is exceptionally bright, insofar as building is concerned, it having been forecast that between 400 and 600 new homes will be needed if the village is to keep pace with its rapid industrial expansion. Practically all of Tecumseh's industry has heavy post-war contracts which will require the employment of even more men than at the peak of war production.

"It is just a little too early to say what the building program will amount to this fall," Moore said, "because we do not know just what the government's program calls for. However, this much does seem certain. There will be considerable repair work done this fall and has been neglected for two or three years because of the critical condition of lumber. Also, many remodeling jobs that have been held up for two or three years, because of the war, will get under way after the first of October."

Farmers, too, Mr. Moore said, have been finding it difficult to obtain needed lumber and building materials for expansion and repairs. He believes that the release of lumber this fall will be welcomed by the residents of the farm areas.

In all probability, as quickly as the government makes its program clear as to the lumber situation after October 1, a meeting will be held here of the planning and zoning commissions looking toward the beginning of Tecumseh's post-war building program. The village already has its plans ready for an extension of the sewer and water systems when the need arises.

KASTEL—KERENTOFF

Miss Lois Kerentoff, daughter of Mr. and Mrs. William Kerentoff of Tecumseh and Pfc. Wilbur Kastel, son of Mr. and Mrs. Frank Kastel of Riga were married Saturday at the Trinity Lutheran parsonage in Riga. Pfc. Kastel recently returned from overseas service and has been stationed at Camp Butner, N. C. since his arrival in the states. He will return there on Wednesday. Mrs. Kastel will remain with her parents for the present.

Zoning Code Change Is Denied To Partridge Co.

The village council, in special session Monday evening, denied the petition of the Partridge Implement Co., by M. G. Partridge, for a change in the zoning ordinance permitting the company to erect a new, modern building at the corner of North Pearl and Bidwell streets. That area is now zoned as residential property, which prohibits commercial building.

The council acted after it had received a petition signed by some 37 residents of that section, asking that the Partridge request be denied. About a dozen residents of the area attended the meeting.

The Partridge company had taken an option on the real estate at Bidwell and Pearl, owned by Maynard Mulvany, but delayed construction operations and purchase pending the outcome of the zoning code interpretation by the council.

Dynamic Wheat Now $1 Bushel

THAT WILL BE PRICE TO THOSE WHO PARTICIPATE IN 6TH CROP PLANTING

For the first time in many years, wheat will be sold for $1 per bushel in Tecumseh. The trustees of the Dynamic Kernels Foundation to whom Henry Ford is turning over a crop of 4,868 bushels this week, have voted to put this low price on the seed to encourage others to tithe. The crop of 4.868 bushels is the fifth crop, each of which has been tithed, and all of which have come from one cubic inch, planted in 1940.

Members of the Tecumseh Grange will gather at the Froelich barn on the Ford Farms today August 30, to sack the grain for sale. The wheat is now on the Ford Farms, near Macon, about six miles northeast of Tecumseh.

Perry Hayden, president of the Foundation, and originator of the project, states that the wheat is in excellent condition, runs about 12.5 percent moisture and tests about 58 pounds to the bushel, uncleaned. Robert Laser, County Club Leader, and Leroy Titley, Tecumseh township supervisor, inspected the wheat a few days ago and have verified Hayden's statement.

Anyone can buy the seed wheat, provided he agrees to pay a tithe, or ten percent of his 1946 crop to his own church.

A previous plan, whereby members of the 4-H Clubs would plant the wheat, and pay 15 percent of their crop, has been dropped. Leland Brighton, chairman of the agricultural committee of the Lenawee County Board of Supervisors stated that he felt the present plan would appeal to more farmers. In addition, it would permit the sale outside of Lenawee county.

Mr. Hayden says that those who cooperate in supplying the 3,000 acres needed for this fall's planting would be recognized in some way at the final harvest in 1946.

SOCIAL SECURITY LAW DISCUSSED BY SPEAKER

The federal social security code was the subject of an interesting talk by Basil Morrison, director of the Social Security offices at Jackson, when he addressed the regular dinner meeting of the Rotary club, Tuesday evening at Brees House. Mr. Morrison was the guest of Vance Ogden.

Mr. Morrison said that the Social Security fund now has more than six billions of dollars to its credit and that annual income is four times greater than claims paid. He declared, however, that social security benefits are on the upswing, that claims filed in the Jackson office alone are now about four times greater than they were a year ago.

At the end of the talk Mr. Morrison threw the meeting open to discussion and he answered many questions regarding the security law.

New Dairy Law Effective Soon

PROVIDES FOR PASTEURIZATION OF ALL MILK SOLD FOR DIRECT CONSUMPTION

One new dairy law designed by the dairy industry to further safeguard bottled milk becomes effective September 6, This law provides for the compulsory pasteurization of all milk sold for direct consumption in any city, county or township when requested by the county board of supervisors. Commissioner of Agriculture Charles Figy said he had received many inquiries in regards to the effect of the new law and explained that it would not immediately require the pasteurization of all milk sold in the state until requested by county boards of supervisors and township boards.

While all authorities agree that pasteurization is the most important process in the handling of milk there seems to be little connection between the amount of raw milk sold and the number of undulant fever cases reported throughout state. Figy states that according to a survey just completed by the Bureau of Dairying, over 99 per cent of the milk sold in Michigan is now pasteurized and that the counties of Dickinson, Houghton, Marquette, Genesee, Oakland and Macomb, where the largest amounts or raw milk is sold, report only three cases of undulant fever, while Sanilac, Hillsdale, Branch, Calhoun, Eaton, Kent and Ottawa counties with very little raw milk being sold report 56 cases.

Since the majority of cases are reported from rural counties with the greatest cow population it would indicate that probably most of the cases of undulant fever are actually contracted from handling infected animals and from contact with human carriers, and Commissioner Figy warns farmers of the danger of failing to have their herds Bang's tested or of keeping reactors in their herds.

"While the farmer is in the greatest danger of contracting undulant fever, I do not believe that city consumers or tourists will care to gamble on the chances of contracting disease from the use of raw milk; neither do I believe any milk dealer can afford to sell raw milk, as courts of the State of Washington have held a milk dealer liable for damages because he failed to provide the safeguard of pasteurization and disease may have been contracted from raw milk," the commissioner said.

Copies of the new law have been printed, along with amendments to the standards for pasteurization and are being mailed to all milk dealers, to the county boards of supervisors and to all city and county health departments. Four new dairy inspectors are now being trained and with the return of 5 members now in the armed services, we will have a trained staff to offer all assistance to the dairy industry and to any city or county in their inspection work.

Miss Alice Schumm Is Bride of Roland Goltz

Miss Alice Schumm, daughter of Mr. and Mrs. George Schumm of Tecumseh and Roland Goltz, son of Mr. and Mrs. Henry Goltz of Saline, were married Saturday evening at the Trinity Lutheran church in Saline. The double ring service was performed by the Rev. R. L. Engle, pastor of the church. Preceding the ceremony Mrs. Winifred Goll played several organ selections and Mrs. Engle and Mrs. Ruth Jedele sang during the service.

The bride who was given in marriage by her father, wore a floor length gown with white satin fitted bodice and full chiffon skirt ending in a long court train. Her fingertip veil of illusion fell from a matching net bonnet with tiara of seed pearls and orange blossoms. She carried a bouquet of white roses and feverfew and her only jewerly was a single strand of pearls, a gift from the groom.

Mrs. Elizabeth Wing, sister of the bride, was matron of honor. She wore pink taffeta and carried a colonial bouquet of pink roses and blue delphinium. The bridesmaids, Dorothy Schumm, a sister, and Helen Leutheuser, a cousin of the bride, wore identical dresses of blue taffeta and carried yellow roses and white daisies. All wore matching flowers in their hair. Lothar Willertz, a cousin of the bride carried the rings on a white satin pillow. Joanne Wing, a niece, was flower girl and Luther Dicks and Elwin Kohler were ushers. Edwin Goltz attended his brother as best man.

Following the ceremony a reception for 100 guests was held in the church parlors. The brides' table was decorated with garden flowers and white candles and was centered with a four-tiered wedding cake. Those serving were Misses Phyllis Kelley, Arlene Easton, Helen Kohler and Esther Monroe. Guests attended from Tecumseh, Saline, Ann Arbor, Detroit, Somerset, Lansing and Philadelphia.

The bride graduated in June from Tecumseh high school and has since been employed in Saline, where the groom is engaged in farming and where they will make their home after a trip in Northern Michigan.

Iona Davenport Bride Of Wendell Osterhout

Miss Iona Davenport, daughter of Mr. and Mrs. C. M. Davenport of Tipton and Sgt. Wendell Osterhout, son of Mr. and Mrs. Harold Osterhout of Britton, were married August 17 at the Tipton Community church by the Rev. O. E. Priest of Clinton. Jean Osburn of Tecumseh and Richard Wiggins of Britton were their attendants and Miss Nancy Every of Tipton played "I Love You Truly" and the Wedding March from Lohengrin.

A reception was held in the K. of P. hall following the ceremony for 75 guests from Rossford and Perrysburg, O., Britton, Holloway, Maybee and Tecumseh.

Sgt. Osterhout returned in November 1944 from Europe after being wounded in action and is now stationed at Big Springs, Texas. He enlisted in the Air Force while a student of Britton high school. Mrs. Osterhout who has been employed at Tecumseh Products Company has resigned and accompanied her husband to his base in Texas.

CALLED TO SERVICE

Frederick Bryan, Charles Curtiss, Wesley Holmes and John Hewlett from Tecumseh were inducted into army service in Detroit recently. Others from this vicinity were Mark Eugene Gilbert and Loraine George Glancy of Onsted, army; and Milo T. Bishop of Tipton, Marine Corps.

MISSIONARY MEETING

The Presbyterian Missionary Circle will meet Friday afternoon at 5 o'clock at the home of Miss Mary Whitelock for a cooperative supper, instead of in the church parlors as previously planned.

Only Island Wilderness in U. S. is Isle Royal, 20 miles from Canada

CAN BE REACHED ONLY BY 5-HOUR BOAT TRIP, OR BY AIR; THOROUGHLY PRIMITIVE

By GENE ALLEMAN
(Special To The Herald)

ROCK HARBOR, Isle Royale, Mich. — Maybe you'll like Isle Royale; maybe you won't.

This national park, the only island wilderness within the continental United States, would provide an ideal war-time hideout from the atomic bomb.

The average island is not readily accessible to travelers by passenger boat. Mackinac Island is an hour's distance from Mackinaw City; St. James on Beaver island is three and one-half hours' time from Charlevoix. But Isle Royale beats them all.

We left Copper Harbor, at the tip of the scenic, mountainous Keweenaw peninsula, on a 55-foot diesel-powered boat, the Copper Queen, piloted by a sturdy Finlander, Captain Charles Kauppi. Five hours later we arrived at the eastern end of Isle Royale in time for an awaiting roast beef dinner at the Rock Harbor lodge, a national park hotel concession.

When the waves run long on Lake Superior, as is occasionally the case, the traveler is treated to a first-rate miniature of an ocean voyage with sea-sickness and all. The boat rolls and bobs. You roll and bob with it.

To the hardy traveler, this may be Adventure with a capital A. But to others who prefer to enjoy their comforts although straying away from home, the combination may tax human patience. And those who are predestined to seasickness must make the best of the situation and "grin and bear it."

(Note: Seasickness may be prevented or minimized by observance of the following precaution: Do not take food for five or six hours before sailing; inhale plenty of fresh air while on board; drink strong coffee and eat an occasional lump of sugar; take a good B1 vitamin dosage, such as brewer's yeast; and, if necessary, try smal

Teachers Are Scarce; 42 Schools To Close

Nearly all of the 134 rural schools of Lenawee county will open on Tuesday, September 4. There is still a scarcity of teachers and 42 rural schools are now closed for the coming year because of the shortage of instructors.

"The rural schools of Lenawee County will hold a pre-school Institute on Wednesday and Thursday, September 5 and 6. The first day will be devoted to classes and the second day to a general session meeting. All teachers are required to attend.

Those participating in the program on Wednesday will be Miss Ruth Barnes of the M.S.N.C., Ypsilanti, who will have charge of the language classes; Miss Helen Wacek, and Miss Marian Bronson of Chicago, Illinois, who will have charge of reading and writing classes. Miss Louise Arey, Department of Public Instruction, Lansing, summary of work. On Thursday, Mrs. Mildred Robinson, helping teacher, will discuss the Course of Study; Miss Pearl Halst, Ann Arbor, health; Sister Philomena of Siena Heights College, music; Mrs. Aileen Lindbert, Adrian, the county library."

NO CHURCH SERVICES AT BAPTIST, SUNDAY

The young people of the Baptist church were in charge of church services Sunday morning and presented a program which included the W. W. G. House Party Echoes. Each girl who had attended the house party in July gave a brief report.

There will be no church service on Sunday, September 2. Communion service will be held the following Sunday, September 9.

HOME ON FURLOUGH

WED IN CALIFORNIA

Miss Leona M. McWilliams, daughter of Mr. and Mrs. Melvin McWilliams of Holloway, and Reginald W. Andrews of Waterloo, Wis., were married August 19 in Glendale, California, by the Rev. A. W. Havens.

They will make their home in Los Angeles where both are employed.

amounts of chlorobrom, a compound of chlorolamide and bromide of potassium, by a physician's prescription. Or, better yet, FLY to the island!)

Assuming that you'll enjoy (as well as survive) the lake trip, here's what you may expect to find at this rocky national park with around 400 chartered islets surrounding it like a south-sea coral reef.

Although still in Michigan, the island is only 19 miles from Minnesota and 20 miles from Thunder Bay on the Canadian shore. Geologically it is part of the Keweenaw peninsula which accounts for presence of native copper.

Your lodging will be limited to one of three park hotels: Rock Harbor lodge on Rock Harbor (which is 11 miles long); Belle Isle Camp, on the north side of the island; and Windigo Inn on Washington Harbor at the western end and closest to Minnesota.

Betty Joyce Green Weds Gordon C. Miller

Miss Betty Joyce Green, daughter of Mr. and Mrs. Ted R. Green of Hillsdale, formerly of Tecumseh, and Gordon C. Miller, F 1/c, son of Mr. and Mrs. John C. Truesdale of Tecumseh, were married Friday afternoon at the Methodist church in Hillsdale by Dean W. H. Roberts of Hillsdale College. Preceding the ceremony Mary Alexander Graves presented an organ recital of nuptial music and Phyllis Malarney sang.

Miss Bettie McCoy was maid of honor for the bride who was given in marriage by her father. Mr. Truesdale attended his son as best man. Luanna Schoonover was flower girl, Van Watkins, David Lanius, Mary Louise and Frances Malarney the ushers.

Following the ceremony a reception was held in the church parlors and another later in the evening at the Truesdale home on West Chicago Boulevard.

Mr. and Mrs. Miller left later on a trip in Northern Michigan.

Both are graduates of Tecumseh high school. The bride is also a graduate of Hillsdale College and attended Michigan State Normal at Ypsilanti and holds the position of instructor of music in the Blissfield school. Mr. Miller was attending Ford Trade School at the time of his enlistment in the Navy. At present he is on leave after 29 months service in both the Atlantic and Pacific. On September 5 he will report in Philadelphia for reassignment. Mrs. Miller is on a month's leave of absence and will accompany him to Philadelphia.

Among those from here who attended the wedding were Mr. and Mrs. J. C. Truesdale, Dr. and Mrs. W. S. Britton, Mr. and Mrs Henry Smith and daughter Beth, Mr and Mrs. Leland Hubbard, Mrs. Addie Lindbert, and Miss Bettie McCoy; also Mr. and Mrs. Howard Morris of Wilmette, Ill., who are vacationing at the lake, Mr. and Mrs. C. W. Morris of Detroit and M. Anderson of Long Beach, Calif.

Clarence A. Conklin Buried In Brookside

Clarence A. Conklin, aged 71 years, died early Friday at Simpson hospital in Ann Arbor where he had been a patient for 10 days. Mr. Conklin suffered injuries in an auto accident a few years ago from which he never fully recovered.

He was a son of the late Mr. and Mrs. Merritt Conklin of Tecumseh and was born in Raisin township, November 11, 1873. He spent his whole life in Tecumseh and Adrian and vicinity and for many years owned and operated the Conklin Truck Line. He also operated a coal and fuel company in Madison Center where he made his home. He was a member of Tecumseh Lodge, F. & A. M., and Knights of Pythias.

Survivors are the widow Lillie, two sisters, Mrs. Helen Wood of Urbana, Ill., and Mrs. Harriett Blocher of Lawrence, Kansas, who is spending the summer with Mrs. E. D. Brown; and a nephew John Blocher, also of Lawrence.

Funeral services were held Monday at the Braun Funeral Home in Adrian and the body was brought to Tecumseh for burial in Brookside cemetery.

ESCHENAUER—MILOSH

Miss Loretta Milosh, daughter of Mr. and Mrs. George Milosh of Tecumseh and Sgt. Robert Eschenauer of Adrian were married August 18 by Rev. Norman Mac Naughton at the Methodist parsonage. Sgt. Eschenauer is home on furlough from Walla Walla, Wash.

ENTERS 69TH YEAR

The Dundee Reporter with the issue of August 23 entered the 69th year of continuous publication.

New Fire Truck Now in Service

PURCHASED BY TOWNSHIP TO SERVE BOTH RURAL AND VILLAGE AREAS

A new modern fire truck, especially designed for rural fire fighting, has been purchased by the Township of Tecumseh and has arrived and was placed in service today. The truck replaces equipment that has been in service for many years and was considered obsolete.

LeRoy H. Titley, supervisor, in making the announcement, said that the new machine is of the latest design, is powered by a 100-horse Mercury motor, mounted on a Ford chassis. The truck has a total value of $6,300, of which amount $5,000 is in equipment, $1,300 in the chassis. Mr. Titley said that Henry Ford and the Ford Motor Co., gave the chassis to the township without charge.

The truck is completely equipped with ladders, hand chemical extinguishers, 800 feet of 2-4 inch hose. There also is a 400-gallon booster tank mounted on the truck which, when loaded, has a speed of between 55 and 60 miles an hour.

The new truck will be housed in the village fire barn and will be manned by village firemen, under an arrangement similar to that used when the old truck was in operation. The truck will answer not only rural alarms but also village calls, when necessary.

Mr. Titley pointed out that in years gone by, a charge was made by the so-called rural fire association. This practice has been abandoned and the truck now answers all alarms in the township without any fee.

The old rural truck, it is understood, will be stored by the village and will be used only in the event of emergency. The village also has another truck, discarded some years ago when a new machine was purchased for the village, which also is being stored, but is in readiness for emergency. The two extra trucks are housed in the village building on N. Pearl street.

Henry School Holds 3rd Annual Reunion

The third annual reunion of the Henry school, Macon township, District 7, was held on the school grounds Sunday with 50 in attendance from Grand Rapids, Detroit, Ferndale, Dearborn, Milan, Saline, Deerfield, Britton, Ann Arbor and Macon. Potluck dinner was followed by a business meeting Clifford Frayer presiding, and the following officers were elected: Clifford Frayer, president; Edward Hanley, vice president; Reuben Young, secretary and treasurer; Mrs. Louis Feldman, chairman of program; C. D. Harmon, chairman of arrangements.

Mrs. Isabel Koch was in charge of the program which consisted of brief talks by Mrs. Franc Mickel who taught the school in 1879, Mrs. Mabel Needham in 1900, Mrs. Rose Simpson in 1917, Miss Thelma Younglove in 1920, Miss Elva Richart, Mrs. Gertrude Young, N. Hagadorn, Mrs. Louis Feldman and Reuben Young, principal of a school in Grand Rapids and others.

Mrs. Robt. Quackenbush Dies In Ypsilanti Hospital

Mrs. Nellie Quackenbush, aged 82 years, wife of Robert Quackenbush, died early Wednesday morning, at Ypsilanti State Hospital, where she had been a patient since May 1944. She had been in failing health for five years.

Mrs. Quackenbush was formerly Nellie Gray, daughter of Joseph and Sarah Cox Gray, and was born June 7, 1863 in Raisin township and had spent all her life in this vicinity. She was a member of the Methodist church.

Besides the husband she leaves a daughter, Mrs. Grace Powell of Pueblo, Colo., a son, Raynor of Detroit, and a brother, Willard Gray of Holloway.

The body was brought to the Collins Funeral Home and arrangements have not been completed awaiting word from the daughter.

IMPROVED TELEPHONES

The telephone companies of the nation have been quietly experimenting with the problem of running telephone lines on electric light poles. In the past, the noise caused by power lines has made this combination service on one pole unsatisfactory.

During the war period, while it has been impossible to get equipment to make telephone extensions to rural areas, electric companies and telephone companies have been carrying on experiments to provide telephone service to rural homes after the war by utilizing existing power line poles, and thus save the expense of building separate pole lines.

Indications are that the practicability of the plan will be demonstrated. There will be "bugs" to be worked out in certain special safety and service equipment, which will require time, but it now seems almost certain that as equipment and instruments become more plentiful, dependable phone service carried on power poles in rural areas, will become as commonplace as dependable electric service.

WARNING To Home Owners!

There's Real Risk in Postponing a New Roof!

If your old roof leaks and has shown signs of having outlived its usefulness there's real risk in delaying now roof installation. Damage to hidden wood structures, stained ceilings, loosened plaster, damp rooms, rotted rafters—these are a few of the results of a porous, leaky roof.

Putting off roofing can be expensive. Reroofing should be on your "must" list.

TECUMSEH, MICHIGAN, THURSDAY, SEPTEMBER 6, 1945 NINETY-FIFTH YEAR—NUMBER FORTY-NINE FIVE CENTS PER COPY

Post-War Is Bright At Bruce's

$3[illegible]00 PAYROLL FOR NEXT [illegible]AR FORECAST; EXPANSION COSTS $70,000

A 50 per cent step-up in both employment and production and a payroll that will, in the next 12 months, aggregate $360,000 was forecast today by W. J. Bruce, head of the Bruce Foundry & Manufacturing Co., here, when he declared that he could see no let-down in his company's business as the result of VJ-Day.

"We are gaining momentum rapidly," Mr. Bruce said, "and we expect in the late fall to be employing 50 per cent more men than we are at the present time. Our payroll will be in the neighborhood of $30,000 a month and our back-log of orders at the present time would assure uninterrupted operation for at least eight months, if we were to take on no new business."

The Bruce company is just now completing a $60,000 to $70,000 building expansion program which it hopes to have finished and in operation by November 1. The enlarged foundry will be one of the largest in Southern Michigan, specializing in jobbing work.

Additions to the old foundry include a 50 by 126-foot pattern storage building, completely fireproof, a 60 by 50-foot extension to the gray iron foundry moulding room, an 80 by 40-foot core room extension, a 40 by 32-foot machine shop extension and a 40 by 30-foot steel cupola building, permitting the new 72 inch cupola to be housed outside the factory proper. All of these buildings will be completed within 60 days and machinery is arriving for installation.

In addition to these improvements, Mr. Bruce also announced the building of concrete and steel storage bins, two covered loading docks, the installation of modern steam heating in all buildings and more light and ventilation in the older buildings. When all of the work has been finished the company will have about 40,000 square feet of floor space as compared to 11,500 feet in pre-war days.

Two of the largest electric heat furnaces in the state have been installed in the plant, as have modern elevators and conveyors. A Wheelabrator machine, which automatically cleans castings, has been installed at a cost of $10,000. Other improvements consist of dust-arresting equipment, concrete sand bins, etc.

The company specializes in gray iron, aluminum, brass and bronze castings. During the war its production was largely for the military service.

"We are receiving many inquiries for work from all sections of the country," Mr. Bruce said, "and I can see a very bright future ahead for the foundry business. At peak employment now we have 83 men on our payroll. We expect this number to be increased to 125 by the late fall."

BUSINESS WOMEN MEET

School Bell to Ring Tuesday

TECUMSEH CHILDREN TO REPORT NEXT WEEK FOR PUBLIC SCHOOL STUDIES

The school bell will ring for the more than 600 Tecumseh public school children next Tuesday morning, the opening day's session to be taken up with enrollment matters and regular class work to start on Wednesday.

While the Tuesday opening has been called for 9 a.m., W. L. Berkhof, superintendent, said that beginning Wednesday, September 12, classes would be called as follows:

In the Central building, all classes will meet at 8:15 a.m., and elementary grades in this building will be dismissed at 11:30 for the noon recess while junior and senior high school classes will be dismissed at 11:45. The afternoon session will begin at 1 o'clock and the dismissal times will be 3:30 for the elementary grades and 4 o'clock for the junior and senior high school classes.

The school day for the children at the branch buildings will extend from 8:45 in the morning to 3:30 in the afternoon with the period from 11:30 to 1 o'clock for the noon recess. The kindergarten class will again be divided into two sections with half day attendance for each session. Kindergarten classes will meet in the West Branch building.

Two rooms will be used in the East Branch building for children in grades one and two who live east of Evans street. Children in grades three, four, five and six must enroll at the Central building. Parents living west of Evans street, who have children in grades one or two will enroll them at the West Branch.

Rural pupils who desire advice regarding enrollment problems before school opens may obtain such advice in the office of the high school principal today or tomorrow, during the morning hours.

A new principal will be in charge of the junior and senior high schools this year. He is James McDowell who succeeds C. R. Dustin, resigned. Mr. McDowell comes to Tecumseh from Leslie, holds his master's degree from the University of Michigan, and has been in the teaching profession for 17 years.

David G. Lock of Wayne, has been employed by the school to serve as agricultural instructor, succeeding George Parsons, who resigned to accept an associate professorship at the Michigan State College. Mr. Lock has had extensive experience in the field of agriculture, both farming and teaching. He is a graduate of MSC. Mr. Lock and his family will move to the house formerly occupied by the Parsons.

RAYMOND J. FROLICH ON JAP OCCUPATION FLEET

ON THE USS ALABAMA IN TOKYO BAY—Raymond J. Frolich, seaman, second class, USNR, Route 1, Tecumseh, Mich., is serving on this battleship, which is part of the powerful Pacific Fleet completing the first stages of the occupation of Japan.

Under the operational control of Admiral William F. Halsey, USN, the ALABAMA, with 11 other battleships, 17 aircraft carriers, six escort carriers, 20 cruisers and more than 290 other U. S. ships, is helping take over control of the Nips' big naval bases.

The explorer, Rear Admiral Richard E. Byrd, USN retired, was on board temporarily during a shore bombardment near Tokyo shortly before the end of the war. He called this bombardment "a milestone in warfare" because the ship was "able to hit the target so accurately without being able to see it."

Village Acts On Subdivision

ORDERS CONTRACTS DRAWN FOR SEWER, WATER; CURB, GUTTER HEARING OCT. 1

The village council, in regular session Monday evening, put itself in position for post-war building in a new subdivision on North Union street, north of Brown street to the village limits, when it instructed John R. Zeigler, village attorney, to prepare contracts for the building of sewer and water mains in that area. The president and clerk were empowered to sign the contracts.

That section of the village is to be subdivided into new home sites as quickly as sanitation facilities are available. If lumber and building materials are released this fall, it is planned to construct dwellings there, there being sufficient room for about 75 new homes. Robert H. Moore of the R. S. Moore & Son Co., builders and lumber supply dealers, owns the property. A week ago, Mr. Moore said that he was of the opinion that lumber would be released from government control about the first of October and that building might start here yet this fall.

The council also proposed the building of curb and gutter on three streets, making them a special assessment district. The streets to be improved are the east and west sides of Ottawa from Chicago boulevard to the north line of Shawnee; the north and south sides of Logan street from Ottawa to the west line of Pearl and the east and west sides of Pearl street from Chicago boulevard to Logan.

The cost of the improvement would not exceed $1.25 per running foot and would be borne equally by abutting property owners and the village. A hearing on the proposed improvement will be held at the council building on Monday evening, October 1, at 7:30.

The council, by resolution, extended the time for payment of village taxes without penalty to October 1.

Says Veterans Need Kind Word

SERVICE CENTER DIRECTOR TELLS OF PROBLEMS IN TALK TO ROTARY CLUB

Some of the problems that the home front faces with the return of the American veterans were discussed by John Kishpaugh of Adrian, head of the Lenawee County Veterans Service Center when he addressed the regular dinner meeting of the Rotary Club here, Tuesday evening at Brees House. Mr. Kishpaugh was the guest of Bruce Hoffman.

"The average veteran is not such a different fellow than he was when he entered the military service and he welcomes a glad hand, a few questions and a genuine, sincere interest in his future," Mr. Kishpaugh declared. "Boys who have been injured expect that they will be asked questions; in fact they are a bit disappointed if no one asks how they lost their leg or their arm. But primarily, the speaker said, the veterans are interested in returning to civilian life with an opportunity to earn a livelihood.

Kishpaugh said that records show that 3 per cent of the men will go into industry, 10 per cent will seek additional education, 30 per cent will go into agriculture and an equal number into some sort of service work or a business of their own.

"You can readily see that the boys who go to the farm will not create a problem nor will those who go to school. The 30 per cent who go into service work, filling stations, small personal business, etc., likewise will offer little problem, and that leaves only those who go into industry. I am happy to say," he declared, "that Lenawee industry is meeting this problem in excellent shape."

Kishpaugh, an injured veteran himself, urged that veterans be treated now just as they were treated before they entered the service. "Greet them, give them a boost if you can, possibly financially. You'll never know, perhaps, just how much a kind word or a loan to get them started, really means."

Thus far, he said, less than one per cent of the veterans returning to Michigan have indicated a desire for additional education. He said he believed this figure was low because the younger men have not yet been discharged from service.

Traffic Heavy Over Holidays

WAS MOVING SLOWER, HOWEVER, AND ONLY ONE SERIOUS ACCIDENT REPORTED

Freed of gasoline rationing and with little thought for their stillrationed tires, motorists from both Michigan and Ohio swarmed to the lake areas of Lenawee county over the two-day Labor Day holiday and officially brought to a close one of the heaviest resort seasons in the county's history. All resorts in this area reported record crowds and police and sheriff's offices reported peak traffic on the highways.

Despite the congested traffic, however, most of the drivers kept speeds moderate and as a result only one serious accident was reported. This occurred on the county road between M-50 and US-112, north of Onsted, about 8 o'clock Monday night.

Wilfred J. Gagne, 44, of Walled Lake, with his wife, Marjorie, 34, a son, George, 13, and daughters, Barbara, 10, and Marjory Ann, 4, were driving north on the road when Gagne lost control of his machine at a curve and stopped in a swamp. Mrs. Gagne suffered a broken leg, Marjory was cut about the head, Barbara was bruised about the face, Gagne was cut about the face and neck, and George also suffered bruises. All were removed to Tecumseh hospital.

State police, who investigated the accident, gave Gagne a traffic summons for reckless driving. He is to appear at a later date before Justice L. J. VanDusen of Clinton.

Several minor accidents were reported to police and sheriffs over the county during the two-day holiday but none of them was serious.

Mrs. Elizabeth Bunn, Onsted Resident, Dies

Mrs. Elizabeth Bunn, 84 years old, of Onsted, died at 5 o'clock Sunday morning in the Ypsilanti state hospital where she had been a patient three months. Her husband John Bunn died in 1904 and a son died in infancy.

She is survived by a brother Francis Richardson and a sister Miss Mary Richardson, both of Onsted.

Private funeral services were held Wednesday afternoon in the home of Miss Richardson and the burial was in the Cambridge Junction cemetery. The Rev. F. D. Hague officiated.

P. T. A. TO MEET

The Culbertson P.T.A., will meet on Friday, September 7, at the school house at 8 o'clock with Mr. and Mrs. Thomas Murphy and Mr. and Mrs. Winton Murphy as hosts. The program will be in charge of Mr. and Mrs. Francis Stone and Mr. and Mrs. Wilbur Boyce. Members are to bring their own service, a gelatine dessert, cookies and sandwiches.

Hospital Auxiliary To Hold Open Meeting

The Hospital Auxiliary will hold an open meeting Tuesday, September 11, at the Methodist church parlors at 8 p. m. Dr. Bernard Steinberg is to speak and anyone interested in the hospital and the new Laboratory are welcome.

Warn Drivers To Cut Speed

OLD CARS, POOR TIRES WOULD PILE UP TERRIFIC TRAFFIC TOLL

CHICAGO, Sept. 6—Drivers of the nation were warned today that neither they nor their cars are in shape to indulge in a post-war speed spree without piling up the biggest traffic toll in the country's history.

The warning came from a joint committee on post-war speed control that represents 14 national organizations, official and otherwise, interested in traffic safety.

A report published for the committee by the National Safety Council cites the danger to America's life and limb from uncontrolled speed during the post-war transition period and makes specific recommendations for holding down the traffic toll in the months ahead.

"The nation is in no condition," says the committee, "to return suddenly to pre-war speeds. The present average age of passenger cars is more than eight years, as compared with an average age of four and a half years in 1940.

"Many tires have been driven far beyond their normal life. Many streets and highways are in even worse condition than they were in 1944.

"Drivers and pedestrains have become accustomed to top speeds of 35 or 40 miles. Police, highway and other traffic departments are woefully undermanned. Returning service men have been used to driving under vastly different conditions.

"A sudden return to pre-war speeds may well produce an accident toll far greater than the pre war peak of 40,000 deaths and 1,400,000 injuries reached in 1941.

"This toll can be averted only by the wisest and most energetic action of traffic officials, supported by organized public opinion—and most of all by understanding and self control on the part of every motorist and pedestrian."

To the driver, the speed control committee offers these suggestions:

1. Know the condition of your car, tires and brakes—and drive accordingly.

2. Remember the danger of a tire or brake failure on the other driver's car.

3. Don't forget the need for readjusting your timing in stopping or passing when driving at higher speeds.

It takes twice as far to stop at 50 miles an hour as at 35.

4. Be constantly suspicious that the other driver isn't used to higher speeds, too, and give him plenty of room.

5. Remember—only a few people who started driving after 1941 have had any experience with high speed traffic. And pedestrians, too, are not expecting cars to approach at high speed.

"Drivers are urged to increase their top speed very gradually, if at all," the committee says, "and to increase their caution and watchfulness with every added mile."

The committee's report warns pedestrains to remember that approaching cars may be coming half again as fast as in wartime, and that extra care and agility must be used to avoid being struck.

Jared D. VanVleet Funeral This Afternoon

Jared D. VanVleet, 75 years old, died on the farm near Ridgeway where he had spent all his life at 6 o'clock Sunday evening after six years illness. The farm has been in the VanVleet family 111 years and has been occupied by three generations of the family. He was a member of the Masonic lodge at Tecumseh and the Tecumseh Grange.

He is survived by the widow Mrs. Eva L. VanVleet, two sons Harley S. of Chicago and Glenn L. of Adrian, one granddaughter Mary Louise VanVleet of Chicago, a step-daughter Mrs. Paul Allison of Pontiac and two step-grandchildren Jean and Betty Lou Allison of Pontiac.

The funeral will be held this afternoon at 2:30 o'clock in the Niblack uneral Home in Britton and the burial will be in the Ridgeway cemetery. The Rev. A. B. Johns will officiate.

Tithe Wheat is Placed on Sale

FIRST DAY BUYERS COME FROM MICHIGAN AND OHIO; PRICE $1 BUSHEL

A little more than 500 bushels of Perry Hayden's Dynamic Kernels Tithe Wheat, a part of a 4,868 bushel crop harvested this year on the Ford Motor Company farms, were sold here last Thursday when the grain was offered to the public at $1 a bushel, less than two-thirds of its market value.

The low bushel psice has been set upon the seed in an effort to encourage farmers to replant it this fall and next year give a tithe to the church of their choice. No other restrictions have been placed on the sale of the crop, it being Mr. Hayden's desire to permit the tithing program to spread as far as it will, possibly nation-wide.

"Approximately one-third of the wheat sold the first day," Mr. Hayden said, "will be replanted in Lenawee county. Farmers in the Tipton area seem to have a keen interest in the program, but, surprising as it may seem, a large part of the initial day's sales were to farmers from Ohio. I was somewhat surprised, however," Hayden continued, "about the opening day's buyers. Only one of them listed a Tecumseh church as their choice for the tithe in next year's crop."

Hayden explained, however, that he was of the belief that the farmers in the Tecumseh area were of the opinion that they could obtain the wheat quickly and at any time, (which, of course, is true) and for that reason they did not rush for their share of the crop on the opening day.

The time for the planting of the wheat, Hayden said, is in about three weeks, not later than four weeks. He urged that farmers in this area get their wheat as quickly as possible, expressing an opinion that much more of it will be sold to out-of-county and out-of-state buyers.

"There seems to be some very keen interest in tithing on the part of farmers in other counties in Michigan and in other states," the founder of the Dynamic Kernels project, declared. "Here in Tecumseh, perhaps, it is to close to us that we fail to realize its full significance but the plan very definitely is catching on. Of course, I would like to see as much of the wheat as possible planted in Lenawee county, however, on the other hand, the wider distribution the seed receives the more widely will be the thought of tithing."

The tithe wheat is now stored in 90-pound bags in the old New York Central passenger depot, at the rear of the St. Peter's Episcopal church. It may be purchased any weekday. If no one is there to make the sale, buyers may call at the Hayden Mills or contact Hayden at his home, telephone 166.

The 4,868-bushel crop was harvested this year from 230 acres of wheat planted a year ago on the Ford farms in the Macon area. This was the fifth harvest of Dynamic Kernels and next year's crop will be the final one. The entire program started five years ago when Hayden, after listening to a sermon in the Friends church on tithing, decided to plant a cubic inch of wheat, give a tithe to his church (the Friends) at harvest time, and replant the balance, repeating the process annually.

This year's tithe to the Friends church, when disposed of, will be given in the form of cash to the Tecumseh Hospital to be used for the purchase of needed equipment, it has been announced.

The Friends church tithe wheat, resold last year to farmers in this area, returned an excellent yield, records show. Seed planted on the Bernard Poucher farm at Tipton, yielded 33 bushels to the acre, and on the Joe Dwyer farm at Deerfield, 43½ bushels to the acre, and on the Arthur Eaton farm, Tecumseh, 39 bushels to the acre.

"It will be interesting to watch the yield from seed planted this fall," Hayden said. "The total harvest in 1946 should be amazing and the tithe to the several churches of the farmers' choice likewise should prove convincingly the value of giving."

ANNOUNCE ENGAGEMENT

Mr. and Mrs. P. G. Heidenreich announce the engagement of their daughter Beatrice Jane, to Carl Lee Stevens R.M. 3/c, U.S.N.R., son of Mrs. George Burns of Grand Rapids. No wedding date has been set.

An Open Letter To The Community of Tecumseh

To The People of Tecumseh:

The Herald has given me the privilege of coming right to the point on a matter which I feel can mean a great deal to our community; namely Dynamic Kernels. Hardy a person who can read, see, or hear, has not heard something of this project which was born here five years ago. We started it as a six year project. Five of those six years have passed. The last year should mean more than the first five put together, because it means the culmination of a project that people all over the world have been watching with increasing interest.

Because I have been so intimately and vitally connected with the project, it has been almost entirely associated with me as a personal undertaking. Publicity has centered upon me more than upon the community up to the present time. From now on, if the sixth harvest ceremonies are held in Tecumseh, the town itself should come in for a great deal of valuable publicity, of a type that you cannot step out and buy for money, but which really should mean much to our town for years to come.

I have shared with some of the people in Tecumseh the plans for next year. They involve not only a celebration, but the inviting to Tecumseh outstanding leaders, not only in agriculture, but in politics, and religion. I have already had the pleasure of inviting Mr. Herbert Hoover. Now we plan to press an invitation upon the White House. We think the project is worthy of the President, or the Secretary of Agriculture.

But when we place our wheat on sale, as we did last Thursday, not one single bushel was bought by a citizen of Tecumseh or of this community. What can I say, when Life Magazine, or Columbia Broadcasting Company, or similar agencies say, "How has your town supported this project?" I still have confidence in Tecumseh—when it is fully awake to the situation. But if Dynamic Kernels Seed Wheat is not planted locally this Fall, it does appear to us that the impression to be gained nationally was that the "Home Folks" were not behind it. I've made mistakes and admit them. And now I'm not "begging" for help, as we are looking to the ONE GREAT SOURCE OF STRENGTH AND WISDOM, but I did feel that if it were known that if the wheat was being carried to farms all around us, but not a kernel to any Tecumseh farms, it would encourage many of our friends to contact us for seed.

Signed,

PERRY HAYDEN.

PASTE THIS IN YOUR HAT

Writing in Newsweek, Ralph Robey states a few facts that every private citizen should paste in his hat, and this goes double for every public official having authority to spend tax dollars. Almost every day some new plan is proposed for spending a few millions or a billion tax dollars of the people's money.

Mr. Robey suggests that we stop and think where all this money is coming from. He points to 12 years of depression after 1929 and asks the question, "Are those the years in which we accumulated the great riches we now propose to deal out so lavishly? . . . For the nation as a whole those were years when we had to draw down, not increase, our backlog of wealth.

"We have produced an incredible amount of goods. But it has been, or is in the process of being largely destroyed. A nation does not become wealthy by destroying wealth. Wherein, then, do we get the idea that we are now so rich that we no longer need to think a second time about spending a few billions here and there? The answer really is quite simple. It is to be found in the fact that we have not paid for the war as we went along."

In other words, we are in debt up to the hilt.

We are coming out of this war a much poorer nation and we can afford much less today than we could 10 years ago. The politicians and the people should remember that when they talk about spending billions. Government should offer every possible encouragement to individuals and industry to produce and save and create new wealth, and cut its own expenses to the bone.

Paste this in your hat, for future reference.

Pay Bills by Check, Budget Your Income---

* * *

The answer to home budgeting is a checking account.

When you pay bills by check you know exactly when, where and why you spent your money. Your check stub tells you that story and your cancelled check is a permanent receipt.

Yes, it is truly easy to budget with a checking account—dozens of our customers tell us so.

Why don't you start budgeting this week and deposit your savings in a savings account?

Wheels Out of Line?
Look at Your Tires!
If your front tires show unusual wear, it is a rather safe bet that your wheels are out of alignment—a fault that wears out tires very, very rapidly.
Don't let it continue. Bring your car to us at once and let us check it and, if necessary, correct the fault. The cost is inexpensive—the tire wear you save is great, particularly since tires are rationed.
We also are equipped to balance your wheels if it is necessary. Drive in, we're right downtown.

Honorably Discharged from Militiary Service

our former employees

will find jobs waiting in our shop when they join the ranks of civilians!

It's a Pledge We Made When The War Started—A Pledge We Intend To Keep!

52 of our "Boys in Service" Already are Back on the Job

AT the beginning of the war, nearly four years ago, we made a pledge. We said to our employees and we said publicly: "Any man on our payroll who joined Uncle Sam's fighting forces, and who was honorably discharged, would have a job at our plant when the war was over."

That was the pledge—a pledge we intend to keep!

Already 52 of our "boys in service" have returned to us from the ranks of the military and are now at work on civilian production.

But that is not all. During the long years of war, 468 of our employees were called to the colors to wear the uniforms of the Army, the Navy or the Marines.

To our boys who are yet to be discharged from service we say again, "there's a job waiting for you when you come back." Maybe you have been injured, maybe you have lost an arm or leg, maybe your eyesight isn't as good as it was when you joined the colors, but regardless of all that, we've got a job for you.

We believe that the biggest job on the home front today is to find employment for returning veterans. We believe that it is the job of every employer to see to it that returning veterans find work. It's the least we can do for the boys who, when the government called, dropped their tools and fought for Liberty.

We of Tecumseh Products Company are just one big family. We sometimes have disagreements among ourselves but again—just like any family—let an outsider attempt to say something about us and we stick together like plaster. That's the way it was before the war, and during the war. We intend that it shall be the same, now that the war is over.

To our valued employees who, during the trying battle days, worked long hours and hard to produce the materials of war, we say, "thanks for a job well done." It was your effort, your loyalty, your sincere desire to furnish our fighting men with quality materials that won for our company the Navy E Flag for efficiency. On that flag was five service stars denoting thirty months of uninterrupted production. And on the same flag-staff flew the colors of the Treasury's Bull's Eye Flag for the purchase of War Bonds.

Remember, Tecumseh Products Company was the first plant in the nation to receive the Navy E. Flag and the Treasury's Bull's Eye Flag simultaneously.

That's an achivement for which all of us and our community may be proud.

In post-war we see a bright future. We are planning uninterrupted production of peace-time materials as quickly as government releases will permit. At our plant there has been practically no loss of time. We expect that employment will increase rather than decrease as the days go by.

The employment rise at our shop must come if we are to keep pace with the millions of dollars worth of post-war orders now on our books—orders that must be filled as rapidly as possible.

It is for this reason that we say again, "Tecumseh must grow! Tecumseh must move ahead!" We need in Tecumseh as quickly as they can be built, between 400 and 600 new homes. We need a new school, improved water supply and sewage disposal. All of these things we will need to accommodate the 2,000 employees we expect to have on our payroll before the end of next year.

Yes, returning veterans and Tecumseh residents, we believe wholeheartedly in the future. Let's all pull together to realize it's benefits.

Tecumseh Products Company

President.

A WOMAN'S WORK
IS NEVER DONE!

Sweep and dust! Mop and scrub! It's certainly discouraging to try to keep a home clean, with soot and dirt continually settling on walls, draperies, furniture and rugs.

Yet there IS a way to keep your home clean . . . and without all that drudgery! Have a PREMIER Winter Air Conditioner added to your warm air furnace, and your heating plant will do most of your cleaning for you!

This PREMIER Unit filters the air in your home, removing countless particles of dust, soot and ash. By means of a powerful, quiet blower, the air is drawn from the rooms through the cold air pipes, passed through the large, efficient filters, then warmed and returned to the rooms, at the rate of 4 to 7 complete air changes per hour! You virtually never have to dust, and the fuel saving soon equal your entire investment. Inquire today about this new, moderately priced PREMIER Add-on Conditioner.

CONVENIENT TIME PAYMENTS . . . . . FREE ESTIMATE

IS YOUR PRESENT FURNACE EFFICIENT?

If you are thinking about replacing your present heating plant, see us before you buy. We deal exclusively in Premier Steel Furnaces. You'll find our prices right, our service prompt.

HAVE YOUR FURNACE INSPECTED AND CLEANED

Now is the time to have your furnace inspected and cleaned. If your present heating plant needs repair, let us do it this summer. Don't wait 'till fall. Repair parts are difficult to obtain.

THE TECUMSEH HERALD

NINETY-FIFTH YEAR—NUMBER FIFTY | TECUMSEH, MICHIGAN, THURSDAY, SEPTEMBER 13, 1945 | FIVE CENTS PER COPY

696 Enrolled in School Here

IS INCREASE OF 31 OVER FIRST DAY ENROLLMENT OF A YEAR AGO

An enrollment of 696 students in the Tecumseh public schools on the opening day, Tuesday, was announced by W. L. Berkhof, superintendent. This figure shows a slight gain over 1944, when the first day's registration amounted to 665.

The heaviest enrollment, Mr. Berkhof said, is in the elementary grades, particularly the third. The kindergarten class, too, is large, with 60 enrolled. The ninth grade, freshman class, is about the same size as a year ago, with 58 registered, but the senior class is small, with a registration of 42. The small number, it is believed, is due to the war.

"We spent Tuesday in registration and the several upper classes moved from one room to another, meeting instructors. Wednesday, however, all classes reported for regular assignments and today the work year for all students really begins," Mr. Berkhof said.

With but two exceptions, the teaching staff as announced by The Herald two weeks ago, is meeting classes. Miss Dilys John of Milan, who was to have taught English in the junior high school, requested that she be released from her contract and the vacancy has been filled by Miss Bessie Bortner of Pennsylvania. Miss Bortner is a graduate of the University of Toledo, and taught previously in Maryland.

Mrs. Ina Bailey, third grade teacher in the Central building, is ill in Tecumseh hospital. Substituting for her is Miss. Wallace Whiting.

"We have been quite fortunate, considering the teacher shortage, in filling all vacancies in the local system," the superintendent said. "The students seem to be happy to be back 'on the job,' and beginning today classes will be operating smoothly in the branch buildings and in the high school."

Dr. Bernard Steinberg Is Rotary Club Speaker

Industry thinks nothing of spending a few millions in the development of a new motor and the average car owner will lay out dollars and dollars to keep his automobile on the road but those same folk do but very little to protect the health of their own bodies in the way of regular physical check-ups and medical research, Dr. Bernhard Steinberg, Toledo pathologist, told members of the Rotary Club when he addressed the group, following dinner Tuesday evening at Brees House.

"The community of Tecumseh is to be congratulated for its foresight in building such a fine hospital as you have here," the doctor declared. "You have an excellent, modern institution, of which you may be justly proud."

Dr. Steinberg is a widely known pathologist and research worker, and he has been retained to direct the recently installed laboratory at the hospital here. He was the guest of E. M. Campbell, a member of the hospital board.

At 8 o'clock Tuesday evening, Dr. Steinberg addressed a public meeting in the Methodist church, under the auspices of the Tecumseh Hospital Auxiliary.

W. C. T. U. MEETS

The regular meeting of the W. C. T. U. was held Tuesday afternoon in the Presbyterian church with Mrs. S. W. Boyce as leader.

The program included papers on temperance education, by Mrs. Margaret Kidman; "Prayers Did It," by Mrs. Jennie Temple; "Alcoholics in United States," by Mrs. Howard Everhart; a solo by Mrs. Robert Gilleepie, and readings: "Temperance Teachings," by Mrs. Loveland; "Great Waste in Cigarettes," by Mrs. Henry McLain; "Georgia's Laws," by Mrs. J. C. Brown.

PRESBYTERIAN LEAGUE

The Presbyterian League will hold a picnic Tuesday evening, September 18, at the home of Mrs. Percy Heidenreich. The committee in charge of the supper and program is: Helen Hendershot, chairman, Betty Heidenreich, Helen Hodges, Elizabeth Boyce, Bernice Duncan and Elizabeth Seger.

Harold Easton Buys Wilson Service Station

Harold Easton, for four years an employee of Wilson's Friendly Service Station, Chicago Boulevard at Pearl, announced this week that he had purchased the business from George Wilson who, in the near future, plans to make his home at Gaylord.

Mr. Easton, a graduate of Tecumseh high school, class of 1941, entered the armed services in March of 1942 and in December of that year received a medical discharge. He worked at the Wilson station from 1941 until he entered the army and resumed his work there after his discharge. He is well known to Tecumseh residents. Mr. Easton has announced that there will be no change in the operating policies of the station.

Mr. Wilson operated the station for 14 years and prior to that time it was owned by his brother, Leon, now in Gaylord.

George Wilson and his family plan to move to Gaylord about the first of November and will take over the operation of a large tourist cabin business, established there 14 years ago by Leon Wilson and his father, William Wilson. Mr. and Mrs. Leon Wilson plan to leave soon to make their home in New Mexico.

Tithe Wheat Sales Climb

FIVE CHURCHES IN TECUMSEH TO DATE SHARE IN NEXT YEAR'S CROP

Five of Tecumseh's churches have thus far been designed to share in the sixth crop of the Dynamic Kernels Tithing Wheat, Perry Hayden, founder, said today.

"The churches thus far listed in Tecumseh are the Baptist, Presbyterian, Methodist, Catholic and Lutheran," Mr. Hayden said. For these churches, he said, farmers have agreed to plant 103 bushels of grain. The churches will share in the crop in 1946.

The crop this year amounted to 4,868 bushels and a tithe of 487 bushels has been given to the Tecumseh Friends Church. Of the remaining wheat, Hayden said, 1,455½ bushels actually have been sold and 173 bushels have been ordered. Thus, more than half of the crop is disposed of.

"There remains about two weeks in which to plant," Hayden said, "and farmers are commencing to speed up their buying. I am receiving many long distance calls for wheat, and it would not surprise me if the entire crop was disposed of yet this week or by the middle of next. Buyers now are taking large quantities."

A total of 45 churches have been named to share in next year's crop thus far, he said. Orders for wheat have been taken from as far north as Scottville and Vassar, and in Ohio.

Farmers who agree to tithe next year's crop with their church purchase the seed at $1 a bushel, despite a 50 per cent higher market price.

MARRIAGE ANNOUNCED

Mrs. Margaret Ward of Ypsilanti, announces the marriage of her daughter, Helen Joan, to John J. Bard of Detroit. They were married May 1 in Ypsilanti by the Rev. Mr. Bair and plan to make their home at 2133 St. Joseph street, Detroit, after October first. Mrs. Bard is a cadet nurse and at present is finishing her cadet training in Tecumseh hospital. In June she received her R. N. and on September 16, will be graduated from St. Mary's hospital in Detroit. Mr. and Mrs. George Rubadou of Tecumseh are Mrs. Bard's grandparents.

GETES ARMY DISCHARGE

Staff Sgt. Ivan Maynard, has been discharged from the army after serving eleven months in Italy. He completed his 50 missions sometime ago. Mr. and Mrs. Maynard are here this week visiting his parents, Mr. and Mrs. Ivan Maynard before going to Champaign, Ill., where they expect to make their home.

Mr. and Mrs. L. Maynard have heard from their other son Herbert. He is still in Germany.

GOING TO WASINGTON

Joseph C. Satterthwaite will leave Friday for Washington, D. C., after spending about four weeks here with his father, J. N. Satterthwaite, and family. He will assume new duties in the State Department, having recently returned from foreign service.

BARACA CLASS

The Baraca Men's Class of the Baptist church will meet at the home of Fred Sheldon, Wednesday evening, September 19, at 8 p. m. Watermelons will be ripe by then. The meeting was changed from Thursday evening because of the fair.

Marvin Gregg Fatally Hurt

BRITTON FARMER KILLED NEAR LANSING; WIFE HURT AND IN HOSPITAL

Marvin Gregg, 54, who resided on a farm about four miles east of Britton, was fatally injured near Lansing, Sunday night, when the car he was driving became involved in an accident with another car operated by Hugo Hein, 60, of Lansing. Mrs. Gregg was seriously injured and was removed to Sparrow Hospital, Lansing. Reports from there yesterday said that it was feared that Mrs. Gregg might develop pneumonia. Mr. Hein also was badly hurt.

Mr. and Mrs. Gregg were on their way home from Lansing at the time of the accident. They had been visiting Mr. and Mrs. Leon Exelby, former Britton residents.

Mr. Gregg is survived by the widow, a son, Dr. Robert Gregg of Passaic, N. J., and two daughters, Mrs. Ann Elizabeth Finch of Sioux City, Ia., and Miss Janis Gregg of Long Beach, Calif. Also, by three sisters, Mrs. E. J. Aebersold of Tecumseh, Miss Mary Gregg of Washington and Mrs. Jennie Lewis of Adrian. His parents were the late Mr. and Mrs. Andrew Gregg of Tecumseh.

Funeral services will be held at the Niblack Funeral Home in Britton, Friday afternoon at 2:30. Dr. Norman MacNaughton will officiate and burial will be in Brookside cemetery, Tecumseh.

Mrs. C. R. Dustin Funeral Monday

WIFE OF FORMER SCHOOL SUPERINTENDENT DIES AFTER YEAR'S ILLNESS

Mrs. Lura Dustin, aged 51 years, passed away in her home here at 2 a. m., Friday morning, after a year's illness. Born in Fulton County, Ohio, December 6, 1893, she was the daughter of Mr. and Mrs. Geo. M. Ely of Montpelier.

Mrs. Dustin was a member of the Methodist church in Pioneer, Ohio, past regent of the D. A. R., past president of the Monday Club; member of Wit and Wisdom Club and O. E. S.

Mrs. Dustin was married July 8, 1915, to Cleveland R. Dustin who was superintendent and principal of the Tecumseh high school, for 18 years, until his retirement last year.

Survivors are her husband, one daughter, Mrs. Helen Hall and her father, Geo. Ely; two sisters, Mrs. Marjorie Mohr of Tecumseh, Mrs. Kathryn Cotter of Bryan, Ohio, and one brother, Dr. G. C. Ely of Montpelier, Ohio, and two grandchildren, Gary and Sandra Kay Hall. Also several nieces and nephews. She was preceded in death by her mother, June 8, 1925.

The funeral was held Monday afternoon at 2:30 in the Collins Funeral Home and burial was in the Brookside cemetery. The Rev. Norman MacNaughton officiated. Bearers were, Glenn VanDenberg, William Wehr, Wilfred Waldron and Alvin Brazee of Tecumseh, Leslie Mariatt of Adrian and Clarence Hall of Macon.

Relatives and friends came from Bowling Green, Montpelier, Bryan, Kunkle, Ohio, Columbia City, Ind., Macon and Tecumseh.

HARMONY HOME MAKERS HOLD 1ST MEET OF YEAR

The Harmony Home Makers met yesterday with Mrs. Mary Cleveland for their first meeting of the year; with potluck dinner served at noon. The program was in charge of Mrs. Jessie Sheldon; and assistant hostesses were Mrs. Daisey Boltz, Mrs. Dena Wallace and Mrs. Abbey Hause.

The officers for the year are president, Mrs. Helen Hendershot; vice president, Mrs. Ora Murphy; secretary and treasurer, Mrs. Gwendolyn Quigley. The next meeting will be held October 10, with Mrs. Hendershot.

Injuries Fatal to John H. Swift

FUNERAL SERVICES FOR AGED RESIDENT HELD HERE SUNDAY AFTERNOON

Funeral services were held Sunday afternoon at the Collins' Funeral Home for John H. Swift, aged 69 years, who died early Friday morning in Tecumseh hospital, where he was taken the Saturday night before after having been injured in an automobile accident.

Mr. Swift, a resident of Tecumseh and vicinity for some 25 years, was born July 30, 1876, in Riga township. A large part of his life was spent at farming. His home was on N. Maumee street.

Mr. Swift was injured about 10:45 o'clock on the night of September 1 when, while attempting to cross Chicago boulevard in the downtown district, he became involved in an accident with a pick-up truck, operated, police say, by Jos. E. Duncan of Ida. One of Mr. Swift's legs was broken and he suffered other injuries. Coroner Paul Mott has held that death was the result of his injuries. No inquest will be held.

Surviving are three sons, Howard of Holloway, Edwin of Tecumseh and Arnold of Chelsea, a daughter, Mrs. John Thurston of Dearborn, a brother, George M. Swift of Canandagua, three sisters, Mrs. Melissa Moon of Toledo, Mrs. Sadie Boles, and Mrs. Hannah Meyers of Blissfield. Mr. Swift's wife preceded him in death July 18, 1940.

At the service here Sunday, the Rev. R. O. Bashore officiated and burial was in the Berkey, Ohio, cemetery.

Culbertson P. T. A. Plans For Box Social

The Culbertson P.T.A. met Friday evening at the school house. This was the first meeting of the year, with Mr. and Mrs. Thos. Murphy and Mr. and Mrs. Wenton Murphy as hosts.

The new president, Mrs. Gwendolyn Quigley, presided. A musical program was planned by Mr. and Mrs. Wilbur Boyce and consisted of instrumental music by Clare Camburn, Ronald and Charles Goodacre, Jeanette and Ruth May. The three Boyce sisters sang two songs. The remainder of the evening was spent socially. Refreshments were served.

The October meeting will also be held at the school house with a box social.

Mrs. Helene F. Proctor Is Buried Near Flint

Mrs. Helene F. Proctor, 84, died at the Will Home on Saturday afternoon, where she had been a patient for eight days.

Born at Hadley, Michigan in 1861 Mrs. Proctor had lived for several years in Ann Arbor, moving to Macon about two years ago.

Surviving is a brother, Joseph A. Kluss of Sheridan, Ark., a stepdaughter, Mrs. Emma Lanning of Sturgis, and several neices and nephews. A son, S. K. Proctor, Ph. D., of Sturgis, instructor in English at the University of Michigan, died in August, 1938.

Funeral services were held Wednesday at 11 o'clock at the Collins Funeral Home and burial was in the Tanner cemetery near Flint.

OFFICERS INSTALLED BY LADIES UNION

The Ladies Union of the Baptist church met Thursday afternoon at the home of Mrs. Howard Matthews. Mrs. Robert Gillespie led the devotions, and Mrs. B. O. Bashore was in charge of the program, which was an installation service for the new officers. A dessert luncheon was served by the hostess. The next meeting will be held at the home of Mrs. Florence VanValkenburg.

CROSSING REPAIRED

The New York Central Railroad company's crossing at Chicago boulevard was repaired this week by railroad workmen and the State Highway Department. Old ties were torn out and new ones installed, making the crossing less bumpy to traffic. Extra police were kept on the job by the village while the work was done.

HOME BUILDERS MEET

The Happy Home Builders class of the Baptist Sunday school met Wednesday evening at the home of Mr. and Mrs. Herbert Hoag. Potluck supper was served at 6 o'clock. This was the first of the fall and winter meetings.

BAND PARENTS CLUB

The Band Parents Club will meet on Friday evening, September 14, at 8 p.m., in the high school here. The initial meeting is a week early this year, because of the Lenawee County Fair.

Labor Honor Awarded To The Products Co.

Lenawee county management-labor committee members were presented with certificates of merit for distinguished service during the war years at a testimonial dinner at the Adrian Club, Monday evening. Presentations were made by Edward Cushman, state WMC director. Some 70 persons were present, including committee members and manufacturers.

Lenawee county's record in war production is one in which the entire community may well take pride, Mr. Cushman declared. The big job was done without recourse to a labor draft because of the efficient manner in which the management-labor committee operated and cooperated, he said.

Paul Breitenwischer accepted the certificate in behalf of the Tecumseh Products Co.

Eastern Star Resumes Meets

80 IN ATTENDANCE AT OPENING PROGRAM; ELECTION OF OFFICERS OCTOBER 4

Tecumseh chapter No. 51, O.E.S. resumed its meetings September 6, after a summer recess. Potluck supper was served to 50 members, seated at two long tables decorated in green and white, honoring past Eshers and past Marthas.

The meeting was called to order with over 80 members and guests present. Grand Esther of the Grand Chapter of Michigan O. E. S., Sister Olive Jameson Baker of Adrian, an honored guest, related the history of Esther. Mrs. Homer Colson, the present Esther, escorted 14 past and present Esthers to the East, and in turn were introduced and honored. Mrs. Colson presented Sister Baker with a gift from the chapter.

Mrs. John Smith gave the history of Martha and then the present Martha, Miss Beatrice Daykin, escorted nine past and present Marthas to the East; they were introduced and honored. The members stood in a minute of silence in tribute to the late Sister Edna Lent, active member and one of the committee members this year.

The Grand Chapter will be held in Grand Rapids, October 9, 10, 11. Mrs. George Wilson, Worthy Matron, will serve as one of the special Grand Guardians during the session.

A memorial service was held for Mrs. Lent, Jared VanVleet and Clarence Conklin.

The next meeting will be October 4, with election of officers.

S. Marine Corps, and Donald of Adrian; one brother, Dr. Clarence Drewyor of Bell, California, one sister Mrs. Charles Gurtzweiler of Petersburg, also ten grandchildren.

The funeral was held Wednesday at the Dunn Funeral Home with burial in Ridgeway cemetery.

Sgt. Willard Woods Weds Brooklyn Girl

Miss Audrey Brown, daughter of Mr. and Mrs. Frank Brown of Brooklyn, and Sgt. Willard Woods, son of Mr. and Mrs. Oren Woods of Tecumseh, were married Saturday afternoon at 2:30 in the Methodist church in Clinton. The doubling service was read by the Rev. C. E. Foltz. Their attendants were Mr. and Mrs. Ivan Maynard of Champaign, Ill. The bridegroom and his attendant both enlisted in the army on December 9, 1942. Sgt. Woods has just returned after 18 months service in Europe and will leave Tuesday for re-assignment. Mr. Maynard was discharged Friday from service after many months overseas.

The ceremony was attended by the immediate families only, and a reception was held in the Woods home.

Lieut. Fred Schumm Weds California Girl

Lt. Fred Schumm of Fort Ord, California, son of Mr. and Mrs. George Schumm of Tecumseh, and Betty Medina of Monterey, California, were married Wednesday, August 22, in the Bethlehem Lutheran church, in Pacific Grove. Lt. Schumm was transferred to Fort Douglas, Utah, and Mrs. Schumm arrived Sunday to make her home here.

Officers Named By Auxiliary

HELEN MIX NAMED AS PRESIDENT; INSTALLATION TO BE ON OCTOBER 1

The regular meeting of the Auxiliary of the Underwood-Orr Post No. 34, American Legion, was held Monday evening in the hall here. In the absence of the president, the secretary, Jesse Sluyter, called the meeting to order. Mrs. Mae Baldwin was elected president pro-tem. During the meeting it was voted, due to the rapid changes in addresses, to cancel the service man's subscriptions to The Tecumseh Herald as they expire, unless some member of the family requests that it be continued.

The report of the nominating committee was read by Ruth Keyser, and accepted as read. The election of officers was as follows:

President, Helen Mix; first vice president, Elizabeth Hammell; second vice president, Madge Lewis; secretary, Jesse Sluyter; treasurer, Irene Wilson; historian, Alice Schneider; chaplain, Ethelinda Church; sergeant-at-arms, Ella Baaske. Members of executive committee, Pearl Brown, Mae Baldwin and Doris Bagshaw.

It was voted to again pay the Gold Star Mothers dues.

A report of the Department of War Conference, that was held in Detroit, was given by Dora Warren.

The next meeting will be held October 1, with a membership and installation dinner. Reservations are to be made with Mrs. Baldwin. Marda Gene Duncan will give a report of Girl's State, held in Ann Arbor.

C. S. Foote Dies

AGED RIDGEWAY RESIDENT TO BE BURIED FROM HIS HOME ON SATURDAY

Charles Sumner Foote, aged 88 years, of Ridgeway, died Wednesday morning in Tecumseh hospital, where he had been a patient for two weeks, following a paralytic stroke, in the home of his son John Foote.

Born September 18, 1857 in Interloken, New York, Mr. Foote came to Michigan at the age of 25. In February, 1882, he married Mary Ann Temple of Ridgeway, who died in 1935.

Mr. Foote lived most of his life near Ridgeway. He was a farmer and in later years an apiarist. For 25 years he spent his winters in Florida. He was a member of the Ridgeway Methodist church.

Surviving is one daughter, Mrs. Marian Stone of near Tecumseh, and two sons, Samuel of Chicago, and John of Tecumseh; three grandchildren, Donelda Stone Robison, Robert Stone and Sgt. Virginia Foote with the army air corps in Ashville, N. C.; two great grandchildren, Larry and Eric Robison; one sister, Mrs. Anna Ogden of Rochester, N. Y., and several neices and nephews.

Funeral services will be held Saturday afternoon at 2 o'clock from the Foote home in Ridgeway with Rev. A. B. Johns officiating. Burial will be in the Ridgeway cemetery. Friends may call at the Foote home.

Zona Esther Hall Is Bride of Dean V. Cook

Zona Esther Hall, daughter of Mr. and Mrs. Charles Fick of Holloway, and Dean V. Cook, son of Mr. and Mrs. John Cook of Tipton, were married Friday evening at 7 o'clock in the Holloway Presbyterian church by Rev. James Cameron Murdoch. The church was beautifully decorated with palms, candelabra and baskets of fall flowers.

The bride's gown was of white net and she wore a finger tip veil. Her bouquet was white gladiolas and Bebe mums. Mrs. Kenneth Colyer, as matron of honor, wore a floor length gown of light green net and carried pom pom dahlias and gladiolas.

The groom, who returned recently from combat service in the Pacific after 41 months, was attended by Kenneth Colyer.

Only the immediate families of the couple and a few friends attended the service.

Later a reception was held in the home of the bride's parents and refreshments were served.

Mr. and Mrs. Cook left that evening for a trip in Northern Michigan.

HONOR BRIDE-TO-BE

Mrs. Hamilton Moore will entertain at a miscellaneous shower Friday evening, in her home near Britton, for the pleasure of Miss Betty Johnston, who will become the bride of William Wedemeyer of Saline, September 22. The wedding will take place in the Macon Methodist church.

WHAT OF THE FUTURE?

During the war, the major cost of all production was paid for by the government. There was no competition. There was no question about whether John Jones or Bill Brown could pay the cost price of an article. That situation will not prevail now that the war has ended. John Jones and Bill Brown will be looking for a saw, hammer, stove or washing machine, radio or automobile at a price. If the price is too high, they won't buy it. And the price will be based on the cost of production.

These facts are important both to labor and to government if our reconversion program is to go steadily forward. It's time for some clear-cut thinking.

It also seems rather futile to talk about substantial postwar tax reductions when new measures in Congress ask billions of dollars for various schemes to put the government into business in competition with private enterprise. All such government projects are tax exempt, while private enterprise must pay all known forms of taxation to maintain government and its tax-exempt activities which destroy private enterprise.

One of the latest proposals is a bill introduced in both the Senate and the House to reduce interest rates to states, municipalities or other public bodies to two per cent. A large part of these loans are to finance tax-exempt projects.

Toying with a million or a billion is but idle pastime for Washington politicians, who seem to have forgotten that the war is over and that our nation today is much poorer than it was 10 years ago.
